But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins are in your harem, Linky.

Simulator Janet Smith, Simulator Shirley Lane, Simulator Cath Ronary, and Simulator Bunny Higgins showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Simulator Janet Smith, Simulator Shirley

Lane, Simulator Cath Ronary, and Simulator Bunny Higgins, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch The Wet Bandits and throw them back in Lynn's Table and give Margie The Black Abyss.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Snow Kingdom for Round 2.

Me: Ooh better bundle up for that one.

Zoe Orimoto: Me and Skyla will go.

Skyla: Yeah this will be cool.

Lola: Go get them.

Nico: Lets go then.

They got on their parkas and went in and the simulator activated and they were at SNOW KINGDOM!

Skyla: Wow this is amazing.

Zoe: Boy it sure is cold.

Nico: I know.

Nicole: You guys are going to love the next bad guy for this one.

Nico: I guess no more bosses these next 2 levels.

Nicole: Nope.

Nico: Who are the bad guys?

Nicole: They're at the place where you battled Rango before.

Nico: Lets go then.

They were off.

Zoe: It's cold out here!

Nico: Well it's the Snow Kingdom. What did you expect.

Zoe: Good point.

They got to the spot and they saw ROCKY & MUGSY!

Nico: Rocky and Mugsy!

They landed.

Nico: Well well if it isn't our resident gangsters.

Rocky: That's right and now we're going to blast you good.

Mugsy: Yeah we sure will!

He punched Mugsy in the stomach!

Rocky: Shaddap.

Nico pointed his blaster at them.

Nico: Lets find out which is better. Lasers or bullets.

Rocky: I prefer bullets.

ZAP!

Nico fired a laser blast and blasted Rocky's gun out of his hand.

Nico holstered his blaster.

Nico: You also cold out here?

Mugsy: Yeah it's cold!

POW!

Mugsy got socked in his face by Rocky.

Rocky: Shaddap!

Nico: He is cold you know.

Rocky: The only here that's gonna be cold is you when I let ya have it.

Nico: We'll see about that. And another thing? I don't die easily.

Rocky: We'll see about that!

Nico: Don't count on it.

Skyla: That's right.

Nico: And another thing you clods, I did not appreciate what you did to my friend Mandee back then.

Rocky: Well you are about to join her soon.

Nico: We'll see about that.

?: (ECHOING) HURRICANE GALE!

A massive tornado of wind blasted the 2 gangsters around in it.

Out came Kazemon and a girl with green hair and green eyes and green clothes and green wings and had a tiara with Jet Stingray on it.

Jenna Stingray: Jenna Stingray is here.

Zoe: Jenna! Wow!

Skyla: You're looking great!

Jenna Stingray: You too Zoe and Skyla. Been a while.

Kazemon: This is gonna be fun.

Nico: Iris Kaze? Wow.

Skyla: Lets get these two!

Zoe: EXECUTE! BEAST SPIRIT EVOLUTION!

She turned into ZEPHYRMON!

Zephyrmon: ZEPHYRMON!

She went at them and kicked them all over.

Nico: (gets out Lorelei and Another Ex Aid's Ridewatch) Time to sing with no continues!

He activated them and fired waves of energy and blasted the two.

Zephyrmon: (ECHOING) HURRICANE GALE!

She fired a massive blast of wind.

Skyla fired waves of wind and Jenna fired blasts of wind too.

Iris reverted back and was a girl with purple hair, purple eyes, pink clothes, purple butterfly wings and had Kazemon in the middle of her forehead and on her skirt and the Wind Spirit Kanji on her arm and had a wind sword.

Iris Kaze: I am the wind!

She fired waves of wind and blasted the two. They were down and tied up by Nico.

Nico: That did it!

They got 30 moons.

Nico: YEAH!

They high five!

Nico: How did you meet Zoe and Skyla?

Jenna Stingray: I met Zoe when she and I were in cooking class and we made an awesome Italian feast for the teachers.

Zoe: She's a great Italian chef.

Nico: Nice.

Jenna: And I met Skyla in flight camp and we did all kinds of airplane moves.

Nico: Cool.

Jenna: Yeah good times.

Zoe: Iris do you have a favorite memory of Nico?

Iris Kaze: I sure do. When me and Nico found this city floating high in the clouds and we found this sword for me. It was called the Sword of The Wind Elementals.

Nico: Yep. That was fun.

Nico and Iris hugged.

Nico: I've missed you.

Iris Kaze: Same here.

Nico: Would you two like to join us?

Jenna: We would be honored.

They left and we cheered for them.

---

We were walking to the hospital.

Alicia Lantera: Where are we going again?

Poromon: To the hospital.

Me: Why? Is there someone that needs help?

Poromon: Yeah you could say that.

We arrived and went in.

We then saw a kid with blond hair and blue eyes and she was in a wheelchair.

Girl: Hey guys!

Poromon: Hey Alicia!

They hopped into her lap.

Scratch: Who is this?

Poliwag: This is Alicia Morgenson.

Me: Pleasure to meet you Alicia.

Alicia Morgenson: Same here and it's an honor to meet you all.

Me: You too.

Full Tilt: Oh no. You're like Joe, aren't you?

Alicia Morgenson: Well actually I have Gangrenous Necrotizing Osteomyelitis.

Isabel: (GASP) You got what I have.

She went over.

Isabel: Alicia I completely understand what you are going through. I had the same disease myself.

She showed her scar on her back.

Alicia Morgenson: You have the same scar I do?

Isabel: Yes. I got this scar because of it. I had to have my entire spine replaced with an artificial one. I couldn't walk for a long time because of it. But it's how I got the power to find out the animal spirits.

Alicia Morgenson: Wow.

Poromon: But at least you're going to get better.

Alicia Morgenson: I know.

Brawn: Hey, even if you're in a wheelchair, you can still do amazing stuff

Alicia Morgenson: That is true. But Isabel I can see spirits of animals like you can.

Isabel: You're a shaman too. Wow. Alicia how would you like to be my student?

Alicia Morgenson: I would be honored Isabel.

Nico: That is awesome.

Later at the police stationo Tom was working.

Tom Lair heard a knock on the police station door.

Tom Lair: Wonder who that could be.

He opened the door to reveal Xehanort.

Xehanort: Mr. Lair.

Tom Lair: Xehanort?!

BAM!

Before he could react, Xehanort knocked him out with his metal hand.

Xehanort: Oh, rest assured I'm not going to kill you just yet. You'll be bait to draw out my true target.

UH OH!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission and final showdown against Xehanort starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Sheila came in frantic!

Sheila: Guys, I just got word that Tom was kidnapped.

WE GASPED!

Irma: DADDY NO!

Nico: Oh fuck. I think I know who took him.

As if on cue, Xehanort's face appeared on the monitors.

WE GASPED AGAIN!

Nico: Xehanort!

Me: XEHANORT!

Xehanort: Lose someone important, Nico?

Nico: You son of a bitch. If you've hurt him-

Me: I WILL KILL YOU, YOU SON OF A FUCKING BITCH!

Xehanort: He's unharmed for now. If you want him, you'll go to where this all began. In the Keyblade Graveyard.

Me: OH WE'LL BE THERE YOU MOTHERFUCKER!

Noco: I'll be there with 5 of my friends!

Xehanort: (laughs) Bring as many friends as you like. It won't make a difference.

Me: Ha! Your arrogance will be your undoing! I've waited 7 years for this!

The transmission cut off.

Maria: Who are you bringing?

Nico: Um… I already decided on Sora, Mickey, Ven, and Roxas. Any idea for number 5?

Irma: I'll go too.

Me: Irma-

Irma: No, J.D. With all due respect, I don't care if you and Nico are going to transform. That was my father he kidnapped!

I looked at me as Nico shrugged helpessly.

Me: Okay then.

Nico: Fair enough.

Me: Also I'm going too. I started this battle with him and I'm going to finish it!

Nico: No J.D. you're not…

Me: Don't try to stop me Nico! I've started this all back in 2018 when we spread all those dark orbs all over the universe. It's time to end this once and for all! I'm going whether you like it or not! Xehanort is my responsibility and I'm going to make sure he dies!

Broccoli Guy: Well, if you go, who's gonna lead the rest of the team to follow you guys after the usual battles are done?

Nico: He's got a point.

Me: We'll have Shadow clones back.

Nico: Good idea.

Eli: That works.

Broccoli Guy: Okay.

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal-

Chill Bill: You know what, Lincoln? Sometimes, your premonitions have poor timing!

Me: We already got the memo. Xehanort is on the move.

Qin: And he's lost it too.

Me: He's finally fucking lost it! (LAUGHS)

Nico: Now, hold on, J.D., we shouldn't laugh. We'll do that after we finally give that fucker The Black Abyss forever, and when that happens, The Dark Orbs will finally vanish forever, and we'll be rid of him forever. Where's he at, Lincoln?

Lincoln: Scans show he's at The Keyblade Graveyard.

Carolina Keyblada: Where it all began long ago.

Me: Just like he said. And that's where it will all end for good.

Nico: Yeah! You got that right. Alright, everyone, let's go, the final battle has begun, and the time to slay Xehanort has finally come!

Lincoln: This nightmare began because of you, Xehanort, and now, your judgement day has finally arrived.

Nico: That's right! Okay you guys stay back and have the usual battles. We'll go and meet you all there when you're done.

Eli: Right!

Nico: When all of us get there, it'll be the biggest battle ever. Probably more bigger then the one against Thanos. I'm not promising a ride home, but if you guys are with me, me and J.D. could use you guys.

Eye Scream: If it's all the same to you, I can find my own ride home.

Nico: Okay.

Me: This is it guys! We fight to the death! The Final Battle. Him or us. All or nothing. The universe is now hanging in the balance. Failure is not an option. If we lose this we have no future!

Grave Clobber: Also, Nico, which Gene Slammer do you think you'll meet next?

Nico: Datamon next.

Me: Good choice.

Qin: Be careful guys.

Me: We will.

Nico: J.D. I just want you to know that if we die today, then its been a truly great honor fighting alongside you

Me: Same here Nico.

Nico: LETS ROLL!

Swift Foot: Wait. Shouldn't we wait for the MOE members?

Grizzly: We're already here!

We saw the previous group.

Gearhead: It's obvious that me, Grizzly, Top, Abra Kadabra, Trapster, Swordsman, Batroc the Leaper, Shade, Ragdoll and Trumbipular are going with you guys. But what vehicles can I use?

Nico: Plenty of tanks and stuff.

Gearhead: Good.

Nico: Ready J.D.?

Me: Always. I've waited for this day for a long time.

Grizzly: Be careful guys.

Me: We will.

Nico: Lets roll!

We were off!

Camie: Good luck guys.

Eli: Be careful bro.

May: They'll be okay, right?

Top: Don't worry, May. You know your husband. He and the rest will be fine.

May: I know he will.

Abra Kadabra: Well, while waiting for the usual battles, we might as well get ready.

Qin: Right!

Xenia: Lets do it.

They got ready.

POOF!

Shadow clones of me and Nico appeared.

Clone me: Okay lets get ready.

Batroc: Hey, Poromon. Do you and the mascots want some beer? It might be the last time you'll get a chance to do so

Poromon: Might as well.

Xenia: Okay.

We got them some.

Everyone got weapons ready.

Trumbipular: I'm eating as much peanuts as I can!

Clone Nico: Good. You'll need it.

Qin: Yeah.

Xenia: This may be the final battle guys.

Eli: But we'll be ready for this.

Lola: Yeah! No way are we letting everything that we did go to waste!

Laney: Yeah! We came too far to stop now!

Varie: That is for sure!

Masker Mind: Shouldn't the members for the usual battles be here already?

Then Trap Jaw, Beast Man, Unicorn, Hsi Wu, Killer Shrike, Mummy, Shendu, Captain Cold, Cantwell and Wiggum came.

Nico Clone: Trap Jaw, Beast Man, Unicorn, Hsi Wu, Killer Shrike, Mummy, Shendu, Captain Cold, Cantwell and Wiggum.

Trap Jaw: Sorry we're late.

Clone of me: You made it just in time.

Trap Jaw: You guys just let Nico and the others go ahead of you guys?!

Lincoln: It was their decision.

Beast Man: One that might lead them into a trap!

Unicorn: I'm sorry, guys. But after the usual battles, we need to find them!

Qin: Yeah.

Hsi Wu: (to Maria) We heard you guys fought Yamji Marik.

Maria: We sure did and man did everyone go APESHIT on him! Mostly J.D.

Cantwell: (to Lisa Simpson) You should take care of that Mega Celebi.

Lisa Simpson: I will.

?: Good.

A figure came out and it was LOS DARK from the Gokaigers movie THE GHOST SHIP!

---

He lures various greedy individuals into the ghost ship in order to absorb their life force, building up enough life force to bring himself back to life. He pilots an imitation of GokaiOh, a fake GokaiOh (にせゴーカイオー Nise Gōkaiō) in order to lure the Gokaigers into his vessel. The five Gokaigers would be all he needed to fill up on life force. Once he's through he'd be alive once more and able to use the God Eye to conquer the universe. He throws the Gokaigers into a pocket dimension inside the ship to go up against an army of destroyed grunts who were previously allied to villains that past Super Sentai have battled. He intended for them to be trapped there forever while he drained their life force. However, Captain Marvelous makes it out alive, seemingly having left behind his crew. After a duel, Marvelous distracts Los Dark with an explosive Final Wave, in the cover of which he grabs the God Eye and uses its one wish to return the other Gokaigers to him, shattering forever Los Dark's dreams of using the Eye to conquer the universe. In revenge, Los Dark reveals once again the fake GokaiOh and battles the Gokaigers' GokaiOh.

After a lengthy duel which destroys his ship, he is destroyed by the Gokaigers when they summon Variblune, Pat Striker, Dragon Headder, MagiDragon and GekiTiger. With the Fake GokaiOh falling into the burning Ghost Ship, Los Dark is consumed and killed in the explosion

* * *

Eli: Los Dark! I remember you! You were to lure greedy people onto your ship and steal their life force and also use the God Eye to conquer the universe.

Los Dark: Good memory there Eli.

Eli: Thanks

Los Dark: Too bad I wasn't adapted in America.

Jake: It would've been nice to have fight an evil copy of our Megazord!

Eli: That would have been so cool!

Qin: It sure would!

Xenia: Yeah!

May: Lets get it on!

Camie: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

They got the battles underway!

We were flying.

Nico: Okay, J.D. Since you insisted on coming, I'm calling another person for backup.

Nico got out his phone and dialed a number.

Nico: Yeah, it's me. I need a favor from you.

Me: (In my head) I have a feeling it's going to be good.

We were almost there

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Dul'Mephistos, better known as Mephisto, one of the main antagonists in the Diablo franchise, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Mephisto, one of the main antagonists in the Diablo franchise, and he's coming to destroy us.

Nicole: Not good, he needs to be destroyed here and now.

Avani Acadia: More than that, he's going to have his powers, strength, and abilities absorbed by Lincoln and banished forever to The Black Abyss.

Lincoln: Right, Avani.

Nico: A demon like him doesn't deserve to live any longer. Alright, team, let's go, the time to slay Xehanort has finally come, the battle that decides the fate of the universe begins now!

Lincoln: That Keyblader of Darkness will pay for everything he's done, and this time, he'll stay gone forever and remain a forgotten memory, and once we get done with Xehanort, you're next, Dul'Mephistos.

Avani Acadia: You've caused enough trouble to last an eternity, Dul'Mephistos, and you'll pay for everything you've done after we get rid of Xehanort.

Camie: Lets go!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to The Keyblade Graveyard and finally slay Xehanort and make him pay for everything he's done, and once we got rid of that monster once and for all, Lincoln and Avani Acadia along with me are going to destroy Dul'Mephistos.

EVERYONE WAS OFF TO THE KEYBLADE GRAVEYARD!

---

With Nico and me…

We arrived at the Keyblade Graveyard.

Nico: The Keyblade Graveyard.

Me: Never thought we would be here again. Sure is different without all the Keyblades in the ground.

Nico: Yeah.

We then saw a bunch of heartless.

Mickey: Those must be the mutated Heartless.

Sora: They're not attacking us.

Ven: They're probably thinking their boss can kill us so there's no need to attack.

Roxas: Fine by me. Let's go straight to Xehanort.

Me: Right!

Me: Lets go!

We fired waves of energy and blasted the Heartless anyway.

---

Back with us.

Slobber Trap: Guys, wait. I see multiple Militia Tanks converging towards the Estate!

Xenia did so and the estate was blasting them and destroying them into nothing.

They went to face them

Now they were off.

---

In the Keyblade Graveyard we saw Tom.

Irma: Dad!

Xehanort: See? Did I not say he was unharmed for now? (to everyone watching) People of Gotham Royal York, I know you are watching. And now, I will give you the truth. You have no saviors. No hope. And no Team Loud Phoenix Storm.

Sora took this time to walk towards Tom and untie him while Xehanort was monologuing.

I teleported and kicked Xehanort in his face.

Me: You shut the fuck up you heartless douchebag! We are the real deal and everyone knows your just a big fat motherfucking LIAR!

Everyone in the city agreed with me!

He got up and went at me and I dodged his strikes. I kicked him and punched him in his face and stomach and unsheathed my sword and we clashed brutally.

CLANG CLANG CLANG CLANG CLANG CLANG!

Everyone later arrived at the Keyblade Graveyard.

Torch Man: Fuck. You don't think those are the mutated Heartless, do you?

Eli: Yes they are!

Eli fired a wave of Force Lightning and electrocuted them and killed them.

Xenia: And this!

She fired arrows and blasted them.

Nico: Tom, are you ok?

Tom Lair: Aside from a few bumps on the head, I'll be okay.

Nico: In case we die here, I need you to do something.

Tom Lair: Just name it.

Nico: (smiles) Watch over them, Tom. Watch over them all. You've been a good friend. The best I could ever ask for. You were there since the beginning. And now? You get to see how it all ends.

Varie: Right!

They pressed on.

Xehanort had Nico pinned down.

Xehanort: Without Darkness, life is meaningless!

Xehanort was about to stab Nico when his Keyblade was shot out of his hand. We saw Ace Ukiyo there.

Ace Ukiyo: Hope I'm not too late.

Me: ACE! You made it just in time!

Then the spirits of all the Keyblades and works came and they swirled around Xehanort and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a Phoenix Cry was heard and EVERYONE CAME!

Brittney then grabbed Xehanort's Keyblade and purified it!

Brittney: Looks like you guys could use some help!

EVERYONE ARRIVED!

Nico: You all made it just in time!

Xenia: Yep.

Then ALL THE KEYBLADERS Came!

Xehanort then gasped like he saw NUMEROUS GHOSTS! HE SAW ALL THE KEYBLADERS THAT HE KILLED BACK FROM THE DEAD AND ALIVE AND WELL!

Nico: What's wrong Xehanort!? You look like you saw a ghost!

Me: Or rather millions of ghosts!

Then the Disney Heroes and friends of the worlds came!

Nico: You're dead meat Xehanort!

Me: I've waited 7 years for this!

Nico and me: (Thinking) Everything you've done, all of the pain you've caused to Sora and all of our friends, and all for your delusional desire to destroy the universe and remake it in your image. All of Team Loud Phoenix Storm and The Masters of Evil: THE PAIN AND SUFFERING YOU HAVE CAUSED WILL BE BROUGHT TO AN END TOGETHER WITH YOUR LIFE!

Suddenly, a massive planet-sized phoenix of rainbow fire flew across the skies destroying the Heartless and all of the negative energy flowed into us and we gained an astronomical power boost and this really really made Xehanort completely lose it.

Lincoln, Nico, and I went after Xehanort who completely lost his mind and charged at us, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Xehanort, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and Nico and I also did the same by rainbow energy slashes from our massive greatswords and gold plated dragon claws, and he, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Xehanort even madder than ever.

Xehanort fired blasts of dark fire and negative energy and darkness at us, but we absorbed the blasts, and it was making us even stronger than ever. Then, Lincoln fired many energy beams from the tips of his fingers and the planets orbiting around his fingers, and they hit Xehanort and disarmed him of his Keyblade and Lincoln gave it to Brittney.

Brittney: Ooh, an early Christmas present, nice.

Sebastian Mendez: Everything you've done has more than proven that you're just a megalomaniacal delusional monster, now die!

Sebastian sent armies of demons and monsters from Hell who really mauled Xehanort.

Ace Ukiyo: Now, here comes the highlight!

Grizzly: And boy, is it a highlight!

Me: **This is it Xehanort!**

Nico: **NO MORE LIVES WILL BE DESTROYED BY YOUR HATRED!**

Lincoln and his harem: ULTIMATE FINAL SMASH: KINGDOM HEARTS ELEMENTAL SPIRIT BOMB!

Lincoln and his harem formed a massive spirit bomb, and they then fired it at Xehanort as it then heads into space taking Xehanort with it and explodes on contact!

We saw a huge hole in his chest and his heart was exposed!

Nico: **He's weakened now, right?**

Me: **He sure is!**

Nico: Good.

Me: Nico lets deliver the final blow

Nico snapped his fingers and everyone else but me and Nico were back on Earth.

Maria: We're back on Earth?

May: (telepathically) Nico, what are you doing?!

Nico: (telepathically) **I'm the leader. So the responsibility of ending Xehanort falls to me and J.D. Guys, it's been an honor.**

Me: (Telepathically) **Take care of them Eli.**

With that being said, We turned to face Xehanort.

Xehanort: This will not be how it ends for me!

Me: **YES IT IS!**

Nico: **Xehanort, you have failed this city!**

Me: **IT'S TIME FOR YOUR TERROR TO END ONCE AND FOR ALL XEHANORT! THIS IS OUR UNIVERSE AND YOU ARE NOT WELCOME HERE!**

With that, we charged at Xehanort with fists of the Black Abyss ready to strike. As a result, everyone else saw an incredibly massive and powerful explosion on the Keyblade Graveyard planet. It wasn't destroyed. But there WERE shockwaves that shattered all the Dark Orbs all over the universe and in the Multiverse like glass. That meant only one thing.

Maria: Nico did it! He killed Xehanort!

May: THEY WON!

Xenia: YEAH!

Eli: J.D. DID IT TOO!

William: But then, where IS Nico?

Varie: And J.D.?

Everyone started fearing the worse.

May: (crying) They sacrificed themselves so Xehanort would be destroyed!

Lincoln: (solemnly) He won't be forgotten.

Hulk: (sees something) Hulk confused. If Nico and J.D. dead, Hulk want to know what that is!

Everyone saw something crashing in the atmosphere.

Maria: It's Nico. He's okay!

Nicole: And dad too!

Lincoln: They won't be if we don't do something!

William: Maria, I'll use my blaster to create a tornado while you use your water to put Nico and J.D. out!

Maria: Gotcha!

William made a tornado with his blaster and Maria fired a water at Nico me. This cooled us down.

William: Teresa! Arpeggio! Lori You're up!

Arpeggio: With pleasure!

Lori: Literally!

Teresa: Right!

The three of them flew into the sky and carried us down to Earth safely.

We were brought over.

May: (crying) Is he-?

Varie: (Crying) No…

Hulk: Hulk got this.

Hulk roared in our faces, waking us up.

Nico: Oh fuck! Please tell me no one kissed me!

Me: Oh man! What hit us!?

May: YOU'RE ALIVE!

Varie: J.D.! YOU'RE OKAY!

Everyone came and hugged us!

Tom Lair: All forces, Xehanort has been destroyed! The Militia is all that remains. It's time to take back our city!

They acknowledged.

Killer Shrike: It's over. Xehanort's gone for good.

Mummy: And all the Dark Orbs have been destroyed.

Shendu: Except the ones in our possession and the one inside Nico.

Me: Yeah.

Wiggum: Eddie, Lou, and the rest of the police force are taking down what remains of the Militia.

Captain Cold: So, what now?

Nico: Our job's not done yet.

Deadpool: He's right. This story still needs Team Loud Phoenix Storm for a few more chapters.

Me: As long as evil exists it's an eternal battle.

Lincoln: We're going to be throwing quite a party to celebrate tomorrow! Now, there's one last thing to do and one last loose end to tie up: Dul'Mephistos.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of lightning and the barrier really stood strong against them and we absorbed the massive blasts of lightning and they made us even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out now, Mephisto, or we will force you out.

A demonic horned figure came out, and it was none other than Dul'Mephistos, one of the Great Evils.

Lincoln: So, you've finally come at long last, Dul'Mephistos.

Avani Acadia: Only to die at our hands.

Suddenly, Avani Acadia's yellow eyes turned neon yellow and she was surrounded by a yellow yellow aura with stars, earth, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Dul'Mephistos, she left yellow energy, stars, earth, light, dragons, phoenixes, and angels with every step.

Avani Acadia: Your crimes have gone unanswered for eons, Dul'Mephistos, you've caused nothing but pain and suffering to too many innocent people in your never ending quest to finish the Great Conflict by wipe out all life in the universe so you can rule it in an iron fist. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Gebeb and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Avani Acadia was surrounded by a massive vortex of yellow energy with stars, earth, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Gebeb flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Dul'Mephistos: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Dul'Mephistos has angered Avani Acadia, and now, the rage of Hieratic Dragon of Gebeb is about to be unleashed.

We were amazed by Avani Acadia's Super Angel-Hieratic Dragon of Gebeb Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dul'Mephistos saw it, he fired blasts of lightning at her to kill her, but Lincoln absorbed them and it made him even stronger, and she fired a massive barrage of yellow energy, stars, earth, light, dragons, phoenixes, and angels which hit the demon and sent him flying into another wall, he got back up, but now, he was enraged.

Me: No way, did Avani just transform?

Lincoln: She did, now, we can tear Dul'Mephistos apart and make him pay for everything.

Avani Acadia, Lincoln, and I went after Dul'Mephistos, who continued firing blasts of lightning at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dul'Mephistos, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Avani Acadia also did the same by firing yellow energy slashes from her massive greatsword, and he, Avani Acadia, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Dul'Mephistos even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Dul'Mephistos, and then, Lincoln began absorbing Dul'Mephistos as he and all of us assimilated Dul'Mephistos' Genius-level intelligence, Manipulation, Immortality,

Charisma, Master strategist, Tactical cleverness, Leadership, Intimidation, Shapeshifting, Vast knowledge, Electrokinesis, Poison shockwaves, Ice shockwaves, Shooting magic missiles, and Necromancy, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Dul'Mephistos, and he banished Dul'Mephistos to The Black Abyss. Everyone cheered wildly for what Avani Acadia, Lincoln, and I did as we holstered our massive greatswords on our backs and powered down and Avani Acadia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Alina Anwar: Reap what you have sown, you Satanic monster. Thanks for helping me take down Dul'Mephistos, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Avani.

Me: My pleasure, Avani.

Suddenly, Avani Acadia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Avani Acadia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Gebeb flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and earth behind them and we cheered wildly. Then, Lincoln and Avani Acadia sucked in and absorbed the elemental forces and light and earth and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Avani Acadia and hugged us.

Luna: No kidding dudes, you guys taught that creepy monster a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his black soul to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a snake made of orange fire pass through the sky along with a phoenix and dragon made of fire.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Brigid Chengsehuo, Gene-Slammer and avatar of Brotherhood of The Fire Fist - Snake.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Brigid Chengsehuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of orange fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Snake, along with having orange angel wings along with having intense orange fire powers. She's known as The Majestic Warrior of The Sisterhood of The Fists of Fire, as her movements are as subtle as a snake. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of orange fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Brigid hates Scoots with a blazing passion, because of her being a heckling old troublemaker to everyone in her path and she despised her badly for trying to kill Lincoln, and like us, she really hated her for killing Claudia Cloudian all those years ago, and in one incident, she and Lincoln stopped that old goat who was on the warpath trying to kill Lincoln again, they beat her up and sent her back to The Lansing Maximum Security Nuthouse, and this time, they made sure she was locked up tighter than Fort Knox.

Nico: What a stubborn old goat.

Me: You said it. And the phoenix and dragon made of fire, what was that?

Maria Ying Xiao: I think I know what that was, I know who we're meeting on Nico's rescue tomorrow: Allie Ying Xiao, Ambassador of Shendu, Demon Sorcerer of Fire and Master of The Flames of the

Phoenix.

Selene Arcangela: I knew it was her, and you guys are going to enjoy meeting her, Allie Ying Xiao is Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the second eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Shendu, The Demon Sorcerer of Fire, along with red angel wings, and she also has full fledge mastery over the powers of Fire. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Fire, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a fire greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and because of the incident, she hated Lori with a passion.

Me: Whoa!

Qin: Really incredible. So, The Eight Demon Sorcerers have their own separate Ambassadors.

Lincoln: That's right, and make no mistake, they're also just as powerful as Maria.

Me: Wow.

Nico: Boy this was (Tired) A brutal… battle. (FAINTS)

FWOMP!

Qin: He's really exhausted.

Eli: Yeah.

Me: Man what a brutal battle.

Camie: Yeah no kidding.

Me: (To the viewers) Xehanort is now dead and we've seen the last of him and his evil heartless. Our mission is now complete. The Universe is now permanently and eternally free of dark orbs.

Eli: You got that right.

Qin: Yeah.

I picked up Nico.

Me: Lets head home. Great job today everyone! Great job!

Varie: I knew you weren't going to die that easily honey.

Me: Me neither.

We went back home and I put Nico in his bed and then we immediately went to sleep

Chloe Yoriyama: I sure do Nico. You stood up for me as bullies were making fun of my glasses.

Nico: Yep.

Me: Bunch of slow-witted neanderthals.

Lola: Yeah!

Xenia: I know.

Qin: I remember that. Those jerks got what they deserved.

Nico: Yep.

Camie: Thank goodness.

Qin: Yeah.

Juran: You wore glasses?

Chloe Yoriyama: For blind people.

Me: Like what I wear sometimes for when people get in the buff.

Nico: Yeah.

Juran: Oh right. I get it now.

Me: Yeah.

Nico: Yep. Holy crap! Yesterday was the most EPIC of all battles!

Maria: We finally closed out a major chapter of our lives.

Nico: Yeah.

Me: A battle that I started back in 2018 and finished it over 5 years later.

Lola: Yeah!

Lincoln: Xehanort has now officially bit the dust.

Qin: You got that right!

Maria: Thank goodness!

May: Man no kidding.

Laney: Those new transformations you guys got were really AWESOME!

Camie: I'll say! So hunky!

Me: (LAUGHS) Yeah they sure were! Man our new power viciously and brutally overwhelmed Xehanort!

Maria: You two scared us to death, you know that?

Me: I'm sorry Maria.

Nico: Yeah sorry sis.

May: But we were afraid we would lose you both!

Me: You didn't.

Nico: But the Wet Bandits, Margie, Walter Peck, and Lumpus are still out there.

Me: Right and don't forget the Platypus brothers. They are still at large too. Wait Lumpus!? We made sure he was locked up in the Neptune Cryosuper prison.

Xenia: Yeah he was amongst the jerks?

Nico: I just got this feeling that Xehanort busted him out. That's all.

Me: Oh. He'll still be after Camp Kidney.

Rainbow Dash: As long as we're standing he can't have it!

Xenia: That's right.

Camie: Yeah!

Nico: I'm glad Ace helped out when I asked.

Me: He sure did.

Qin: That was awesome.

Brittney: Yeah it was. And I got Xehanort's Keyblade as my own.

Camie: You sure did Brittney.

Laney: Yeah.

Nico: You all did a great job though.

Me: All the dark orbs are now gone forever.

Nico: Minus the one inside me.

Melissa Bergman: And the ones with the M.O.E.

Camie: Yeah.

Nico: In fact, Ace and his team are going to be helping us out as well!

Me: Awesome! I called them earlier and they said that they would meet us at the research institute.

Nico: Okay.

Lola: Awesome.

We arrived at the island and saw the institution.

Me: This it?

Kaede: Yep.

Ace Ukiyo: Hey guys!

Me: Hey Ace!

Neon: This is gonna be awesome.

Lola: Yep.

Lincoln: Okay, guys, we've got ourselves an emergency and it's one rescue we're so going to enjoy: we're here to destroy The Diclonius Research Institute from Elfen Lied and we're going to destroy that whole place and leave absolutely no one alive.

Kaede: Just like I said on the day we went after Flip.

Nico: Yep, and it's perfect for Christmas Eve, now we're getting rid of that institute that caused you so much grief, Kaede.

Me: You said it.

Lincoln: And I've got something for this occasion.

Lincoln took out a scroll and unsealed it, and inside it were the heavy artillery: machine guns, rocket launchers, grenades, dynamite, you name it.

Eli: WHOA!

Nico: Nice one, Lincoln.

Me: Now that's what I'm talking about. Oh, this is gonna be one awesome bloodbath.

?: Hope you're not starting the party without us.

Suddenly, we saw four girls arrive: the first girl has long red hair, red eyes, red clothes, red angel wings, she has the symbol of Velocitron on her forehead and stomach, and she has a Keyblade in her right hand, the second girl has long green hair, green eyes, green clothes, green angel wings, she has the symbol of Animatron on her forehead and stomach, and she has a Keyblade in her right hand, the third girl has chin-length purple hair, purple eyes, purple angel wings, purple clothes, she has the symbol of Gigantion on her forehead and skirt, and she has a Keyblade in hand, and the fourth girl has long red hair, red eyes, red angel wings, the Fire Trigram on her forehead, red short-sleeved blouse, sleeveless red crop top, red skirt with Shendu on it, red headband, red stockings, and black knee-high high-heeled boots with butterfly buckles and she has a fire greatsword with the Talismans of Shendu embedded in it.

Lincoln: (GASPS) Rachel Velocity, Keyblade Knight of Velocitron, Arlene Animus, Keyblade Knight of Animatron, Siobhan Giganta, Keyblade Knight of Gigantion, and Allie Ying Xiao, Ambassador of Shendu, Demon Sorcerer of Fire and Master of The Flames of the Phoenix. We were just about to get started.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: We can't underestimate any of them though, they're stocked up with weapons, but so are we.

Nico: And a lot more, Lori. Let's head in there and turn that institute into a smoldering ruin.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the people of The Diclonius Research Institute) AHA! Gotcha! The people of The Diclonius Research Institute are unaware of what's happening, but this is the perfect time for us to catch them by surprise.

Nico: Let's tear every last one of them apart and splatter the walls with their blood.

Lincoln: None of them are leaving here alive, they will all pay for what they did to Kaede. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on killing everyone inside The Diclonius Research Institute.

Laney heard a Pokemon cry.

Laney: Look here.

We saw a Scovillain!

Me: Cool a Scovillain!

Camie: Nice!

Nico: Wow.

Lincoln: Perfect for you Laney. You beat Lynn in that hot food eating contest.

Lynn: That was so awesome to see Lanes.

Laney: Yeah.

Me: And the poor thing is hungry.

We gave it apples and it ate them.

Scovillain: Thanks. I needed that.

Laney: You're welcome.

Nico: Wanna come with us?

Scovillain: I would be honored.

Me: Awesome.

Laney: You won't regret it.

Nico: Lets get them.

We went up to the building.

Lincoln: There it is. Now, to catch them by surprise.

Lincoln used his power and made a thick fog appear inside the building.

Nico: How did you learn how to…?! (Realizes) Oh right, you're a vampire and you have the power to control the weather.

Me: Vampires have the power to control the weather, and now, let's get inside and kill every last one of them.

We then headed inside and none of them realized what was happening with the fog blinding them, and then, Lincoln approached one of them from behind and he sank his fangs into his neck and drained him dry of blood and he stabbed him in the heart and killed him to stop him from coming back as a vampire, and then, the bloodbath started as we got out machine guns and started shooting every last one of the people inside the institute and we were leaving quite a bloody mess as the place was drenched in blood, and when we were done, body parts were left strewn across the place and the entire place was literally drenched in blood.

Nico: Okay, now who do we need to kill?

Kaede: The main person in charge is Chief Kakuzawa along with Professor Kakuzawa, they are the ones who are the last to be killed.

Lincoln: They're the last who need to be killed and then, we destroy the place.

Nico: More of them are coming! LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We went at the guards and men! IT WAS A BLOODBATH!

Qin: Yeah!

We then head into the main office, and we see the last two targets: Chief Kakuzawa along with Professor Kakuzawa.

Me: So, we meet at long last, Kakuzawa, now we can make you pay for everything you did to Kaede.

Chief Kakuzawa: You! You were the ones who ruined all of my plans! You will all pay!

Professor Kakuzawa ran at us and we were about to attack him, but then, a bullet came out of nowhere and shot him in his heart.

Me: That wasn't any of us.

Nico: No, it wasn't.

Lincoln: We'll find out about that later, right now, we got to deal with Chief Kakuzawa.

Qin: Lets get him!

Chief Kakuzawa: I still have my files.

Nico: Don't count on it.

Sabotage by the Beastie Boys began to play. Pac Man then appeared in the screen. Facing Pacman was a row of files, which he began to devour as the singing started.

He was EATING THEM ALL OVER!

Chief Kakuzawa: NO NO NO!

Poliwag started tapping his foot to the beat of the music, getting a look from Lincoln.

Poliwag: What? It's catchy.

Lincoln: It is catchy.

Qin: Yeah.

Lincoln: But who's playing the song to begin with?

Me: (Shrugs)

Lola: No idea.

Soundwave: It was me, actually

Nico: Nice job Soundwave.

Soundwave: Fun music.

Qin: Yeah.

Lola: Yeah that was cool.

Suddenly, Kaede's red eyes turned neon red and she was surrounded by a pink and red energy aura with stars, phantom hands, pink fire, phoenixes, and angels, and as she approached Chief Kakuzawa, she left pink and red energy, stars, phantom hands, pink fire, phoenixes, and angels with every step.

Kaede: You have absolutely no remorse at all for anything you've done. You tried to use me in your attempts to further your nefarious plans and turn me into a weapon against my will, this is beyond unforgivable, Kakuzawa, I will not allow you to live any longer, and this time, I will see to it that you are ultimately punished for your crimes.

Suddenly, Kaede was surrounded by a massive vortex of pink and red energy with stars, pink fire, and phantom hands flying around the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Chief Kakuzawa: the red eyes of eternal death.

Nico: WHOA!

Me: Oh man!

Lincoln: This is it, now Kakuzawa is about to pay for everything he's done.

Then, as the vortex faded, Kaede emerged, but she was changed forever.

Lincoln, Kaede, Nico, and I went after Chief Kakuzawa, and we fired extremely powerful blasts of rainbow energy, pink and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Chief Kakuzawa and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Nico, Kaede, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Chief Kakuzawa even more madder than ever and he exploded even more with extreme rage.

Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Kaede, let's end him together.

Kaede nodded, and she and Lincoln charged out, and… !

SHEEN! SLASH!

KAEDE SLASHED OFF CHIEF KAKUZAWA'S HEAD AND LINCOLN RAN HIM THROUGH THE CHEST WITH HIS GREATSWORD AND THE BLADE EVISCERATED HIS BLACK HEART, AND CHIEF KAKUZAWA EXPLODED IN A VORTEX OF RAINBOW FIRE AND HIS SPIRIT WAS SENT TO THE BLACK ABYSS FOR GOOD! GOOD RIDDANCE!

Everyone cheered as we holstered our weapons and powered down, and Kaede's new body, clothes, jewelry, eleven massive and long pink wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive pink angel wings and medium pink angel wings underneath are permanent.

Nico: That was so awesome! Now, let's get out of here and blow this place to Kingdom Come.

Hunter Drake Michaelson spotted something in the corner: it looked like a spent casing for a bullet, the same one used to kill Professor Kakuzawa, he picked it up and kept it in his pocket.

Lincoln: Right.

We left the building, but not after Lincoln absorbed all the blood we spilled into his body and he also absorbed the bodies. Then, Lincoln summoned a massive rainbow energy pillar that destroyed the entire building forever.

Eli: Good riddance.

Nico: You got that right, those fuckers deserve to die.

Lincoln: Now, there's one last thing to do.

We headed to a grave.

Kaede: This is where I buried the puppy I was caring for after those bullies killed it.

Lincoln: That's when you lost control of your powers and killed them. You need your puppy back and you'll get a chance to give it a new home with you, Kaede. (SNAPS FINGERS)

Lincoln snapped his fingers and a beam of heavenly light shined down, and we saw Kaede's puppy restored to life and back with her as she had tears in her eyes and a smile on her face as she hugged it for the first time, and we were happy for her.

Nico: That was really an awesome thing you did for her, Lincoln.

Me: Along with all of us destroying the institute and killing everyone who tried to use her as a weapon.

Suddenly, Kaede's puppy licked Lincoln's cheek.

Kaede: That was definitely a thank you from her, and this is one from me.

Then, Kaede kissed Lincoln on the lips which he returned.

Me: That really is amazing. So, who are the four girls who we just met?

Anna Anyanova: The first girl is Rachel Velocity, Keyblade Knight of Velocitron, she's Lincoln's Guardian Angel from the planet Velocitron of Transformers Cybertron and she's a powerful force of epic power to be reckoned with. She was born and raised on Velocitron, and she's a powerful and deadly warrior and she's a powerful master of speed. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow

Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the power of speed, and she hates Lynn with a vengeance.

Nico: She'd be a shoe-in to join a 3K run.

Eman Reynolds: The second girl is Arlene Animus, Keyblade Knight of Animatron, she's Lincoln's Guardian Angel from the beast planet of Animatron and she's a powerful force of epic power to be reckoned with. She was born and raised on Animatron, and she's a powerful and deadly warrior and she's a powerful master of the jungle. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the power of nature, the jungle, and beasts, and she hates Lola Loud with a vengeance.

Me: If anyone tried to mess with her, she'd unleash the fury of the jungle on them.

Michelle Emperyous: The third girl is Siobhan Giganta, Keyblade Knight of Gigantion, she's Lincoln's Guardian Angel from Gigantion and she's a powerful force of epic power to be reckoned with. She was born and raised on Gigantion, and she's a powerful and deadly warrior and she's a powerful master of growth and energy. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the power of growth and energy, and she hates Killjoy Huggins with a vengeance.

Nico: Uh oh.

Lincoln: Yeah, if anyone messed with her, she'll blow them away.

Selene Arcangela: And the fourth girl is Allie Ying Xiao, Ambassador of Shendu, Demon Sorcerer of Fire and Master of The Flames of the Phoenix, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the second eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Shendu, The Demon Sorcerer of Fire, along with red angel wings, and she also has full fledge mastery over the powers of Fire. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Fire, and she knew of what her elder sister, Maria, did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The

Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a fire greatsword with copies of Shendu's Talismans embedded in it, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and because of the incident, she hates Lori with a passion.

Allie Ying Xiao: I was really impressed at how Maria saved Lincoln by giving him her blood, and it led to him gaining the same powers as her and becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps.

Maria Ying Xiao: And I hadn't forgotten about how you burned her eyebrows off when she tried to kill Lincoln again.

Me: Oh, I remembered that one.

Lincoln: You really made Lori mad that time, Allie, and it's so good to see you all again.

Allie Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then marked Rachel Velocity, Arlene Animus, Siobhan Giganta, and Allie Ying Xiao by slowly biting them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rachel Velocity, Arlene Animus, Siobhan Giganta, and Allie Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and four white and gold accented Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Rachel Velocity, Arlene Animus, Siobhan Giganta, and Allie Ying Xiao saw them and they knew they became part of his harem and are among his many future wives, and they kissed him on his pecs and lips.

Nico: How do you feel, Kaede?

Kaede: Better and free.

Lola: Awesome.

Me: Now rhis is one organization that is dead.

Qin: Yep.

Kaede: And Lincoln gave me my puppy friend back.

Me: Aww so awesome.

Laney: So adorable.

Lola: Yeah.

Nico: Nice job, Scovillain.

Scovillain: Thanks Nico. This was awesome.

Poromon: Want a beer?

Scovillain: Oh no thanks. I drink only hot sauce.

Me: Wow a Pokemon that likes nuclear hot spicy food.

Scovillain: Yep.

I gave her some of my hot sauce.

Scovillain: Thanks.

She drank some and then blasted fire out and it hit Poliwag and covered him in soot.

Scovillain: Oops sorry.

Poliwag did Puppy Eyes.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough.

Scovillain belched fire onto Poliwag.

Scovillain: Oh man sorry about that shrimp.

Poliwag: (COUGHS)

Nico: Ace, thanks again for coming yesterday

Me: Yeah we owe you big time for that.

Ace Ukiyo: Not a problem guys. It was fun.

Camie: I'll say.

Ace: This means that I'm responsible for Brittney getting Xehanort's Keyblade

Brittney: You sure are. That was so cool.

Ace: Yeah.

Yona: Yona glad you helped again.

Himiko: We all are.

Carlota Santiago: That was so awesome.

Sheila: The rest of the police force have wiped out the remaining

Militia forces

Nico: Great.

Qin: Good riddance.

Nico: From what I heard, the Aligned Stunticons had to merge into Aligned Menasor at one point to fight them off

Qin: Yeah.

Sheila: They sure did. And it was amazing.

Lola: Wow!

William: Nico, you okay after yesterday?

Nico: I'm fine. Nothing Sabretooth's powers and a good night's sleep couldn't fix.

Qin: Oh right.

Me: Yeah. We're all perfectly fine now.

William: Good.

Hulk: Hulk did good too!

Qin: You sure did.

Lola: Yeah!

Camie: We all did.

Me: And I'm so proud of you all.

Nico: Me too

Qin: Thanks guys.

Nico: Hulk, you did good by roaring in my face.

Hulk: Thanks Nico.

Lola: At least now we don't have to worry about Xehanort ever again

Nico: I did say he was gonna die near the end of the year. That was me keeping my promise

Me: Yes you did and you kept that promise perfectly and diligently

Lola: You sure did.

Camie: Yeah

Nico: Today won't have usual battles. But they WILL involve combos on the main target

Qin: Understood.

Varie: Yeah.

Lola: Always fun.

Poromon: (to Scovillain) Also, I can handle hot sauce!

Scovillain: Cool! And J.D. where did you get this awesome hot sauce?

Me: I made it.

Scovillain: Wow! You make great hot sauces.

Me: Thanks

Scovillain: Okay. You say you can handle it. Prove it right now

Poromon: Okay!

I gave him some and he drank it. Then…

LOUD BELCH!

MASSIVE JETS OF FIRE EXPLODED OUT OF HIS MOUTH!

Nico: You okay?

Poromon: DELICIOUS!

Nico: Nice.

Xenia: Yeah.

Me: Yep he's fine.

Poliwag: Me next!

Nico: Okay, I think that's enough!

Poliwag: Okay okay. Sorry.

Nico: Now for business.

Me: The Anothers.

Nico: Yep.

Qin: Okay.

Eli: (Concentrates) WHOA! I sense that we have Another Melissa Bergman, Evil Galaxy Man, Hanako, Jack Frost (Marvel), Evil Crystal Man and Velvet Vick.

Dana Diana: I agree.

Poromon: You drank beer, didn't you?

Brenda Bacchus: No. (HIC) Wine only for me. (HIC)

Me: She must be the daughter of Bacchus, the God of Wine. You girls are the daughters of the gods and goddesses of Olympus right?

Vina Vulkanus: That's right.

Vanya Venus: We sure are.

Dana Diana: Yep.

Me: By the way is the Another Melissa friendly or hostile?

Callie Ceres: Friendly but man you are gonna be in for a surprise.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Maria got the MOE Cannnon out.

Maria: (TURNS DIAL) SONG OF THUNDER 6!

She summoned Lorelai, Thunderclap, Garudostorm, The Monolith Monsters, Mantis Malgam and Gynakamakil.

Nico: And now we wait.

Me: Yep.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!?

Everyone smelled it and some of us HURLED OUR GUTS OUT!

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!?

Me: Another Melissa Bergman!

Nico: She doesn't stink like that!

Another Melissa: (French Accent) Sorry about that everyone.

Me: (GASP) That voice.

She reverted back and was a girl with black hair and a white streak and green eyes and she had black clothes and a tiara with the

Skunk Dopant on it and the same symbol on her skirt and she had Un Skunk De Pew on her skirt too and had black angel wings and had a skunk tail and had a stinky cheese sword!

Me: Collette Le Pew!

Collette Le Pew: Oui oui J.D. Good to see you again mosieur.

Marinette: Awesome meeting a French Native.

Me: Yep and yes she is related to Pepe Le Pew. But also she is the embodiment of the Skunk Dopant and she smells just as bad as a thousand families of skunks! She has stink powers. And her stench is so bad that it can make you throw up for 20 minutes non-stop.

Nico: GEEZ!

Me: Yep and like Melissa she is psychic too.

Qin: Wow!

Melissa Bergman: That is interesting. Thank goodness I don't have lungs. I'm an android. I can't breathe.

They used the core medals for Melissa Bergman, Evil Galaxy Man, Hanako, Jack Frost (Marvel), Evil Crystal Man and Velvet Vick and blasted the Another!

Then Kunks Butylmercaptan, Mydom, EarthSpark Swindle, Fifi the Skunk, Dr. Quentin Skunk and Skunk (Total Drama) came.

Nico: WHEW! Nice team Knuks!

Kunks: Thanks Nico.

Fifi the Skunk: Yes I am.

Me: Wow!

Me: Datamon! Wow.

Datamon: (In a girls voice) This will be most fun.

Nico: Lisa Data!? Wow!

She reverted back and was a girl with black hair, red eyes, grey clothes and had black angel wings and had Datamon in the middle of her forehead and on her skirt and had a matrix blade.

Lisa Data: Good to see you Nico. I got this. (ECHOING) DIGITAL BOMB!

She fired bombs and blasted the Another and I caught the Ridewatch and purified it.

Nico: I remember Dora. Those were good times

Me: Yes they were.

Qin: Yeah.

Laney: Lisa do you have any memories of Nico?

Lisa Data: Well yes. When me and Nico won the international chsss tournament. We won against the worlds most powerful super computer and shorted it out.

Nico: Yep.

Me: Wow! That is amazing.

Nico: Yeah.

Nico and Lisa hugged.

Nico: I've missed you.

Lisa Data: Same here.

We later went back home

Lincoln: Whoa, we're here in The Philippines, and I know what we're going to do here, not only am I going to rescue the nine girls here and Ets is going to rescue the eleven girls here, but we got word that a girl that Nico's brother, Connor, has a crush on has been kidnapped by an old enemy of Nico, Mindy, Alicia, and Connor from The Philippines.

Connor Chan: What the?!

Me: Nico, you, Alicia, and Mindy want to explain?

Nico: Leave that to me. Before we moved to Michigan from New Jersey, we found out thatConnor developed a crush on a girl from our old home in The Philippines, her name is ReynaValmorida. Here's her picture.

Nico got out the picture, and she was a beautiful girl with long black hair and tanned skin.

Alicia: Connor developed a crush on her when she first came to our school, and he wanted toask her out, but he always got tongue tied and nervous.

Mindy: So, he came to Nico for help, and of course, Alicia and I got called in as well since this was our younger brother's first crush. But, Connor won Reyna's affection when we heard her cry out for help, and when we got there, we saw Reyna and her friends, but they were cornered by Sebastian who was still out to kill to slake his thirst for blood. Connor got so mad,he charged out and punched Sebastian hard in the face. Here's the video.

Mindy played the video, and we saw it for ourselves: Reyna and her friends were cornered bySebastian who was about to kill them and slake his thirst for blood and destruction.

Past Connor: GET AWAY FROM HER, YOU BLOODTHIRSTY PSYCHO!

Connor charged out, and like Mindy said, Connor punched Sebastian hard in the face givinghim a black and blue bruise on the left cheek and sent him screaming and flying into somelockers that he crashed into.

Past Reyna Valmorida: T-thanks.

Past Connor: (Nervously) Oh, uh, no problem.

Past Sebastian Mendez: (DEMONIC ROAR) This isn't over, Connor! You and your damnsiblings will pay for this!

Reyna's friends and many of Nico, Alicia, and Mindy's friends gave him the finger, and heroared in demonic anger and ran out of the school and back to the shadows.

Past Nico: What a wuss.

Then, Reyna hugged Connor, and then… !

SHE KISSED HIM ON THE CHEEK AND HIS MIND WAS LITERALLY GOING BONKERS ASNICO, MINDY, ALICIA, QIN, AND THEIR FRIENDS INCLUDING THEIR SCHOOLMATESCHEER WILDLY! Then, the video ended.

Leandro: I was really proud of Connor and so was Aurora.

Nico: Mom was so proud of him, and so were we.

Aurora: Connor was growing up.

Connor Chan: I reacted on pure instinct and slugged Sebastian hard in the face.

Sebastian Mendez: Which I absolutely deserved since I was once still that… demon.

Masao Den: Damn, you were even worse than the many villains we'd destroyed. So, whokidnapped Reyna?

Nico: Only one person who'd do something like this: an old enemy of me, Mindy, Alicia, and Connor from The Philippines, his name is Alejandro Abadiano.

Nico got out his prison mugshot, and he was a huge hulking man with large muscles, long black hair going down to the upper part of his back, and he had red eyes of hatred and a sadistic shit-eating grin on his face.

Me: Damn, this guy's fucking trouble.

Nico: You don't even know the half of it, this son of a bitch is a very ruthless, psychopathic, bloodthirsty bastard who's killed tons of people in The Philippines for years and he wound up getting a death sentence, but before he could be executed, he escaped from his fate, and now we got word, he kidnapped Reyna and he intends to kill her and slake his endless thirst for blood.

Connor: WHAT?! That's it, I'm gonna wipe that shit-eating grin off his ugly face!

Me: Whoa! I've never seen Connor get that super riled up. Wait, is he going to…?!

Nico: You know it, J.D., my little brother's gonna transform.

Suddenly, blasts of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon came out of nowhere, and they hit Connor, and he wound up getting surrounded by a massive vortex of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, and when it faded, he wound up getting tattoos of dragons of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon on his arms, legs, chest, stomach, and back.

Nico: A Divine Blessing?! We haven't had that in a long time.

Lincoln: (Summoned the Book of Legends) Connor, you have no idea of how lucky you are, you wound up getting hit by the blasts of Lalahon, Aman Sinaya, Habagat, Dumakulem, Bathala, Sitan, Kadakan, Gugurang, Kan-Loan, Apolaki, Mayari, Sisina, and Tala, The Philippine Gods and Goddesses of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon. Once every 400 years, Lalahon, Aman Sinaya, Habagat, Dumakulem, Bathala, Sitan, Kadakan, Gugurang, Kan-Loan, Apolaki, Mayari, Sisina, and Tala, The Philippine Gods and Goddesses of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon choose a worthy champion, and they give their worthy champion the powers of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, along with control over the elements, immortality, superhuman strength, speed, agility, endurance, and durability, but they'd have to have been freed from a darkness that was inside them.

Connor: I was freed from that malicious pranking mastermind and remained free for years, so the Gods and Goddesses of our old home in The Philippines chose me! Awesome!

(CHINESE MUSIC PLAYS)

Suddenly, we saw a snake made of orange flame pass through the skies.

Lincoln: The snake made of orange flames, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with orange streaks and red headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless orange crop top, white bridal gloves, crimson red skirt, orange stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, red fire, red flames, snakes, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Snake, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the nine girls Lincoln is to rescue and the eleven girls Ets is to rescue and Reyna Valmorida, Connor's crush.

Lincoln: (GASPS) Brigid Chengsehuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Snake.

Brigid Chengsehuo: That's right, and I got the girls away from that asshole, but he's heading here now!

?: YOU RUINED MY CHANCES TO KILL THOSE BITCHES AND SLAKE MY THIRST FOR BLOOD!

We then saw our target, Alejandro Abadiano, and he's pissed off.

Connor: (Thinking) Everything you've done, all of the pain you've caused to me, Nico, Alicia, Mindy, and everyone around you, and all for your insatiable thirst for blood. No more. (Out Loud) No more, Alejandro, you are done running loose, this is it, I'm going to make sure that you die here forever!

We felt Connor's power and energy rise astronomically and like crazy!

Suddenly, something within Connor's mind brutally snapped as memories of what Alejandro Abadiano did along with the memories of Sebastian's attempts to kill Nico, Alicia, Mindy, himself, Qin, and their friends when he betrayed them years ago and gave into darkness, and what Dark Connor forced him to do, and the cause of that monster's emergence inside him rushed through his head, and his eyes turned neon dark blue and the tattoos of dragons of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon on his arms, legs, chest, stomach, and back glowed even more, and he was surrounded by a rainbow energy aura with Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, dragons, phoenixes, and angels, and as he approached Alejandro Abadiano, he left rainbow energy, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, dragons, phoenixes, and angels with every step.

Connor: You absolutely make me fucking sick to no end, Alejandro, you caused me, Nico, Alicia, Mindy, and everyone around you nothing but trouble, at best many of your victims wind up in a hospital crippled for life, but at worse, you murdered many more victims and took satisfaction in seeing them die, that's just sick and twisted. (HIS ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES START TO GROW AND BULGE) But, now I find out you returned and kidnapped Reyna Valmorida and tried to kill her to slake your fucking thirst for blood once again along with continuing on your goddamn rampage… , THAT IS THE LAST FUCKING STRAW, YOU GODDAMN PSYCHOPATH! NO MORE INNOCENT VICTIMS WILL DIE AT YOUR HANDS, THIS TIME, I WILL SEE TO IT THAT YOU DIE HERE AND NOW!

WE GASPED AT THE SUDDEN EXTENT OF CONNOR'S RAGE: IT WAS JUST AS POWERFUL AS NICO'S WHENEVER HE TRANSFORMS, AND ALEJANDRO ABADIANO JUST FOUND HIMSELF UP SHIT CREEK WITHOUT A PADDLE!

Mindy: WHAT THE?!

Alicia: TELL ME WE DIDN'T JUST HEAR WHAT I THOUGHT WE HEARD!

Nico: WE JUST DID! CONNOR'S NOW GONE DEATHCON LEVEL 1,000 WITH THAT THREAT HE MADE TO ALEJANDRO! EVERYONE TAKE COVER, HE'S GONNA EXPLODE!

We ran for cover, and then… !

We were really amazed by Connor's Super Ange-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Alejandro Abadiano saw it, he went mad and charged at Connor to kill him, but Connor fired a massive barrage of rainbow energy, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, dragons, phoenixes, and angels which hit Alejandro Abadiano and sent him flying into a tree, he got back out, but he was beyond pissed off now.

Connor: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Elemental Philippine God Champion Elemental Dragon Master Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Elemental Philippine God Champion Elemental Dragon Master Phoenix God Angel Hope) You're through, you piece of shit, now it's time for you to die!

Connor went after Alejandro Abadiano, and he fired extremely powerful blasts of rainbow energy, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, dragons, phoenixes, and angels at Alejandro Abadiano, and they exploded with incredible power as they hit him, and then, he attacked him with his new massive greatsword leaving scars on him and he fired rainbow energy slashes from his gold-plated dragon claws and his massive greatsword, and he brutally attacked him and smashed him hard with his newly excessive superhuman strength, and this was making Alejandro Abadiano even madder than ever.

He then took out a Super Serum and injected himself with it, and that caused him to grow to 9'10" in height, and his already large muscles grew even larger as it tore off his shirt and tore his pants, and he bellowed and beat his chest.

Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Connor sprouted tentacles with suctions from his chest and they latched themselves onto the massive pecs, neck, arms, and legs of Alejandro Abadiano. Then, the tentacles began sucking Alejandro Abadiano dry of his newly gained extremely massive muscle mass, virility, testosterone, and massive physical strength and he was groaning in pain as he began shrinking in muscle mass and height and Connor was also sucking the life force out of Alejandro Abadiano.

Then, all of the newly gained extremely massive muscle mass, virility, testosterone, and massive physical strength of Alejandro Abadiano began being pumped into Connor and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive black angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Then, when Connor was done and the tentacles detached themselves from Alejandro Abadiano and went back into him, Alejandro Abadiano was sucked dry of his muscle mass, virility, testosterone, massive physical strength, and he had the life sucked out of him, and he was banished to The Black Gates. We cheered as we holstered our weapons and powered down and Connor's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen planets orbiting around his legs and fifteen smaller planets orbiting around his waist, Third Eye, eleven massive and long black wolf tails, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Nico: Connor, that was so awesome! You really gave that son of a bitch what for!

Connor: Guess I did, but that was a rush. Now, I know you feel whenever you transform.

Just then, Connor went up to Reyna Valmorida.

Reyna Valmorida: Oh, thanks for taking care of that bastard, he was absolutely insane. (Sees Connor) Connor, is that you?

Connor: Yes, it's me, but as you see, I've really had a growth spurt and changed a lot because of it.

Reyna Valmorida saw it for herself, suddenly, Connor picked her up in his arms, and then, he kissed her on the lips which caught her by surprise, but she returned it as she wrapped her arms around his neck.

Nico: Well, it looks like Connor's now become a man.

Lincoln: And he now has his crush as his girlfriend and soon to be future wife, and we got rid of that thug. (To Brigid Chengsehuo) And it's so good to see you again, Brigid.

Brigid Chengsehuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Brigid Chengsehuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Brigid Chengsehuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Brigid Chengsehuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Brigid Chengsehuo and hugged her, and Brigid Chengsehuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Brigid Chengsehuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Brigid Chengsehuo, Gene-Slammer and avatar of Brotherhood of The Fire Fist - Snake, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of orange fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Snake, along with having orange angel wings along with having intense orange fire powers. She's known as The Majestic Warrior of The Sisterhood of The Fists of Fire, as her movements are as subtle as a snake. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of orange fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Brigid hates Scoots with a blazing passion, because of her being a heckling old troublemaker to everyone in her path and she despised her badly for trying to kill Lincoln, and like us, she really hated her for killing Claudia Cloudian all those years ago, and in one incident, she and Lincoln stopped that old goat who was on the warpath trying to kill Lincoln again, they beat her up and sent her back to The Lansing Maximum Security Nuthouse, and this time, they made sure she was locked up tighter than Fort Knox.

Nico: Yikes, but not even that stopped Scoots.

Me: Apparently not, she became even more brazen than ever.

Lincoln: But, we made sure that it was enforced, and now that you're here, Brigid.

Lincoln leaned his head down the right side of Brigid Chengsehuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Brigid Chengsehuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brigid Chengsehuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Brigid Chengsehuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Brigid Chengsehuo.

Brigid Chengsehuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Brigid Chengsehuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Brigid Chengsehuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the nine girls Lincoln is to rescue and the eleven girls Ets is to rescue, and when Lincoln saw them, he immediately recognized them. The nine girls are Frieren from Frieren: Beyond Journey's End and Nao Yada, Miki Kikuchi, Misa Fujisaki, Rui Shiina, Ayumi Sakura, Saki Shiroyama, Yuri Tokiwa, and Miku Naruse from Kimomen demo Kyokon nara Mizugi Gal to Ria Juu na Natsu ga Sugoseru!

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. Frieren: (Seductive Voice and rubs her hands on Lincoln's massive

pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Frieren, Nao Yada, Miki Kikuchi, Misa Fujisaki, Rui Shiina, Ayumi Sakura, Saki Shiroyama, Yuri Tokiwa, and Miku Naruse with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the enemy we went after was an old enemy of Nico, Mindy, Alicia, and Connor from The Philippines named Alejandro Abadiano, a very ruthless, psychopathic, bloodthirsty bastard who intends to kill Connor's crush, Reyna Valmorida, and slake his endless thirst for blood.

But, when Lincoln showed what happened such as Connor going through a Divine Blessing from the Philippine Gods and Goddesses and exploding with power and rage as he transforms and pulverized that bastard with us joining in as well, and finally, Connor sucking him dry of his muscle mass, virility, testosterone, and massive physical strength along with his life force and sending him to The Black Gates forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Brigid Chengsehuo have a lot of catching up to do, now that she's back in town.

Maria: It's been years since we've had a Divine Blessing, and Connor now really looks like a man just like his older brother.

Lincoln: That's true.

Me: You know, I'd hate to find out how many girls also had a crush on Connor before he developed his crush with Reyna.

Nico: That's something we've never found out.

After Lincoln and all of us beat down and killed Alejandro Abadiano, we were training intensely in the gym, doing

900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Bedelia Honghuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Brigid Chengsehuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful

teachers, J.D. and Nico included, Brigid, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Brigid Chengsehuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Brigid Chengsehuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: Now, I've got a memory that Brigid had with Lincoln while he was training with her, and it led to Scoots getting beaten to a pulp by Lincoln and Brigid.

Panda Faye Ling put up a video on the big screen, and it showed Brigid Chengsehuo training with Lincoln at the gym, Brigid Chengsehuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Brigid Chengsehuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that old goat finding out, Lincoln.

Past Lincoln: Thanks, Brigid. But, I don't know how long it'll be before Scoots finds out.

?: YOU'RE FINALLY GOING TO DIE, LOUD!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Scoots showed up to kill Lincoln again.

Past Anna Anyanova: Again, Scoots?! That's it, I'm gonna beat you down and throw you into a cesspool!

Past Lincoln: No, Anna, I'm taking her down.

Lincoln flew out to the roof of the gym, and he swooped down and proceeded to trash Scoots with his martial arts moves as he punched and kicked her all over the place. Scoots let out another loud yell and tried to run over Lincoln, but he dodged her and fired a blast of fire that knocked Scoots off her scooter. Then, he grabbed her and threw her into the air as she was sent flying back to the Lansing Maximum Security Nuthouse.

Past Brigid Chengsehuo: That was really impressive, Lincoln! You swooped in and took that old goat down hard, you were like a fierce tiger, and that shrew stood no chance.

Past Lincoln: She unfortunately made me even stronger, and that really led to her getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Brigid Chengsehuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but Scoots was basically asking for trouble.

Luna: It found her big time, and Anna was that mad at her, she wanted to end her for good. Lincoln stopped her from doing so, but Scoots was already on permanent thin ice with her and all of the Guardian Angels who hated them.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do if she dared to go after Linky one more time.

Lynn Sr.: We knew Scoots at it again when Lincoln sent them flying back to the nuthouse as she screamed bloody revenge on him again.

Me: Honestly, Scoots was nothing more than a troublemaker to no end.

We got a shower, and then, Lincoln, Zuzu Boyle, Julia Krystal, Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger are heading to Beach Bowl Galaxy.

Yuya: Whoa, what is this place?

Lincoln: This is Beach Bowl Galaxy, Yuya. I've been here many times on many dates.

Zuzu Boyle: And it's the first double date you'll have with us, I just hope everyone is okay.

Aura: They are.

Lincoln, Zuzu Boyle, Julia Krystal, Yuya, Aura, Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Zuzu Boyle, Julia Krystal, Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger and they hugged the girls in their abnormally massive and powerful muscular arms and Zuzu Boyle, Julia Krystal, Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Zuzu Boyle, Julia Krystal, Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs and we saw Yuya covered in kisses on his face.

Me: (Whistles) Wow, it looks like you and Yuya really had a good time at Beach Bowl Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twenty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger are in your harem, Linky.

Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi

(SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Morgan Le Fay (SMITE), Artio (SMITE), Cliodhna (SMITE), Universe 666 The Morrigan (SMITE), Universe 666 Arachne (SMITE), Universe 666 Medusa (SMITE), Universe 666 Scylla (SMITE), Universe 666 Kali (SMITE), Amaterasu (SMITE), Universe 666 Izanami (SMITE), Freya (SMITE), Universe 666 Hel (SMITE), Skadi (SMITE), Sol (SMITE), Bellona (SMITE), Universe 666 Discordia (SMITE), Nox (SMITE), Terra (SMITE), Universe 666 Sugar, Universe 666 Pepper, and Universe 666 Ginger, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch The Wet Bandits and throw them back in Lynn's Table and give Margie The Black Abyss.

Here's the blind date scene between Trent (Total Drama) and Ms. Reina Kawasaki

After Lincoln came back from his date, he and Yuna Kamihara took Trent and Ms. Reina Kawasaki to Bubblaine, the reason: they set this up as blind date for them, and they know Trent deserves another chance at love after his relationship with Gwen was ruined due to Billy McLean and Heather's manipulative scheming.

And as a measure, Lincoln blindfolded Trent and Yuna Kamihara blinded Ms. Reina Kawasaki.

Trent: Hey, where are you taking me?

Lincoln: Trust us, Trent, you're going to like it.

Yuna: Same with you, Ms. Kawasaki.

Reina Kawasaki: I wish we knew where we're at though.

Then, Lincoln and Yuna took the blindfolds off.

Reina Kawasaki: Trent?

Trent: Reina?

Trent and Reina Kawasaki: You're my blind date?

Yuna: We had this set up for you two.

Lincoln: You deserve another chance at love after your relationship with Gwen was ruined due to Billy McLean and Heather's scheming.

Trent: Hey, that is true. Alright, then.

Trent and Ms. Kawasaki changed into their swimming clothes, and they had the time of their lives on Bubblaine. Then, Trent and Ms. Kawasaki kissed as the sun set and they along with Yuna and Lincoln came back.

Nico: So, this was your plan, you wanted to give Trent another chance at love.

Gwen: We did say his relationship with me was ruined due to Billy McLean, and the scheming of that evil little cow, Heather.

Poromon: Aw, I wanted it to end with a wild chase for you two.

Sebastian Mendez: That only happens to you lot.

Poliwag: What did you just say?!

Me: Hey, easy, Poliwag, besides he's right in a smart aleck kind of way.

Nico: But, that was an awesome thing you and Yuna did, Lincoln. I was disgusted at what that bitch, Heather, did, and that Billy McLean also had a hand in this.

Savannah Nephthys: But, he's gone forever and never coming back.

Lincoln: You got that right, same with Heather the Satanic Queen Bee.

---

Later it was time for Luan, Camie and Kairi's 3rd mission.

Nico: Anyone else want to go with Kairi, Luan, and Camie? Besides Vypra, Yodo, Dr. Light, Tyson, Eli Shane, and Nuju?

Tommy Oliver: I'll go.

Avalanche: So will I.

Dark Spicer: I'll go too. Wherever Vypra goes I go.

Me: Okay then. This will be awesome.

Nico: Lets go then.

We were off.

---

We arrived.

Yuya: Hey guys!

Zuzu: Glad you all made it.

Me: Yeah!

Luan: Guys, meet Vypra, Yodo, Dr. Light, Tyson, Eli Shane, and Nuju

Vypra: Awesome to meet you. I'm Vypra, leader and founder of the Masters of Evil and I'm Luan's archenemy.

Yodo: I'm Yodo, Kunoichi of the Hidden Sand and Camie's archenemy.

Dr. Light: I'm Dr. Arthur Light, but everyone calls me Dr. Light. I'm one of the Teen Titans enemies and I'm Kairi's archenemy.

Dark Spicer: I'm Dark Spicer, 2nd in Command of the M.O.E. Everyone calls me Dark. I'm Eddy's archenemy.

Yuya: Wow! Awesome to meet you guys.

Tyson: Same here. I'm Tyson Granger, Beyblade champion.

Eli Shane: I'm Eli Shane, Slugslinger.

Nuju: And I'm Nuju, Toa of Ice for Metru Nui.

Yuya: Wow it's a pleasure.

Tommy: Same here. I'm Tommy Oliver, leader of the Mighty Morphin Power Rangers.

Avalanche: And my name is Dominikos Petrakis but everyone calls me Avalanche.

Yuya: Wow it's a pleasure to meet you all.

Vypra: Same here.

Yuya: We heard about what happened with Xehanort! You guys did it! You destroyed him forever!

Me: We sure did.

Nico: Have things changed because of that?

Yuya: Unfortunately, no. The Academy are still moving forward with their plan.

Me: Evil never rests. Besides it was time for us to move on to more dangerous monsters.

Eli: Yeah.

Me: Also you guys got any plans for Christmas tomorrow?

Zuzu: Just hang with my friends and family and have fun.

Yuya: Same here

Me: Cool cool.

Tyson: Your cards are very similar to my Beyblades

Yuya: Really?

Me: They sure are. Beyblades are really awesome and you should see some of the things they can do.

I pulled out my Beyblade.

Me: Their power is amazing!

Nuju: They sure are. We had 2 sets of Ambassador missions for Beyblade.

Me: Yep. Tyson is also one of my friends that I met during my days as a Beyblading Champion and we became close during those times too.

Eli Shane: That reminds me. This is my Slug

His slug came out.

Eli Shane: This is Burpy.

Yuya: Wow!

Zuzu: Oh he's adorable.

Me: Yeah all the slugs of the 99 Caverns are cool. Also Eli is another one of my friends too. He helped us during the final stages of the War With Xehanort back in 2021 two years ago. And we helped him in return by killing Professor Thaddeus Blakk the first time.

Eli Shane: It's true.

Yuya: Wow!

Eli Shane: Yep. And Slugslinging is also very much like your Duel Monsters. They have amazing powers too.

Yuya: I can't wait to see what they can do.

Me: It's gonna be fun.

Yuya: Camie, is it true that you have a Quirk?

Camie: Yep.

Yuya: Can you explain that to me?

Camie: Sure. My quirk is called Glamour.

She told them what it can do.

Camie's Quirk allows her to emit a smoke-like substance from her mouth which she can use to form visual and auditory illusions. The illusions she creates can cover a large area. The illusions only last a short time.

Yuya: Wow!

Me: Yeah I saw it in action myself when we had our first date on Nanette's big day mission. It was really amazing.

Yuya: That is amazing.

Me: It sure is.

Yuya: And what are Quirks in general?

Me: Quirks are what the people of Camie's world call superpowers. She comes from a world where 80% of the human population was lliterally Born with their powers.

Yuya: Wow!

Me: Yeah many of them are really cool. We saw many of them in action. Some of them are really amazing to see.

Nico: And some are bad and are only used to destroy.

Me: Yep. But some of them are also very dangerous to your health like in Himiko Toga's case.

Camie: Yeah Himiko had a very dangerously unstable quirk. Her Quirk was called transform and she needed blood to activate it.

Me: We ran some tests on her and found out that her Quirk was slowly destroying her. She needed blood every few hours or her quirk would kill her.

Zuzu: Oh man.

Me: Yeah.

Dark Spicer: You think we might develop Quirks in the future due to us hanging around Camie and the others?

Me: Maybe.

Camie: Yeah.

Yuya: That would be cool. Were there any villains you all faced in Camie's world?

Me: Oh yeah. LOTS of them.

Vypra: Many of whom are with us in the M.O.E.

Me: Yep.

Yuya: Boy that will be so cool to see some of them.

Me: Yeah.

Zuzu: You should have seen what they did to All For One back then.

Me: I fired a Final Flash blast right into his crotch and blasted his manhood off.

Yuya: Nice!

Me: Yeah that was awesome. Served as a warning shot. And the amazing part there is that everyone there had amazing potential to be part of the team.

Camie: They sure did.

Yuya: That is awesome.

Me: Yep.

Nico: Well, you guys heard Yuya. Killing Xehanort hasn't even slowed the Academy down. So, we need to go out there and take out more of them.

Me: I agree there completely.

Nico: Who do we go after this time?

Yuya: This guy next.

He pulled out a poster of JEAN-MICHEL ROGER!

Me: Jean-Michel Roger! Brittney told us all about him. But what do you guys know about him?

Zuzu: He's the leader of the duelists in the Synchro Dimension.

Yuya: And he is bad news.

He went over his history.

Jean-Michel Roger alternatively romanized as Jean Michel Roget is an antagonist in the Yu-Gi-Oh! ARC-V anime and the main antagonist of the Synchro Dimension saga (season 2). He is a resident of the Fusion Dimension who crossed over to the Synchro Dimension, infiltrating the dimension by rising to the position of Director of Security, enforcing the City's law. However instead of helping Duel Academy as an infiltrator for the invasion, he betrayed them and intended to control the Synchro Dimension and turn it into his kingdom instead. However his plan was thwarted by the Lancers persuading the Tops and Commons to unite, ending the unfair government and dismantling his status quo forcing him to flee back to the Academia in a last ditch attempt to save face with Leo Akaba, but his machine malfunctioned sending him into the unknown and his fate ambiguous.

Roger is a Fusion Dimension resident that was sent to the Synchro Dimension as an undercover agent to ensure Duel Academy's conquest. He introduced the Real Solid Vision technology to the City, which became a crucial tool for the Executive Council to strengthen Security's power and maintain the Tops' dominance in the riots created after Chojiro Tokumatsu's arrest. Roger then quickly climbed to the position of the Director of Security. He eventually decided to betray Duel Academy, and without informing Leo Akaba he began to make plans to turn the City into his own kingdom.

Around this time he made an alliance with Gallager, Gallager would be informed of any and all upcoming raids on the Underground Illegal Dueling bets so as to escape ahead of time and in exchange Gallager would help Roger find and scout out powerful duelists that he had either found in the streets or who had been sent to the Underground Labor Facility. One such indavidual was Sergey Volkov who had been sent underground after he had defeated Thirty other prisoners after his arrest. Once underground Gallager explained this to Sergey and once Sergey had defeated fifty duelists single-handedly and momentarily shocked Gallager contacted Roger, who was not surprised that Sergey had been recycled, and sent for Sergey to be ground to him. After this Roger robbed Sergey of his life and humanity by outfitting him with powerful cybernetics and mentally supressed Sergey's personality to be used for Roger's benefits. After this rumours circled that Sergey had died, which was figuratively true.

---

When he was done we were shocked!

Me: WHOA!

Eli: This jerk is not going to get away with it.

Nico: No he isn't.

Me: And he uses an Ancient Gear deck like Crowler does. That's interesting.

Nico: We might as well deal with more Academy students too

Zuzu: All right then. We've been taking them out one by one.

Yuya: Many of the Grey Hearted ones were sent to prison.

Me: That's good. It's only the blackhearted ones that deserve death.

Nico: Yep.

Me: Nice to know that my spell is working perfectly.

Nico: Yeah thank goodness.

Brittney and the goths and dark signers came.

Brittney: Sorry we're late guys. We had to go help conduct seances at a huge haunted house.

Nico: Oh no worries. You made it just in time.

Carly Atlas: Good.

Roman Goodwin: Yeah no kidding.

Me: We're going after Jean Michel Roger next.

Brittney: I had a feeling we were going to face him next.

Yuya: Yeah.

Nico: Lets get a move on.

Devack: Yeah!

Brittney cut a portal and we were off to the Synchro Dimension.

---

We arrived.

Me: Here we are.

Nico: Yep. Here we are again.

Brittney: I have a good feeling I know where he is.

She pointed to the Facility.

Me: The Facility.

Yuya: I remember that place. It was horrible.

Zuzu: That was a terrible jail.

Camie: Sure looks awful.

Kalin: Yeah it was. I was there before and that's where I died when I turned into a Dark Signer.

Zuzu: That was awful Kalin.

Carly Atlas: At least that hasn't changed.

Misty Tredwell: Yeah. I wonder if Sayer is locked up in there like he was in the Prime Universe.

Me: Well we're not going to be here to find out. I hate that son of a bitch. Especially for what he did to your brother.

Misty Tredwell: No kidding.

Yuya: What did he do?

Me: He killed her little brother Toby to exploit his powers for his own personal benefit.

Yuya: Geez.

Brittney: Yeah it was awful.

Me: I resurrected him and healed her heart.

Nico: Yeah.

Eli: I sense that most of these guys are all innocent people.

Me: Well then it's time for the Ultimate Jailbreak.

Nico: Lets do it!

Tommy Oliver: IT'S MORPHIN TIME! ZEO RANGER V! RED!

He turned into the Red Zeo Ranger!

Nico: Yeah!

Me: Here we go! MASENKO-HA!

I fired a powerful blast of energy and it hit the wall of the jail outside and then it blasted the wall and then it hit the jail wall and blasted a hole in it with a powerful explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The alarms sounded and all the prisoners ran!

Me: Come with us if you want to live!

I formed a portal and it went to Neo Domino City!

They went through it!

The guards got ready!

I fired waves of energy and blasted the guards and neutralized them

Greiger: So you're the Crow of this world?

Crow Hogan (Arc-V): That's right.

Me: Awesome to meet you. We are from the Prime Universe.

Crow Hogan (Arc-V): I heard about that and it's awesome to meet the famous Team Loud Phoenix Storm.

Me: Same here. Sorry you got locked up in prison.

Crow Hogan (Arc-V): I'll be okay. Roger locked me up in there for standing up to his Obelisk forces.

Me: Those monsters!

Eli: Here they come!

We saw a bunch of Students coming! They had hearts as black as night.

Me: Time for some duel power! I SUMMON NINE-HEADED DRAGON!

I summoned Nine Headed Dragon and it fired waves of energy and blasted them and took their cards and I locked them in cards.

Me: Jurrac, Salamangreat and Constellar cards. Nice.

Nico: Cool.

Eli: Here he comes!

JEAN-MICHEL ROGER CAME!

Me: Target sighted.

Roger: Well well Team Loud Phoenix Storm.

Me: Jean Michel Roger.

Nico: Tomorrow's Christmas. But you're getting coal!

Me: With a one way ticket to the fires of hell!

Eli: Yeah!

Jean Michel Roger: We'll see about that!

He summoned his ANCIENT GEAR MONSTERS!

He summoned 2 Ancient Gear Soldiers and 1 Ancient Gear Howitzer!

Nico: WHOA! Nice choices.

Me: Too bad you don't have as many monsters as Professor Crowler did in the Prime Universe.

Nuju got out his Gaia Memory for Titanium Titan.

Nuju: Taste titanium!

TITANIUM TITAN!

He fired waves of energy and blasted Roger down.

Me: YEAH!

But then he started floating up and his monsters too!

Me: What the?

Roger: HEY! GET ME DOWN FROM HERE!

Yuya: Why is he rising up?

Me: A Gravity flux?

Tyson Got out his Gaia Memory for Kingpin (TAS)

Tyson: Lets get it on!

KINGPIN!

He fired energy blasts and blasted him.

He was 25 feet up.

Nico: WHOA!

?: He is feeling light on his (GRUNT) Feet

We saw a girl with brown hair and red eyes and black clothes and black angel wings and had a tiara with Gravattack on it.

Me: (GASP) Galatea Galileo!

Nico: Gravattack's embodiment! Wow!

Galatea Galileo: Yep. (GRUNT) Good to see you J.D.

She dropped Roger and then…

SMASH!

His monsters and him crashed into the ground and he was really mangled up.

I got his deck and took it.

Me: Nice cards.

Tyson Got out his Gaia Memory for Kingpin (TAS)

Tyson: Lets get it on!

KINGPIN!

He fired energy blasts and blasted him.

He was 25 feet up.

Nico: WHOA!

?: He is feeling light on his (GRUNT) Feet

We saw a girl with brown hair and red eyes and black clothes and black angel wings and had a tiara with Gravattack on it.

Me: (GASP) Galatea Galileo!

Nico: Gravattack's embodiment! Wow!

Galatea Galileo: Yep. (GRUNT) Good to see you J.D.

She dropped Roger and then…

SMASH!

His monsters and him crashed into the ground and he was really mangled up.

I got his deck and took it.

Me: Nice cards.

Galatea lost control, levitated some crates, and threw them at Avalanche

He punched them and smashed them into rubble!

I fired an electron beam and injected the antidote into her.

She threw more crates!

?: (ECHOING) PLASMA PODS!

ZEPHYRMON FLEW IN AND SLASHED THE CRATES INTO PIECES AND BLASTED THEM!

Me: Zephyrmon! Wow!

Nico: Cool!

Zephyrmon: Looks like I got here just in time.

Nico: Zaylee Zephyr! Wow!

Zaylee Zephyr: Awesome to see you again Nico.

Nico: You too.

Zaylee Zephyr: I'll hold her off. You take Roger.

Tommy Oliver charged at her and bashed her down!

Tommy: HYAH!

SMASH!

I fired waves of energy and blasted Roger all over.

Yuya: Take that!

Zaylee reverted back and was a girl with pink hair and pink and brown clothes and had pink angel wings and had Zephyrmon on her forehead and skirt and had a wind scythe. She had the kanji of the Wind Spirits on her arm.

Zaylee Zephyr: This wind is gonna blow you away!

Several guards came and charged at Vypra

She slashed them with her sword and killed them. They had black hearts.

Dark Spicer: Here's your warning…

Me: Your motherfucking asses are about to be kicked!

Dark Spicer: YEAH!

Me and Dark high five!

Several guards charged at Dr. Light and he blasted them with light energy and obliterated them.

They had black hearts.

Dr. Light: Never mess with a master of light!

Dark turned into his ULTIMATE BIG CHILL FORM!

Several guards charged at Yodo!

Yodo: HOWLING HAIR SOUNDWAVE!

---

By whipping around locks of their hair, the user generates high-frequency sound waves that are capable of simultaneously disorienting the foe by overwhelming their hearing and likewise able to slice at the target.

---

She slashed and blasted and smashed them.

Me: WHOA! That was powerful!

Eli: And I thought Flare's fire hair was potent!

Zaylee fired waves of wind and blasted Galatea down.

The antidote took effect and she was back to normal.

Galatea Galileo: (Groans) What happened?

Eli helped Galatea up.

Eli: Ugly story.

Eli Shane got out his Gaia Memory for Slug.

SLUG!

He fired energy blasts and blasted Roger all over.

Tommy Oliver got out his Gaia Memory

Tommy Oliver: Lets do it!

EVIL STAR!

He fired waves of energy and blasted him.

Me: Lets finish this.

We fired waves of energy and blasted Roger and obliterated him and he was dead!

Nico: Roger you have failed this city.

Eli: Yes he has.

Zaylee Zephyr: Boy no kidding.

Me: That was cool though.

Zaylee Zephyr: Yep.

Me: Do you have a favorite memory of Nico?

Zaylee Zephyr: When me and Nico were flying on my family's awesome new flying hotel and it was so fun.

Camie: Cool!

Nico: Yep.

Nico and Zaylee hugged.

Nico: I missed you.

Zaylee Zephyr: Same

We came back.

May: How did it go guys?

Me: Really awesome!

We told everyone what happened and it was cool!

May: WHOA!

Xenia: Way to go guys!

Me: Yep.

Nico: Next time, Sora, Eddy, the Cutie Mark Crusaders, Natsumi, Philip, and Shotaro should come

Lola: All right!

Apple Bloom: Yeah this is gonna be awesome Crusaders!

Rarity: You girls are gonna do great.

Applejack: Ya sure are.

Rainbow Dash: Yeah you sure are!

Nico: Yep.

---

At Lynn's Table…

All of us: CHEERS!

We clinked our glasses together.

Me: To the end of Xehanort and the ultimate victory of Team Loud Phoenix Storm!

Nico: And the end of his evil reign of darkness.

WE CHEERED!

Tom Lair (laughs): And all it took was me getting kidnapped!

Volcana:… you shouldn't joke about that.

Tom Lair: I know.

Lola: But Xehanort is now gone for good.

Volcana: Thank goodness for that.

Twilight Sparkle: Yeah and the Dark Orbs with him.

Vypra: No kidding.

Lightning McQueen: Except the ones in the Masters of Evil's possession and the one inside Nico.

Nico: Those stay. Especially the one inside me!

Me: Yeah.

Qin: That's for sure.

Lola: But either way we're now done with our biggest mission ever.

Camie: We sure are.

Qin: The universe will be a nicer place without Xehanort plaguing it.

Yen Sid: There is still the matter of the next overarching threat. (smiles) But for now, enjoy your victory. You all have earned it.

Crumplezone: Damn right we have!

Me: Yeah I agree!

Qin: Yeah.

Lola: I agree too.

Poliwag was about to try some hot sauce.

Nico stopped him.

Nico: Don't even think about it Poliwag.

Me: Santa comes tomorrow Poliwag. Be good for him.

Poliwag: Oh right.

Horsea and Manaphy tried to have some when no one was looking

Nico grabbed them.

Nico: Nice try you two.

Horsea: Aww…

Manaphy: Sorry.

Grim sat down with his plate. But then…

LOUD FART!

Me: Whoa!

He sat on a whoopee cushion!

Billy: (LAUGHS)

Grim: (Jamaican Accent) Billy! Why don't you learn some manners you animal!

Grim sat down again and then…

LOUD FART!

Grim: OH Confound it Billy! I told you I was gonna… Oh!

He saw that he actually farted!

Grim: (Embarrassed) Excuse me!

Poromon: (to the mascots) Don't do it, guys. Trust me on this.

Poliwag: Okay.

Manaphy: Okay.

Horsea: Right.

Poromon: Lets have beer instead.

They nodded.

?: Better than having J.D.'s hot sauce.

We saw a girl with blue hair, blue eyes, blue clothes and had peacock tailfeathers and had blue angel wings and had a tiara with Cyber Peacock on it.

Cillia Peacock: Cillia Peacock, Embodiment of Cyber Peacock.

Spiderman: Awesome to see you Cillia!

MJ: The Carnage Killer is back.

Cillia Peacock: Awesome to see you too Peter and M.J. Been a while.

Windcharger: How did you meet Spiderman and MJ?

Cillia Peacock: Well I helped Spiderman and MJ while they were battling Cletus Kasady as Carnage.

Girl Jordan: Awesome! Did you kill him?

Cillia Peacock: Yes I did. I used my peacock fire powers to blast the Carnage Symbiote and then Spiderman webbed him and MJ Kicked Cletus in his crotch and then I snapped his neck.

Gill Jordan: Wow! Awesome job!

Cillia Peacock: Yep. It's how I got the nickname the Carnage Killer.

Xenia: Cool!

Me: Not even Spiderman's most fucked up monster was a match for you.

Cillia Peacock: Nope.

Me: Would you like to join us?

Cillia Peacock: I would be honored

Me: Hey guys look!

We saw on a TV something going on. It was a public execution.

Nico: Whoa what's going on there?

Me: Oh earlier this week they caught a massive terrorist organization that was under the city. Xehanort found them and told them to try and rise up against us. But the police got them just in time before they could act. They were sentenced to death by burning at the stake.

Nico: GEEZ! We haven't done that since almost 300 years ago.

Me: Yep.

Nico then saw a man he knew.

Nico: Oh my god! I know that man! That's Henry Excelsior. He was a close friend of mine back in my childhood. But he became a huge extremeist against all superhero factions and claimed them to be enemies of the world. He was really delusional.

Me: Looks like Xehanort turned him against us.

Laney: Yeah and if you are against Team Loud Phoenix Storm then you are against the world and the universe.

Henry Excelsior: They may silence us, but they can't silence you! Fuck Team Loud Phoenix Storm and fuck all of you! You will not take away our voice! You will not take away our power! Fuck You All! You will not take us! Fuck you! Fuck you all! Fuck Team Loud Phoenix Storm and fuck this entire planet! It can go to hell!

Me: Sheesh buddy. Go fuck yourself.

They killed them by burning them and killing them.

Me: Good riddance.

Nico: What a pity. Henry went down a dangerous path.

Me: And all it lead to was his own destruction.

Lola: Yeah.

Nico: Yeah. How many were executed.

Me: They counted 534 of them. Most people executed in a single day.

Lola: Geez!

Qin: Bunch of stupid nimrods.

Camie: Yeah.

Bane: (Spanish Accent) Laney, you should take care of that Scovillain

Laney: I will.

Me: Also she loves hot sauce as much as I do. She is a true spice master.

Scovillain: Oh stop guys. But yeah.

Nico: (LAUGHS)

We paid for the food and went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Nico: We should get ready for our mission now.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than The Toy Taker, and he's causing trouble for Rudolph and the Misfit Toys. When we saw it, we knew it meant big trouble.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than The Toy Taker, and he's causing trouble for Rudolph and the Misfit Toys.

WE GASPED!

Me: Oh man, I remember that monster all too well, looks like we're taking him down.

Nico: Are we sending him to The Noto Prison?

Lincoln: Definitely, but not before we put him on ice.

Eli: We're gonna need the Noto Trio after we put this guy on ice.

Nico: That's for sure. Alright, team, let's go, we got to help Rudolph and the Misfit Toys take down The Toy Taker.

Lincoln: He's taken his last toy.

Qin: YEAH!

Nico: First we'll watch the movie and then we'll head out.

Xenia: Good idea.

Vypra gave us weapons called the Destroyers of Toy Taker, these are a collection of greatswords and blasters that'll really put the hurt on that toy taking monster.

Nico: Although Noto Prison might sound harsh.

Me: I agree.

Lola: I'll go make popcorn

She did so and then came back.

We got to watching the movie

---

Rudolph, not satisfied with being a "novelty act" performing tricks with his nose, travels with Hermey, now a dentist, to the Island of Misfit Toys to give King Moonracer a root canal dental treatment. A storm sends Rudolph and Hermey to Castaway Cove where Rudolph considers having his nose made more normal-looking by a hippopotamus named Queen Camilla, being warned that if he gets a normal nose, he won't be able to lead the sleigh anymore on foggy nights which could put Santa's deliveries in potential danger.

Meanwhile, the evil Toy Taker is stealing all of the toys from the island, including Santa's workshop, claiming that he's saving them from the inevitable fact that children eventually outgrow their toys and throw them away. Rudolph has a plan to foil the Toy Taker's by disguising themselves as toys.

The Toy Taker's blimp arrives and manages to steal them along with the Misfit Toys, all except for Bumble, who is too big to fit into the blimp so he follows on a floating iceberg. Rudolph tries to talk to a new misfit toy, a kite who is scared of heights and wakes him up from his hypnosis, but fails. The Toy Taker hears all the chatter, and realizing there are intruders, catches Rudolph, Clarice, Yukon, and Hermey.

They head back into the blimp, with Yukon chasing after the Toy Taker, Hermey piloting the blimp, and Rudolph and Clarice doing their best to wake up the toys from their hypnosis. Yukon finally chases the Toy Taker up to the top of the blimp. When a boomerang who doesn't come back swoops by Yukon, he loses his balance and falls. Rudolph and Clarice confront the Toy Taker, with Rudolph's nose blinding him during the confrontation.

The Toy Taker flees and parachutes his way down to Yukon's peppermint mine in hopes of escaping Rudolph and Clarice. Due to the holes in the blimp, Hermey loses control. Luckily, Bumble is there to save the blimp before any further damage can be made. The reindeer are still chasing the Toy Taker in the mine and Rudolph captures him. However, the Toy Taker tries to escape again, but Yukon manages to lasso him up with Hermey's dental floss.

Upon removing the Toy Taker's coat and hat, it is revealed he is none other than a teddy bear named Mr. Cuddles. He apologizes and tells them he used to belong to a boy named Steven, who outgrew him and threw him away. After this, he became the Toy Taker to save the other toys from also being thrown away. Santa explains that while it is true that some children outgrow their toys, he knows Steven is looking for him.

Rudolph and his friends agree to bring Mr. Cuddles to Queen Camilla to repair him and cheer him up. Rudolph also considers about turning his nose normal, but decides to keep it the way it is. Santa leaves to deliver the presents and Mr. Cuddles gets returned to his owner. Santa tells him that Steven didn't mean to throw him away, but was saving him as a family gift. He then places him in the bed of Steven's new daughter who awakens and cuddles him. Steven walks into the room to check on his daughter and smiles as Santa and Rudolph fly off into the night.

---

When it was done we cheered!

Qin: Yeah!

Me: That was a great movie!

Xenia: YEAH!

Camie: What does it say about his history?

Me: Lets see.

We looked it up

---

The Toy Taker, also known as Mr. Cuddles, is the main antagonist of the 2001 computer-animated Christmas film Rudolph the Red-Nosed Reindeer and the Island of Misfit Toys. He was originally a teddy bear who was thrown away by a boy named Steven after he outgrew him. As a result, he disguised himself as a thief known as the "Toy Taker", who is particularly known for stealing other toys from being thrown away due to their owners outgrowing them.

He was voiced by Rick Moranis, who also played Vinz Clortho (while possessing Louis Tully) in Ghostbusters and Dark Helmet in Spaceballs, while his vocal sound effects are provided by Don Brown and his singing voice was provided by Bruce Roberts.

Mr. Cuddles was a teddy bear that started as a present given to Steven, and was his favorite gift that he played with. When Steven grew up however, he became interested in other things and forgot about Mr. Cuddles. The teddy bear was put inside a box, was taken to the dump, and his parts were torn apart. Wanting to save other Christmas toys from the fate of being forgotten, he put on a green trench coat, an olive green fedora, sky blue mittens, and wore brown stilts, going under the name the "Toy Taker". He used a magic flute to hypnotize other toys.

Rudolph the Red-Nosed Reindeer and the Island of Misfit Toys

At first, the Toy Taker stumbles upon a home and steals several toys inside, and used his hypnotic flute and guided them to his blimp. The Toy Taker proceeded to steal more toys across neighborhoods, leaving children with nothing to play with.

The next night, after stealing the toys right out of Santa Claus's workshop, Rudolph, Hermey, Yukon Cornelius, Bumble, and Clarice set out to find and capture the Toy Taker. The thief is later seen with the captured toys, and tells them why they are there, and tells how kids would outgrow their favorite toys, but dabs the tears off a rag doll and fixing the elephant's nose before leaving. Charlie in the Box refuses to accept him as a friend, thhinking tat the Toy Taker is nothing but a crook, and the toys are just his hostages.

He then succeeds in stealing the gingerbread toys from Castaway Cove, but after plundering the Island of Misfit Toys, the heroes disguise themselves as toys and sneak aboard the blimp that he uses as transportation; he was unable to take Bumble with him because he was "too… ginormous!". Therefore, Bumble was the only one to not be taken by the Toy Taker.

After the group are discovered, the Toy Taker then pushes a button on his control and sends them falling through a trapdoor. They fly back on board and seem to corner him, but he escapes to the top of the blimp, followed by Yukon. However, as Cornelius tries to get closer to the Toy Taker, he leaves holes on the blimp due to the spikes on his cleats, with the Toy Taker reminding him he was "ruining his blimp". At that moment, Yukon is then accidentally thrown off the blimp by a passing Boomerang That Doesn't Come

Back, only to be saved by Bumble below.

The Toy Taker is then confronted by Rudolph and Clarice in which Rudolph blinds him with the red light from his nose, prompting the Toy Taker to parachute into the Peppermint Mine. After a long chase, the thief attempts to make a run for it, but is lassoed by Yukon. Once his trench coat and hat are yanked off, everyone watching discovers that the Toy Taker is Mr. Cuddles, who wore stilts to make himself more intimidating.

When Rudolph questions why he would want to steal toys, Mr. Cuddles corrects him that he only wanted to save them from being forgotten by their owners. He tells them the story of how his owner forgot him, but Santa assures that Steven still remembers him. Mr. Cuddles apologizes for his actions, and returned all of the toys he had stolen, redeeming himself. He is repaired by Queen Camilla, and is delivered to Steven's daughter by Santa. She wakes to see him and hugs Mr. Cuddles when Steven, now a fully grown adult, looks down to see him.

---

Me: Oh man. Poor toy.

Xenia: Yeah

Qin: I feel bad for him.

Nico: Okay the Noto Prison DEFINITELY sounds harsh.

Me: I got an idea. I'll give him to one of the kids at the orphanage. They will love that.

Nico: Good idea J.D.

Eli: Who do you have in mind for that?

Me: Fluttershy is thinking of adopting this one.

I pulled out a photo and it was a picture of a girl with blond hair and blue eyes and she had a purple shirt and skirt and had a snowflake necklace around her neck.

Nico: Oh she's adorable.

Me: Yeah her name is Lilja and she's from Akureyri, Iceland.

Nico: Wow.

Me: Yeah. She was moved here because of snowy conditions.

Nico: Poor thing.

Nicole: Yeah.

Me: But we got a toy to stop and reason with.

Sonoi: He won't be going to one of our prisons. But we still need to stop him

Nico: I agree. And Rudolph is with Santa right now helping him in his journey around the world. Lets head out people.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: This one is funky. Etemon next.

Qin: Ooh!

Lola: Yeah!

Me: (Imitating Elvis) Thank you very much.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Tabuu, the main antagonist of Super Smash Bros. Brawl., and he's coming to destroy us. When we saw it, we knew it

meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Tabuu, the main antagonist of Super Smash Bros. Brawl., and he's coming to destroy us.

Nicole: That energy monster?! Oh boy, he's out for revenge on Mario for defeating him long ago, well, he's in for one nasty surprise.

Amaris Somatra: Yep, me, Lincoln, J.D., and Nico are going to destroy him after Lincoln sucks out his powers and abilities.

Lincoln: And he'll be heading for The Book of Vile Darkness.

Nico: Plus, we'll let Mario finish him off with his Final Smash. Alright, team, let's go, we're heading out to help Rudolph and the Misfit Toys take down The Toy Taker.

Lincoln: And put him on ice and send him to The Noto Prison, and once we get done with him, you're next, Tabuu.

Amaris Somatra: You've caused enough trouble to Mario and the other Smash contestants to last an eternity, Tabuu, you will pay for every last one of your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to help Rudolph and the Misfit Toys take down The Toy Taker, and once we got done with him, Lincoln and Amaris Somatra along with me and Nico are going to destroy Tabuu.

We were off.

---

We arrived.

Horsea: We're here!

We saw that we were at the island. It was not far from the North Pole. It was cold.

Me: Man it's cold!

Nico: Be right back!

Nico teleported and got our winter clothes.

Me: Much better.

We got them on.

Me: Whew.

Nico: There.

Woody: Boy this sounds like a place that every toy would fear.

Buzz Lightyear: Yeah I agree there.

Potato Head: Nah. We've been to the place all toys should fear.

Me: Sid Philips' house or the Day Care Center?

Potato Head: No the garbage dump.

Me: Oh man.

Lana: That is a bad place for toys.

Nico: Yeah.

Lana: But if I find any toys there I'll bring them home for us to fix.

Me: Good idea Lana.

Mr. Potato Head: They will be happy for that.

Me: Yeah.

Nico: But J.D. that's really nice of you to want to give Mr. Cuddles to one of the kids of the orphanage.

Me: Yeah I like to help kids. Like I said, I have a bit of a soft spot for when it comes to kids.

Nico: (LAUGHS) Yeah you sure do.

Woody: Let's split up. The first to spot the Toy Taker tells everyone else

Buzz: Good idea.

Qin: Okay. We'll use our cutie marks as signal flares.

Nico: We haven't done that in a while. Lets fan out!

We were off.

Poromon was flying around.

Poromon: Hmm. It's quiet. Too quiet.

Unknown to Poromon, something was behind him.

Poromon: Hmm. [Hears something. He hears a noise, turns around, but some shadow quickly hides. He hears another noise and checks again, but the shadow hides] Huh? [the shadow figures swings from tree to tree] Huh? What?! [a shadow figure hides behind a tree] Huh!? [the shadow figure hides behind a ledge.]

Poromon was ready for anything.

Poromon: Is this a prank?!

He backed into something and they they turned and screamed!

Poromon saw that the figure was Rudolph!?

Poromon: Wait Rudolph?

Rudolph: Poromon? What are you doing here?

Poromon: I Was going to ask you the same thing.

Rudolph: I got lost. I was supposed to head to Santa to help him.

Poromon: Were you following me?

Rudolph: Yes and I'm sorry.

Poromon: It's okay.

May came.

May: Poromon I heard you scream. Rudolph? What are you doing here? I thought you were with Santa.

Rudolph: I was going to find him but I got lost.

Poromon: You can tag along with us.

Rudolph: I would like that. As long as there are no mercenaries working for the Grinch.

May: The Grinch hired mercenaries?

Rudolph: Yeah but it was long ago.

May: Oh.

Poliwag was walking around.

Poliwag: Should be here somewhere. [He looked around then notices a Prehistoric Sponge on the ground in the bushes] SpongeBob? [Primate Sponge screams] Stay back! [Primate Sponge touches Poliwag's tail and then sniffs his finger from what he touched. Tries to give some to Poliwag] Uh, no thanks. [Poliwag feels someone breathing on him and he turns and notices a Prehistoric Starfish breathing on him. Prehistoric Starfish smiles and reveals nasty, rotten teeth] Uh, hi there.

Nico came.

Nico: Poliwag? Whoa. A Prehistoric version of SpongeBob and Patrick.

Prehistoric Patrick grabbed Poliwag, thinking he was candy

Poliwag: I'm not candy!

Nico: Now let him go. He's not candy.

Prehistoric Patrick hooted.

Nico: No he's not. This is a world you're not familiar with I know.

Prehistoric SpongeBob hooted.

Nico: Yes I understand you both. I may be a Saiyan but even I can know what you're saying.

Prehistoric SpongeBob licked Poliwag anyway

Poliwag: Ew.

Lily: Nico?

Nico: Oh hey Lily.

Prehistoric SpongeBob and Patrick saw Lily and came over to her and they were happy.

Lily: Wow! Prehistoric SpongeBob and Patrick! Wow.

Nico: You met these two before?

Lily: Yeah it's a REALLY Strange story.

Nico: Really?

Lily: Yeah. Its been a while you two.

Nico: They sure are happy to see you.

Lily: I know.

Lily gave them both bananas.

Lily: I accidentally got sent into the future from Plankton's device and then I met SpongeBob's robot clones and then I went back in time to somewhere around 500,000 years ago and met these two. The rest is history here.

Nico: Wow.

Manaphy was walking around.

Manaphy: Hmm.

She then saw something.

She peered over and saw a figure in a trench coat and hat.

Manaphy: There he is.

She sent up a cutie mark signal.

Nico: Look!

We saw the signal.

Me: Manaphy found something. Lets move!

Horsea was walking around and then she saw Manaphy's signal.

Horsea: Uh oh.

She went to the signal.

We regrouped.

Nico: Okay we're all together.

Manaphy: Look.

We saw him. It was THE TOY TAKER!

Me: There he is.

Xenia: Yep.

Me: Wait Rudolph? I thought you were with Santa?

Rudolph: I got lost trying to find him.

Me: We'll get you back to him after we're done here.

Horsea: Entrance time!

We went at him.

The Toy Taker: This will be good for me.

Then the spirits of Christmas came and swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a Phoenix Cry was heard and we came out.

Me: Okay Toy Taker the jig is up! Or should we call you…

Toy Org Appeared.

Toy Org: Hey guys!

Mr. Cuddles: You can never understand what I'm doing!

Woody: We do Mr. Cuddles.

Me: But we can give you to someone who would love you and I know just the person.

Mr. Cuddles: You do?

Me: Yeah.

I went and showed him a photo.

Me: Her name is Lilja and she wants a new teddy bear for Christmas. I'm hoping to give her you.

Toy Org: But first, you must be stopped!

Nico: That's right.

Lola: Yeah!

Mr. Cuddles: You would do this for me?

Me: Yeah. She would love you.

Fluttershy: We know she would.

Mr. Cuddles: Thank you guys! Thank you.

Me: You're welcome.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of energy and the barrier really stood strong against them and we absorbed the massive blasts of energy and they made us even stronger.

Lincoln: (Catches the scent) There's no mistaking the energy signal from anywhere, come out now, Tabuu, or we will force you out.

A blue humanoid figure made of energy with an eye in his chest and large blue/purple-tinted wings came out, and it was none other than Tabuu.

Lincoln: Tabuu, I should've known you'd show up.

Amaris Somatra: Only to die at our hands.

Suddenly, Amaris Somatra's purple eyes turned neon purple and she was surrounded by a purple aura with stars, darkness, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Tabuu, she left purple energy, stars, darkness, light, dragons, phoenixes, and angels with every step.

Amaris Somatra: Your crimes have gone unanswered for years, Tabuu, you've caused nothing but pain and suffering to too many innocent people in your never ending quest to destroy the World and recreate it in the Subspace. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Nebthet and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Amaris Somatra was surrounded by a massive vortex of purple energy with stars, darkness, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Nebthet flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Tabuu: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Tabuu has angered Amaris Somatra, and now, the rage of Hieratic Dragon of Nebthet is about to be unleashed.

Then, as the vortex faded, Amaris Somatra emerged, but she was changed forever.

Suddenly, Amaris Somatra felt a sharp pain on her back, and then, her massive purple angel wings with black tips on the large purple feathers grew much larger for her new body and medium sized purple angel wings with black tips grew and sprouted out underneath her massive purple angel wings and she also now has eleven massive and long purple wolf tails with black tips and black markings, Amaris Somatra has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Avani Acadia, Lincoln, Nico, and I went after Tabuu, who continued firing blasts of energy at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Tabuu and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Amaris Somatra also did the same by firing yellow energy slashes from her massive greatsword and gold-plated dragon claws, and he, Amaris Somatra, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Tabuu even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln grabbed Tabuu and he began sucking out Tabuu's power and energy, and he and all of us assimilated Tabuu's Ergokinesis, Overseeing, Spatiokinetic entity creation, Spatial constructs, Subspace manipulation, Dimensional entity physiology, Spatial devouring, Dimensional lordship, Whip manipulation, Chain creation, Space generation, Energy whip generation, Challenge creation, Enhanced cannon skills, Dimensional manipulation, Spatial mimicry, Spatial manipulation, Petrification, Chain manipulation, Size manipulation, Bullet projection, Ergokinetic blade construction, Object creation, Claw retraction, Blade retraction, Ergokinetic combat, Energy beam emission, Size enhancement, Gun protrusion, High Intelligence, and Teleportation, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, Tabuu was extremely weakened and Lincoln tossed him into the air, and Mario used his Final Smash, Mario Finale, as he fired a powerful two-streamed blast of fire that expands vertically as it flies forwards that hit Tabuu and destroyed him and his spirit was sent to The Book of Vile Darkness. Everyone cheered wildly for what Amaris Somatra, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Amaris Somatra's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings underneath are permanent.

Amaris Somatra: Reap what you have sown, plague of The Smash Bros. World. Thanks for helping me take down Tabuu, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Amaris.

Me and Nico: Our pleasure, Amaris.

Suddenly, Amaris Somatra wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amaris Somatra's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Nebthet flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and darkness behind them and we cheered wildly. Then, Lincoln and Amaris Somatra sucked in and absorbed the elemental forces and light and darkness and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Tabuu down and Lincoln sucked out Tabuu's power and energy, and he and all of us assimilated Tabuu's Ergokinesis, Overseeing, Spatiokinetic entity creation, Spatial constructs, Subspace manipulation, Dimensional entity physiology, Spatial devouring, Dimensional lordship, Whip manipulation, Chain creation, Space generation, Energy whip generation, Challenge creation, Enhanced cannon skills, Dimensional manipulation, Spatial mimicry, Spatial manipulation, Petrification, Chain manipulation, Size manipulation, Bullet projection, Ergokinetic blade construction, Object creation, Claw retraction, Blade retraction, Ergokinetic combat, Energy beam emission, Size enhancement, Gun protrusion, High Intelligence, and Teleportation.

Me: Now, he's in his new home in The Book of Vile Darkness. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a caribou made of purple fire pass through the sky along with a mermaid made of water appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Calida Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Caribou.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Calida Zihuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Caribou, along with having angel wings along with having intense purple fire powers. She's known as The Fierce Warrior of The Sisterhood of The Fists of Fire, as she shows absolutely no mercy at all to the irredeemable. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Calida hates Hawk and Hank with a blazing passion, because of what those buttfaces did destroying Royal Woods on Halloween and trying to kill Lincoln, and in one incident, she and Lincoln beat them up and sent them back to prison with two black eyes and an irreversible super double mega wedgie, and this time, they made sure they were locked up tighter than Fort Knox.

Nico: Yeesh! Man, that was one painful thrashing!

Me: I still remembered that all too well. And the mermaid made of water, what was that?

Maria Ying Xiao: I know what that was, I know just who we're meeting on Nico's rescue tomorrow: Hayley Ying Xiao, Ambassador of Bai Tza, Demon Sorcerer of Water and Master of The Waters of The Mermaid.

Selene Arcangela: I knew it was her, and you guys are going to enjoy meeting her, Hayley Ying Xiao is Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the third eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Bai Tza, The Demon Sorcerer of Water, along with blue angel wings, and she also has full fledge mastery over the powers of Water. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Water, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a water greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and because of the incident, she hated Lola with a passion.

Me: Whoa!

Qin: Really incredible!

We returned home to prepare for Christmas tomorrow. But, Hunter Drake Michaelson was still troubled by what happened with Professor Kakuzawa getting shot by that 15-millimeter round, as he took out the round's shell casing. Suddenly, memories came full force to him: the memories of another friend of his, a young man named Caleb Maxwell, a college student from New York who was planning to become a cop after finding out from a detective about the criminal world his father was in as head of a powerful crime syndicate with full control of the mafia gangs there and responsible for pumping drugs and weapons all over the streets. But, Caleb's dream was cut short when he was tragically murdered and at the young age of 20 and buried in the cemetery.

Hunter: (German Accent) This couldn't be him, Caleb died eight years ago by the mafia gangs who accident murdered him. But, if it is him, then, Lincoln's next rescue will be the battle to destroy that crime syndicate and if Caleb regained his memories and did find out who was responsible for his death eight years ago, his dad and younger brother are both going to get bullets right between the eyes courtesy of their vengeful elder son and older brother.

We fixed him up.

Nico: Sorry we had to be rough. Now, let's get you to Lilja

Me: Yeah.

Fluttershy: Um J.D. can I come with too?

Me: Sure Fluttershy. First lets get Rudolph to Santa.

Nico: Right.

I tracked Santa and he was over England.

Me: He's over England now.

Nico: Lets go then.

We teleported.

Santa was over England.

Rudolph: Santa!

Santa saw Rudolph.

Santa: Ho ho ho! You made it just in time Rudolph.

He got to the head of the team.

We teleported back to the city

* * *

At the orphanage we went in.

Fluttershy: Oh so many adorable kids.

Me: Yeah.

Kids: Hey J.D.!

Me: Hello kids. Are you all excited for Christmas?

They cheered.

Lilja: (Icelandic Accent) Hello J.D.

Me: Hey Lilja. Brought you something.

I gave her Mr. Cuddles.

Lilja gasped.

Lilja: I love it J.D. Thank you.

Me: You're welcome.

Fluttershy: And there's more. I'm going to adopt you Lilja,

Lilja: Really? Oh wow!

Everyone cheered for her!

They got the paperwork signed and we later went back home. Lilja was showed her awesome room.

Nico: Awesome job everyone!

Lola: (To the viewers) Boy this was a great way to celebrate the day before Christmas.

Me: Yep.

We enjoyed the rest of the day and went to sleep for Christmas.

Me: It sure does. Fluttershy is very gifted with her animal friends and they love her for her kindness.

Nico: Yep.

Mama Bear: Papa, Sister and Brother will be in for a great surprise when they get home.

Laney: They sure will.

Nico: Yeah. Oh my gosh I wonder where they are?

Eli: (Concentrates) There are through there 500 yards into the mountains.

Xenia: Then lets go.

Lincoln: Okay, guys, we've got ourselves an emergency and it's one rescue we're so going to enjoy: we got word that the Akuma, Santa Claws, is here, and is causing trouble, and this is a separate entity.

WE GASPED!

Nico: What the?!

Me: Not good. Even though it's a separate entity, it's still really dangerous, so it needs to be stopped and absorbed by you, Lincoln.

Evelyn Nicholas suddenly appeared.

Evelyn Nicholas: There's no way I'm letting that Christmas monster get away with this, I'm going to transform and put him down.

Lincoln: Right, he's not getting away with trying to ruin Christmas. Speaking of, I had a vision that Princess Morbucks is planning to break out of prison and go after Santa for revenge, so you know what this means.

Nico: We're sending that brat to The Noto Prison.

Lincoln: You got it.

Me: So, we got another spoiled brat for The Noto Prison, better alert to The Noto Trio about this.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: I literally can't believe Santa Claws is here and in the home of The Berenstain Bears, we need to take care of him.

Nico: That we will, Lori, with Evelyn and Lincoln teaching that monster the true meaning of Christmas.

Me: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the

Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever.

(Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Santa Claws) AHA! Gotcha! I just spotted Santa Claws, he's 20 yards away, but he's heading straight for The Berenstein Bears.

Nico: What?! Oh man, let's hightail it!

Lincoln: That Christmas Monster's going down. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Santa Claws.

Elsa heard a Pokemon cry

Elsa: Look.

We saw a Cryogonal.

Me: A Cryogonal.

Xenia: Oh the poor thing.

Me: It's hungry.

We gave it some food.

Cryogonal: Thank you so much.

Me: You're welcome.

Elsa: Want to come with me?

Cryogonal: I would be honored.

Elsa: Great.

Me: You won't regret it.

Nico: Yeah.

Me: Wait Marinette, Bowser Jr. faced this Akuma back when we fought all of them in Paris the first time. But we don't know the full extent of the story. What can you tell us about him?

Marinette: Well you aren't going to like it.

She told us who he was and we were shocked.

Santa Claus is a minor character of Miraculous: Tales of Ladybug & Cat Noir. He is an immortal man who delivers presents on Christmas.

In "Santa Claws", when Ladybug upset Santa by wrongly accusing him of being a villain, he was akumatized by Hawk Moth and became Santa Claws, a Christmas-themed supervillain.

In "Santa Claws", while giving out gifts all over Paris, Santa Claus comes across a family with two naughty children. The two treat him poorly and even pull his beard, thinking that he is a fake. The kids then knock Santa over with snowballs. Adrien Agreste the arrives and helps him up as he scolds the kids for being mean. The kids' father tells them to apologize. Adrien hands Santa back his hat, receiving a blanket and hot chocolate in return.

Adrien asks Santa if he has any camembert, which Santa gives him from his sandwich. Santa and Adrien then drink the hot chocolate in his sleigh, with Adrien telling him about his family problems. Santa convinces Adrien to return home to his father Gabriel Agreste and even gives him a free ride back. Before they leave, Adrien gives Santa the hat he received from Marinette Dupain-Cheng as Santa's hat was soggy from the snow.

While driving his sleigh, Santa waved to the people who pass by such as Roger Raincomprix. No one sees Adrien because he leaned away from them unknowingly and the pink blanket disguised him slightly. Adrien and Santa talk about where Santa will spend his Christmas as they go back to the Agreste mansion. Since he will be alone and since there needs to be more Christmas cheer in the mansion, Adrien decides to invite Santa over for dinner.

Outside the gates of the Agreste mansion, Adrien rings the doorbell, his father answering. Gabriel notices Santa and angrily tells him to leave, assuming he had something to do with Adrien's disappearance and now wants money. Adrien tries to calm down his father, trying to convince him that he's wrong, but Ladybug arrives on the scene and calls Santa an akumatized villain.

She doesn't listen to Adrien when he tells her that Santa isn't a supervillain and chases after him, who runs away in his sleigh. Ladybug catches Santa, pulling him out of the sleigh and into the snow. Santa then yells at Ladybug about her hurting him, with Hawk Moth sensing Santa's anger and sending an akuma his way. Santa then angrily explains that he is not a supervillain. Ladybug apologizes and tries to help him up, but Santa just wants her to leave, as he's had enough of kids tonight.

Ladybug leaves, feeling sad, while Santa trudges back to his sleigh, muttering about people no longer respecting the spirit of Christmas. The akuma then arrives and lands in his hat. Hawk Moth claims to have been good all year and that as a present, Santa should get him the Ladybug and Cat Miraculouses, to which Santa agrees. He then is transformed into Santa Claws, a Christmas-themed supervillain. His two horses that pull his sleigh were also affected by his transformation and were turned into evil reindeer.

Santa Claws then approaches Ladybug, singing his song about how he is Santa Claws and how he will give everyone a horrible Christmas. He throws a present at Ladybug and it explodes, releasing several bats. Ladybug then chases after him. Santa Claws then phases through Adrien's window, sings his song, and drops a present in Adrien's room.

Placide I.T. protects Adrien, until the present lands exploding on his feet. Tarantulas crawl out of the it and onto the bodyguard, causing him to flee while trying to get the spiders off his legs. Santa Claws promises not to hurt Adrien, since he feels like he owes him since he gave him a gift and because Adrien has been nice to him. He leaves, promising to avenge both Adrien and himself.

Santa Claws then bursts through the windows of Le Grand Paris, where jumps off his sleigh and on to a table. He then starts singing his song and dancing. After he finishes, Santa Claws throws a present on to Chloé Bourgeois, covering her in cockroaches, much to her disgust and dismay. His reindeer also eat some of her presents before they all leave.

Ladybug and Cat Noir then land on his sleigh, with Santa Claws throws a present at the second, knocking him off the sleigh. Ladybug jumps off after him, throwing her yo-yo around one of the sleigh's skis and grabbing Cat Noir with her hand. They dangle from the sleigh, with Santa Claws deciding to take them for a ride making them run over Paris' rooftops before Ladybug flings Cat Noir back on the sleigh.

Santa Claws fights Cat Noir, with a baton for a sword. Ladybug flings herself onto one of the reindeer, trying to stop it. This causes Santa Claws to fall over the back of the sleigh. Cat Noir grabs him by his wrist, but Santa Claws uses that to his advantage by climbing back on the sleigh and flinging Cat Noir off it again causing Ladybug jumps off as well.

Later, Cat Noir signals Santa Claws from the Eiffel Tower. A black present dangles off of it from Cat Noir's staff. Santa Claws conjures up a large mace, preparing to destroy it, but the present turns, revealing his face. Cat Noir sings about surrendering to Santa Claws and that the present is their gift to him. Hawk Moth yells at Santa Claws to get away from the present since it's obviously a trap, but Santa Claws is so surprised to even be receiving a present that he ignores Hawk Moth.

As Cat Noir finishes his song, Ladybug is nowhere to be seen and the Ladybug in the background is the cutout from Tom & Sabine Boulangerie Patisserie, but Santa Claws doesn't notice it. When

Santa Claws grabs the box, the wind blows against him and knocks over the Ladybug cutout. Ladybug jumps out of the box, shouting, "Merry Christmas!" and wraps her yo-yo around Santa Claws and the sleigh.

Cat Noir then runs up and over his staff, Cataclysm in hand, and grabs Santa Claws' hat, turning it black. He throws it to Ladybug, who blows on it to make it dissolve and release the akuma. Santa Claus then transforms back into Santa Claus in mid air, along with his reindeer turning back into horses. Thanks to Ladybug's Miraculous Ladybug, Santa is put back on the ground safely with his horses and sleigh. Santa then joins Adrien's family and friends at Agreste Mansion for Christmas dinner.

In "Christmaster", while supervising the production of toys for next Christmas with his elves, Santa Claus was teleported to Paris by the titular villain and woke in his sleigh with his reindeer in the sky. Flying catfishes destroyed his sleigh and his reindeer were able to get away. Santa was then saved by Cat Noir from the villain's toys and they both took refuge in the ice rink. Philippe the owner of the rink then asks Santa if really is who he says he is, with Santa jokingly telling him that he was the Easter Bunny.

Santa gives an autograph to Philippe for his daughters as Ladybug arrives. He then explains how was teleported to Paris and saved by Cat Noir. The villain's toys lead by Colonel Woof-Woof then arrive and demand Santa to give a gift to their master, but Santa refuses, stating that he has to wait for Christmas. Philippe then ask him if he could make an exception just for once, with Cat Noir and Colonel Woof-Woof agreeing.

However, Santa stops them all and tells them there is only one exception, with that being for the best-behaved child in the world. The heroes and then villain's toys attempt to fight but they end up shouting and sliding across the ice mid-fight, with Santa sitting down being disappointed at all the hatred around him. Since Philippe is the only one able to move on the ice, he then entertains the toys while Ladybug and Cat Noir bring Santa to safety.

Santa then gives his hat to Cat Noir so he can be followed by the villain's toys, while he and Ladybug move away. They find Nino

Lahiffe desperately looking for his younger brother Chris, since he disappeared along with some of his toys, confirming to Ladybug that he was akumatized into the titular villain.

Ladybug then summons her Lucky Charm which gives a stationery set, with Santa jokingly asking her if she competing with him. Ladybug then writes what she would like and gives it to Santa; since she is at the top of the list of the best, she has the right to receive a gift in advance. Santa takes out his list and discovers that Ladybug has asked for whatever Chris wants.

After warning her that that would be the only gift she will receive this year, Santa grants Ladybug her wish. After Ladybug leaves, Nino asks Santa where he falls on the list. Santa then pulls out the list, but doesn't find Nino's name near the top so he keeps scrolling, making Nino hunch over in annoyance.

Later, Santa manages to his sleigh back win the air with the help of two flying catfishes. He then arrives at the battle scene where Ladybug and Cat Noir were fighting two toy versions of themselves. Santa intervenes and gets rid of the two toys, stating that he won't let anything happen to Ladybug as she is the best-behaved kid in the world. He then leaves to two finish the two toys off.

Santa later returns to where the heroes and the villain are at, with the two toys defeated on his sleigh. He then encourages the villain to give his akumatized object to Ladybug, which he does. After Ladybug captures the akuma and the titular villain turns back into Chris, Santa drives up with Cat Noir and he then celebrates with the heroes. Santa then says goodbye to the two heroes and then Ladybug does her Miraculous Ladybug sending Santa back home.

In "Gamer 2.0", Santa Claus was one of the many former akumatized villains that the titular villain zapped into his video game dimension. Santa Claws (played by the titular villain) fights Despair Bear (played by Ladybug) and is easily defeated. After the villain's is defeated by Ladybug and Cat Noir, Santa Claus and the others are freed by Ladybug's Miraculous Ladybug

When she was done we were shocked!

Qin: WHOA!

Me: So he's Santa's Akuma. Wow! First we had to deal with Santa becoming a Hitotsuki for the Maskman and now an Akuma!

Marinette: Yep.

Gabriel: And looking back Akumatizing Santa was a terrible idea. I disgraced the Christmas good name.

Me: Well it could have been worse. At least you didn't turn him into nightmarish version of him like how Jack Skellington would have been. No offense to Jack.

Nico: That's true.

Nico: This clone goes into the Masters of Evil after a good thrashing.

Me: Yep. We'll have to find a good archenemy for him later on.

Lola: Good idea.

Nico: Right now we got to find Papa, Sister and Brother. Lets go!

Me: First time to get my gameface on! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

We were off!

We were flying around, and there we saw our target: the Akuma, Santa Claws, and it was heading for The Bernstein Bears.

Lincoln: There it is. Now, to unleash a little Christmas cheer.

Lincoln fired orbs of colored lights that hit Santa Claws, and he also fired blasts of snow and ice that also hit Santa Claws, and that angered it as we landed, and when The Bernstein Bears saw us, they were very surprised.

Brother Bear: Whoa! Team Loud Phoenix Storm?!

Sister Bear: They're here!

Me: That's right, Sister Bear.

Papa Bear: We're so glad you all made it.

Mama Bear: We had no idea about this Akuma showing up here.

Evelyn Nicholas: I think we can guess who it was that sent it here: Princess Morbucks. Well, I think it's time we make our point that we're putting a stop to her madness.

Me: Yeah no kidding! Soon that brat will pay. Time to show some Christmas Spirit!

Santa Claws: You all have been naughty!

He fired coal and I slashed them with my scythe!

CLANG CLANG CLANG CLANG CLANG CLANG! CLANG CLANG CLANG CLANG!

I fired the coal back at him as blue fireballs and blasted him all over!

Nico: Nice one!

Cryogonal charged at him and blasted him with ice.

Bowser Jr.: HEY EGG NOG BREATH! Remember me?

He fired fireballs and burned his beard!

Santa Claws: I remember you. For attacking me back then, you get coal!

Bowser Jr.: Bring it on!

He fired waves of fire and blasted him.

He pulled out a Chimney Bazooka and fired Christmas Trees at us!

I slashed the trees in two and cleaved them down the middle and burned them!

Me: Cool bazooka there. I saw that in the movie Santa Claus VS The Martians and that was fun.

He fired coal and Nico put them in a huge bag.

Nico: We could always use more coal for our barbecues.

Mary Knudson: You want some cookies with your milk!? SWEETS STYLE: CHOCOLATE CHIP MINT COOKIE DISK STORM!

She fired waves of cookies and Santa ate them.

Me: You know Cookies are your favorites.

Poromon: You want to see something scary?

Santa Claws: What is it!?

Me: Lets just say it's SCARY AS HELL!

Poromon: HERE! (SHOWS THE TRAILER FOR BLOOD AND HONEY) LOOK AT IT! IT'S HORRIBLE ISN'T IT! YOU LOOK AT IT!

Santa Claws: WHAT IS THAT HORRIBLE MOVIE!?

Poliwag: YOU LOOK AT IT!

Santa Claws: WHAT HORROR!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Jirachi: LOOK AT IT!

Tentacool: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT YOU TO LOOK AT IT!

HE SCREAMED LIKE A LITTLE GIRL IN FRIGHT!

Nico: It never gets old!

Me: No it doesn't!

Cryogonal: That was funny! I like that!

Elsa: Yeah.

Nico: Ho ho ho, motherfucker!

Me: YEAH! RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

A vortex of blue fire blasted out around me!

I ran fast and slashed and blasted him!

Me: WOLF MOONRAY!

I fired a wave of blue fire and blasted him.

Nico: WHOA!

Nico gave him a present.

Santa Claws: For me?

Nico ran as Santa Claws took the present and then there was ticking.

Santa Claws: Huh?

But then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

IT EXPLODED and burned him bad.

Me: The old exploding present bomb trick.

Camie: Never gets old.

Colette Le Pew: Now you're going to see why I'm called Colette Le Pew!

She pointed her butt at him and then…

LOUD SPONGEBOB FOGHORN ALARM HONK!

She fired a stink blast and blasted him all over!

LIGHTHOUSE FOGHORN!

Kunks: Save some for me!

He fired skunk blasts!

LOUD SPONGEBOB FOGHORN ALARM HONK!

He sprayed Santa Claws all over.

Ed: WHO STEPPED ON A DUCK!

Eddy: (LAUGHS) Ya got that right Lumpy! He smells like one of your 100 year old sandwiches!

Umika: I forgot how stinky that stench was!

Kunks: I know.

Me: OH GOOD GOD! That was a horrible stench!

Xenia: No kidding!

Stink Bomb: (NINJA SONG) CLEAR THE AIR!

He fired a blast of energy and stench and blasted him with stink.

Me: WHEW!

Lola: Nice one Stink Bomb!

Luan: Boy that was a Gas! (LAUGHS)

Nico: (gets out Stinkor's Ridewatch) Let's add more stink then!

Nico activated it and then…

LOUD MASSIVE NASTY FART!

Nico farted right in Santa Claws' face and it REALLY SMELLED HORRIBLE!

He coughed and threw up all over.

Xenia: Nice!

Optimus Prime: Boy he's going to be smelling that.

Skunk: Smell this! (LOUD FART!)

He farted and sprayed Santa Claws.

Eddy got a certain Stink Bomb

Eddy: Taste the El Mongo Stinkbomb!

He threw it!

LOUD SUPER EXPLOSIVE FART!

[The bomb explodes. A wave of stink rushes out over the area around us.]

Edd: [howling] "I CAN'T BREATHE!"

[The kids all sniff the air. Shortly after, they scream from the stench. The Eds, meanwhile, stumble around, dazed and confused.]

Ed: "Something smells good!"

Edd: [pinching his nose shut] "It is said that scent is a gateway to one's true inner essence."

Eddy: "Yes! I stink, therefore I am!"

[Eddy faints, and Ed sniffs the air happily.]

Me: OH GOOD GOD! THAT SMELLS HORRIBLE!

Camie: OH I THINK I'M GONNA BE SICK!

Nico: But it's worth it!

Me: GEEZ ED!

Qin: YEAH!

Me: WHAT THE FUCK HAVE YOU BEEN ROLLING AROUND IN! RAW SEWAGE?!

Ed: I rolled around in raw sewage, stinky garbage, everything. Never took a bath for 4 years.

WE GAGGED AND COUGHED AND EVEN THREW UP!

Ed: Until I met Leni!

Leni: Yeah I made sure Ed takes a bath.

Lola: Oh good.

Eddy: Ed remind me to pound you into oblivion when we get back.

Suddenly, Evelyn Nicholas's green eyes turned neon green and she was surrounded by a white energy aura with stars, snow, ice, snowflakes, ice crystals, Christmas lights, Christmas decorations, presents, Christmas icons, reindeer, phoenixes, and angels, and as she approached Santa Claws, she left white energy, stars, snow, ice, snowflakes, ice crystals, Christmas lights, Christmas decorations, presents, Christmas icons, reindeer, phoenixes, and angels with every step.

Evelyn Nicholas: I already knew that you're an Akuma once created by Gabriel when he was Hawk Moth to cause mayhem, but to find out that Princess Morbucks, the one naughty child who's on my grandfather's Permanent Naughty Block was the one who unleashed you once again to get revenge on us, that's the last straw, you disgrace to my grandfather, you will pay for trying to hurt our friends.

YOOL SNOW ICE STORM PHOENIX GOD ANGEL LOVE!

We were amazed by Evelyn Nicholas' Super Angel-Yool-Christmas Defender-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Santa Claws saw it, he ran at her to kill her, but Evelyn Nicholas fired a massive barrage of white energy, stars, snow, ice, snowflakes, ice crystals, Christmas lights, Christmas decorations, presents, Christmas icons, reindeer, phoenixes, and angels which hit the Akuma and sent him flying into another wall, he got back up, but now, he was enraged.

Evelyn Nicholas: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Christmas Yuletide Arctic Snow Storm Ice Yuletide Yool Snow Ice Storm Phoenix God Angel and Divine Cosmic Eternal Harmony Christmas Yuletide Arctic Snow Storm Ice Yuletide Yool Snow Ice Storm Phoenix God Angel Love) Alright, time to put this monster down and send the message to Princess Morbucks that we're coming for her later on today.

Lincoln, Evelyn Nicholas, Nico, and I went after Santa Claws, and we fired extremely powerful blasts of rainbow energy, white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Santa Claws and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Nico, Evelyn Nicholas, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Santa Claws even more madder than ever and he exploded even more with extreme rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love,

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Santa Claws, and then, Lincoln began absorbing Santa Claws as he assimilated Santa Claws' powers and abilities, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Santa Claws, and he banished Santa Claws to The Black Gates. Everyone cheered as we holstered our weapons and powered down, and Evelyn Nicholas' new body, clothes, jewelry, eleven massive and long pink wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large red and white planets orbiting around her legs, smaller planets orbiting around her fingers, and massive white angel wings and medium white angel wings underneath are permanent.

Nico: That was so awesome!

WE THEN HEARD AN INSANE SHRIEK OF MADNESS!

Me: And that was the shriek of an insane spoiled brat driven into madness.

Sister Bear: Princess Morbucks?

Mama Bear: Isn't she the hated archenemy of Blossom, Bubbles, and Buttercup?

Nico: The very same person, and like Veruca Salt, she'll be sent to a special kind of prison: one meant for Christmas destroyers.

Lincoln: The Noto Prison, but last year, we sent Cousin Mel and her partner in crime to the Fruitcake Mines forever. You think we should send them there as well?

Nico: Nah, let's keep them in The Fruitcake Mines forever, besides, they're not as dangerous or psychotically insane as Veruca Salt and Princess Morbucks.

Me: Good idea.

Poromon: Well, none of us were thinking that.

?: Yeah right, Poromon, I heard you saying that a few minutes ago.

Brother Bear: Oh, and there's someone we just met.

Suddenly, we saw a girl with red hair with blue streaks, blue sleeveless crop top, red skirt, light blue stockings, red knee-high high-heeled boots with butterfly buckles, and blue angel wings and a water greatsword in hand.

Lincoln: (GASPS) Hayley Ying Xiao, Ambassador of Bai Tza, Demon Sorcerer of Water and Master of The Waters of The Mermaid.

Bai Tza: Just like you said yesterday.

Maria: That's really awesome you also have an Ambassador of you, Bai Tza, same with Allie being the Ambassador of Shendu.

Eli: Are you going to introduce us?

Lincoln: Sure, everyone, this is Hayley Ying Xiao, Ambassador of Bai Tza, Demon Sorcerer of Water and Master of The Waters of The Mermaid, she's my Guardian Angel from China and she's Maria Ying Xiao's younger sister and the third eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Bai Tza, The Demon Sorcerer of Water, along with blue angel wings, and she also has full fledge mastery over the powers of Water. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met me, and it was love at first sight. She heard from me about what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach me how to master the powers of Water, and she knew of what Maria did in giving me her blood and that led to me getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and I wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of my left forearm. I made her a water greatsword, and to show thanks, she kissed me on the lips, and as a result, when I come of age, I'll marry her along with the rest of my harem, and she hated Lola with a passion.

Camie: She did something for her to drench her, didn't she?

Bai Tza: Wait, I remember it and I remember Hayley all too well, Lola tried to fire a blast of fire at Lincoln to burn him to death, but he absorbed it and it made him stronger than ever, and Hayley fired a blast of water and got her soaking wet.

Lincoln: You also kept track all of the incidents that Maria and her sisters faced not long after we defeated Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and you joined us after Girl Jordan redeemed you, and it's so good to see you again, Hayley.

Hayley Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then marked Hayley Ying Xiao by slowly biting them on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Hayley Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Hayley Ying Xiao saw them and she knew she became part of his harem and are among his many future wives, and she kissed him on his pecs and lips.

Nico: Have a Stinky Christmas and a Happy New Year!

Me: Yeah! (LOUD FART)

Lola: YEAH!

Qin: (LAUGHS)

Brother Bear: Wow! That was so awesome!

Camie: It sure was!

Papa Bear: That was really amazing guys.

Sister Bear: It sure was.

Nico: Nice job, Cryogonal!

Cryogonal: Thanks Nico. It was fun.

Poromon: Want some beer?

Cryogonal: Oh no thanks. I don't drink?

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Cryogonal: Is that beer Christmas themed?

Poromon looked and it wasn't.

Poromon: Nope sorry.

Cryogonal: Darn. Okay then.

Me: At least we know now that Princess Morbucks is behind all this with Santa Claws.

Qin: Yeah.

Nico: You need help getting the tree inside?

Papa Bear: Actually we are going to buy one from Grizzly Gus.

Me: I don't think that's necessary. Look.

They saw the house all decorated with their ornaments and stuff.

Mama Bear: Fluttershy and everyone did all that for us.

Nico: But if you still want to buy one, sure

Papa Bear: Thanks.

Me: Uh it might be too late. Look.

The lot was empty and there were no trees left. Only a sign that said Sorry, Sold Out.

Nico: Aw man.

Xenia: Darn.

Camie: But you didn't need a tree for all those ornaments in the house. The next best thing is outside.

Nico: As you guys can see.

Papa Bear: Amazing.

Sister Bear: Thank you guys.

Me: Aw no problem.

Camie: Besides it's Christmas.

Laney: And it's what you give from your heart that shows how much you care.

Edd: That's right. Christmas isn't about getting. But rather in here.

Edd put his hand on Eddy's chest.

Eddy: That's my udder you're touching Double D.

Double D: Sure!

Qin: (LAUGHS)

Sento: And guys? I gave each of the Core Members new Fullbottles. When the usual battles begin next year, you should try them out

Me: Looking forward to them.

Nico: Me too.

Qin: Yeah.

Lola: Sweet!

Nico: You guys have anything to eat around here?

Papa Bear: Well we have some good salmon.

Nico: Good idea.

Me: I think I can form some fish here for us.

I formed salmon trees and we were eating good salmon.

Kunks: Samon likes salmon as well

Me: Yes he does.

Qin: Yep.

We were eating.

Me: (eating) Delicious. Coincidentally his debut was on Christmas too.

Laney: Yeah

Nico: Let's save some salmon for him

Qin: Good idea and for our Christmas Dinner too.

Lola: Yeah.

Nico: Okay then.

Papa Bear: I agree too with you guys.

Kunks: You should meet Grizzly and El Oso

Papa Bear: We'll look forward to that one too.

Camie: They are cool.

Sunset Shimmer: I agree there.

Lola: Yep.

Camie: Yeah.

Xenia: Now we have another fun part of this whole adventure too.

Me: Yep. The Anothers.

Nico: You guys are gonna love this!

Eli: Yep! (Concentrates) Whoa! We got Another Kunks Butylmercaptan, Mydom, EarthSpark Swindle, Fifi the Skunk, Dr. Quentin Skunk and Skunk (Total Drama)

Me: WHEW! Stinky team!

Qin: Yep. So Pepe Le Pew, Collette Le Pew, Stink Bomb, Skunk, Fifi Le Fume and Garby.

Lola: Awesome!

Camie: Yep.

Eli: I sense that the Anothers minus Kunks are 1 person.

Me: Wow.

Lola: Nice.

Nico: There they are!

We saw Another Mydom, EarthSpark Swindle, Fifi the Skunk, Dr. Quentin Skunk and Skunk (Total Drama)!

Nico: WHEW! Stinky!

Another Mydom: (In a girls voice) It sure is.

They merged and reverted back and it was the gene-slammer of Valkyrimon!

Nico: (GASP) Brunhilde Valkyrie!

Me: WHOA! Are you one of the Valkyries of Norse Myth?

Brunhilde Valkyrie: (LAUGHS) Actually I'm the daughter of the legendary Valkyries Brunhilde, Dritte, Zweite, Sigrun, Erste and Siebte.

Me: Wow!

Thor: Thou is very fortunate to be the offspring of the mighty Valkyries.

Brunhilde Valkyrie: Lord Thor thank you for that remark.

Xenia: Lord Thor?

Me: Well the Valkyries for centuries have been known as the guides of the fallen heroes that lead them to Valhalla and they serve the great gods of Asgard in Norse Myth.

Lola: Wow!

Nico: That's right.

Brunhilde Valkyrie: Indeed.

Me: By the way is the Another Kunks friendly or hostile?

Brunhilde Valkyrie: Friendly and she is a powerful one too.

Qin: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Maria: And now, we wait

Me: Yeah.

Qin: This will be fun.

Nico: It sure will be.

Me: Yep. And there she is!

We saw Another Kunks Butylmercaptan!

Nico: Awesome!

Me: This will be cool.

Another Kunks: (In a Girls voice) (Speaking in Icelandic) Það er langt síðan Nico. (Það er langt síðan Nico)

Nico: (GASP) That voice.

She reverted back and it was the gene-slammer of Vikemon!

Nico: (GASP) Ingibjörg Hámundarson Vike. (Speaking in Icelandic) Gaman að sjá þig aftur Ingibjörg.(It's good to see you again Ingibjörg)

Ingibjörg Hámundarson Vike: Þú líka Nico og megi ég segja þér gleðileg jól og gleðilegan Jóladag. (You too Nico and may I say Merry Christmas and a happy Jóladagur to you)

Nico: Ingibjörg Hámundarson Vike is not only the gene-slammer of Vikemon but she is also the direct descendant of the viking Gunnar Hámundarson.

Me: Whoa! He was a very dangerous viking from back in 1066 AD.

Nico: Yep.

Me: (Speaking in Icelandic) Ég hef lesið mikið um forföður þinn Gunnar Hámundarson og hann var þekktur víða í Íslandssögunni fyrir árás sína á Eysýslu sem er Saaremaa í núverandi Eistlandi. (I've read a lot about your ancestor Gunnar Hámundarson and he was known far and wide in Icelandic history for his raid on the island of island of Eysýsla which is Saaremaa in present-day Estonia.)

Ingibjörg Hámundarson Vike: Það er rétt. Mjög athugull þarna. (That's right. Very observant there.)

Me: Þakka þér og eins og þú er ég líka kominn af víkingi. Ég er beint afkomandi Leifs Eriksonar og hann var mikill landkönnuður frá því fyrir meira en þúsund árum á tíundu öld. (Thank you and like you I too am descended from a Viking. I am a direct descendant of Leif Erikson and he was a great explorer from over one thousand years ago in the tenth century.)

Ingibjörg Hámundarson Vike: Það er ótrúlegt. (That is amazing.)

Qin: Boy what a heritage.

Nico: It sure is. Ingibjörg Doesn't speak English sorry. But in Iceland she is known as Rauðahetta Eyjafjallajökuls Which means the Robin Hood of Eyjafjallajökul. She steals from greedy Icelandic Nobleman and Evil Criminals and gives them to the poor.

Me: Wow! That is amazing.

May: I can't understand her.

Me: Well she doesn't speak English May.

Kaito: (gets out Kyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Lupinranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Patranger gear) Zocks, I'm helping out too.

Zocks nodded and they got LupinRangers and PatRangers weapons.

Me: Lofaði Swartz þér einhverju sérstaklega vegna þess að við getum veitt það í staðinn fyrir þig. (Did Swartz promise you anything in particular because we can grant it instead for you.)

Ingibjörg Hámundarson Vike: Nei hann gerði það ekki vegna þess að hann talaði ekki íslensku. Svo hann sendi mig bara á leiðinni. (No he didn't because he didn't speak Icelandic. So he just sent me on my way.)

Me: She said no he didn't because he didn't speak Icelandic. He just sent her on her way after that.

Nico: Oh.

Qin: That's a shame.

Sougo: (gets out Kyuranger Ridewatch) It sucks that you don't speak English.

Geiz: (gets out Lupinranger Ridewatch) But we can teach you how

Tsukuyomi: (gets out Patranger Ridewatch) It's not that hard

Sougo got ShishiRedArmor, Geiz got LupinRedArmor, and Tsukuyomi got Patren1GouArmor

Me: Við kennum þér með ánægju hvernig á að tala ensku síðar. En í bili verðum við að lækna þig af öðru skrímsli í þér (We'll gladly teach you how to speak english later on. But for now we got to cure you of the another monster in you)

Ingibjörg Hámundarson Vike: Þakka þér kærlega. (Thank you so much.)

Lincoln: Lets separate you.

We did so.

Me: Okay LupinRangers and PatRangers time for some action!

LupinRangers: KAITOU CHANGE!

PatRangers: KEISOU CHANGE!

They transformed!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

Touma: (SNAPS FINGERS) LUPIN BLUE!

Umiika: (SNAPS FINGERS) LUPIN YELLOW!

Keiichiro: PAT1!

Sakuya: PAT2!

Tsukasa: PAT3!

LupinRangers: THE PHANTOM THIEVES OF JUSTICE! LUPINRANGERS!

PatRangers: INTERSTELLAR ENFORCERS OF PEACE! PATRANGERS!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

PatRangers: BY ORDER OF THE GSPO, WE'RE TAKING YOU DOWN BY FORCE!

Kairi Yann: Here's an Advanced notice: We're taking your treasure!

Me: And we're going to kick your big ugly fucking ass!

Qin: YEAH!

Nico: Lets get him!

We fired energy blasts and blasted him all over.

Nico: (Gets out Kunks Butylmercaptan's ridewatch) Smell me. SMELL ALL OF ME! (LOUD FARTS)

Me: OH GOOD GOD!

Qin: GEEZ!

May: (Gets out Earthspark Swindle's ridewatch) Today I steal your money and then all your jewels!

Swindle: Yeah That is definitely something I would say!

Maria: (Gets out Dr. Quentin Skunk's ridewatch) This will stink bad!

Colette Le Pew: (Gets out Mydom's ridewatch) This will be fun.

They used the powers of Kunks Butylmercaptan, Mydom, EarthSpark Swindle, Fifi the Skunk, Dr. Quentin Skunk and Skunk (Total Drama) and blasted him all over.

Then Eagle Deadman, Escape, Universe 666 Super Warumono World, Dark Doctor Mavro, Plasma Trooper and Dublor came.

Me: Cool!

Qin: Yeah!

Nico: Nice team Eagle Deadman!

Ragle Deadman: Thanks Nico.

Me: Yeah! Lets see what's inside that safe.

I telepeorted and opened his safe and in it was a big case.

I teleported back with it.

Nico: We'll open that later.

?: Lets get funky!

Etemon came!

Jake Holling: Etemon! Wow!

Me: Lets get funky baby!

Etemon: (In a girls voice) Oh it will get groovy!

Nico: Elvira Ete! Wow!

Me: Wait the Queen of The Woodstock 1969 Era!? Wow!

She reverted back and was a girl with orange hair and pink eyes and had pink angel wings and orange and pink clothes and had a lava lamp sword and had a peace sign on her arm and had Etemon on her forehead and skirt.

Elvira Ete: Good to see you again Sunflare Nico. Lets bring it down.

Me: Groovy baby!

Me, LupinRangers and PatRangers: COPS AND ROBBERS X BLAST!

Elvira Ete: (Echoing) DARK NETWORK!

The shell casing concerns an old friend of his, a young man named Caleb Maxwell, a college student from New York who was planning to become a cop after finding out from a detective about the criminal world his father was in and is the head of a powerful crime syndicate with full control of the mafia gangs there and responsible for pumping drugs and weapons all over the streets. But, Caleb's dream was cut short when he was tragically murdered and at the young age of 20 and buried in the cemetery. That was eight years ago, but, he believes that Lincoln's Dark Side Eternal Purification not only freed him and his siblings from their Dark Sides forever, but it also brought Caleb Maxwell back from the dead.

Now, we're here and we're going to destroy Caleb Maxwell's dad, Marcus Maxwell, who's the head of a powerful crime syndicate with full control of the mafia gangs there and responsible for pumping drugs and weapons all over the streets along with his younger brother, Drake Maxwell, who was in charge of the mafia gangs, but because of what'd happened to Caleb eight years ago, he was removed from the position and was demoted to lowly thug and was no longer in charge of the operations that Marcus was running, but that'll end with those two dying in a pool of blood along with their thugs and the syndicate destroyed forever.

Nico: Hey, we're here in New York, but this version of New York is… different.

We saw it for ourselves: this version of New York is perpetually set in the late 90's to early 2000's, but we also see modern tech and vehicles at times, and it's a world full of cat characters like in Megakat City.

Hunter: (German Accent) Yes, it's just like Megakat City, but this is the world of the web comic, Night Shift, it's about a world full of cat characters which focuses mainly on the characters of the good guys of NYPD and the cat burglars of The Big Claws Gang and with a huge swing into supernatural with the vampire lives of Cage Blunt and Travis Tackett, and this world as yo see is perpetually stuck in the late 90's to early 2000's, and we also see modern tech and vehicles at times.

Lincoln: Whoa! This is awesome! Plus, I know what we're going to do here, not only am I going to rescue the eight girls here, but Hunter Drake Michaelson's also with us, as it concerns the shell casing that was found when we were helping Kaede yesterday.

Eli: Really? Why is that?

Hunter: (German Accent) It concerns another friend of mine who actually lives here, and he's human like all of us, his name is Caleb Maxwell, a young man and a college student from New York who was planning to become a cop after finding out from a detective about the criminal world his father, Marcus Maxwell, was in and is the head of a powerful crime syndicate with full control of the mafia gangs there and responsible for pumping drugs and weapons all over the streets.

Me: So, he was planning to be a cop and bring his father to justice, that's dedication.

Hunter: (German Accent) Exactly, and he was also going to bring his younger brother, Drake Maxwell, who was in charge of the mafia gangs, to justice as well. But, tragedy struck, Caleb's dream was cut short when he was tragically murdered and at the young age of 20 and buried in the cemetery, and because of what'd happened to Caleb eight years ago, Drake Maxwell was removed from the position and was demoted to lowly thug and was no longer in charge of the operations that Marcus was running.

Nico: He wanted his eldest son to take over, but he stubbornly said no, but the father held on to that foolhardy hope.

Hunter: (German Accent) That's right, and in our world, it was eight years ago to the day that he died, but, I believe that Lincoln's Dark Side Eternal Purification not only freed him and his siblings from their Dark Sides forever, but I felt it also brought Caleb Maxwell back from the dead.

We gasped.

Pepe Le Pew: (French Accent) And he's out for revenge, is he?

Hunter: (German Accent) There's no doubt. Now, we should meet up with Cage and the rest of The Night Shift. Follow me.

We then followed Hunter, and along the way, he slipped into a memory of long ago before he moved to Gotham Royal York and met and joined us, and he was with a young man with black hair and dressed in school clothes, it was Caleb Maxwell, as they were on the rooftop of one of the apartments.

Past Hunter: (German Accent) I cannot believe that your father and brother are criminals!

Past Caleb Maxwell: Me neither, Hunter. But, I have a goal and a dream: and that's to join the NYPD and not only bring my father and brother to justice, but to also clean up the streets and also bring down The Big Claw Gang, they're criminals and they deserve to be behind bars.

Past Hunter: (German Accent) That's a powerful dream, and you're going to make that dream come true.

Past Caleb Maxwell: (Smiles) Without a doubt.

Then, the memory ended as we arrived at The NYPD main office and we entered, and then, someone at the front desk saw us, it was Vessie Harris, front desk officer of the NYPD.

Vessie Harris: How can we help you? (Sees Hunter and us) Wait, Hunter Drake Michaelson? And Team Loud Phoenix Storm?! Oh man! Stay here! Chief, everyone, Hunter's here and he's also brought Team Loud Phoenix Storm with him.

Then, we saw the officers of The NYPD Night Shift enter, they were Captain Don Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, and Abby Smith, but one of them caught our attention: a brown-furred cat with brown hair and red eyes, claws, vampire fangs, and dressed in a black and red hoodie, black shirt, blue jeans, and black knee-high boots, it was Cage Blunt, along with his friends, fellow vampire Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase.

Cage Blunt: Hunter?

Hunter: (German Accent) Nice to see you again, Cage.

Cage Blunt: Same here, and it's an honor to meet all of Team Loud Phoenix Storm.

Nico: You too, Cage. So, Hunter told us that you're a…

Cage Blunt: Wait, don't… !

Jack Howard: Dude, we already knew you're a vampire, so there's no use hiding it though.

Roxy Drake: The red eyes, fangs, and claws were a dead giveaway from the beginning.

Captain Whitten: But, that didn't change what you've been doing for us and the entire NYPD though, if anything, you're a great help, Blunt.

Cage Blunt: Thanks. So, what brings you all here?

Lincoln: Yesterday, Hunter found a shell casing during Nico's rescue, and it's connected to his friend, Caleb Maxwell.

Everyone gasped.

Captain Whitten: I see. I knew Caleb, he was such a nice young man and he had dreams of planning to join the NYPD, that took guts and determination, but to lose his life at the hands of his brother in a hit gone wrong and at age 20, we lost what could've been a shining star to join us.

Casey Antonio: It really hit Hunter hard along with Cage and Travis, and we did see a massive wave of rainbow energy pass the city.

Lincoln: That was from my Dark Side Eternal Purification technique.

Carter Kenrick: We also have something to show you all.

Carter put in a tape and we watched it, and just as Casey said, the wave of rainbow energy did pass through the city, and to a gravestone: it was Caleb Maxwell's grave. Suddenly, we saw a hand burst out of the ground and we then saw a figure emerge from the ground awakened to a living nightmare, it was Caleb Maxwell and Hunter was right: Lincoln's Dark Side Eternal Purification technique brought Caleb Maxwell back from the dead.

Hunter: (German Accent) Mein Gott, Caleb has indeed returned from the dead.

Cage Blunt: And here's where it gets even scarier.

We then see Caleb Maxwell walking the streets visibly shaking and still awakened to a living nightmare, and then, the memories of what had happened flooded back into his head: the memory of fighting Cage and Travis who drunk on demon blood killed everyone at the Hallow Shade Bar, but then, they saw the mafia gangs of his father, and fearing of what was about to happen, he pushed Cage away, but he was shot all over the place, and he was really bleeding. Then, he went up to one of the shooters and grabbed the mask and he pulled it off: it was his younger brother, Drake Maxwell, and then, a gunshot rang out as the memory ended and Caleb fell to his knees on the floor, but he clenched his fists in pure rage and anger, and we saw a black coffin appear before him.

Past Caleb Maxwell: You… you were the one who killed me! All those years ago… ! I will never forgive you… , Drake, and neither will I ever forgive you, Dad. You took my life away from me, and now, I will take everything away from you, and I'll watch as your empire is destroyed and I take your lives myself!

Suddenly, Caleb Maxwell screamed in unholy rage and he was suddenly surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at his killers with hatred and rage: the eyes of eternal death and judgment. Then, when the vortex faded, he emerged and was changed forever.

We saw that Caleb Maxwell grew to 9'5" in height, he now had massive and powerful muscles and ten-pack abs, he has on weighted gold braces on his massive biceps and thighs, he now has fifteen large black and red planets orbiting around his legs and fifteen smaller black and red planets orbiting around his waist, he has blood red highlights in the bangs of his long wild black hair going down to the upper part of his back with blood red phoenix fire ombre streaks on the back of his hair and on the two strands of hair in front of his face and he has a large gold halo in the center with golden angel wings on the bottom side and four large orbiting gold rings on each corner behind his head, he has neon blood red eyes and a black and blood red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a black and red demon emblazoned on his forehead and Third Eye with red iris, he has on skull earrings with blood red gems in the eye sockets and the Star, Demon, Dark, Vengeance, and Eternity Kanjis in its craniums, he has on a Crystal Necklace of The Buddha with blood red gems in the black crescent moon links and blood red crystal links and black demon-shaped Element of Harmony and on the bottom of The Element of Harmony is a skull with blood red gems in the eye sockets and the Star, Demon, Dark, Vengeance, and Eternity Kanjis in its cranium for the pendant. Caleb Maxwell has on a new outfit: a long-sleeved black shirt, black vest, black pants, black knee-high boots with skulls for the buckles, long black leather trench duster coat with stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels and on the back is a red cross with a skull in the center of the cross and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blood red gem with neon glowing blood red lights equipped with recognition of him and fits an infinite number of items and components for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Caleb Maxwell felt a sharp pain on his wider and muscular back, and then, massive black angel wings with blood red tips on the feathers grew and sprouted out of his back with a wingspan reaching 20'0" and medium sized black angel wings with blood red tips grew and sprouted out underneath with a wingspan reaching 15'0" and then, another set of black angel wings with blood red tips grew and sprouted out underneath his medium sized black angel wings with a wingspan reaching 10'0", and he now has eleven massive and long black wolf tails with blood red markings and blood red tips, Caleb Maxwell has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left finger and Stone of Gelel embedded in his left hand, and he has on black fingerless gloves with a blood red phoenix, blood red dragon, blood red angel, and blood red skull on them and he has gold-plated armor on his fingers and gold dragon claws covering his fingers and smaller planets orbiting around his fingers like rings.

Suddenly, Caleb Maxwell had gained the same weapons as us, but then, the weapons began to merge together and they were surrounded by a kaleidoscope of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels, and when it emerged, it was transformed into Caleb Maxwell's Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel

The video ended with Caleb Maxwell powering down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen planets orbiting around his legs and fifteen smaller planets orbiting around his waist, Third Eye, eleven massive and long black wolf tails, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent, but we were really amazed at Caleb Maxwell's Super Angel-Demon-Death Harbinger-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation!

Nico: WHOA! WHAT THE?! DID CALEB…?!

Me: He transformed in the same way as you, me, and Connor!

Lincoln: He was actually the first to achieve that form, and he hadn't joined us yet. (Gets out the Book of Legends) Plus, there's no mistaking what we just saw: Caleb Maxwell wound up getting his powers from The Black Coffin of Thanatos, every 10,000 years, Thanatos, Greek God of Death, chooses a worthy champion and he sends a black coffin to the champion and they gain powers over darkness, the dark arts, all forms of dark, black, and Satanic Magic, immortality, and invincibility, along with black angel wings, but that person had to have been dead and brought back from the dead by some form of incredible power.

Eli: Your Dark Side Eternal Purification technique, and because of his desire changing from wanting to bring justice to his dad and brother to bringing death to them and their entire syndicate, it caused him to snap and transform!

Cage Blunt: But, this means, we're about to fight back against Marcus and Drake.

?: And send them straight to Hell forever.

We then saw someone enter, it was none other than Caleb Maxwell, and he looks exactly like what we just saw in Cage's video.

Hunter: (German Accent) Caleb…?! Oh God, I'm so sorry, this is all my… !

But, then, Caleb Maxwell teleported in front of Hunter and hugged him.

Caleb Maxwell: This wasn't your fault, Hunter, it wasn't. It was my brother and my father that did this, they're the reason why I died. So, please, stop blaming yourself for it.

Then, Caleb Maxwell let go.

Lincoln: So, are we ready?

Me: Let's take them down and send them all to Hell.

Caleb Maxwell: (Blood Red Eyes turn neon blood red) Dad, Drake, this is where it all ends for you two.

We had gotten weapons that Lincoln had put into scrolls and then, we follow Caleb Maxwell and the Night Shift crew to a tall building which happens to be the headquarters of Marcus Maxwell. When Caleb kicked the doors down, the thugs showed up, but Caleb Maxwell and the rest of us began shooting them down and even slashing them to ribbons.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with purple streaks and purple headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless purple crop top, white bridal gloves, crimson red skirt, purple stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, red fire, red flames, caribou, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Caribou, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the eight girls.

Lincoln: (GASPS) Calida Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Caribou.

Calida Zihuo: That's right, and I got the girls away from Drake Maxwell, he's heading for us and he's pissed off, but Marcus is still on the first floor.

Caleb Maxwell: Let him come.

Suddenly, we saw two men with the same black hair as Caleb Maxwell, but one was dressed in the clothes of a thug, it was Caleb's younger brother, Drake Maxwell, and the other was in a business suit and was older, it was Marcus Maxwell, Caleb's father.

Drake Maxwell: You Night Shift bastards have ruined my dad's business for the last time, you're heading right for the grave!

Cage Blunt: Just like what you did to Caleb?!

Suddenly, Caleb stepped out, and Drake's face turned pale and Marcus was stunned.

Marcus Maxwell: Caleb…? Is that you…? But, this is…

Caleb Maxwell: No, it's not, Dad, I have returned and given a second chance at life, and it's because you two killed me eight years ago, you cut my life short!

Marcus Maxwell: It was all an accident, I didn't mean to… !

Caleb Maxwell: SHUT UP! (FIRES BULLET WHICH MISSES MARCUS AND GRAZES DRAKE IN THE RIGHT SIDE OF HIS FACE)

Caleb Maxwell: You knew one day I'd find out the truth about you and Drake, Dad, and that it would lead to me joining the NYPD one day after my graduation, but you want me to follow in your footsteps and rule your syndicate when you die. I would never follow in the footsteps of a man who has so much blood on his hands and is responsible for the drugs and weapons in the streets.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) Cage, everyone, let's do an All-Out Attack.

Cage Brunt: You got it.

Caleb Maxwell, Cage Brunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase joined together.

Cage Blunt: It's over, Marcus, now pay for what you did to Caleb.

They brutally attacked Marcus Maxwell and he got knocked down, and then, Caleb Maxwell fired a bullet into his heart and killed him and sent his former father to Hell for eternity. We cheered as we holstered our weapons and powered down.

Drake Maxwell: DAD!

Caleb Maxwell: It's over, Drake, the syndicate Dad ruled is gone forever, and if I were you, I'd just give up and turn yourself in to the police.

Drake Maxwell: SCREW YOU!

Drake Maxwell escaped and we left and merged the world of Night Shift with Gotham Royal York and we were back home.

Cage Blunt: Okay, now that's what I call a mission accomplished.

Lincoln: True, but it won't be truly complete, Drake escaped to get revenge, but if he shows up, Caleb will deal the final blow on him. (To Calida Zihuo) And it's so good to see you again, Calida.

Calida Zihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Calida Zihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Calida Zihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Calida Zihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Calida Zihuo and hugged her, and Calida Zihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really

become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Calida Zihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a

diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Calida Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Caribou, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Caribou, along with having angel wings along with having intense purple fire powers. She's known as The Fierce Warrior of The Sisterhood of The Fists of Fire, as she shows absolutely no mercy at all to the irredeemable. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Calida hates Hawk and Hank with a blazing passion, because of what those buttfaces did destroying Royal Woods on Halloween and trying to kill Lincoln, and in one incident, she and Lincoln beat them up and sent them back to prison with two black eyes and an irreversible super double mega wedgie, and this time, they made sure they were locked up tighter than Fort Knox.

Nico: Yikes, but not even that stopped those buttfaces.

Me: Apparently not, because they were dumber than a truck tire.

Lincoln: That's the one thing we couldn't stand, and now that you're here, Calista.

Lincoln leaned his head down the right side of Calista Zihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Calista Zihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Calista Zihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Calista Zihuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Calista Zihuo.

Calista Zihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Calista Zihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Calista Zihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Sunny Denoga from Hailey's On It! and Aya Kagura, Izumi Shizuno, Mai Tsuruta, Mana Miyuki, Nozomi Akiyama, Yasuko Fujimaki, and Yuu Kawamura from Se-kirara.

Lincoln: Oh wow, it's Sunny Denoga from Hailey's On It! and Aya Kagura, Izumi Shizuno, Mai Tsuruta, Mana Miyuki, Nozomi Akiyama, Yasuko Fujimaki, and Yuu Kawamura from Se-kirara.

Ets: I believe I know why Sunny's a good choice for your harem, Lincoln. See, she happens to be divorced and the real world version of Hailey, not her Simulator counterpart who's in your harem, has a crush on her son, Scott, and her daughter, Becker, is in a relationship with a girl named Kennedy.

Nico: Which means you're getting a son and daughter added to the list of kids when we meet them in the future.

Lincoln: I have to make sure this goes well. Are you girls okay?

Sunny Denoga: Yes, we're okay, thanks to you.

Then, when Sunny Denoga and the other seven girls saw who it was that saved them from Marcus and Drake Maxwell, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, Aya Kagura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aya Kagura: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sunny Denoga, Aya Kagura, Izumi Shizuno, Mai Tsuruta, Mana Miyuki, Nozomi Akiyama, Yasuko Fujimaki, and Yuu Kawamura with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone found out of what happened thanks to Lincoln showing them, and Lincoln and Calida Zihuo have a lot of catching up to do, now that she's back in town.

And we welcomed Caleb Maxwell, Cage Brunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase into the team.

Maria: Damn, I had no idea that you lost one of your many friends, Hunter, years ago.

Lincoln: It hurt him badly, and we found out my Dark Side Eternal Purification technique also brings back those who died in a horrific murder.

Nico: We took care of Marcus Maxwell, but Drake escaped like the weasel that he is.

Me: But, that weasel's bound to come back for more after we take care of that spoiled brat, Princess Morbucks.

And I was right: far from the ruins of his father's building, Drake Maxwell was now out to get revenge on Caleb Maxwell, try it, you stupid turkey.

---

After Lincoln and all of us beat down and Caleb Maxwell killed Marcus Maxwell, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Calida Zihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Calida Zihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those

900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Calista, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Calida Zihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Calida Zihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: Now, I've got a memory that Calista had with Lincoln while he was training with her, and it led to Hawk and Hank getting beaten to a pulp by Lincoln and Calista.

Panda Faye Ling put up a video on the big screen, and it showed Calida Zihuo training with Lincoln at the gym, Brigid Chengsehuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Calida Zihuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting those buttrags finding out, Lincoln.

Past Lincoln: Thanks, Calista. But, I don't know how long it'll be before those two gorillas finds out.

?: YOU'RE GOING TO DIE FOR HUMILIATING US, LOUD!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Hawk and Hank showed up to kill Lincoln again after escaping prison again.

Past Anna Anyanova: Again, you buttrag gorillas?! That's it, I'm gonna beat you down and throw you into a minefield!

Past Lincoln: No, Anna, I'm taking them down.

Lincoln flew out to the roof of the gym, and he swooped down and proceeded to trash Hawk and Hank with his martial arts moves as he punched and kicked them all over the place. Hawk and Hank let out another loud bellowing scream and tried to kill Lincoln, but he dodged them and fired blast of fire that sent those two buttrag gorillas flying back to prison.

Past Calista Zihuo: That was really impressive, Lincoln! You swooped in and took those buttrag gorillas down hard, you were like a fierce tiger, and those losers stood no chance.

Past Lincoln: They unfortunately made me even stronger, and that really led to them getting a nasty dose of karma.

Then, Lincoln wrapped his massive muscular arms around Calista Zihuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but those buttrag gorillas were basically asking for trouble.

Luna: It found her big time, and Anna was that mad at her, she wanted to end them for good. Lincoln stopped her from doing so, but those buttrag gorillas were already on permanent thin ice with them and all of the Guardian Angels who hated them.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do if they dared to go after Linky one more time.

Lynn Sr.: We knew those two gorillas were at it again when Lincoln sent them flying back to the nuthouse as they screamed bloody revenge on him again.

Me: Honestly, those two were nothing more than troublemakers to no end.

We got a shower, and then, Lincoln, Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde are heading to Shangri-Spa.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Simulator Mavis: Whoa, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Simulator Mavis, and it's perfect for our Christmas date, shall we?

Lincoln, Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde went inside, and they went into the Spring of Purification, the Spring of Bliss, the Spring of Sanctuary, the Spring of Jungle Mist, and the Spring of Rainbows, and Lincoln wound up getting a deep tissue massage in his muscles which released tons of tension in his muscles, and he did the same for the girls, and when they were done, they were tension free.

Then, they went to a workout area, and Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde are in your harem, Linky.

Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Simulator Mavis Dracula, Simulator Cpt. Ericka Van Helsing, and Simulator Lucy Wilde, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch The Wet Bandits and Walter Peck and throw them back in Lynn's Table, throw Lumpus back in prison, and give Margie The Black Abyss.

Here's the Christmas scene

Mascots: MERRY CHRISTMAS!

Me: Merry Christmas, guys.

We then saw that the tree has tons of presents there for all of us and The Masters of Evil who also arrived.

Vypra: Wow.

Nico: Man, this is amazing. Shall we?

Lincoln: Right.

?: Oh, Lincoln.

Lincoln turned around, and he saw his harem dressed in Santa bikinis for their Christmas outfits, and needless to say, he wound up in Nosebleed City.

Luan: Yeesh, you keep that up, and you're bound to break Clyde's record.

Nico: No kidding!

Lincoln: WHOA!

Ranamon: I'm glad you love what happened to me, Linky.

Me: I had no idea you'd gained a beast form and Fusion form, that's amazing.

Nico: You're the first Digimon to get a beast form and Fusion form, and they're based on Mermail Abyss, nice.

Luna: Really amazing!

Luan: And the gifts you all got are just as amazing, and Vypra's gotten the deck of Nicholette and her friends Gene-Slammer forms.

Nicholette Torrington: Many Goths have that same deck as well, Luan.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Today is Snow Kingdom again.

Me: For round 3. Perfect for Christmas.

Blake: Me and Ren will go next.

Nico: Okay.

They went in and bundled up and the simulator activated and they were at Snow Kingdom for round 3!

Nico: Here we are!

Lie Ren: It's cold!

Nico: I know.

Nicole: Blake is gonna have a lot of fun with this next one. The next enemy is on the same spot you faced Rocky and Mugsy.

Nico: Okay.

Blake: I wonder who it will be.

Nico: Lets find out.

They were off.

Blake: Wow this is amazing.

Nico: It sure is.

Ren: This reminds me of Atlas

Nico: It sure does.

They landed on the tower and saw HYDE TWEETY!

Nico: Tweety!?

Hyde Tweety: (LAUGHING EVILLY) YOU BAD OL PUTTY TATS!

Blake: A BIRD!

Nicole: This is Tweety when he accidentally had some of that Hyde formula.

Me: Nasty bird there. I heard it scared the crap out of Sylvester into a looney panic attack fit.

Blake was drooling!

Nico: Looks like Blake is hungry for squab!

Lie Ren: Yep.

Hyde Tweety: (LAUGHS INSANELY) YOU BAD OL PUTTY TATS! (LAUGHS)

He went at them and Nico punched them all over!

Blake tried to eat him

But it was too big for her!

Blake: We're going to have to flame broil him.

Nico: Big time!

Lie Ren: Lets get him!

?: (ECHOING) ULTRA TURBULANCE!

A massive blast of wind was fired and it sent Hyde Tweety crashing into the wall.

SMASH!

JetSilphymon and a girl with blue hair, blue eyes, blue clothes and blue wings and a tiara with Frost Walrus on it came.

Hitomi Walrus: Hitomi Walrus, Embodiment of Frost Walrus.

Blake: Hitomi! Wow!

Lie Ren: Awesome to see you again.

Hitomi Walrus: Same to you Blake and Ren.

JetSilphymon: And this is gonna be awesome.

Nico: And Jenny Jet Silphy!? Whoa!

JetSilphymon: Awesome to see you again Nico.

Blake tried eating him again

CHOMP!

Hyde Tweety screamed!

Jenny reverted back and was a girl with blue hair and blue eyes and had purple clothes and purple angel wings and had JetSilphymon on her forehead and skirt and had the Wind Spirit Kanji on her arm and had JetSilphymon's pinwheel.

Jenny Jet Silphy: Time for some wind power! (ECHOING) JET BINTER!

She fired energy blasts and they hit Hyde Tweety and turned him into ROAST CHICKEN!

Nico: Lunch is served Blake.

Blake: Oh boy!

She got to eating.

Blake: YAY!

Me: Boy she is gonna be stuffed.

Eli: Yep.

Nico: Hitomi how did you meet Blake and Ren?

Hitomi Walrus: I met Blake when she was battling that jerk Adam Taurus and I helped her kill him the second time. I froze him in a block of ice and shattered it into a million pieces.

Me: Whoa! So that must've been before the Great War with the Royal Defenders.

Nico: Yeah. But that's cool.

Hitomi Walrus: Yep. And I met Ren when he was hunting for Leonardo Lionheart. I helped him bring that turncoat down.

Lie Ren: Yep we locked him up.

Me: Wow! That must've been before the war too.

Nico: Yeah.

Lie Ren: Jenny do you have a favorite memory of Nico?

Jenny Jet Silphy: I sure do. Where Nico and me built the largest and fastest supersonic jet liner ever, the Concorde Hypersonic Airliner. Gets up to 10,000 miles per hour and can get from New York to Moscow in 30 minutes.

Me: WHOA! That is incredible!

Nicole: That is amazing that she and Nico built a plane like that.

Nico: Yeah those were fun times.

Nico and Jenny hugged.

Nico: I've missed you.

Jenny Jet Silphy: Same here.

Nico: Would you two like to join us?

Hitomi Walrus: We would be honored.

They left after Blake finished and she was full. And we cheered for them.

But then..

LOUD BELCH!

Blake released a huge burp.

Blake: Oh pardon me.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with

ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

I saw Aqua, Ventus and Terra sad for some reason and I knew it was for someone they miss a lot.

Me: Aqua, Ventus, Terra, I believe you 3 are missing someone very special.

Aqua: What do you mean?

Me: Someone that has loved you more than anyone. Allow me to restore him. (SNAPS FINGERS)

I snapped my fingers and then massive beams of light shined down and then the divine singing of angels was heard and a figure came and it was MASTER ERAQUS!

Terra: Master Eraqus!?

Aqua: It can't be!

Master Eraqus: Hello Aqua, Ventus and Terra. It's so good to see you all again.

Ventus: Master!

They went and hugged him for the first time since the 1st Keyblade War!

Master Eraqus: I saw everything you all did from Heaven and I am the proudest ever for all of you.

Aqua: We missed you so much master.

Master Eraqus: I mised you all too and J.D. you all did a great job in destroying Xehanort.

Me: Thank you master. And may I say that it's truly an honor to meet you.

Master Eraqus: I am honored to meet you.

Merryn: (Scottish Accent) Where are you guys going?

Poromon: To give some presents to the kids at the orphanage.

Me: Aww that's sweet of you guys. They all will love that.

Nico: Can we go too?

Poromon: Sure.

Nico: Okay.

We went with them.

Poromon: I even got a special costume

Nico: Cool!

We arrived at the orphanage.

Me: Here we are.

We went in.

Me: Merry Christmas kids!

Kids: Merry Christmas J.D.!

Poromon: HO HO HO!

He turned into Santa Poromon!

Poromon: Merry Christmas!

Diamond Tiara: Presenting Santa Poromon!

He was dressed in a red hat and beard.

Me: (Whispers to Nico) At least he didn't come in dressed as a condom.

Nico: (Snickers) (Whispers) That would be crazy.

The kids cheered wildly.

We had a huge pile of presents for everyone.

The kids all got amazing gifts. Toys, games and more.

Qin: Aww that's so sweet.

Camie: Yeah.

Thunderblast: Hope you enjoy the presents

Kid 1: We will.

Me: Merry Christmas to all of you.

Kid 2: Thank you all.

Kids: Thank you!

We later left.

Me: Poromon that was so nice of you guys.

Gears: And you didn't give beer to them

Poromon: No way! We learned our lesson.

Poliwag: Yeah. And besides on Christmas we have our limits.

Gears: That's good.

Xenia: Yeah.

Lola: Thank goodness that you guys didn't give beer to them.

Me: Root beer yes but not beer.

Nico: Yeah.

Poliwag: We gave them root beer.

Me: Great.

---

We got back home.

Gorillamon: (to Elsa) You should take care of that Cryogonal

Elsa: I will. Thank you.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, the spoiled evil brat, Princess Morbucks, and as predicted, she's broken out of the prison we threw her in, and she's out to to kill Santa and ruin Christmas forever. When we saw it, we knew it meant big trouble.

Lincoln: Oh boy. So, you've made your move, have you, you spoiled brat.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, the spoiled evil brat, Princess Morbucks, and as predicted, she's broken out of the prison we threw her in, and she's out to to kill Santa and ruin Christmas forever.

WE GASPED!

Me: That spoiled brat's now gone absolutely insane just like Veruca Salt.

Eli: And she is after Santa again!?

Xenia: Not good!

Nico: Well, that spoiled brat's looking at spending the rest of her life in The Noto Prison just like Veruca Salt.

Camie: Yeah!

Lincoln: You got that right, she's not going to hurt Santa ever again, this time, her reign of terror will end with her spending the rest of her life in The Noto Prison.

Nico: But, not after we beat her down for everything she's done. Alright, gang, let's bundle up and head for The North Pole and hunt down Princess Morbucks.

Lincoln: That spoiled brat's reign of terror ends here and now.

Lola: You got that right! I've had it with that monster!

Lana: Same here!

Vypra: Oh here.

She gave us weapons called the Destroyers of Princess Morbucks, these are a collection of greatswords and blasters that'll really put the hurt on that spoiled brat monster.

Lincoln: How about we don't? We just got done killing Xehanort and I'm not stressing myself out dealing with that brat!

Poromon: Okay then. How about me, Poliwag, Manaphy, and Horsea?

Troy: Me and my team will go too.

Tsukasa: Me and Daiki will come as well

Me: Wow okay. I'll go too just for supervisionary purposes. I want to see how they do.

Nico: Fair enough. Okay guys. Go get that little brat!

Me: With pleasure.

Poromon: Oh Nico which gene-slammer are you going to hope to meet next.

Nico: MetalGreymon next.

Me: Cool!

Qin: Nice

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Caleb Maxwell's younger brother, Drake Maxwell, and he's come back for Round 2 to get revenge for what happened today. When we saw it, we knew it meant trouble.

Lincoln: Oh boy, looks like that loser just refused to give up quietly.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Caleb Maxwell's younger brother, Drake Maxwell, and he's come back for Round 2 to get revenge for what happened today.

We gasped including Caleb Maxwell, Cage Brunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase.

Cage Blunt: Looks like he's decided to come after us for Round 2.

Caleb Maxwell: I knew he was stupid, but this. He still wants revenge on me for killing Dad and leaving a wound on his face.

Jack Howard: So, Drake's now going to join his dad in Hell, huh? I guess it's fate though.

Nico: The fate that befalls all criminals and thugs. Alright, gang, let's go, we're off to The North Pole to stop Princess Morbucks and save Christmas and Santa.

Lincoln: Princess Morbucks' reign of terror ends here and now, and once we're done with her, Drake Maxwell, you better be ready.

Caleb Maxwell: Drake, no more will you plague me and mankind once more, this time, it ends here.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to save Santa and stop Princess Morbucks and send that spoiled brat to The Noto Prison for good, and once we got done with her, Caleb Maxwell, Cage Brunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase are going to deal with Drake Maxwell for good and send him to Hell.

Lincoln: Wait sorry I just remembered, we're not letting the techniques we have go to waste.

Me: Okay then. Lets roll!

We were off to the North Pole.

---

We were flying.

Poromon: This is like one of Pikachu's winter adventures

Me: It sure is.

Troy: This is gonna be a Super Mega Fun adventure.

Poromon: You said it.

Poliwag: I agree.

Gia: You still have your Santa costume?

Poromon: It's perfect for this!

Me: Awesome.

We were flying over the forests of Canada and then the mountains of northern Canada.

Poliwag: Can I eat some gingerbread while we're there?

Me: You could.

Poliwag: All right!

Me: Yeah!

We flew and arrived at the North Pole.

Me: We're here.

Tsukasa: So far everything looks quiet.

Me: Santa just finished his journey around the world at the crack of dawn.

We landed.

Troy: Santa's village is awesome.

Me: Yep.

Poliwag saw Gingerbread cookies.

Poliwag: GINGERBREAD!

He went and ate them.

Poliwag: So good!

Me: Yeah.

But then I smelled something horrible!

SEAL BARK!

Me: (Sniffs) Oh good god! That's limburger cheese all right. She is definitely here.

Troy: HOOWEE! Man that is rank!

Me: Well Limburger Cheese smells like rotten smells. Like Ed's feet.

Horsea: Let's follow the trail.

Me: Right.

We followed the smell.

Manaphy: Look at the reindeer.

Me: They sure are awesome.

Rudolph: Hey guys!

Me: Hi Rudolph.

Rudolph: thanks for getting me to Santa in time.

Me: No problem.

We followed the smell and went into the house annd the smell was getting stronger.

Manapny: Are we getting close?

Suddenly…

CRASHING!

INSANE ROARING!

Me: Yep.

We saw PRINCESS MORBUCKS TRASHING THE TOY FACTORY!

Horsea sniffed the air.

Horsea: (Sniffs) Ew. Strong.

Me: That way.

We went down a hall a the smell was getting stronger and stronger.

Me: That little brat!

Poromon: Entrance time!

We went at her.

Poromon: (ROARS) IF I CAN'T HAVE CHRISTMAS THEN I WILL MAKE SURE NO ONE CAN EVER AGAIN!

Then the spirits of Christmas came and then they swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a Phoenix Cry was heard and we came out!

Me: Okay Princess, this is as far as you go!

Poromon: You dumb brat! You smell stinky!

Poromon turned into Santa Poromon!

Poromon: Ho Ho Ho, you bitch!

Me: Too bad your father isn't here to help you! Oh wait didn't you hear? He lost everything because of you!

Poromon: You're getting coal!

Princess Morbucks: YOU ARE THE ONES THAT DESERVE COAL!

SHE THREW NUMEROUS COAL ROCKS!

I slashed them all over with my scythe..

Poliwag and Horsea fired waves of energy and ink and blasted her all over.

Me: Is that all you got Princess?

I was enveloped in a vortex of blue fire and went at Princess and slashed her and kicked and clawed her all over.

Horsea and Poromon fired waves of energy and lightning and blasted her all over.

Me: You know what Santa would have given you instead?

I shoved Princess' face in my butt and then…

LOUD NASTY FART!

I farted in her face at point blank range and she coughed and gagged.

Troy: You're under arrest!

Tsukasa: But not before we take your treasure!

Me: Lets get her!

We went at her and blasted and smashed and pulverized her.

Poromon pecked her!

POINK POINK POINK POINK POINK POINK!

Poromon: And this too! (Echoing) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted her.

Poliwag slapped her all over with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Poliwag: You like that!?

Horsea squirted ink at her and blinded her.

Horsea: Take that!

Manaphy charged at her and bashed her in the head.

Poliwag hit her with a candy cane.

BASH! SMASH!

Poliwag: Take that too!

The reindeer ran at her And bashed her all over.

Me: Lets finish her.

Troy: YEAH!

They got out the Super Mega Cannon!

Then everyone else came.

Lincoln: Sorry we're late!

Me: You made it just in time.

The charged up the cannon and locked it on target.

Me: FIRE!

It fired and we fired elemental energy blasts.

Diamond Tiara, Thunderblast, Gears and Merryn used the Earth Cyber Planet Keys and they enhanced Gears weapons and strength and Diamond Tiara and Merryn's powers 100-fold and turned Thunderblast's rocket launcher into a cannon!

Merryn and Gears: SMASHING DIVE BLAST!

Princess Morbucks (Original Series): NOOOOOO FAAAAAAAIIIIIRRRR!

Me: Life's not fair Morbucks

Caleb Maxwell: It is fair, you spoiled brat, now rot in prison forever.

Me: First lets find Santa.

We then found Santa tied up.

Poromon: Are you okay, Santa?

Santa: Thanks to all of you. Thank you so much.

Me: Sorry this had to happen after you just got back at the crack of dawn.

Santa: It's okay.

Me: I guess that's 14 times we saved you but who's counting.

Santa: That's a nice costume, Poromon.

Poromon: Thank you Santa.

Me: It was so cute.

Nico: I agree there.

Me: The mascots all did a great job Nico.

Nico: I'm really proud of them. Now to get rid of this garbage. Sonoi?

Princess Morbucks: If you're gonna kill me, just get it over with.

Sonoi: Oh, I won't kill you. Don't get me wrong, me and all of us hate you. But I feel if you had both of your parents around, you probably wouldn't have turned out like this. So you get to live in the Noto Prison. But if you get out again, we WILL finish what the mascots started.

Me: And that is Send you to the Black Abyss.

Sonoi and Caleb Maxwell sent her to the Noto Prison for eternity!

Nico: Whoa!

Caleb Maxwell: Got to thank The Noto Trio for giving me the special rounds that'll beam those who deserve to rot in their prison forever. Now, to take care of that moron, Drake.

?: CALEB!

Cage Brunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase: Let's make him pay!

Lincoln: Nice one, guys, but are you contempt in just sending Drake and your dad to Hell, Caleb?

Caleb Maxwell: I am, Lincoln. I'd rather have them suffer in Hell than just throwing them in The Black Gates or The Black Abyss.

Me: Understandable though. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a swallow made of green fire pass through the sky.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Diana Luhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swallow.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Diana Luhuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of green fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Swallow, along with having angel wings along with having intense green fire powers. She's known as The Prestigious Warrior of The Sisterhood of The Fists of Fire, as she'd shown incredible prestige when it comes to competing in martial arts competitions and playing fair. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Diana hates Lewis Travolta with a blazing passion, because of what that moron's done in the past, and in one incident, she and Lincoln beat him up and sent him back to prison with two black eyes and an irreversible super double mega wedgie, and this time, they made sure he was locked up tighter than Fort Knox.

Nico: Yeesh! Man, that was one painful thrashing!

Me: I still remembered that all too well. And are we meeting another one of The Ambassadors of The Demon Sorcerers tomorrow as well?

Lincoln: Not until the day after tomorrow.

Nico: We're getting a break on meeting another one of The Ambassadors of The Demon Sorcerers tomorrow, but I hope the next one is The Ambassador of Dai Gui, that would be awesome.

We went back home and the screen irised in as we went to sleep. Then Poromon came.

Poromon: Merry Christmas to all and to all, a good night!

He winked at the camera.

Me: Man this place gives me the creeps.

Nico: Me too

Lola: It's scary.

Camie: I don't like it here.

Qin: Me neither. It's scary.

Varie: It sure is.

Me: It's like something out of your worst nightmares coming to life. But then again we have seen horrifying places like this before. Especially down in Hell.

Camie: Yeah.

Qin: No kidding.

Takayuki Hiba: It sure is frightening

Me: I agree. This whole place reminds me of the kingdom of Malaria.

Xenia: Yeah.

Nico: Takayuki, I want to thank you, Eagle Deadman, and your teams for coming

Takayuki: You're welcome Nico. This will be fun and cool.

Varie: It sure will.

Hikari Taiyou: I agree there. This will be awesome.

Nico: Hikari, what do you like to do in your free time?

Hikari Taiyou: I just like to meditate and enjoy the splendors of nature. As the Princess of the Sun, I love all things that the sun does to bring life, energy and warmth to all things great and small.

Me: Hikari loves everything under the light and warmth of the sun and it brightens her day.

Nico: Aww that is cool.

Me: Yeah.

Nico: Just like Princess Celestia.

Hikari Taiyou: Exactly like her.

Lola: Yeah.

Maria: I agree.

Qin: Yep. But man Christmas was so fun.

May: That was the most fun ever.

Laney: Especially with the mascots going after Princess.

Nico: I really am proud of them

Me: Me too.

Maria: The mascots really socked it to her.

Qin: They sure did.

Lola: Yeah and sent that brat to the Noto Prison forever.

Camie: I agree there.

Varie: Yeah.

Niico: They even rescued Santa.

Camie: They sure did.

Maria: Yeah. And that Santa Poromon outfit was so cute.

Nico: It sure was.

Lola: I agree there.

Nico: Even though Poromon is smaller thsn Santa

Me: Yeah.

Laney: But it was awesome.

Qin: And now Princess will be permanently staying in the Noto Hotel. They check in but they never check out.

Nico: That is for sure.

Taro: I wouldn't call it a hotel

Me: Taro it was Qin's way of calling it prison.

Nico: Yeah it was funny and cool though.

Lola: Yep.

Taro: Oh I get it.

We walked through a really scary village.

Haruka: THis place is creepy!

Qin: No kidding

Camie: Yeah.

Me: Reminds me of the village where Nosferatu lives.

Lily: Yeah no kidding.

Xenia: Creepy.

Nico: Is there anyone living here?

We looked around and saw people inside the houses and places. But they were all boarded up like they were hiding from something.

Me: There's people here. But they are hiding from something. Something has them really spooked.

Nico: Besides Dracula?

Me: Very funny but yeah besides that.

Lola: I don't like it.

Fluttershy: (Scared) Please lets go home now. I don't like it here guys.

Lincoln: It's okay Flutters you're with us.

Twilight Sparkle: Yeah it'll be okay.

Lincoln kissed her on the forehead

Eli: Aww.

Me: Hmm.

Qin: What is it?

Me: I've got a really bad feeling about this guys.

Kate Lloyd: Something is not right.

Nico: What do you mean Kate?

Kate Lloyd: I got this weird feeling.

Me: Wait look.

We saw a figure coming and it was Juliette!?

Me: Juliette?

Kate Lloyd: Juliette? But how?

Me: Wait something is fishy.

Juliette: (French Accent) Help me.

But then WE SAW A GRUESOME SIGHT UNFOLD! SHE GREW A TOOTHED CLAW ARM AND HER SHIRT RIPPED AND THEN SHE BENT BACK AND A MOUTH WITH TEETH AND TENTACLES GREW IN THE CENTER OF HER CHEST!

Me: WHAT THE FUCKING HELL!

CAMIE SCREAMED IN FRIGHT!

I fired a blast of fire and incinerated her in an instant!

Nico: What caused that?

Me: No fucking clue.

Nico: Here comes another figure!

We saw a man come and it was COLONEL WHITLEY!

---

Whitley is the main antagonist of the 2002 video game The Thing. He is a U.S. Military Colonel who served as Blake's superior.

He assigned Blake and two teams to investigate Outpost 31 in order to find out what happened in there. Unknown to anyone, Whitley has been working with a bio-engineering company called Gen Inc to weaponize the titular antagonist for military purposes.

As the story progresses, Whitley's true sinister intentions involving the Thing come to light, becoming along with the alien organism a major threat for the rest of the entire world.

He was voiced by William B. Davis, who also played the Cigarette-Smoking Man in The X-Files, William Tate in Smallville and Robert Parker in Medium Raw: Night of the Wolf.

Whitley collaborated with the bio-engineering company Gen Inc to research on an extraterrestrial being known as the Thing that was discovered in Antarctica. He also secretly established a hidden research facility in order to improve on the development of the Cloud virus. During the time when he and Gen Inc securing most, if not all of surviving Things, he presumably captured MacReady, as MacReady himself later seen hijacking a helicopter that led his meeting with Blake, the protagonist of the game.

He first appeared when assigned Blake and his team to investigate the U.S. Outpost 31 and ordered it to be destroyed. Whitley then ordered Blake and Bravo Team to return to base once they succeed.

However Blake insisted on assisting Alpha Team after losing contact with them at the Norwegian Outpost, which got him unintentionally involved in Whitley's plot. After Blake rescued Faraday, Whitley confronted Blake and revealed that he was behind everything. Blake tried to fight back, but Whitley sedated him, and later confined him.

Whitley later offered himself to serve as a test subject for the B4 strain of the Cloud virus, however Faraday insisted that Whitley was not suitable as a test subject. Whitley then personally killed Faraday and took off.

He then plans to get the Things out of Antarctica via cargo planes, but his plan was foiled by Blake (that turned out immune with The Things' absorption power). Whitley then set his Military Outpost to self-destruct, but Blake manage to survive and chased him through the snowfield and fighting off Whitley's Black ops.

As the last ditch effort to defeat Blake and finish what he already started, Whitley injects himself with the B4 strain of the Cloud Virus and briefly confronts Blake at the Test Field. Blake shot a couple of nearby barrels but Whitley is hardly affected by the explosion. He later tells Blake that an evacuation team is on its way to rescue him and he intends to infect the whole world with the Thing.

The Thing gene within the B4 Strain of the Cloud Virus ultimately mutates him into a massive creature called Cloud B4 Carrier, and Blake realizes that with his new form, he will not get any advantages with his weapons. While Whitley did lose his humanity, it was his plan all along: with himself already became the Thing, he would infect the already coming rescue team and convert them into an army of Things that would take over the whole planet.

Fortunately for Blake, he met MacReady, whom caught hijacking a helicopter. Nevertheless, Blake managed to convince MacReady (albeit yet to ask his name due to emergency situations), and both of them fight the tall monster. After finally shooting his weak points (in form of long tentacles that popped out on certain parts of its body), Whitley was eventually destroyed for good, and his plans were eventually in vain.

---

Me: Colonel Whitley? Wait didn't you disappear over 20 years ago?

Colonel Whitley: That's right. I was assigned with Blake to help rescue Outpost 31.

Me: That was 20 years earlier. Outpost 31 was destroyed. Same with the Norwegian Station.

Colonel Whitley: Oh they were just the beginning.

But then he knelt over and threw up and then we backed up and then IN A MASSIVE AND GRUESOME CHANGE HE GREW INTO A MASSIVE AND TOWERING MONSTROSITY! HE TURNED INTO THE CLOUD B4 CARRIER MONSTER!

Lola: OH MAN!

Me: WHAT THE FUCKING HELL!

IT ROARED FEROCIOUSLY AND HORRIFYINGLY!

Me: Follow my lead!

We flew into the air and I fired waves of fire and blasted him and blasted him all over the place! IT ROARED FEROCIOUSLY AND HORRIFYINGLY AS WE WERE BLASTING IT!

Nico: What the fuck is going on?!

Me: NO FUCKING IDEA!

We blasted the monster and then it fell to the ground dead! And we banished it to the black gates!

Me: This is too fucking weird!

Lincoln: Yeah!

Fluttershy then hugged Lincoln crying.

Lincoln: It'll be okay Flutters. It'll be okay.

Me: Oh man. That nightmare she has still lingers.

Xenia: Yeah.

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for a nightmare with this one: we got word that Poromon's hypothetical Akumatized form has been sighted here.

WE GASPED!

Nico: Poromon's hypothetical Akumatized form is here?! Who is he?

Lincoln: His name is Fearvulture, and he was made when a bunch of criminals destroyed numerous beer factories all over and now is out for revenge against those thugs and making them pay for destroying all his precious beer. He has the powers of darkness and can bring peoples worst fears to life.

Me: So that's it! That explains why we're fighting monsters from The Thing!

Xenia: Yeah!

Me: Then, that's why Kate's fears of The Thing were…?! Oh, he just crossed a serious line!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: I literally can't believe that miserable vulture Akuma did this, now he's really going to get it!

Caleb Maxwell: I've got a couple bullets that'll clip his wings.

Poromon: Whoa, easy there, Caleb. We're just going to blast him and send him to Vypra, right?

Nico: Yes, we're going to do just that, but not before we clip his wings. Caleb, when we spot him, you get ready to fire.

Cage Brunt: If he has the power to bring nightmares to life, won't he…?

Lincoln: Every nightmare has to end, Cage, we faced our worst nightmares and transformed.

Me: Just like what you saw happen to Caleb and many of us.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Fearvulture) AHA! Gotcha, you fear spreading turkey. I just spotted Fearvulture, he's 20 yards away and he's in the air.

Nico: Time to clip his wings and put his nightmare inducing madness to rest.

Lincoln: But, we got to keep our guard up, no telling what that monster's got for us. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Fearvulture.

Nico: At least we know what's causing this.

Poromon: I HAVE AN AKUMA FORM!?

Nico: Yeah!

Xenia: I wonder what it looks like?

Me: Hmm.

I pulled out my sketchbook and showed it to Nico. The Akuma form of Poromon looked like a terrifying Gigantic Black Vulture with black wings and a second set of wings. Bat Wings to be exact.

Nico: Whoa that is scary!

Jet Vac: (British Accent) That is a capital idea for it J.D. And vultures are symbols of fear. Vultures! Natures cruelest mistake.

Xenia: Yeah.

Luna Loud heard a Pokemon cry

Luna Loud: Hey dudes look here!

We saw a Chimecho!

Me: Cool a Chimecho.

Xenia: And the poor thing is hungry.

We gave it some apples.

Me: There you go.

Chimecho: Thank you.

She was eating it.

Me: Feel better?

Chimecho: Much better.

James: I remember my own Chimecho

Me: That's right James I remember you have one too.

James: Yeah.

Luna Loud: Do you want to come with us?

Chimecho: I would be honored.

Me: Awesome.

Luna Loud: You won't regret it dude.

Me: Lets go find that vulture!

We were flying through the air, and there we saw our target: Fearvulture, the hypothetical Akuma of Poromon, and the cause of bringing Kate Lloyd's nightmares to life.

Me: WHOA!

Lincoln: There he is.

Nico: HE IS REALLY BIG!

Camie: That is one ugly vulture!

Lincoln: Okay, Caleb, clip his wings.

Caleb Maxwell: On it. Okay, turkey, eat silver bullets!

Caleb Maxwell fired bullets from his Caleb Maxwell's Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice, but Fearvulture dodged them and fired darkness at Caleb Maxwell, but he redirected it at Fearvulture hitting him and sending him to the ground and we land in front of him.

Fearvulture: What the?!

Caleb Maxwell: Stupid, you know I also have the powers of darkness, and so do most of us.

Cage Blunt: (Laughs) Nice one.

Fearvulture: You won't be laughing for much longer, I will have revenge against those thugs and make them pay for destroying all my precious beer, and I'll make everyone's nightmares come true starting with yours! (LAUGHING MALEVOLENTLY)

But that provoked Caleb Maxwell as he then transformed into Super Angel-Demon-Death Harbinger-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel of Divine Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Justice and Divine Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) Then, get ready to die.

Caleb Maxwell was about to fire another bullet into him, but Katniss Khorne and Sienna Sigmar Heldenhammer stopped him from doing so.

Katniss Khorne: Easy there, Caleb, we're here to beat down Fearvulture, not riddle him with bullets.

Sienna Sigmar Heldenhammer: Though when he said that, we understand why that provoked you. Anywho, time to pluck that vulture's feathers.

Me: Yeah!

Fearvulture: Lets see what you fear!

Poromon: Are you really me?!

Fearvulture: I am and always will be you Poromon.

Me: You look very reminiscent of the giant bird from the 1957 movie The Giant Claw!

Fearvulture: I do look like that don't I?

Me: Yeah! That's where I got the inspiration for this from.

Nico: Wow.

Manaphy: You wouldn't hurt your own girlfriend. (Does puppy eyes) Would you?

Fearvulture: Of course not Manaphy! You mean too much to me for me to hurt. I would never hurt one of my best friends that loves to drink beer with me and do crazy funny things.

Manaphy: Thank goodness.

Fearvulture: Yeah. I love you too much for that.

Manaphy: I'm glad.

Me: But what kind of stupid lamebrained moronic mules would want to go after beer to destroy it?

Nico: Someone who is OFF THE CHARTS stupid and has a death wish with Fearvulture.

Fearvulture: That is right Nico. And another thing I would never hurt you. You are still my partner.

Nico: Thanks.

Me: I guess we would call this your Dark Digivolution form.

Fearvulture: I like that. I would be called FearVulturemon! フィアーハゲワシモン

Nico: I like the sound of that!

Poliwag: C'mon, Poromon. Remember all the good times we had together?

Poliwag showed pictures of Poromon getting tricked into making porn, the mascots being used as sex toys by hookers, the mascots surviving in a bad neighborhood, and the mascots showing their kindergarden class a Robot Chicken Sketch for show and tell.

Double D:… Poliwag, those are bad examples.

Fearvulture: I will never forget those times and they were fun. But looking back they were crazy. I'm sorry I did all those things. But they will always be fun to me.

Poliwag: I'm glad you remember them.

Fearvulture: Yes.

Nico: I'm sorry you had to see your beer get destroyed. But we got to stop you from making poor Fluttershy scared more than she is.

Fearvulture: I understand Nico.

Nico: Good.

Fearvulture: Which is why I made the first move already.

A giant monster made of soap appeared.

Ed: EVIL SOAP! (SCREAMS)

Chimecho charged at him and blasted him with sound blasts.

Then NUMEROUS SHOT NEEDLES APPEARED AND WENT AT EDDY!

Eddy: I HATE NEEDLES!

Ed: NEEDLE!? RUN AWAY!

CRASH!

He crashed through a tree and knocked it down!

Ed: EVIL POINTY BAD FOR ED EDDY!

Fearvulture: Top this one!

EVIL SARAH THEN APPEARED!

Evil Sarah: I'M GOING TO KILL YOU ED! (GROWLS

FEROCIOUSLY)

She then grabbed Ed and smashed and pulverized him into pulp!

Ed: HOLY SCHMOLY! HAVE MERCY DEPRAVED SIBLING!

Fearvulture: There's more!

A shark merged with a car appeared.

Me: A Shark Car! That is cool!

Fearvulture: Thanks.

John Bolton: That is Jawsome!

Clint Bolton: That would make an amazing addition to the Street Sharks.

Me: Yep.

Fearvulture: Glad you like that. How about this one then for Patrick?

He formed THE TORTURED ONE!

IT ROARED LIKE GODZILLA 2014!

Nico: IT'S THE TORTURED ONE! HE MUST DIE!

Nico fired waves of energy and blasted it into oblivion!

Poromon: If you're me, then you should remember this scary thing!

Fearvulture: The Trailer for Blood and Honey? That is one of the mascots greatest fears and it always will be. Lets see you face them!

HE FORMED THE BLOOD AND HONEY VERSIONS OF WINNIE THE POOH!

Me: The Blood and Honey Winnie The Pook!

Blood Piglett tried to swing his sledgehammer at Twilight

She ducked and fired a beam of magic and blasted him.

I ducked under a slash from Blood Pooh and fired a wave of fire and incinerated it.

Nico ducked under a hammer from Blood Piglett and fired a wave of fire and incinerated it.

Qin: Take that!

Fearvulture: In all honesty guys I'm glad you all got rid of that horrible movie.

Me: That we all can agree on.

ED WAS STILL BEING THRASHED!

Leni: OKAY THAT'S TOTES IT YOU LITTLE BRAT!

She went and kicked Evil Sarah away!

Poromon: HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Fearvulture: Poromon I am you and I am practically fear incarnate. So that doesn't scare me like it does for everyone else.

Poromon: Okay you're right that doesn't scare me as an Akuma. But how about this!? (SHOWS IT TO EVIL SARAH!) HERE! LOOK AT IT! IT'S UGLY ISN'T IT!

EVIL SARAH SCREAMED AND EXPLODED!

KABOOM!

Nico: FUNNY!

Poliwag: We didn't even get to have a turn!

Fearvulture: Don't think I haven't forgotten a fun target for you to try that on.

He had THE KANKER SISTERS APPEAR!

Edd: K-K-KANKERS!

Evil Kankers: HIYA DREAMBOATS!

Evil Marie: PUCKER UP OVEN MITT!

Evil May: Big Ed scrub my feet!

Evil Lee: TIME FOR SOME SMOOCHING!

Poromon: I DON'T THINK SO! YOU WANT TO SEE SOMETHING SCARY!? HERE! (SHOWS THE TRAILER FOR BLOOD AND HONEY) LOOK AT IT! IT'S HORRIBLE ISN'T IT! YOU LOOK AT IT!

Kankeys: WHAT IS THAT HORRIBLE MOVIE!?

Poliwag: YOU LOOK AT IT!

Kankers: WHAT HORROR!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Jirachi: LOOK AT IT!

Tentacool: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT ALL OF YOU TO FUCKING LOOK AT IT!

THEY SCREAMED IN HORROR AND EXPLODED!

Poliwag: Much better!

Fearvulture: That is still funny every time.

Me: I agree.

Fearvulture: Here is what Mr. Krabs fears.

Money appeared.

Mr. Krabs: Huh?

But then THE MONEY TURNED INTO MONSTERS!

Mr. Krabs: (SCREAMS IN FRIGHT)

Nico: Money Monsters!

Fearvulture: That's ONE of his fears. So is this!

NUMEROUS MIMES CAME!

Mr. Krabs: MIMES! (SCREAMS LIKE A LITTLE GIRL)

The Soap Monster lunged at Ed and rubbed him all over and made him bubbly and he was covered all over. Then he was SQUEAKY CLEAN!

Ed: NO! I'M SQUEAKY CLEAN!

Shiny!

Fearvulture: Top this too.

A HUGE POD OF WHALES APPEARED! PLANKTON SCREAMED!

Plankton: (SCREAMS) A FEEDING OF WHALES!? GET ME OUTTA HERE!

Fearvulture: That is still crazy that Mr. Krabs is terrified of mimes. But how about this one?

COURTNEY THEN FELL INTO A SWIMMING POOL FULL OF GREEN JELLY!

Courtney: (SCREAMS) GREEN JELLY! (SCREAMS IN FRIGHT) GET IT OFF ME! GET IT OFF ME!

Me: Courtney is really terrified of that slop.

The Shark Car monster charged at us

It roared and I got on it and calmed it down.

Camie: Nice one.

Duncan: I'll get it off.

Fearvulture: Oh yeah?

NUMEROUS CELINE DION MUSIC STORE STANDEES APPEARED

Duncan: What the?

Me: Ooh I love Celine Dion. She rocks.

Nico: Yeah!

DUNCAN SCREAMED!

Laney: I love all her songs.

Harold: They are cool.

Fearvulture: How about this Harold.

NINJAS THEN APPEARED!

Harold got out his nunchucks and swung and twirled them all over and then…

CRUNCH!

HE GOT HIT IN THE CROTCH BY THEM!

Me: (WINCES) OOOH! THAT IS NOT GOING TO FEEL GOOD!

Fearvulture: (Winces) Ooh! Ouch. I can see why Harold has a tough time with those guys.

Manaphy moved the standees out of the way.

Duncan: Thanks Manaphy!

He went and got Courtney out of the pool and Maria washed her off.

Fearvulture: You know how Double D's fear is being filthy? Top this.

But then…

SEAL BARK!

WE SMELLED SOMETHING HORRIBLE!

Me: OH GOOD GOD! Please tell me that's not who I think it is!

Then the filthy Double D appeared

HE LAUGHED INSANELY!

Me: Yep it is!

Filthy Edd: [completely disguisted and horrified] "Greetings, microorganisms. Hop aboard! Welcome, bacteria! Oh, happy day!"

[Filthy Edd places a fish's head over his pours rotten milk into his underwear.]

Filthy Edd: "Zip-a-dee-doo-dah."

Double D: [upset] "Stop it, stop it, stop it! Get a grip on yourself, mister!" [The head slides down Filthy Edd's body.] "That's disgusting!"

Me: OH GOOD GOD THAT IS HORRIBLE!

Filthy Edd: [leaning in] "May I use your shower?" [His rotten breath wafts up to Edd.]

Edd: "Good lord! Stinky, stinky, stinky!"

Filthy Edd: "No shower for me!"

Filthy Edd then grabs a trash bag

Filthy Edd: "For me? You shouldn't have."

[Filthy Edd rips the bag open and dumps the waste out on his head.]

Fearvulture: Boy I can see why Double D loves to be clean.

Maria: Time to wash you off mister!

Maria fired water at him and washed Filthy Edd until he was clean.

Nico: There!

Fearvulture: What do you fear J.D.? How about Chum!?

THEN HUGE BOWLS OF CHUM APPEARED AND THEY WENT AT ME!

I ducked and they ended up going into Nico's mouth and he swallowed them!

Nico: OH YUCK! DID I JUST EAT CHUM!?

I nodded.

Nico's stomach then grumbled loudly.

Nico: UH OH!

NICO RAN TO A TRASHCAN AND THEN…

LOUD VOMITING LIKE NIAGARA FALLS!

Suddenly, the red eyes of Katniss Khorne and Sienna Sigmar Heldenhammer turned neon red and they were surrounded by red and orange energy auras with stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels, they unholstered their Hellblades, and as they both approached Fearvulture, they left red and orange energy, stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels with every step.

Katniss Khorne: You really really crossed a serious line there, turkey, you brought Kate Lloyd's fears of The Thing to life, you know how hard it was for her not to have to relive that terror once again?!

Sienna Sigmar Heldenhammer: And that malevolent laughter you let out, you're even worse than Jonathan Crane A.K.A. Scarecrow, and he was one fucked-up fear inducing madman.

Katniss Khorne and Sienna Sigmar Heldenhammer: And for that godforsaken stunt, The Embodiment of Khorne The Chaos God and The Embodiment and Avatar of Sigmar and the Twin-Tailed Comet of Prophecy will tear you apart and burn you to ashes.

Suddenly, Katniss Khorne and Sienna Sigmar Heldenhammer were surrounded by massive vortexes of red and orange energy with stars, fire, flames, twin-tailed comets, and blood surrounding the vortex, there are phoenixes, angels, and Khorne the Chaos God and Sigmar and The Twin-Tailed Comet of Prophecy flying around the vortexes, and in the vortexes are red phoenixes with blood red eyes glaring at Fearvulture: the red eyes of judgement and pain.

Me: OH SHIT!

Nico: He really stepped in it now!

Lincoln: That fear spreading vulture's stepped headfirst into an inferno of fire and hatred, now it's about to get ugly.

Then, as the vortexes faded, Sienna Sigmar Heldenhammer and Katniss Khorne emerged, but they were changed forever.

Suddenly, Sienna Sigmar Heldenhammer felt a sharp pain on her back, and then, her massive red angel wings with orange tips on the large red feathers grew much larger for her new body and medium sized red angel wings with orange tips grew and sprouted out underneath her massive red angel wings and she also now has eleven massive and long red wolf tails with orange tips and phoenix tail feather markings, Sienna Sigmar Heldenhammer has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by the transformations of Sienna Sigmar Heldenhammer and Katniss Khorne, and when Lincoln saw Sienna Sigmar Heldenhammer and I saw Katniss Khorne, we had an atomic red blush on our faces, hearts in our eyes, and our noses were bleeding. But, when Fearvulture saw it, he screeched in rage and fired two blasts of darkness to kill them, but Sienna Sigmar Heldenhammer and Katniss Khorne fired two massive barrages of red and orange energy, stars, fire, flames, blood, twin-tailed comets, phoenixes, and angels which hit Fearvulture and sent him flying into a wall, he got back up, but he was so mad, he let out yet another loud screech.

Lincoln, Sienna Sigmar Heldenhammer, Katniss Khorne, Nico, Caleb Maxwell, and I went after Fearvulture, and we fired extremely powerful blasts of rainbow energy, red and orange energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Fearvulture and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico and Caleb Maxwell did with firing black and blood red energy slashes from his gold plated claws, and Lincoln, Sienna Sigmar Heldenhammer, Katniss Khorne, Nico, Caleb Maxwell, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Fearvulture even more madder than ever and he exploded even more with extreme rage.

Cage Blunt: Caleb, Travis, let's use our signature attack on him.

Caleb Maxwell nodded, and he Cage Blunt, and Travis Tackett both charged at Fearvulture with Cage Blunt and Travis Tackett scratching Fearvulture with their claws and kicking him into the air and Caleb Maxwell firing blasts of darkness at the vulture Akuma, and it ends with Caleb Maxwell firing bullets at him and he fell down and a pillar of dark energy erupted and Fearvulture was knocked down and out and Lincoln sent him to Vypra. Everyone cheered as we holstered our weapons and we powered down and Sienna Sigmar Heldenhammer's new body, clothes, jewelry, eleven massive and long red wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large red and orange planets orbiting around her legs, smaller planets orbiting around her fingers, and massive red angel wings and medium red angel wings underneath are permanent and Katniss Khorne's new body, clothes, jewelry, eleven massive and long red wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large red and orange planets orbiting around her legs, smaller planets orbiting around her fingers, and massive red angel wings and medium red angel wings underneath are permanent.

Eli: That'll take care of that vulture Akuma, and Caleb, that was an awesome combo you guys did.

Cage Blunt: That was our signature combo called Death's Harbinger of Darkness, we decided on creating combos that you guys used on villains.

Travis Tackett: It's fair we also join in as well.

Me: Still, that was one cool combo.

Nico: It sure was.

Lincoln: Next time, we should let you guys do some more combos on Nico's rescue. Alright, now it's time to take down The Anothers, and four of them are Embodiments of Tzeentch, Nurgle, Slaanesh, and Sigmar.

Me: Whoa, three of The Four Gods of Chaos and The God of The Old World Pantheon in Warhammer.

Nico: This should be a good one.

Poromon: Note to self: Akumatized versions aren't affected by trailer

Nico: (LOUD PROJECTILE VOMITING)

Me: OH MAN! Sorry Nico.

Poromon: Ho Ho Ho!

Qin: Cute!

Me: Yeah!

Ed: I agree there.

Me: (WHISTLES) Ed you are as clean as a whistle.

Eddy: (LAUGHS) Yeah you sure are Lumpy. You smell much better than a gymbag.

Ed: I don't like it!

Me: It's better than smelling like smelling like Patrick when he doesn't bathe.

Patrick: Yesh! (Realizing) HEY!

Squidward: He has a point.

Patrick: Oh yeah.

Camie: Yeah.

Poromon: Yeah.

Me: Now time for the Anothers.

Eli: And I sense that the Anothers minus Eagle Deadman are 4 people and the Another Eagle Deadman is 2 people.

Me: Yep and the last one is interesting. And like Lincoln said, they are the Embodiments of Embodiments of Tzeentch, Nurgle, Slaanesh, and Sigmar.

Nico: Awesome!

Nico: What Harry did to Brandon, he and the rest of them are all heading for a one-way trip to Hell.

Takayuki Hiba: We better get moving or we'll miss the action.

Suddenly, we heard gunshots and we hightailed it, and there we saw Brandon Heat A.K.A. Grave, and he was battling thugs of The Millenion Organization sent to kill Mika Asagai on the orders of Harry MacDowell.

We got there on time and we killed them, and Mika Asagai and Dr. Tokioka told us of the whole situation, and we decided to offer our help in taking down Harry MacDowell along with The Big Four: Bob Poundmax, Balladbird Lee, Bear Walken, and Bunji Kugashira.

Lincoln: So, in order to kill Harry MacDowell, we need to kill Bob Poundmax, Balladbird Lee, Bear Walken, and finally, Bunji Kugashira.

Nicole: Bob won't be an easy task though, he'll transform into his Superior form, same with Balladbird Lee and Bear Walken, but Bunji, we'll let Brandon take him out since they were once allies.

We head for where Harry and The Big Four are meeting, and we came face to face with the first of The Big Four, Bob Poundmax. Caleb Maxwell and Grave shot him three times, but then, we saw Bob Poundmax get up and the wounds healed.

Caleb Maxwell: Damn, he underwent the Superiorzation Process. He's going to transform, everyone, stay back!

Suddenly, we saw Bob Poundmax transform into his Superior form as a helicopter appendage protruded from his back, and his eyes turned red. We dodged the projectiles he sent at us and we began firing energy blasts, elements, and bullets into him and it caused him to change back to his normal form, and Grave used his coffin and fired at Bob destroying him for good.

Mika Asagai: Perfect, that's one down, and three to go, and we got news: Harry MacDowell was expelled from Millenion, he's free to be hunted down and killed.

Me: Nice.

Nicole: Alright. Now, let's go after Balladbird Lee next.

Then, we went after Balladbird Lee.

Balladbird Lee: You… ! You killed my best friend, and now, I will have my revenge on you, traitor!

Balladbird Lee transformed into his Superior form. We dodged his blades and we began firing energy blasts, elements, and bullets into him and it caused him to change back to his normal form, and Grave used his coffin and fired at Balladbird Lee destroying him for good.

Nicole: Alright, next up is Bear Walken.

Next, we went after Bear Walken.

Bear Walken: You've made it, Brandon. Now, let's end this.

Bear Walken transformed into his Superior form, and he went at us, and we dodged his blade, and we began firing energy blasts, elements, and bullets into him and caused him to change back to his normal form, and he was already dying, but he was now at peace.

Bear Walken: Thank you…

Bear Walken died and was now at peace.

Nicole: He chose to die as a man and individual, that's true bravery. Now, to go after Bunji Kugashira.

We then went after Bunji Kugashira who was waiting for us at the lobby at Harry's building. Grave fired a bullet that severed Bunji's right hand which quickly regenerated, and Grave had a small smile on his face.

Grave: Let's go, Bunji Kugashira.

Bunji Kugashira: Right.

Bunji and Grave charged and they fired at each other and dodging the bullets, and Grave fired bullets that hit Bunji hard and he fell down and died.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with green streaks and green headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless purple crop top, white bridal gloves, crimson red skirt, purple stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, green fire, green flames, swallows, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Swallow, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the five girls.

Lincoln: (GASPS) Diana Luhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swallow.

Diana Luhuo: That's right, and I got the five girls away, Harry's on the top floor of the building right now.

We then head up to the top floor of the building, and there we saw Harry MacDowell.

Harry MacDowell: So, you've finally made it. But, I've got someone who wishes to say hello to you.

Suddenly, we saw Big Daddy, the murdered former head of the Millenion Organization, but was necrolized.

Then, Harry allowed Brandon to kill him and is executed with a final gunshot, and he along with Bob Poundmax and Balladbird Lee getting The Black Gates, but Bear Walken was sent to his eternal rest in Heaven. We cheered as we holstered our weapons and powered down.

Lincoln: We did it. Harry MacDowell has been taken down, along with The Big Four, and now, the organization is no more. (To Diana Luhuo) And it's so good to see you again, Diana.

Diana Luhuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Diana Luhuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Diana Luhuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Diana Luhuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Diana Luhuo and hugged her, and Diana Luhuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Diana Luhuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Diana Luhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swallow, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of green fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Swallow, along with having angel wings along with having intense green fire powers. She's known as The Prestigious Warrior of The Sisterhood of The Fists of Fire, as she'd shown incredible prestige when it comes to competing in martial arts competitions and playing fair. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Diana hates Lewis Travolta with a blazing passion, because of what that moron's done in the past, and in one incident, she and Lincoln beat him up and sent him back to prison with two black eyes and an irreversible super double mega wedgie, and this time, they made sure he was locked up tighter than Fort Knox.

Nico: Serves that jerk right, and we got him back at Lynn's Table, so feel free to trash him all you like.

Diana Luhuo: Yes!

Lincoln: You just made her day, now she's free to trash him all she likes, and now that you're here, Diana.

Lincoln leaned his head down the right side of Diana Luhuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Diana Luhuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Diana Luhuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Diana Luhuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Diana Luhuo.

Diana Luhuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Diana Luhuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Diana Luhuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Bullet, Lapislazuli, Mina, Ouki, and Tilio from Meido to Majutsushi.

Lincoln: Oh wow, it's Bullet, Lapislazuli, Mina, Ouki, and Tilio from Meido to Majutsushi.

Nicole: Thank goodness Diana saved them from Harry's ruthless cohorts.

Lincoln: She sure did. Are you girls okay?

Bullet: Yes, we're okay, thanks to you.

Then, when Bullet and the other four girls saw who it was that saved them from Harry MacDowell, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden

Bullet: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Bullet: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bullet, Lapislazuli, Mina, Ouki, and Tilio with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone found out of what happened thanks to Lincoln showing them, and Lincoln and Diana Luhuo have a lot of catching up to do, now that she's back in town.

Plus, we welcomed Brandon Heat A.K.A. Grave and Mika Asagai to the team.

Maria: Aw man, you guys should've brought the rest of us.

Lincoln: Sorry about that.

Nico: Either way, The Millenion Organization is no more, and Harry MacDowell paid the price for his crimes.

Me: You said it.

After Lincoln and all of us beat down and killed Harry MacDowell and destroyed the entire Millenion Organization, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Diana Luhuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Diana Luhuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Diana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Diana Luhuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Diana Luhuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Panda Faye Ling: Now, I've got a memory that Diana had with Lincoln while he was training with her, and it led to Lewis Travolta getting beaten to a pulp by Lincoln and Diana.

Panda Faye Ling put up a video on the big screen, and it showed Diana Luhuo training with Lincoln at the gym, Diana Luhuo was in a crimson red sports bra, crimson red shorts, and red knee-high boots, and Lincoln was only in crimson red gym shorts and he also had on black knee-high boots, and they were sparring with one another which ended with Lincoln taking her down with a leg sweep causing her to lose her balance and land on the mat, and he pinned her down. He got off, and he helped her up, and they really worked up a sweat.

Past Diana Luhuo: Phew, that was one intense sparring. You've really been improving a lot and practicing on the side without letting that bloated glutton jerk finding out, Lincoln.

Past Lincoln: Thanks, Diana. But, I don't know how long it'll be before Lewis comes after us again.

?: YOU'RE GOING TO DIE FOR HUMILIATING ME, LOUD!

Suddenly, the alarm sounded and the rest of The Guardian Angels came, and to their disgust, Lewis Travolta showed up to kill Lincoln again after escaping prison again.

Past Anna Anyanova: Again, you bloated sack?! That's it, I'm gonna beat you down and throw you into a minefield!

Past Lincoln: No, Anna, I'm taking him down.

Lincoln flew out to the roof of the gym, and he swooped down and proceeded to trash Lewis Travolta with his martial arts moves as he punched and kicked him all over the place. Lewis Travolta let out another loud bellowing scream and tried to kill Lincoln, but he dodged him and fired blasts of fire that sent that moron flying back to prison.

Past Diana Luhuo: That was really impressive, Lincoln! You swooped in and took that stupid jerk down hard, you were like a fierce tiger, and that loser stood no chance.

Past Lincoln: Honestly, he has a one track mind of harassing people and trying to kill me, the rest of my enemies are the same.

Then, Lincoln wrapped his massive muscular arms around Diana Luhuo and he leaned his head down to her face and they kissed as the video ended.

Nico: Whoa! That was really awesome, Lincoln!

Nicole: I still remembered that incident all too well, but that bloated sack was basically asking for trouble.

Luna: It found her big time, and Anna was that mad at her, she wanted to end him for good. Lincoln stopped her from doing so, but that moron was already on permanent thin ice with them and all of the Guardian Angels who hated them.

Anna Anyanova: This was the very thing many of us Guardian Angels swore to do if he dared to go after Linky one more time.

Lynn Sr.: We knew that stupid moron was at it again when Lincoln sent him flying back to the slammer as he screamed bloody revenge on him again.

Me: Honestly, he was nothing more than a troublemaker to no end.

We got a shower, and then, Lincoln, Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Universe 666 Aliana: Whoa, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Universe 666 Aliana, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe

666 Mable placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable are in your harem, Linky.

Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch The Wet Bandits and Walter Peck and throw them back in Lynn's Table, throw Lumpus back in prison, and give Margie The Black Abyss.

Here's the scene that'll lead to Ahana Azura, Avatar and Gene-Slammer of Hieratic Dragon of Nuit and Lincoln VS. Arthur Pendragon, the overarching protagonist of the 2012-2020 fantasy manga/anime series The Seven Deadly Sins

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have a mission for today, but I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Arthur Pendragon, the overarching protagonist of the 2012-2020 fantasy manga/anime series The Seven Deadly Sins, and he's coming here to get revenge on Meliodas and the others. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Meliodas, you and the rest of your friends aren't going to like it. The figure we sensed belongs to your old enemy, Arthur Pendragon, and he's come here to destroy you and get his revenge.

WE GASPED!

Meliodas: Oh man. This isn't good, see, once Arthur was a kind man who fought for the people, but after sixteen years of being possessed by Chaos, he turned into a dark, arrogant, condescending, manipulative and somewhat tyrannical and psychotic monster and if that's not enough, he also became sadistic as he's willing to torture his knight, Ironside, for failing to murder a child and sacrificing a village then laughing and undoing his injuries.

WE GASPED IN HORROR!

Ahana Azura: Not good. We need to stop him here and now.

Lincoln: Exactly what I was about to say, Ahana.

Nico: This guy is a total monster and he dares to share the same name as King Arthur?! How unforgivable! Alright, team, let's go, we may not have a mission, but this monster needs to go!

Lincoln: No doubt about it, he has to be stopped here and now.

Ahana Azura: You've caused enough trouble to Meliodas and the others for the last time, you monster, this is where you die here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to Gotham Royal York Park to slay Arthur Pendragon from The Seven Deadly Sins.

---

We arrived at Gotham Royal Park.

Me: We made it to the park, now where is that misanthropic monster?

Nico: He's around here.

Lincoln: He's here alright, I sensed his energy.

?: I WILL FREE ALL OF HUMANITY AND DESTROY THE FOUR CLANS ALONG WITH YOU, MELIODAS!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of energy and the barrier really stood strong against them and we absorbed the massive blasts of energy and they made us even stronger.

Lincoln: (Catches the scent of blood) There's no mistaking the energy signal and the scent of blood from anywhere, come out now, Arthur, or we will force you out.

A figure came out, and it was none other than Arthur Pendragon from The Seven Deadly Sins.

Meliodas: Arthur.

Arthur Pendragon (The Seven Deadly Sins): DIE!

Arthur charged at Meliodas, but Caleb Maxwell fired a dark energy blast that forced Arthur back.

Ahana Azura: You bastard, that's it, now you're really going to get it!

Suddenly, Ahana Azura's blue eyes turned neon blue and she was surrounded by a neon blue energy aura with stars, lightning, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Arthur Pendragon, she left neon blue energy, stars, lightning, light, dragons, phoenixes, and angels with every step.

Ahana Azura: Your crimes have gone unanswered for years, Arthur, you've caused nothing but pain and suffering to too many innocent people in your never ending quest to destroy the other races and destroy the Seven Deadly Sins and the Four Knights of the Apocalypse. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Nuit and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Ahana Azura was surrounded by a massive vortex of neon blue energy with stars, lightning, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Nuit flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Arthur Pendragon: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Arthur has angered Ahana Azura, and now, the rage of Hieratic Dragon of Nuit is about to be unleashed.

Then, as the vortex faded, Ahana Azura emerged, but she was changed forever.

Time for us to smash you down and send you straight into The Black Abyss.

Ahana Azura, Lincoln, Nico, and I went after Arthur Pendragon, who continued firing blasts of energy at us, but we continued absorbing them and we continued growing even stronger, and we fired extremely powerful blasts of rainbow energy, neon blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Arthur Pendragon and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ahana Azura also did the same by firing yellow energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ahana Azura, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it made Arthur Pendragon even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln grabbed Arthur Pendragon and he began sucking out Arthur Pendragon's power and energy, and he and all of us assimilated Arthur Pendragon's Swordsmanship, Superhuman physical characteristics, Leadership, Energy manipulation, Air Slashes, Extrasensory Perception, Magic, Chaos manipulation, Reality manipulation, Space-time manipulation, Illusion creation, Mind manipulation, Creature summoning, Immortality, Regeneration, Darkness/unholy manipulation, Light/holy manipulation, Life and Death manipulation, and Cath Palug's abilities, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, Arthur Pendragon was extremely weakened and Lincoln tossed him into the air, and Caleb Maxwell fired a black energy bullet that hit Arthur Pendragon and it sent him to The Black Abyss. Everyone cheered wildly for what Ahana Azura, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ahana Azura's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long neon blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large neon blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive light blue angel wings and medium sized light blue angel wings underneath are permanent.

Ahana Azura: Reap what you have sown, traitor. Thanks for helping me take down Arthur Pendragon, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ahana.

Me and Nico: Our pleasure, Ahana.

Suddenly, Ahana Azura wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ahana Azura's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Nuit flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and lightning behind them and we cheered wildly. Then, Lincoln and Ahana Azura sucked in and absorbed the elemental forces and light and lightning and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Tabuu down and Lincoln sucked out Arthur's power and energy, and he and all of us assimilated Arthur Pendragon's Swordsmanship, Superhuman physical characteristics, Leadership, Energy manipulation, Air Slashes, Extrasensory Perception, Magic, Chaos manipulation, Reality manipulation, Space-time manipulation, Illusion creation, Mind manipulation, Creature summoning, Immortality, Regeneration, Darkness/unholy manipulation, Light/holy manipulation, Life and Death manipulation, and Cath Palug's abilities.

Me: And Caleb Maxwell sent him to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a hawk made of yellow fire pass through the sky along with a golem made of earth appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Darlene Huanghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Hawk.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Darlene Huanghuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of yellow fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Hawk, along with having angel wings along with having intense green fire powers. She's known as The Heroic Warrior of The Sisterhood of The Fists of Fire, and she's an incredible hero who defends the innocent. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of yellow fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Darlene hates Killjoy Huggins with a blazing passion, because of what that bastard's tried to do to Lincoln in the past, and in one incident, she and Lincoln beat him up and sent him to jail with two black eyes and an irreversible super double mega wedgie.

Nico: Yeesh! Man, that was one painful thrashing!

Me: I still remembered that all too well. And that Golem made of Earth, was that…?!

Selene Arcangela: Yep, it's the next Ambassador of The Demon Sorcerers we're meeting on Nico's rescue tomorrow, her name is Helena Ying Xiao, Ambassador of Dai Gui Demon Sorcerer of Earth and Master of The Earth of The Golem, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the fourth eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Dai Gui, The Demon Sorcerer of Earth, along with green angel wings, and she also has full fledge mastery over the powers of Earth, along with superhuman strength. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Earth, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a nature greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Lynn with a passion.

Nico: Whoa! She's got to be really strong to deal with Lynn.

Lincoln: Oh, she is, her superhuman strength put Lynn's strength to shame, and she used it just in case Lynn tried anything.

Brittney: So we're going after The Doktor next.

Me: What is his story?

Brittney: This guy is a monster to the Nth degree.

She went over his history

---

He was first mentioned by Sora to the Lancers as they traveled to Duel Academy. He revealed rumors about a high-ranking individual with the ability to alter people's hearts as the reason of why Celina betrayed them.

The Doktor is seen in person next to Leo himself and learned that Zuzu Boyle was captured. Leo noted that he had all the necessary pieces and that it was time for Yusho Sakaki to learn the truth, while the Doktor shuffled his Deck, drawing "Fusion Parasite" with glee.

Through a monitor, he smiled after he watched Apollo and Diana being defeated at the hands of Yugo and Kite Tenjo respectively. He witnessed the reunion between Yugo and Rin while staring at his drawn "Fusion Parasite" with an evil smile. As he watched Yugo and Rin Duel each other, the Doktor asked Leo his thoughts about his Parasite Monsters being able to program their hosts into being loyal to him. Leo praised his skill but warned him about losing the girls, and the Doktor told him that they must have ways to defend themselves due to their value. He reassured him that his Parasite Monsters were perfect. He laughed when he heard Yugo trying to make Rin remember and commented that the Rin he knew was gone due to her fighting for Duel Academy by choice. He wondered what Yugo could do after being pushed back so far and noted that his Parasite Monsters are more stubborn than him. When Rin defeated Yugo, he congratulated her and called her back as the Professor was waiting for her. The Doktor watched Shay and Kite argue about Lulu's sanity, and he wondered if the siblings' bond could break the Professor's will, while drawing "Fusion Parasite" again. He was proud that his Parasite Monster seemed to control Lulu even through her bond with her sibling, but he was pleasantly surprised when Shay defeated Lulu. He found the resulting data interesting, and he left to make room for improvements on his Parasite Monsters.

He laughed as he and Celina watched Lulu and Yuya Sakaki on the monitors, and he stated that he knew something like this would happen and was glad that he had placed a Parasite Monster into a Duel Academy student in advance. He stated that the insects were drawn towards something and called Celina a queen. At some point he placed a Parasite Monster into Zuzu, brainwashing her. He watched Lulu look for Kite, wondering whether or not he should proceed while laughing. Lulu met up with Yuya, and as they departed to help Shay, the Doktor decided that it was time for her to serve him and he drew "Fusion Parasite" again, turning Lulu against Yuya. Shay arrived during Yuya and Lulu's Duel; the Doktor saw him as an annoying disturbance and dispatched Celina to deal with Shay. Celina tased Shay and joined the Duel, and the Doktor declared that it was time for Yuya to meet his maker. Celina Fusion Summoned "Parasite Queen", and the Doktor called it a success, claiming that his genius had created the ultimate Parasite Monster, and he told them to rampage to their heart's content. Yuya declared that he would defeat the Doktor and save the girls; the Doktor dared them to if they could defeat Lulu and Celina.

During the Duel, a Parasite Monster entered Yuya's ear, much to the Doktor's pleasure. He prepared to place Yuya under his control, but to his surprise, Yuya resisted the control. Yuya Summoned "Odd-Eyes Pendulum Dragon", and the Doktor commented that Yuya's ace monster had finally appeared, but his Parasite Deck had yet to show everything off. He appeared to Yuya through a monitor, telling him how terrifying his Parasite Deck was and told Yuya he'd never be able to meet Zuzu because he would have defeated her. He showed Yuya that Zuzu was already under his control and cut the feed, but this prompted Yuya to defeat Celina and Lulu in a fit of rage. Celina and Lulu returned with Yuya chasing after them, and the Doktor introduced himself and trapped Yuya in a cage. He then told the Professor that Yuya had been secured and left with all four girls.

Under the Professor's instructions, the Doktor brought the girls to him. He told the Professor that everything was ready and asked him to leave Yuya to him so he could find out why his insect disappeared from Yuya, wanting to experiment with the queen. The Professor was skeptical that the Doktor would be able to win, but the Doktor thought that it wasn't impossible and expressed confidence in his Parasite work. He told the Professor that as fellow researchers, they should share a similar curiosity in confronting challenging research. The Professor noted the Doktor's dangerous thinking and recalled his own past curiosity and proceeded to seal him into a card, despite the latter's pleas.

After Z-ARC's defeat, every person who was turned into a card was restored. Though he was never seen again, it is assumed the Doktor was freed from his card as well.

---

When it was done we were shocked!

Eli: What a fiend!

Camie: Looks like we're going to kill this jerk!

Nico: We can kill him and put him in the Masters of Evil.

Me: Okay.

Eli: We won't like it.

Nico: But that's what we agreed to.

Me: Okay okay.

Eddy: Lets go then.

Camie: Okay.

Shotaro: HENSHIN!

He transformed into KAMEN RIDER W!

Brittney: Lets get them.

Brittney cut open a portal and it lead to Duel Academy in the Fusion Dimension!

Nico: So that's the Duel Academy.

Camie: This is gonna be brutal.

Yuya: Wait. Doesn't Philip usually faint when Shotaro transforms into his Rider form?

Me: Not anymore. We formed a powerful spell that has them fuse into one when they transform.

Nico: Yep.

Yuya: Cool. You managed to figure out how to get passed fainting in that.

Me: Yep.

Nico: This was because we realized that Philip can be vulnerable when he faints like that.

Yuya: Good reason.

Camie: Yep.

Nico: Lets go.

We were off.

We went through the portal and we were flying over the ocean to the island for Duel Academy.

We got to the cafeteria.

Jaden: Oh boy. A Golden Eggwich! I'm glad this hasn't changed!

Me: Wait Jaden! It could be a trap.

I then saw a string attached to it and took it and then cut the string.

Me: There. Help yourself Jaden.

I gave it to him.

I saw 3 students hiding.

Me: Thought you would outwit us huh?

I fired an energy blast and blasted 3 Obelisk students out! They had hearts that were black!

Obelisk Student: That's our Eggwich!

Jaden: You snooze, you lose!

Me: And by lose we mean doomed to die!

I fired waves of leaves and cut them all over.

Me: I summon Blast Spheres!

They were summoned and latched on the students arms.

Me: 3… 2… 1…

MASSIVE FIERY EXPLOSIONS!

They were blown to pieces and their arms were blown off and I got their cards.

Me: Harpie Cards, Guardian Cards and Armor Cards. Nice.

Maria: Let me summon some backup. (TURNS DIAL) STINKY FARTS SURPRISE!

She summoned Kunks Butylmercaptan, Mydom, EarthSpark Swindle, Fifi the Skunk, Dr. Quentin Skunk and Skunk (Total Drama)!

Me: Yeah!

We fired energy waves and blasted numerous black hearted duelists

Fang! Joker! (Heavy metal guitar riffs to orchestral hit)

Shotaro and Philip turned into FangJoker form.

Me: Lets tear them apart!

We went at them and blasted them and smashed them and sent the Black Hearted Duelists to hell and sent the grey hearted duelists to jail.

Me: That's it for them.

Eli: Here comes trouble.

We saw THE DOKTOR!

Me: Dr. Butthammerer I presume?

Doktor: Welcome to Duel Academy. I hope you're enjoying it here. Because you're not leaving!

Me: Oh you're the one that's not going to leave. We came here to destroy you.

Camie: That's right! This academy will pay for everything it did!

Me: That's right Dr. Vomitchucker!

Yuya: It's time to duel!

Me: First this! (ACTIVATES FEARVULTURE'S RIDEWATCH) I know the mascots are not here but… (IMITATING PATRICK) YOU WANT TO SEE SOMETHING SCARY? WELL (SHOWS THE SPIRITS OF BLOOD AND HONEY) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT! (SHOWS THEM TO THE DOKTOR) YOU LOOK AT IT!

Doktor: WHAT IS THAT HORRIBLE MOVIE!

Me: YOU LOOK AT IT!

Doktor: GET THAT AWAY FROM ME!

Me: LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! I WANT ALL OF YOU TO FUCKING LOOK AT IT!

THE DUEL ACADEMY STUDENTS SCREAMED IN FRIGHT AND RAN AND THE DOKTOR SCREAMED!

The Cutie Mark Crusaders laugh and got out their Gaia Memories

Apple Bloom: Taste these!

FROZEN FRIGHT! THUNDER TERROR! MAGMA GLOOM! TOXIC HORROR! LOUIE POISONSEA!

They fired their blasters and blasted the Doktor all over the place!

Nico: Take that!

Shotaro got out his Gaia Memory for Tormes the Centaur!

TORMES THE CENTAUR!

Shotaro: Eat this!

He fired waves of energy and blasted him.

Twilight Sparkle and friends got out their Gaia Memories!

Twilight Sparkle: Time for some elemental might!

KAOS! EL OSO! VREEDLE BROTHERS! DUFF KILLIGAN! INSTIGATOR! TCHANG ZU! CARMEN DILLO! DR. STARLINE! KING OF FLAN! HADES BEAST SPECTER!

They fired waves of elements and blasted him all over!

Eddy fired his blaster and it hit him all over! He got out his Gaia Memory for Dark Spicer!

Eddy: Here's your warning! Your ass is about to be kicked!

DARK SPICER!

He fired waves of energy and blasted him all over!

Natsumi got out her Gaia Memory

Natsumi: Your money or a pie!

DOTTIE OF THE JOKERZ!

She threw a pie and it hit the Doktor and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Nico: Oh Yuya! Here's your legend items!

Nico gave him his Gaia memories!

Yuya: Thanks Nico!

Nico: Anytime!

Yuya: Lets see what this can do.

FLAPNAROK!

He fired a blast of energy and blasted the Doktor all over.

Yuya: Now to summon my most powerful monster!

He summoned ODD EYES REVOLUTION DRAGON!

Nico: Oh yeah!

The dragon roared

Me: Now he's in for it!

Eli: Yep.

But then the Doktor was floating up!

Doktor: HEY! GET ME DOWN SOMEONE!

?: Here I'll let you go.

Then we saw a girl with brown hair, red eyes, black clothes and black wings and a tiara with Ultimate Gravattack on it.

Me: Galatea Hawking! Wow!

Galatea Hawking: Yep. Let me have some fun.

She then dropped the Doktor and he smashed into the floor!

SMASH!

Me: OOH! That is gonna hurt!

Carol got out her Gaia Memory.

Carol: Taste the moon!

SAIX!

She fired waves of moonlight and blasted her down.

Nico: YEAH!

?: (Echoing) LIGHTNING BLITZ!

A blast of lightning hit Galatea and electrocutd her.

We saw Beetlemon!

Me: Beetlemon!

Beetlemon: (In a girls voice) Looks like the fun is about to get intense.

Nico: Sena Beetle!? Whoa!

Beetlemon: Yep. Awesome to see you again Nico.

Nico: You too!

I fired an electron beam and it injected the antidote into Galatea.

Nico: YEAH!

Jaden: I summon Winged Kuriboh!

Winge Kuriboh cooed.

Then NUMEROUS DUELISTS came!

Me: Time to fight these guys with cuteness! I summon MOKEY MOKEY KING!

I summoned Mokey Mokey King and a bunch of Mokey Mokey!

The Mokey Mokey's did a bunch of cute poses!

[flamenco music]

Rarity: My goodness, they can't take the cuteness!

Rainbow Dash: It's almost too cute! [faints]

The duelists cooed

Pinkie Pie: I can't handle the cuteness!

Duelists: SO CUTE!

THEY FAINTED FROM CUTENESS OVERLOAD!

Nico: Man that is what I call CUTENESS overload!

Eli: (LAUGHS) The Mascots would love that!

Nico: WAKE UP!

THEY WOKE UP!

Me: Hey Jaden wasn't there a duelist in the Prime Universe Duel Academy that uses Mokey Mokey?

Jaden: Yeah that's Belowski. He was a laid back kid that didn't have a care in the world and also can communicate with the Duel Monsters.

Me: Boy that is amazing. He and the mascots would get along great.

Nico: We still have a battle to complete!

Me: Sorry!

I fired waves of lightning and electrocuted the duelists and blasted them down.

Jaden: Now I summon Sparkman!

He summoned Sparkman and we fired lightning blasts and electrocutted them and the doctor.

I fired waves of fire and burned them all over.

Galatea threw rocks at us with her powers.

Sena Beetle reverted back and was a girl with yellow hair and blue eyes and blue clothes and had blue angel wings and had Beetlemon on her forehead and skirt and had the Spirit Thunder Kanji on her shirt arm and had a lightning sword in her hand.

Sena Beetle: This is getting electric! (ECHOING) THUNDER FIST!

She punched the rocks and blasted them apart with lightning and smashed them into dust.

Shotaro: Time to Count up your sins!

Me: And your sins are many and have doomed you to eternal damnation!

Nico: YEAH!

We fired waves of water and ice.

Maria: Taste this too!

She got out her Gaia Memory for New Wave!

NEW WAVE!

She fired waves of water and blasted the Duelists and the Doktor!

Maria then fired water blasts and drenched them.

Nico: Take that!

Alexis: Time for some girl power! I summon WHITE NIGHT DRAGON!

She summoned WHITE NIGHT DRAGON!

It roared ferociously!

Alexis (Arc V): My turn! I summon CYBER ANGEL BENTEN!

She summoned Cyber Angel Benten!

She was ready for action!

Benten charged at him and kicked him down.

Jack Atlas (Arc V): I summon RED SUPERNOVA DRAGON!

In a vortex of fire came RED SUPERNOVA DRAGON!

Me: WHOA!

The dragon roared!

White Night Dragon fired a massive ice blast and Red Supernova Dragon fired a powerful fire blast.

Syrus: I summon UFO Roid!

He summoned UFO Roid!

It fired waves of energy and blasted the Doktor!

Sena Beetle: (ECHOING) LIGHTNING BLITZ!

She fired a wave of lightning and it hit Galatea and the antidote took effect and she was cured!

Galatea Hawking: (Groans) What happened?

Eli: Ugly story.

Syrus: I activate Power Bond! J.D. do you mind?

Me: Go for it Syrus!

I let him use Elemental HERO Tempest!

Syrus: I fuse Elemental HERO Tempest with UFO Roid to make UFO Roid Fighter!

Me: OH YEAH! And he gets 8,000 ATK!

Nico: OH YEAH!

Dark Magician Girl: Lets get him!

Syrus: YEAH!

All three of them fired enrgy waves and they blasted the Doktor.

Me: Awesome!

Syrus: Didn't expect that, did you?!

Nico: No way!

Me: Not at all but that was awesome!

Jaden: Me and Syrus did the same thing against the Paradox Brothers a while back.

Alexis: I remember that. That was amazing.

Me: All because of Crowler.

Nico: Had Enough!?

Doktor: Nev… (Faints)

Me: I guess that's a yes.

We went over and I took his dead and it was a Parasite Deck centered around Fusion Parasite.

Me: All Parasite monsters. Ugly.

Doktor: (Grooans)

Nico: Maybe he will have e happier life in the M.O.E.

Me: That is for sure.

Nico: By the way J.D. how did you know that was all because of Crowler during that duel?

Me: Remember my friend Charlie Nottingham? He was part of my spy ring in the prime universe version of Duel Academy and thanks to him we busted the true culprit. Crowler.

Nico: Oh right! But this was before I joined the team but that was cool.

Eli: Wow!

Maria: When we come here on February, we'll do something about this place

Me: Maybe we can fix it up and make a new expansion to the Duel Academy in our universe.

Jaden: That's not a bad idea. Slifer Dorm is nothing but a mobile home.

Me: That's right I remember that. Boy that must not feel very comfortable for you all.

Syrus: No it wasn't.

Me: We'll have to do something about that and maybe we can add a much bigger cafeteria with an all you can eat buffet and a simulator for future duel practicing.

Nico: All great ideas.

Sena Beetle: And those are perfect.

Nico: I agree.

Maria: Do you have a favorite memory of Nico?

Sena Beetle: I sure do. When me and Nico were watching the fireflies under the stars and I formed amazing messages with my lightning owers and them.

Me: Boy that is awesome.

Nico: Yep.

Nico and Sena hugged.

Nico: I've missed you.

Sena Beetle: Same here.

Yuya: That was so cool though.

Luan: Boy it sure was!

Zuzu: I'll say!

Zuzu: I'll still visit the team in the future for Linky and everyone.

Me: That's fine with us.

Eli: Yep.

* * *

Later we came back.

May: How did it go guys?

Me: Really awesome!

We told everyone everything and it was cool.

May: WHOA! That is awesome! And those ideas you said for Duel Academy here J.D. are awesome.

Bastian: I agree with them completely J.D. Slifer Dorm is too small for future students to live in so it needs to be bigger.

Me: Yep.

Nico: Lynn, you, Minuette, and Cammy Bolton are up next for missions

Lynn: OH YEAH! And we're going to meet the Ultraman Orb Team!

Ophelia Orb: YEAH! You guys are going to love it.

Minuette: Yeah we are!

Nico: Yep.

* * *

I was getting some soda and I went to watch TV and I sat and relaxed.

Me: Ahh.

SEAL BARK!

Poromon: (Sniffs) OH MAN! J.D. what did you eat?!

Me: Huh?

Poromon: Your breath smells horrible!

Me: It does?

I blew into my hand and it smelled like fish!

Me: YUCK! I don't know what it is!

Stewie: I'm getting a sense of deja vu.

Me: Really Stewie?

Stewie: Yeah the fat man had some really bad breath and Lois took him to the dentist and we found out that a shrimp was lodged under his gum.

Me: Wow.

Rita: Let me take a look J.D.

Me: Okay.

I laid down and Rita got her dentist stuff ready.

Ben: I'll use Nanomech to get it out

Me: Ben I don't think you want to get covered in my spit. Also I don't think you want to end up like Gwen and come out the other end.

Nico: Okay I DID NOT want to hear that.

Me: Sorry.

Ben: Good point.

I had my mouth open and Rita was looking inside it.

Rita: Oh boy. I think I found the culprit J.D.

She pulled out a shrimp from inside my mouth.

Rita: This shrimp was lodged under one of your gums.

Me: Wow. That must've been in there for quite some time. I can't even remember the last time I ordered from Hurry Up Shrimp.

CUTAWAY

It shows a man in his house waiting.

Man: Where the hell is this guy? I ordered that shrimp 2 hours ago.

Announcer: Uh oh. Looks like you should have ordered from Hurry Up Shrimp.

Man: Hurry Up Shrimp? Well that just sounds fast.

Bob Fletcher the founder of Hurry Up Shrimp came on.

Bob Flecther: On average Americans spend upwards of 50,000 hours waiting for shrimp over the course of their lives. When I heard that, I thought to myself "Why on Earth don't these guys just hurry up?" So that's just what we did.

A car from Hurry Up Shrimp came and a man got out and ran to the house and rang the bell frantically.

Delivery man: Come on. Come on.

Man: No way this is the shrimp.

He answered his door and it was. The man gave him a bag of cooked shrimp.

Man: Wow! It is!

Song: HURRY UP SHRIMP! HURRY UP SHRIMP! HURRY UP, HURRY UP, HURRY UP SHRIMP!

NOT RESPONSIBLE FOR UNDERCOOKED SHRIMP

CUTAWAY ENDS

Poromon: It must've been in there for some time

Me: I know.

Nico: Whew that is gonna leave a nasty taste in your mouth.

Me: No kidding.

Xenia: Yeah.

Rita gave me some moutwash and water and I gargled and sit.

Me: Ahh. Thanks Ms. Rita.

Rita: You're welcome.

Nico: Oh now it's time for our special party.

Eli: Oh right! The anniversary of the battle with Thanos.

Xenia: That's right.

?: Boy this is gonna be a great party.

A figure came and we saw that it was a girl with green hair, green eyes, green clothes, green wings and a tiara with Split Mushroom on it.

Stacy Mushroom: Stacy Mushroom, Embodiment of Split Mushroom.

Loki Loud: Literally great to see you again Stacy!

Lori: Same here.

Nico: How did you meet Loki and Lori?

Stacy Mushroom: I met them at a restaurant. Loki had me eat an awesome burger. But I told him that I have a nasty intolerance with red meat. Makes me fart.

LOUD FART!

Nico: OH GOOD GOD! That stinks! An elephant wouldn't take a shit in the back seat of a car and it wouldn't smell that bad!

Stacy Mushroom: (LAUGHS) Love that movie The Man and that was funny!

Me: (LAUGHS) Yeah that movie makes me laugh every time!

Stacy Mushroom: Sorry but yeah. Also My farts smell worse than Lori's.

Lori: I DO NOT FART! It was my shoe!

Me: Yeah right.

Stacy Mushroom: I met Lori at the golf course and I farted in her face by accident. She threw up all over a rival golfer of hers.

Nico: YUCK!

Me: That is funny! Did you have steak at the clubhouse?

Stacy Mushroom: Yep I sure did.

Me: That is funny.

Stacy Mushroom: It sure was.

Me: Would you like to join us?

Stacy Mushroom: I would be honored.

Poliwag: Nico, which Gene Slammer do you think you'll meet next?

Nico: WereGarurumon next.

Me: Ooh! Nice!

Lola: Yeah.

Nico: Lets head to the park for the party.

---

We arrived.

Nico: Here we are!

Me: Ahh love this anniversary.

Yuya: Thanks for inviting me guys.

Me: No problem Yuya. Glad you and Zuzu can make it.

Kairi: Before we say anything else, would you like your own Keyblade?

Yuya: Why? Xehanort's gone for good.

Kairi: But there's always at least a few villains out there. And you need something to defend yourself in case you don't have your deck or Duel Disk with you

Yuya: You're right. Sure.

Yuya got a Keyblade based on Yu-Gi-Oh and Zuzu got a Melodious Diva Keyblade.

Yuya: Cool! Thanks Kairi.

Kairi: Anytime.

Yuya: So, what's the story of this anniversary?

Nico: It all started with a Mad Titan named Thanos.

Me: He was the most dangerous enemy that the Avengers and us had ever faced. He was after powerful stones that contain the strongest and most immeasurable power ever. The Infinity Stones.

I showed them on my sword.

Me: There are 6 stones we had to stop him from getting. The blue one is Space, The Purple one is Power, The Yellow one is Mind, The Orange one is Soul, The Red one is Reality and the green one is Time.

Yuya: Wow.

Lola: Yeah they were amazing and not hard to find.

Yuya: How did you find each of them?

Me: The Space Stone was in the Cosmic Cube.

Nico: The Power Stone was when we were battling Ronan the Accuser

Laney: The Reality Stone was with our enemy Freakshow.

Lana: The Mind Stone was in Loki's staff.

Varie: The Time Stone was in Dr. Strange's Amulet.

Vince: And the Soul Stone we had to go to the planet Vormir to sacrifice someone we hate for.

Me: Yeah. We got each stone.

Rocket: We faced Ronan back in 2018

Me: That was the first one.

Xenia: Yeah that was epic.

Lola: It sure was.

Yuya: Amazing! Where at?

Me: On the Guardians home planet Xandar.

Rocket: Yep.

Nico: After we got the Stones, we didn't hear from Thanos for a while

Me: Like he was in a delay. So we warned him that the time will come where he will pay for every single one of his crimes.

Qin: Yeah.

Marinette: That happened after the battle in Paris

Me: Yep. 27 days after that.

Yuya: Today right?

Me: Yep on December 26th, 2019.

Xenia: This was the day that cemented our place as the most powerful force in the entire universe.

Lola: Yeah it sure was.

Me: And it was epic. But this day came with a heavy price.

Hydro Man: And Luna? You should take care of that Chimecho

Luna: Oh thanks dude. I will.

Nico: Forgot about that. But thanks.

Hydro Man: Anytime.

Yuya: Yeah. And you were saying? What was the price?

Me: We suffered 2 casualties.

Nico: It started when we gathered recruits for the battle.

Me: We had the Legion of Doom help us. Before the Masters of Evil we had the Legion Of Doom help us for that.

Hiryuu Tsurugi: And me and my fellow Sentai Teams from over the course of 30 years helped out too.

Nico: Yep.

Me: They considered it as their last job as rangers.

Yuya: Retirement?

Me: Yep.

Nico: We were always locked in battle with the Legion of Doom before.

Yuya: I see.

Me: Yep. Then came this day. We received a message from Thanos to give us the Infinity Stones. I told him no fucking way.

Nico: Supergiant decided she couldn't wait any longer.

Me: Nope. She came and was going to kill Talia. But at the last second Ra's jumped in front of the blast and he took the shot.

Rojo: I remember that and I dealt with that bitch and snapped her neck.

Nico: And it was also for not paying you

Rojo: Yep. No one double-crosses Rojo.

Me: You got that right. Ra's made me promise in his dying words to keep his daughter safe. And I did just that ever since.

Ra's: And I'm forever grateful to that.

Nico: Yep. But then came the battle.

Me: This was where it was at.

I showed it.

Me: In the asteroid belt right in between Mars and Jupiter.

Nico: Yep. That was where one of the most devastating battles we've ever had took place.

Me: We went and battled him on his ship, the Sanctuary.

Nico: Yep.

Me: I was determined to make sure Thanos paid for his crimes. I snapped and exploded in power to my most powerful transformation ever back then. It wasn't nearly as powerful as I am now. But it was intensely strong enough to overwhelm Thanos.

Lola: Yeah it was awesome.

Yuya: Wow! That is cool!

Nico: We took down the rest of the Black Order

Yuya: Who are they?

Me: Cull Obsidian, Corvus Glaive, Ebony Maw and Proxima Midnight.

Yuya: How did you kill each of them?

Me: I always have a hard time remembering that.

Laney: I turned most of his followers into calcified husks.

Me: We all did.

Goku: I blasted Corvus Glaive with a Kamehameha Wave and killed him.

Vince: I used a Thunder Flash Attack and obliterated Proxima Midnight

Captain Cold: Me and my fellow Legion of Doom Members blasted and killed Cull Obsidian.

Hiryuu Tsurugi: And me and the Sentai and Ranger teams killed Ebony Musk.

Xenia: Right!

Me: Right I remember that now.

Nico: And then, it was time to kill Thanos

Me: Yep. Our combined power was too much for him.

Nico: It sure was.

Me: Then once he was down I was about to deliver the final blow by turning his own Infinity Stones against him. But at the last second, Bowser stepped in and took the gauntlet and did the deed.

Nico: Yeah. Bowser made the ultimate sacrifice to destroy Thanos and his followers. Forever.

Xenia: Yeah.

Bowser: I have no regrets.

Me: Yeah. Bowser and Ra's were the 2 casualties we suffered that day. 4 years ago today.

Yuya: Oh wow.

Zuzu: That was amazing that you guys did all that.

Me: Yeah.

Nico: We eventually got them back.

Me: Through the power of the Number Cards.

Yuya: Wow! Yuma had a hard time with all those too right?

Me: Yep.

Lola: It was rough. But we did it.

Nico: After that, we made sure no one bad could get the Stones

Me: Yep. They are now always with me in my sword.

Lola: It's true.

Yuya: That is amazing. Brittney told me all about every one of your adventures when she was helping me out and it was incredible.

Brittney: I was filling him and Zuzu in on everything.

Nico: Wow.

Me: Yeah. I propose a toast to the End of Thanos!

All of us: HERE HERE!

We clinked out glasses together!

Poromon: Now for some beer!

They had some beer!

Poromon: (BARNEY GUMBLE BELCH)

Mascots: (BARNEY GUMBLE BELCH)

Poromon: (Slurred Speech) Time for some fun. (BARNEY GUMBLE BELCH)

But his belch was making him spew out Gold Dollar Coins! (Season 5 Episode 10)

Nico: What the!?

Poromon continued belching until a huge pile of coins was on the ground.

Barney Gumble: I remember doing that when I accidentally drank a cup of quarters at a casino.

Me: Really Barney?

Barney Gumble: Yeah that was funny.

WE LAUGHED!

We had a great party and then we went back home and enjoyed the rest of the day and went to sleep

Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Darlene hates Killjoy Huggins with a blazing passion, because of what that bastard's tried to do to Lincoln in the past, and in one incident, she and Lincoln beat him up and sent him to jail with two black eyes and an irreversible super double mega wedgie.

The next chapter is gonna be where we go after The Wet Bandits and WE'RE GOING TO UNLEASH PRANKING HELL ON THEM

See you all next time

# WET BANDITS REVENGE

This is for where we battle the Wet Bandits.

HOLD ON TO YOUR SIDES

* * *

At breakfast, Halinora was thinking about her father as she was looking at a photo of her and her dad. She was looking at it and crying.

Me: Halinora? Are you okay?

Halinora Hatfield: (Crying) Why did he do what he did? I don't understand J.D.

Me: Oh Halinora. I don't know why either.

Halinora Hatfield: I wish I could just go to Hell and find out why myself.

Me: Maybe we can. We've been to hell many times before and it's not pretty.

Halinora Hatfield: Really?

Me: Yeah. Lets go after breakfast.

Halinora Hatfield: Okay.

We had breakfast.

* * *

In the 7th Circle of Hell, Violence me and Halinora were walking through the the terrifying landscape of the River of Boiling Blood, The Phlegethon. The screams were horrible and the heat was terrifying.

Halinora Hatfield: This is awful.

Me: It sure is. Halinora are you sure you want to do this?

Halinora Hatfield: I know it's wrong but I need answers.

Me: Okay.

We walked and then we saw a man that was REALLY BADLY mangled up and cut and slashed and burned all over and he was in a lot of pain.

Me: Oh man. Mr. Hatfield?

Halinora Hatfield: Dad? Dad? It's me. Halinora.

Harry Hatfield: Ha-li-no-ra?

Halinora Hatfield: Yeah dad.

Harry Hatfield: Stay away from me Halinora. I don't want you to see me like this. I deserve to be here for everything I did.

Halinora Hatfield: I'm not leaving till I find out why. Why did you wind up here? What did you do and who did you kill back then before I was born?

Harry Hatfield: That is a crime I can never forgive myself for. I hated myself since that day.

Me: What do you mean?

Halinora Hatfield: (Voice Breaking) I don't understand dad.

Harry Hatfield: It was 2 years before you were born Halinora. The person I killed was a business man that made us all miserable. I was under the impression that he was out to kill us. So I murdered him and killed him in front of everyone. Before he died I was cursed that in 17 years I would be taken here to Hell and burn forever. I didn't believe his words at first. But they came true. I did my best to raise you into a good girl and I'm proud of you for that. But I am now here being punished by the sins I caused to so many people. I realized what I did back then and tried to put it all behind me. But my sins were inescapable. Now here I am down in Hell being punished for all of them.

Halinora was crying hard.

She then ran to him and hugged him and cried and wailed hard.

Halinora Hatfield: (CRYING AND WAILING) OH DAD I'M SO SORRY! I DIDN'T KNOW YOU WENT THROUGH ALL THIS! I STILL LOVE YOU! (CRYING!)

Me: Oh man. Mr. Hatfield I'm so sorry.

Halinora Hatfield: (CRYING) DADDY I LOVE YOU! YOU DID NOT DESERVE THIS! WHY!? IT'S SO NOT FAIR! (CRYING) I'M SO SORRY!

She was really crying hard and it made my heart hurt seeing her like this.

Harry Hatfield: I know Halinora. But do all the good things that I failed in. Don't make the same mistakes I did. I will always love you Halinora. Never forget that.

Halinora Hatfield: (Crying) I won't dad. I won't.

Harry Hatfield: Take care of her J.D.

Me: I will Mr. Hatfield. I will.

After that we went back home.

* * *

We came back home and Nico saw Halinora crying.

Nico: What happened?

Me: We went to Hell so Halinora can get some answers.

Nico: Oh no. I thought she found out about thatt.

Me: She didn't get the whole truth. So we went and confronted her father in the 7th Circle of Hell.

We told them everything.

May: (GASP)

She went and hugged Halinora.

May: Oh Halinora. I'm so sorry.

Camie: Oh man. Halinora that is awful.

Nico: That is awful. Halinora if there is anything we can do for you just let us know about it.

Halinora Hatfield: (Sniffles) Okay.

THUNDERCLAP!

Lightning struck in the skies. And it gave a REALLY OMINOUS setting.

Me: Man this is one scary and creepy planet.

Camie: It sure is scary.

Himiko: It really gives me the creeps.

Tsuyu: Same with me.

Lola: Yeah. Me too.

Lana: It sure is scary.

Fluttershy was whimpering and shaking in fright. She was hugging Lincoln.

Lincoln: It's okay Fluttershy. You'll be alright.

Xenia: Fluttershy is really scared of this planet huh?

Nico: No kidding.

Juvia: I'm really looking forward to this.

Nico: Juvia, I want to thank you, Jack O Lantern, and your teams for coming.

Juvia: No problem Nico. Juvia excited for this.

Qin: We all are Juvia.

Camie: Yeah.

Bluehilda: We're all so pumped for this! (FLEXES MUSCLES) YEAH!

Nico: You really love flexing those muscles, huh, Bluehilda?

Bluehilda: Oh yeah! It means I'm pumped and ready for anything! I'm ready to show that I'm a good witch! Sure I had some bad apples in my tree but I'm ready to show that I'm good!

She turned into a tree with Boohilda's on it and she was the only Bluehilda on it.

Nico: (LAUGHS) Yeah.

Me: That is for sure.

Nico: They unfortunately had to go back to their own world

Me: Yeah but at least they had a great time.

Brittney: Yeah and Zuzu said she is gonna visit the team every now and then for Lincoln and to help us from time to time.

Lincoln: She is part of my harem after all.

Nico: True.

THUNDERCLAP!

Fluttershy screamed as lightning struck and hugged Lincoln.

Lincoln: Oh there there Flutters.

Me: Oh boy.

Maria: Lets stay together.

THUNDERCLAP!

Fluttershy: (SCREAMS) (WHIMPERS)

Lincoln: There there Flutters.

Camie: This is one scary place.

Xenia: No kidding.

We heard more thunder.

THUNDERCLAP!

Qin: Geez!

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for a funny one with this rescue: we got word that The Platypus Brothers have been sighted here in this forest.

WE GASPED!

Nico: That's right, they're among the jerks Xehanort let out, and among the jerks who didn't get hit with that lethal curse you put on Flip, Icky Vicky, Trina Riffins, Pablo, Anderson, and Trina Riffins.

Me: So, we got to deal with those beaver-tailed buttfaces again, eh? Well, we've got more than a few lethal pranks in store for those pieces of crap.

Lincoln: And it gets worse, those four buttfaces brought an army of pumpkins to life using a black magic spellbook that was located here. So, we're going to use our pranks to make them explode like what happened with Jack-O-Lantern in Endsville.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, those beaver-tailed morons are here, perfect. And I literally had to tell Caleb not to break out any more lethal weapons, he heard about them from us, and needless to say: he's pissed.

Cage Blunt: Not surprising though, since he did die at the hands of his own brother eight years ago.

Caleb Maxwell: My brother was a jerk and a criminal, but he didn't abuse me, he knows I'd kick his butt if he did.

Hunter: (German Accent) Und he's serious, I've seen how strong he is before his transformation.

Me: Oh boy.

Qin: This is gonna be good.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Cheesly, Alpine, Fancy Pants, and Philip) AHA! Gotcha! I just spotted our "favorite" duck-billed jerks, they're 20 yards away, and they have their army of animated pumpkins with them and they're coming after us.

Nico: Let's get them and kick their butts back to Lynn's Table.

Lincoln: And destroy their pumpkin army by unleashing pranking hell on them. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Platypus : Thank you.

Sakura Avalon heard a Pokemon cry.

Sakura Avalon: Look here!

We saw a Spectrier!

Me: Spectrier! Wow!

Xenia: Cool!

Varie: Poor thing is hungry.

We gave it apples.

Spectrier: Ahh thank you.

She ate them.

Me: No problem.

Poromon: Wanna come with us?

Spectrier: I would be honored.

Me: All right then.

Sakura Avalon: You won't regret it.

We were flying in the air, and we saw our targets: Cheesly, Alpine, Fancy Pants, and Phillip, our "favorite" jerks, and like Lincoln said, they have an army of animated pumpkins with them.

Lincoln: There they are. Alright, let's use our pranks on those pumpkins and splatter those jerks with pumpkin goo.

Me: Watch this guys.

I got to work and set up lots of pranks and then the Platypus Brothers didn't suspect it. Then I had them on a whoopee cushion.

LOUD FART!

Then Jack bursted out laughing hysterically and then all the pumpkins laughed and then a bucket fell on the brothers heads and then they slipped on a banana peel and then rolled down a hill and a dynamite stick in a beehive exploded and blew it up and bees went into their mouths and they screamed and then got stung all over. The pumpkins were laughing hysterically and they exploded as they were laughing themselves to death! Then the brothers drank nuclear hot sauce milk and fire exploded out of their mouths. They jumped into a pond and got bit by a bunch of electric eels and then got zapped. Numerous pumpkins exploded as they laughed hysterically.

The brothers got hit with 12 pies from 12 pie catapults and got electrocuted some more and all the pumpkins all exploded all at once and then the big pumpkin laughed and he exploded with a huge explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He splattered his innards everywhere! All the spirits went back to the Underworld!

JACK WAS LAUGHING HYSTERICALLY!

The pumpkin army was gone and The Platypus Brothers were covered head to toe in pumpkin goo and guts! TRIPLE YUCK YUCK YUCK!

THAT MADE THE PLATYPUS JERKS SO MAD, AND WHEN THEY SAW US APPEAR, THEIR RAGE WENT OVER THE TOP BATSHIT CRAZY!

Cheesly: YOU STUPID LOSERS! LOOK WHAT YOU DID!

Nico: You did this to yourself, loser.

Caleb Maxwell: Oh, and another thing.

Caleb Maxwell charged out and punched Cheesly so hard in the face, he sent him flying into Alpine, Fancy Pants, and Phillip, and they all crashed into a tree, and when he did, a black book flew out of Cheesly: it was a black hard-covered book with a silver pentagram and silver embroideries printed on the cover along with embedded red jewels.

Caleb Maxwell: Using black magic for selfish reasons like revenge always has consequences when the dark powers aren't treated with respect at all.

Alpine: GIVE THAT BACK!

Caleb Maxwell: Go jump off a cliff!

Everyone: OOOOOH! BURN!

Nico: Damn, you just burned them bad!

Cage Brunt: Not as bad as this.

Cage Brunt fired blasts of dark fire at them which exploded and tons of gold, jewels, gems, and other currencies exploded out of them thanks to Lincoln's Gessius Flores Vengeance Curse still on them.

Phillip: YOU'RE GONNA PAY FOR THIS!

Caleb Maxwell transformed into Super Angel-Demon-Death Harbinger-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel of Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Justice and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) The only ones who are going to pay are you four.

Caleb Maxwell fired bullets from his Caleb Maxwell's Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice, hitting them in the shoulders, and the blood that came out of their shoulders turned into blood red rubies.

Cage Brunt: Wow.

Me: Okay, now that we've got you all pissed off.

JACK WAS REALLY LAUGHING HYSTERICALLY AND HE WAS ROLLING ON THE FLOOR AND LAUGHING SO HARD THAT HE

COULDN'T STAND IT!

Jack O Lantern: (LAUGHING HYSTERICALLY)

Spectrier charged at them and fired energy blasts and blasted the brothers.

I fired pies and blasted them all over with exploding pies!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!

Nico: Nice one!

JACK WAS REALLY LAUGHING MORE!

Juvia: RAIN SPEAR STORM!

She fired water magic and blasted them with rain spears!

Poromon: You wanna see something scary?! Well HERE!

THEY SHOWED THE TRAILER OF THE MOVIE!

Poromon: HERE! (SHOWS THE TRAILER FOR BLOOD AND HONEY) LOOK AT IT! IT'S HORRIBLE ISN'T IT! YOU LOOK AT IT!

Platypus Brothers: WHAT IS THAT HORRIBLE MOVIE!?

Poliwag: YOU LOOK AT IT!

Platypus Brothers: WHAT HORROR!

Jack O Lantern was LAUGHING HYSTERICALLY!

William: Eevee!? You too!?

Bianca (Pokemon): And you as well Emolga?

Emolga: Yeah.

Eevee: We want to get in on the fun

Eddy then put a record player next to them

Eddy: Listen to this.

Eddy then played THE MAN IN GAUZE!

THE PLATYPUS BROTHERS SCREAMED IN PAIN FROM THE HORRIBLE MUSIC!

Then the record flew out and bashed the 4 of them on their heads!

CRASH!

Qin: OUCH!

We laughed hysterically!

Eddy put a bed near them and they landed on it and then…

BOING!

They got launched by a spring and then fell down and smashed into it and got entangled into the spring.

Nico: Nice!

Ed: I know where you're going with this Eddy. (Gets into the bed) Nighty night.

Eddy placed an ice cream cart near them and then it went at them and ran up a tree and then…

KRASMASH!

It smashed onto all 4 of them!

Ed: The Platypus brothers are in pain now. They'll have too call ya back.

WE LAUGHED!

Me: Sniff on this Vomitpoopers!

I sprayed them with skunk juice from my armpits!

LOUD FART!

LIGHTHOUSE FOGHORN!

Eddy: I was gonna place a skunk near them

Me: Sorry Eddy but I did bring the next best thing. My stinky pits.

WE LAUGHED!

Qin: (LAUGHS) Yeah.

Eddy: (LAUGHS) That is true.

Eddy then placed a street light near them

And then…

KRABLANG!

It fell onto them.

Brothers: Ouch.

Eddy placed a concrete pipe near them and it rolled and crushed them.

Qin: Nice!

SEMI TRUCK HORN HONK!

A Semi Truck driven by Nico appeared and ran over them!

KRASMASH!

HONK HONK HONK!

Nico: 10 4 good buddy!

Me: Copy that Nico!

May: Haven't seen you drive your semi truck in a long time.

Nico: I know.

Eddy then walked over to a nearby tree and chopped it down and then…

Eddy: TIMBER!

The tree fell right on top of the 4 brothers!

CRASH!

Ed: Good morning tree!

Eddy went over to a nearby sandbox and threw a pail and bucket and then the brothers grabbed the bucket and then the sandbox fell on them.

CRASH!

Sand piled on them.

I whistled and then there was a rumble!

Platypus Brothers: HIPPOS!

They got trampled by a massive stampede of hippos!

Nico then got out Weather Wizard's Ridewatch and then activated it.

Then…

LOUD THUNDERCLAP! ZAAAAAAAAAAPPPPP!

All 4 brothers got struck by lightning!

Qin: OUCH!

I then snapped my fingers and then…

AIR WHISTLING!

And then…

SUPER MEGA KRASMASH!

A HUGE HOUSE CRASHED ONTO THEM!

They were mangled up bad!

Manaphy was juggling dynamite

She threw it and it hit them and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOMMMM!

Poliwag rolled grenades like bowling balls and they hit them and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Poromon: Take this!

He got in a tank and drove it and ran over the 4 brothers.

Horsea poked a jaguar with a stick and it roared and followed her and then she jumped and the jaguar mauled the Platypus Brothers!

Jirachi put bullseyes on the brothers and we fired at them!

BANG DING! BANG DING! BANG DING DING DING DIGN!

Qin: YEAH!

Tentacool fired Chicken arrows and they skewered them and eggs came out of their mouths.

JACK O LANTERN WAS LAUGHING HYSTERICALLY EVEN MORE!

Poromon: Okay. Here's a present for you.

He gave them a present and it was ticking?

Cheesly: Huh?

And then…

LOUD FART EXPLOSION!

IT WAS A STINK BOMB!

Billy: (LAUGHS) You got hit by my stink bomb! (Puts a nose plug on) NOW THAT'S A STINKY MEATBALL!

SEAL BARK!

Me: OH GOOD GOD! BILLY WHAT THE FUCK DID YOU MAKE THAT WITH!?

Billy: Its full of mayonnaise, skunk oil, doodies and more.

Me: OH SWEET STINKY FUCKSACKS!

Nico: Better them than us!

Me: (LAUGHS) Yeah!

Camie: Nice one!

Poromon: You got a stain on your shirt!

Alpine: Where!?

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted all 4 of them!

Poromon: MADE YOU LOOK!

Poliwag saw a beehive and he jumped and slapped it with his tail and it got onto Alpine's head and he screamed and pulled it off and they got stung all over!

Nico: Nice one!

Qin: That is gonna hurt!

Camie: Ouch.

Horsea got into a jet.

Horsea: Here we go! GERONIMO!

She divebombed and then smashed onto the brothers with a tremendous crash!

KRASMASH!

They wobbled and then tripped and fell face first into a pile of elephant shit!

KRASPLAT!

Cheesly: OH REAL MATURE RAJ!

N'Dugo: Bad guy falls in poop! Classic element of physical comedy.

Now comes the part where we throw our heads back and laugh! Ready?

Kip and Baleto: READY!

(They all throw their heads back in hearty laughter)

WE LAUGHED TOO!

Raj: (India Accent) I had to go somewhere for nature to call!

Nico: TMI, Raj. TMI.

Raj: Sorry.

Qin: That was funny!

Jack O Lantern was still laughing hysterically!

Dorothy Disaster, Penny Pinkie Pie, and Juvia Lockser: It's showtime!

Suddenly, the blue eyes of Dorothy Disaster, Penny Pinkie Pie, and Juvia Lockser turned neon blue and they were surrounded by colored energy auras with stars, elemental forces, magic, Alicorns, phoenixes, and angels, and as they approached the Platypus Brothers, they left colored energy, stars, elemental forces, magic, Alicorns, phoenixes, and angels with every step.

Dorothy Disaster: I honestly thought we'd lose track of you jerks after the whole thing with Xehanort.

Penny Pinkie Pie: But, we knew you'd return, now we can take you jerks down.

Juvia Lockser: And send you back to Lynn's Table where you'll remain as humiliation fodder forever.

Suddenly, Dorothy Disaster, Penny Pinkie Pie, and Juvia Lockser were surrounded by massive vortexes of colored energy with stars, elemental forces, and magic surrounding the vortexes, there are Alicorns, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at The Platypus Brothers: the red eyes of eternal judgement.

Nico: Oh nuts.

Me: This is gonna get messy.

Lincoln: In a really huge way.

Then, as the vortexes fade, Dorothy Disaster, Penny Pinkie Pie, and Juvia Lockser emerged, but they were changed forever.

Juvia Lockser grew from 7'9" to 8'3" in height, she has metal gold braces on her biceps and thighs, and she now has twelve large azure blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long azure blue hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon midnight blue eyes and an azure blue energy aura with stars, rain, water, ocean waves, magic, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a phoenix emblazoned on her forehead and Third Eye with azure blue iris, she has on phoenix earrings with azure blue gems for eyes and holding the Water, Star, Magic, and Eternity Kanjis in its claws, she also has a phoenix with blue gems for eyes and holding the Water, Star, Magic, and Eternity Kanjis in its claws on the bottom of her blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with azure blue crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and azure blue gems on the gold lightning bolt links and she has on her white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck. Juvia Lockser has on her Fairy Tail Guild outfit and long sleeveless white trenchcoat with stars, rain, magic, water, ocean waves, phoenixes, and angels on the coattails, and on the back is a phoenix and The Fairy Tail Guild symbol surrounded by water, magic, and stars and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an azure blue gem with neon glowing azure blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Juvia Lockser felt a sharp pain on her back, and then, her massive azure blue angel wings with blue tips on the large azure blue feathers grew much larger for her new body and medium sized azure blue angel wings with blue tips grew and sprouted out underneath her massive azure blue angel wings and her eleven massive and long azure blue wolf tails with blue tips and blue markings grew larger and longer for her new body. But, before he could, Helena Ying Xiao had her hands on Lincoln's pecs, and she began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to me, this is Helena Ying Xiao, Ambassador of Dai Gui Demon Sorcerer of Earth, and Master of The Earth of The Golem, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the fourth eldest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Dai Gui, The Demon Sorcerer of Earth, along with green angel wings, and she also has full fledge mastery over the powers of Earth, along with superhuman strength. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Fires of The Phoenix. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Earth, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a nature greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Lynn with a passion.

Camie: She did something for her to clobber her, didn't she?

Bai Tza: Wait, I remember it and I remember Helena all too well, Lynn tried to beat Lincoln to death, but with him being bigger in muscle mass and stronger than her, he turned the tables on her and left her really beaten to a pulp.

Lincoln: You also kept track all of the incidents that Maria and her sisters faced not long after we defeated Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and you joined us after Girl Jordan redeemed you, and it's so good to see you again, Helena.

Helena Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Helena Ying Xiao and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Helena Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Helena Ying Xiao saw them and she knew she became part of his harem and are among his many future wives, and they kissed on the lips as we cheered.

Jack was STILL LAUGHING HYSTERICALLY!

Jack O Lantern: (LAUGHING HYSTERICALLY!)

Nico: Geez! Are you still laughing!?

Xenia: That is a big yes.

Horsea: I piloted that jet good like in Manaphy's drawing

Manaphy: You sure did.

Qin: That divebomb move was awesome.

Camie: Yeah.

Qin: He keeps this up he will die!

Me: He can't die ever. He was given eternal life by Grim remember?

Qin: Oh right.

Nico: He'll stop laughing eventually.

Qin: Yep.

Me: Wait where's Fluttershy?

Lincoln: I think I know.

Lincoln went over to a hollowed out tree and inside it was Fluttershy and she was REALLY SCARED!

Fluttershy: (WHIMPERING)

Lincoln: Flutters?

Fluttershy: This planet is worse than Nightmara!

Me: The planet from Welcome to Camp Nightmare? Uh oh. Maybe coming here for our fight with the Platypus Brothers was a bad idea.

Rainbow Dash: She's always scared of everything.

Me: Not helping R.D.!

Rainbow Dash: Sorry.

Lincoln hugged Fluttershy.

Lincoln: It's okay Flutters.

Qin: Man she is scared of this planet.

THUNDERCLAP!

Fluttershy whimpered!

Nico: Should we stay or go?

Lincoln: We'll stay.

Me: We just got to take care of the Anothers here.

Camie: Yeah.

Eli: Speaking of which. (Concentrates) Whoa! We got Another Jack O Lantern, April Fool, Beer Fairy & Her Poromon, FLAMETHROWER FLATULENCE, Squidward Primed to Explode and Dan Backslide.

Lana: Yep.

Me: Okay Jack you can stop laughing now. We have the Anothers to face.

Jack O Lantern: (LAUGHING) (THEN STOPS) Oh sorry.

Qin: Jeez Jack we haven't seen you laugh that hard since the Halloween last year.

Nico: Do you need some water?

Jack O Lantern: I'll be okay.

Qin: Good.

Lola: Who's up for this?

Me: Juvia Lockser, Bluehilda, Vina Vexen, Nikki Clemmington, Trixie Lulamoon XIII, and Randy Boggs.

Nico: Nice.

Eli: And I sense that the Anothers minus Another Jack are 4 people. But 1 of them is immensely strong.

Qin: WHOA!

Lola: Wow.

Nico: There they are!

Layla Amano: You've grown so much Nene.

Shanna Amano: You sure have.

Nene: I know. I have a lot to tell you.

Piper woke up thanks to smelling salts from Laney.

Piper: It involves me.

Lucille Noir Satarra: We can't wait to hear it.

Me: What elementals are you gene-slammed with Eleanor?

Eleanor Elementia: Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest and Storm Elementals.

Nico: Just checking.

Me: Yeah.

Me: By the way is the Another Jack friendly or hostile?

Layla Amano: Friendly and she is a gloomy and fun one.

Me: Ooh.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Me: YEAH!

Nico: And now we wait.

But then…

KRASPLAT!

A pie hit Nico square in his face and knocked him down and then…

LOUD FART!

He landed on a whoopee cushion and it let out a loud fart!

Nico: HEY! Two pranks in a row?!

Eddy: (LAUGHS) Someone got you good Nico!

Luan: That was a Pie for some Gas! (LAUGHS) Get it?

Me: (LAUGHS) That was a good one Luan!

Nico: (Sarcastically) Hardy har har.

Nico got up.

Nico: OKAY WHO IS THE WISEASS!

Nico liked the pie.

Nico: Yummy! Banana Cream.

Qin: Nice.

Nico: But still, WHO IS THE WISEASS!

Me: LOOK!

We saw ANOTHER JACK O LANTERN!

Qin: There's the Another.

Nico: Yep.

Another Jack: (In a girls voice) Sorry about that.

Me: (GASP) That voice.

She reverted back and was a girl with black hair, purple eyes, black clothes and had black angel wings and a tiara with the symbol of the Crow Dopant and on her skirt and she had a darkness sword.

Me: (GASP) Cheryl Crow!?

Cheryl Crow: Good to see you again J.D. And yes I know I sound like the famous singer but my name is spelled differently.

Me: That is true. Cheryl is the Embodiment of the Crow Dopant and is a master of crows. She also is a VERY FUNNY prankster like Jack and knows how to make people laugh.

Nico: Nice!

Jack O Lantern: But were you cursed with immortality?

Cheryl Crow: Yes I was. I lived ever since 1023 AD.

All of us: WOW!

Qin: For 1,000 years! That is amazing!

Me: Yeah.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Cheryl Crow: No he didn't because I pranked him by spraying myself with Invisible Spray and scared the living crap out of him.

WE LAUGHED!

Me: The Mascots, SpongeBob and Patrick did the exact same thing to us and to many people in Bikini Bottom.

Camie: That was funny!

Cheryl Crow: (LAUGHS) Yeah. I scared him and sent him running into his bathroom.

Qin: That is funny.

Zocks and Kaito: Zenkaiju gear!

They donned their Zenkaiju armor!

Me: Lets separate you first.

Lincoln: Yeah.

We did so.

Me: Lets get it on!

Nico: (gets out Jack O Lantern's Ridewatch) Trick or treat!

Ed: And smell my feet. Give me something good to eat!

Eddy: Shut up ed!

Maria: Ouch.

Bluehilda: (Gets out April Fool's Ridewatch)

Man: I'LL BE HERE ALL DAY! I'LL BE HERE ALL DAY!

April Fool: WHAT'S UP WITH THAT!?

Bluehilda: Time for some laughs!

They used the powers of Jack O Lantern, April Fool, Beer Fairy &

Her Poromon, FLAMETHROWER FLATULENCE, Squidward Primed to Explode and Dan Backslide and blasted the Another.

Mantis Deadman, Hurricail, Spider Evo, Zinger, Bomb Dimension (Jetman) and Takoyaki Dimension (Jetman) then came.

Me: Whoa! Nice team Mantis Deadman.

Mantis Deadman: Thanks Nico.

Horsea: Maria, are you okay!?

She used her water powers and like the T-1000 at the steel mill she reformed and merged back together and was whole.

Xenia: Wow!

Maria: Whew! That was close.

Qin: Nice.

Maria: I guess even if I'm blown to a thousand pieces, I can still reform myself.

Nico: Nice one.

Horsea cuddled up to Maria.

Maria: I'm okay Horsea.

HOrsea: Good.

?: That was intense though!

WereGarurumon came!

Me: Whoa! WereGarurumon!

Xenia: Awesome.

WereGarurumon: (In a girls voice) This will be fun.

Nico: Wednesday Addams Were Garuru!? Whoa!

Me: Wait is she?

She reverted back and was a girl with blue hair, blue eyes, black clothes and had blue angel wings and had the Crest of Friendship on her forehead and WereGarurumon on her shirt and on her skirt and on her arm was a Crescent moon and she had wolf ears on her head and a wolf tail.

Wednesday Addams Were Garuru: Yes I am Wednesday Addams cousin as well as a member of the Addams family. I got this! (ECHOING) WOLF CLAW!

She fired a blade of energy and blasted the Another and I caught the Ridewatch and purified it.

Me: Oh yeah!

Nico: That name's a mouthful.

Wednesday Addams Were Garuru: I know. I get that a lot.

Xenia: Yeah.

Bluehilda: That was so awesome! And do you have any favorite memories of Nico?

Wednesday Addams Were Garuru: I sure do. When me and Nico were battling a massive angry mob out to kill Uncle Gomez and Aunt Morticia and family.

Nico: We weren't going to stand for them going after the Addams. So we sent them packing.

Me: The Addams Family went through a terrible history over the centuries and it involved a lot of persecution and angry mobs and more.

Wednesday Addams Were Garuru: That's right

Wednesday went up to her.

Wednesday: It's good to see you cousin.

Wednesday Addams Were Garuru: You too cousin Wednesday. Awesome to see you and how much you have grown.

Wednesday: I know.

Nico: Yep.

Nico and Wednesday hugged.

Nico: I've missed you.

Wednesday Addams Were Garuru: Same here.

We later went back home.

Suddenly, Cage Blunt went at Count Strahd von Zarovich and he bit him and drained him dry of blood and he gained his Vampirism, Advanced necromancy, Shapeshifting, Superhuman strength, Swordmanship, Animal communication and control, Toxic mist manipulation, Absolute sociopolitical power, and Intimidation. When Cage was done, Count Strahd von Zarovich was dead and his spirit was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for Zarovich, now his rule over the land is over. (To Darlene Huanghuo) And it's so good to see you again, Darlene.

Darlene Huanghuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Darlene Huanghuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Darlene Huanghuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Darlene Huanghuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Darlene Huanghuo and hugged her, and Darlene Huanghuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darlene Huanghuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Darlene Huanghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Hawk, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of yellow fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Hawk, along with having angel wings along with having intense yellow fire powers. She's known as The Heroic Warrior of The Sisterhood of The Fists of Fire, and she's an incredible hero who defends the innocent. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of yellow fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Darlene hates Killjoy Huggins with a blazing passion, because of what that bastard's tried to do to Lincoln in the past, and in one incident, she and Lincoln beat him up and sent him to jail with two black eyes and an irreversible super double mega wedgie.

Me: I was laughing my butt off when they did that to him, it was so hilarious.

Nico: I got to see that one day, what Selene told us, it's got to be really really hilarious.

Lincoln: Trust me, you're going to laugh your butt off when you see it, and now that you're here, Darlene.

Lincoln leaned his head down the right side of Darlene Huanghuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Darlene Huanghuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Darlene Huanghuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of

Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Darlene Huanghuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darlene Huanghuo.

Darlene Huanghuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Darlene Huanghuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Darlene Huanghuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Azumi Shinou, Hinano Hoshikita, Lilia Saijou, Mio Tousaka, Noa Aoi, Sana Murafuji, Subaru Nanyo, and Yukari Mikoshiro from Pole Princess!

Lincoln: Oh wow, it's Azumi Shinou, Hinano Hoshikita, Lilia Saijou, Mio Tousaka, Noa Aoi, Sana Murafuji, Subaru Nanyo, and Yukari Mikoshiro from Pole Princess!

Nicole: Thank goodness Darlene got the girls away from that vampire.

Lincoln: And getting away from his army. Are you girls okay?

Azumi Shinou: Yes, we're okay, thanks to you.

Then, when Azumi Shinou and the other seven girls saw who saved them from Count Strahd von Zarovich, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video

We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Count Strahd von Zarovich, the powerful Vampire Lord of Barovia from Dungeons and Dragons.

But, when Lincoln showed what we did in beating that vampire lord down, and finally, Cage Blunt draining him dry of blood and acquiring all of his powers and sending him to The Black Gates forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Darlene Huanghuo have a lot of catching up to do, now that she's back in town.

Maria: So, this is the first time you let someone else drain a vampire dry of blood.

Lincoln: The first time though, I've still got a reputation to uphold as a vampire slayer.

Nico: Along with showing all evil vampires who's in charge.

Victoria Kurenai: That's right, Lincoln still shows those evil vampires that he's in charge and if they get any ideas, they die.

* * *

After Lincoln and all of us beat down and killed Count Strahd von Zarovich, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darlene Huanghuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Darlene Huanghuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Darlene, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Darlene Huanghuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Darlene Huanghuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cage Blunt: (Groans) Oh man, I think I made a huge mistake draining that monster dry of blood, I feel something about to happen.

Suddenly, Cage Blunt was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes. Then, when the vortex faded, he emerged and was changed forever.

Cage Blunt grew to 9'5" in height, he now had massive and powerful muscles and ten-pack abs, he has on weighted gold braces on his massive biceps and thighs, he now has fifteen large black and red planets orbiting around his legs and fifteen smaller black and red planets orbiting around his waist, he has blood red highlights in the bangs of his long dark brown hair going down to the upper part of his back with blood red phoenix fire ombre streaks on the back of his hair and on the two strands of hair in front of his face and he has a large gold halo in the center with golden angel wings on the bottom side and four large orbiting gold rings on each corner behind his head, he has neon blood red eyes and a black and blood red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a black and red vampire bat emblazoned on his forehead and Third Eye with red iris, he has on vampire bat earrings with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its claws, he has on a Crystal Necklace of The Buddha with blood red gems in the black crescent moon links and blood red crystal links and black vampire bat-shaped Element of Harmony and on the bottom of The Element of Harmony is a vampire bat with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its claws for the pendant. Cage Blunt has on a new outfit: a long-sleeved black shirt, black vest, black pants, black knee-high boots with vampire bats for the buckles, long black leather trench duster coat with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels and on the back is a red cross with a vampire bat in the center of the cross and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blood red gem with neon glowing blood red lights equipped with recognition of him and fits an infinite number of items and components for his Miraculous, Familiars, and Bakugan to rest in. Nico: HOLY CRAP!

We made a mirror and when Cage saw it, he was stunned.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) No way, did I transform? This was due to feeding on Count Strahd von Zarovich, this is so awesome.

Cage powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, Third Eye, longer tail, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Travis Tackett: That was really incredible, you transformed just like Caleb, now criminals are in a world of hurt.

Caleb Maxwell: I think you mean they're already on a one-way trip to Hell, and that's right, but this'll no doubt alert your dad, Cage.

Cage Blunt: I know.

Lori: We've got to meet your dad one day.

Caleb Maxwell: Lori, are you trying to get into trouble?

Nico: Jeez, Caleb, you really are a stickler for the rules.

We got a shower, and then, Lincoln, Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Mother Pisces: Whoa, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Mother Pisces, and it's perfect for our first date, shall we?

Lincoln, Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces and they hugged the girls in their abnormally massive and powerful muscular arms and Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces are in your harem, Linky.

Cartia Goltschmidt, Tanya Splosionblast A.K.A. Recluse, and Mother Pisces showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Universe 666 Aliana, Universe 666 Bryony, Universe 666 Celosia, and Universe 666 Mable, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch The Wet Bandits and Walter Peck and throw them back in Lynn's Table, throw Lumpus back in prison, and give Margie The Black Abyss.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Luncheon Kingdom this time.

Mary: Cool! That one is my favorite.

Me: Nice.

Spiderman: Me and MJ will go with.

Mary: And me too.

Nico: Okay then. Lets go.

They went in and it activated and they were in LUNCHEON KINGDOM!

---

The Luncheon Kingdom is the eleventh kingdom visited in Super Mario Odyssey. This location, inspired by Italy (or more specifically by Pompeii), is a combination of lava/volcano and food themes. It is the greater location of Mount Volbono, the volcano, and is inhabited by Volbonans. It is visited after both the Snow and Seaside Kingdoms have been visited. When Mario and Cappy first visit this kingdom, Bowser and the Broodals have stolen the Stupendous Stew as food for the wedding reception, and Spewart must be fought; after his defeat, Mario and Cappy must make their way to the remaining Stupendous Stew atop the volcano to pursue Cookatiel. However, they are blown off after the volcano erupts. Therefore, they must reach the pot a different way. After defeating Cookatiel, Mario and Cappy attempt to visit Bowser's Kingdom, but their journey is interrupted by Bowser and the Ruined Dragon, sending them crash-landing into the Ruined Kingdom.

---

Mary: Wow!

Spiderman: This is amazing!

Nico: It sure is. The ocean is made of soup.

Mary: This is my kind of place.

Nico: Who are we fighting?

Nicole: Well for Round 1 it's gonna be Spewart again for another round.

Nico: Okay then.

Nicole: He's over in the the main terrace where the Stupendous Stew is being made.

Nico: All right. Lets go.

They were off.

Spiderman: Who has eyes on him?

Mary: I do. There he is!

They saw him and they landed.

Spewart: Well howdy everyone!

Nico: You sure like to take a beating Spewart.

Spewart: We Broodals are tough.

MJ.: We can see that

Spiderman: Lets see if you're tough enough!

Spewart: Lets start this hoedown!

Nico: YEAH!

Spiderman wrapped him in webbing and Mary Jane kicked him in his face and Mary fired waves of energgy and blasted him.

Nico: YEAH!

Spewart was mad now!

?: (Echoing) ELECTRON CANNON!

A massive blast of lightning and energy hit Spewart and blasted him all over.

MetalKabuterimon came and with it was a girl with orange hair, red eyes, orange clothes and orange wings and had a tiara with Magma Dragoon on it.

Miranda Dragoon: Miranda Dragoon, Embodiment of Magma Dragoon.

Mary: Wow! Chili Queen Miranda. Awesome to see you.

Tecna: (British Accent) You are looking good I might add Miranda.

Taranee: Boy I'll say!

Miranda Dragoon: You too Tecna and Taranee and Mary wow its been a while.

Mary: It sure has.

MetalKabuterimon: (In a girls voice) And this is gonna be electrifying.

Nico: Shizuka Metal Kabuteri! Wow! Been a while.

MetalKabuterimon: It sure has.

Nico: We can talk more later. Lets get him.

Mary: YEAH!

Nico: (gets out Jack O Lantern and Eagle Deadman's Ridewatches) Time for this eagle to drop some pumpkins!

He activated them and fired pumpkins and blasted him all over.

Spiderman webbed him up and MJ kicked him.

Miranda Dragoon fired blasts of fire and burned him.

Mary fired energgy waves and blasted him.

Nico: YEAH!

Shizuka reverted back and was a girl with blue hair, blue eyes, yellow and black clothes and had blue angel wings and had MetalKabuterimon on her forehead and on her skirt and had the Thunder Spirit kanji on her black sleeve and she had a lightning sword.

Shizuka Metal Kabuteri: Take this! (Echoing) BOLLO THUNDER!

She fired a blast of lightning from her hands and blasted Spewart far! They got 30 power moons as a result. Sky Blue moons!

Nico: OH YEAH!

Mary: Compliments to the chef!

Miranda Dragoon: YEAH!

They all high five.

Nico: How do you know Mary, Taranee and Tecna?

Miranda Dragoon: I know Mary because she made my favorite nuclear hot spicy dish. It was called the Exploding Belly Buster Gumbo.

Mary: It's gumbo made with the hottest ever peppers on the planet with my dads hot sauce. It's called that because it can blast a massive hole in your stomach and kill you.

Nico: WHOA! That must be lethal gumbo.

Mary: Oh it is and Miranda is the only girl I know that loves it.

Nico: Wow.

Miranda Dragoon: Yep and I met Taranee when she battling Raythor and Gargoyle.

Nico: Wow! They must've put up a challenge.

Miranda Dragoon: Oh they did and it was awesome.

Nico: Wow.

Miranda Dragoon: And I met Tecna when she and the Winx Club were battling the Trix. I fired a blast of fire and burned Icy and Darcy and marked them.

Nico: Nice!

Shizuka Metal Kabuteri: Yeah that sure is.

Mary: What about you Shizuka? Do you have any favorite memories of Nico?

Shizuka Metal Kabuteri: I sure do. When me and Nico were in Science Class and we made an amazing Tesla Coil powered by Cold Fusion.

Nico: It was really cool.

Mary: Even though I'm mostly associated with cooking that is really

amazing.

Nico: It was.

Nico and Shizuka hugged.

Nico: I've missed you.

Shizuka Metal Kabuteri: Same here.

Nico: Would you like to join us?

Miranda Dragoon: We would be honored.

They left and we cheered wildly for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots were having a nice day at Preschool.

Poromon: Another nice day at preschool

Poliwag: You said it.

Manaphy: I love it.

Horsea: Me too.

The teacher was looking up something on the computer.

Poliwag: It's snack time!

Poromon: Oh boy!

They went and got their snacks. No beer this time.

Manaphy: (slurping apple juice) Ahh.

But then…

Teacher: (SCREAM)

---

Back at the estate we were watching TV and I was reading the paper.

Me: Oh they busted another of those Anti-TLPS Organizations.

Nico: Good.

The phone rang.

Megan McCallister: I'll get that.

She answered it.

Megan McCallister: Hello? Team Loud Phoenix Storm World Tree Estate, Megan McCallister speaking.

PHONE GARBLE.

Megan McCallister: What!? How did that get on there!?

Karla Grimm: What is it?

Megan McCallister: We'll be right over Ms. Evans.

Nico: The Mascots teacher?

Megan McCallister: Right. Bye. (Hangs up)

Nico: What did the mascots do this time?

Megan McCallister: Well Nicole is not going to like this one!

Nicole: What is it?

We were told everything and then…

Nicole: THERE'S WHAT!?

UH OH!

Megan McCallister: I shit you not!

Nicole: Whoever did that is a Dead Man!

We went to the preschool.

---

When we got there Nicole looked it up.

Nicole: Someone really did put porn on this computer!

Camie: Who in their dumb mind would do that!

Nicole: Someone who has a death wish! Maybe we can trace this to the source.

Lisa Loud: Allow me to do so.

Nicole: Be my guest Lisa.

Poromon: We didn't do it this time. We swear!

Nicole: I know you guys didn't.

Eli: They are telling the truth. They had nothing to do with this.

Lisa Loud was tracing it.

Lisa Loud: Location found.

Me: Wow that's fast.

We saw that it was located outside the Springfield Radioactive Crater.

Me: That's… The Spuckler house.

Bart: The Spuckler House? I'm amazed Mary Spuckler's family is still around.

Me: I thought they were dead because of the corruption that went down in Springfield.

Lisa Simpson: I actually looked them up and they were not involved in any way.

Lockdown: I honestly think they weren't that bad

Nico: Me too.

Qin: But Lisa didn't you and Bart have a lot of friends with them too?

Lisa Simpson: We sure did. And their kids are great people.

Camie: How many kids do they got?

Lisa Simpson: I counted 44 kids.

WE GASPED!

Lincoln: Jumping Comic Book Strips!

Lisa Loud: Gadzooks!

Camie: That is a TON of kids for one family!

Me: Boy no kidding! I've watched all the episodes of the Simpsons from over the last 35 years and that is amazing that they have so many!

Nico: No kidding! That is more kids than the Loud House or Warren's family.

Warren Loud: No kidding. Almost double what we have.

Xenia: Geez!

Me: Lets get over there then.

Nico: Ms. Evans we're having the mascots head out with us.

Ms. Evans: Okay.

We were off to the Springfield Radioactive Crater.

* * *

We arrived at the Spuckler Farm.

Lisa Simpson: Good to see this place still standing.

Me: Boy its been almost 6 years since then.

Nico knocked on the door.

Cletus Spuckler answered.

Cletus Spuckler: Hey y'all must be here to fixin the pluming.

Nico: Actually we are not plumbers. We're Team Loud Phoenix Storm.

Cletus Spuckler: Well pleasure to have y'all here. And Lisa Simpson been a while.

Lisa Simpson: You too Cletus.

Bart Simpson: Its been a while.

Cletus Spuckler: That it has younguns. I take it y'all must be here because of Elijah's prank.

Bart: Whoa so Elijah sent that porn.

Me: Elijah Spuckler?

Bart: He's the technogenius of the Spuckler Clan. He is also quite the mischief maker.

Me: Smart guy isn't he?

Bart: Yeah he sure is.

Cletus: Before you say anything, me and my family have put

Springfield behind us

Me: That's good you did Cletus.

Cletus: Yeah. Elijah come here!

We saw a black hair kid with overalls and he had a laptop.

Nicole: So you're Elijah Spuckler?

Elijah Spuckler: That's right. Pleasure to meet you all.

Nicole: You too Elijah. I'm amazed you have good prowess in computers.

Elijah Spuckler: Thank you.

Huffer: I hope you're aware of how bad porn is, especially in places for little kids!

Elijah Spuckler: Yes and I'm sorry.

Nicole: It's okay. Just don't do it again. Besides I can never bring myself to hurt a kid.

Nico: Good Nicole.

Me: By the way Cletus how would you like to work for the M.O.E. Much better money for you.

Cletus: Well okay then.

---

RD Lisa: Excellent tracking skills, my Prime self

Lisa Loud: Thank you very much.

Me: Yeah that was well done.

We later went back home.

---

Later we were watching TV

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our favorite punching bags and gluttons for punishment, Marv and Harry A.K.A. The Wet Bandits, and they've come out of hiding and are out for revenge on Kevin and his family along with us. When we saw it, we knew it meant trouble.

Lincoln: So, you morons have made your move.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than our favorite punching bags and gluttons for punishment, Marv and Harry A.K.A. The Wet Bandits, and they've come out of hiding and are out for revenge on Kevin and his family along with us.

Alinta Nephthys: So, the next two jerks are none other than The Wet Bandits, those jerks who stole over $500,000,000 from the cult, now I can transform and let those boobs have it.

Nico: That's right, you told us those boobs stole money from you guys and you swore to take them down.

Cage Blunt: I've heard of them, they're seriously the most incompetent home robbers in the city of Chicago, and they got beat by a little kid.

Lincoln: Along with me and my Guardian Angels who've had past dealings with those boobs, and we made them our favorite punching bags when we brought back the favorite of our past times: the humiliations. Now, we can capture them and send them back to Lynn's Table after Alinta transforms.

Me: Right. And we know where they're heading.

Lincoln: Kevin's house, I just alerted Kevin and the rest of the family of those boobs, and they have the whole place wired with traps.

Nico: Those boobs are in so much trouble now. Alright, team, let's get going and take those boobs down and make 'em scream like little girls.

Lincoln: We've already got a few gags ready for them.

Me: Okay.

We got ready and the previous group came

Trap Jaw: Can me, Beast Man, Unicorn, Hsi Wu, Killer Shrike, Mummy, Shendu, Captain Cold, Cantwell and Wiggum go with you guys?

Nico: Yes you can.

Qin: Yep.

Me: The Wet Bandits have made their move.

Camie: Yep.

RD Sam Sharp: Nico, which Gene Slammer do you think you'll meet next?

Nico: MegaKabuterimon next.

Qin: Whoa!

Lola: Electric.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's

Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Suguru Geto, the main antagonist of the manga miniseries Jujutsu Kaisen, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Suguru Geto, the main antagonist of the manga miniseries Jujutsu Kaisen, and he's coming here to destroy us.

Nicole: I knew we'd face him, he's a former Jujutsu Sorcerer and partner of Satoru Gojo. He began to develop a deep hatred for all non-sorcerers, planning to create a world consisting only of jujutsu sorcerers and curse users and he was the orchestrator of the Night Parade of a Hundred Demons, a jujutsu terrorist attack on the cities of Kyoto and Shinjuku.

Ariana Abner: There's absolutely no way I'm letting a piece of crap like him live any longer.

Lincoln: Same here, Ariana. Suguru is going to pay for his crimes against humanity.

Nico: And so much more. Alright, team, let's go, we got to take down our favorite punching bags and send them back to Lynn's Table.

Lincoln: But, not before Alinta and I show them the true meaning of the word pain, and once we get done pounding them, you're next, Suguru Geto.

Ariana Abner: Your crimes against humanity have gone unanswered for far too long, you will face eternal damnation for your crimes, Suguru, after we take care of one final piece of business The Sacred Order of The Flames of The Phoenix of Nephthys have with another of their old enemies.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Chicago to help Kevin and the rest of his family take down The Wet Bandits, and once we get done with them, Ariana Abner and Lincoln along with me and Nico are going to destroy Suguru Geto.

We were off to Chicago.

CHICAGO, ILLINOIS

We arrived.

Beast Man: Good old Chicago.

Nico: Yeah.

Megan: Memories.

Numbuh 274: What sould we do while waiting?

Me: Well there's…

Our stomachs growled.

Me: Oh man we're a little hungry.

Nico: I could go for a Chicago style pizza.

Shaggy: Like we know a great pizza place.

Me: Really Shaggy?

Shaggy: Like yeah. Follow us.

We arrived at Giovanni's Pizza.

We went in.

Me: Wow.

Unicorn: Nice pizza place.

Shaggy: Thanks.

We got our pizza and Shaggy and Scooby ordered us a REALLY MASSIVELY long pizza! It was a huge 10 foot wide and 60 foot long pizza.

Me: WHOA! What a pizza!

Shaggy: Like yeah and we ate this whole thing together.

Scooby Doo: Reah.

Sakura Knudson: Boy Shaggy I remember the last time you had a pizza this big and you called it the biggest pizza you and Scooby ever made.

Shaggy: Yeah those were good times.

Emma Gale: Boy that is cool guys.

Shaggy: Yeah.

We got to eating.

Me: (Eating) Mmm! Delicious.

Nico: (eating) Really cheesy too.

Pain Yatta: Good thing there's no candy on this one

Me: Still good though.

Camie: Yeah.

We were eating and it was delicious.

We were really eating and after 20 minutes we finished the whole

thing.

Me: Ahh.

Nico: That was delicious!

Hsi Wu: It was very tasty!

Nico: No kidding! (BURP) Oh pardon.

Shaggy: Like it sure was. Glad you all liked it.

Emma Gale: It was awesome. I'm stuffed.

Camie: Me too.

Varie: Yeah that was awesome.

Thetis: Glad you recommended this restaurant

Nico: Yeah.

Shaggy: Like we're glad.

Me: Yep. Check please.

We paid for the food and left a good tip.

We then went to Megan's old home.

Megan McCallister: The Wet Bandits are gonna be heading for our old home.

Killer Shrike: It's only fair that we head over there.

Me: Okay.

We were flying there

We arrived.

Roy Koopa: This must be it.

Me: Yep this is it.

Xenia: Wow.

Megan McCallister: Yep this is it. Our old home.

Mummy: This is a nice place

Me: Right you guys weren't around when we were here the first time.

Nico: That's right we were still battling the Legion Of Doom back then.

Xenia: Yeah.

Laney: I remember that.

Mummy: Yeah.

Megan McCallister: Let me show you guys around. I still got the key.

Megan got out the key and we saw that the house was for sale. We went up to the door and we went in and it was empty.

Me: Wow.

Megan McCallister: I know. This was our old house when we used to live here before we joined you all.

Nico: Wow.

Eli: Your old house is nice.

Qin: Yeah.

Fellbat: Where was your room?

Megan McCallister: Right up here.

We followed Megan and she showed us her room. It was a big room.

Megan McCallister: This was my room. It was teenage rathole in a way. Before the Wet Bandits came I was a teenage snob that mostly thought about older boys and all that. I didn't have time for family and all that.

Shendu: I guess that changed

Megan McCallister: Yeah after what happened with the Wet Bandits the first time and in New York City, I decided that things are more important than going on trips. Like family and being there for my brother. My brother was not being treated fairly among us so I decided from then on that I would always be there for him like a guardian.

Luna Loud: Just like me with Lincoln. You are I have so much in common dudette.

Nico: No doubt about it but good call there Megan.

Cornelia:I agree.

Kevin: Let me show you my room.

Me: Okay Kevin.

We went upstairs and saw that Kevin's room was in the attic.

Kevin: This is my old room.

Me: You lived up in the attic?

Kevin: Yeah I was pretty much isolated from everyone up here.

Me: It's really spacious though.

Kevin: Yeah it was home. And my old bed is still here too.

Me: Looks like no one has touched it in a while.

Lincoln: Yeah. But Kevin welcome to my world. When I met J.D. I showed him that I lived in a small linen closet,

Nico: Really?

Me: Yeah Lincoln first lived in a closet when I first met him. It was small to him but he said it was home and he wouldn't trade it for the world.

Nico: Wow.

Me: Yeah.

Qin: That is amazing.

Jean Bison: Well, the Wet Bandits are bound to show up any minute. Might as well set up some traps.

Fred Jones: Let me help. I AM a trap master, after all

Sakura Knudson: Can I help too? I learned a lot about traps when I was under Swartz.

Me: Go for it sis.

Fred Jone: Sure.

Kevin: Lets get them.

We went and set up NUMEROUS kinds of traps like the ones that Kevin used on them before.

We got all the traps set up.

Me: Okay traps are all set. But we're going to need an illusion to make it look like Kevin and his family moved back in.

Yakumo: Leave that to me.

Yakumo did just that.

Nico: Perfect. Our traps are all set.

Eli: Great. (Concentrates) I sense them. They are 750 yards away and closing.

Me: Right on time. Okay you Filthy Motherfucking Animals, Come and Get us!

I pulled out a 12 Gauge Shotgun.

Nico: This will be good

Captain Cold: We still need to wait a little longer

Me: Don't worry. They will come.

We heard a van pull up.

Me: Target sighted.

We hid and we waited.

Marv: Looks as good as it was earlier.

Harry: Yeah it does.

They went over to the door and then…

SLIP!

Harry and Marv: WHOA!

CRASH!

They slipped on some ice on the sidewalk.

Konan: Did you make that, Leonard?

Captain Cold: Yep.

Eli: Cool.

Me: Watch this one.

I used my powers and turned my hand into a red hot induction coil and put it on the doorknob and it glowed red hot and then Marv grabbed the Doorknob and then…

SIZZZLE!

Marv: (SCREAMS IN PAIN!)

He blew on it but it made it worse and then he stuck his hand into what he thought was snow but instead…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He stuck it into a bucket of gasoline covered by a genjutsu and it exploded! BURNING HIM BADLY!

Cantwell: (laughs) Too bad I didn't bring popcorn!

Me: No but you got to admit that was awesome.

Nico: Yeah.

Kevin: Now Marv and Harry both have M burns on their hands.

Me: We both left our mark on them.

Nico: That was genius.

Eli: Harry's coming around to the back door.

Me: Allow me for that.

Nico: Okay.

I went over and he poked his head through the doggy door.

Me: Surprise!

BANG!

I blasted him in his head and blew him back out of it.

Nico: Nice one.

Me: They still have that curse on them.

Nico: Nice.

Me: Now for the main event.

Brad Morton: Entrance time!

We went at them.

Harry: (SCREAMS) I WILL KILL THOSE FUCKING KIDS!

Marv: What happened?

Harry: IT'S THAT GODDAMN TEAM LOUD PHOENIX STORM!

Marv: Where!?

Harry: They're inside the house you idiot!

Then the spirits of the house came and swirled around them and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and then we came!

Me: Hello idiots! Nice weather we're having, for your own buttkickings!

Wiggum: You two are in big trouble!

Harry: Bad enough you idiots busted us all those years ago. Now you had the nerve to off that Xehanort guy?!

Me: Xehanort was a much bigger threat to everyone all over the entire universe.

Nico: That's right you Dinguses! And besides we needed to get him out of the way before we have some fun.

Marv: What kind of fun?

Harry: SHUT UP MARV!

Me: Fun thrashing you! What else?

I snapped my fingers and then tools rained down from the sky and crashed onto them!

SMASH!

Nico: OUCH!

They got up

Marv: That whole Powerful Force in the Universe thing doesn't really work when everyone knows that you guys completed your main mission, does it?!

Eddy: Worked fine getting the drop on you two boobs, didn't it?

Me: Yeah you morons! There are still other evils out there that are just as dangerous.

Marv: Oh.

I pointed up and then Marv and Harry screamed and HUGE BUCKETS OF WOOD STAIN FELL ONTO THEM!

Nico: Nice one!

Lana and Lola were on a huge teeter totter and they catapulted stain into the air onto them.

Harry: Face the facts, morons. After this year's over, Team Loud Phoenix Storm is dead in the water!

Marv: Gonna have to find a new name now, little buddies. (laughs) How about Team Loud Chicken Storm?!

Ed: Chicken!

Eddy: Shut up Ed.

Me: Hmm. Empty words chicken shit.

Nico: The world will always need us so like it or not we're here to stay.

Me: Here's a name for you two. Florrence Fuckindale and Dr. Joseph Twerpinston!

WE LAUGHED HYSTERICALLY!

THEY WERE PISSED OFF AT THAT REMARK!

Me: And another thing? Your mother was born in a whorehouse!

Ginger: How about I show you chicken power instead?!

She fired energy blasts and eggs and blasted them all over!

Carrie White: And here's one for you!

She dumped a huge amount of pig blood on them!

SPLASH!

Nico: OH YUCK!

Me: Top this! Lunch time wolves! (HOWLS)

Out came NUMEROUS WOLVES! And they jumped and mauled the wet bandits! Marv screamed like a little girl!

Peter Pan: We'll show you who's chicken! Watch this!

We got out an egg bazooka and fired it at them!

---

Peter Pan clucked and crowed!

Nico: Let the mascots have a shot

Me: Okay.

Poromon: Take this!

Poromon gave them atomic wedgies! Then Poliwag drenched them in liquified garbage slop!

Rainbow Dash: Take this!

She threw garbage pile pies and splattered them in their faces!

SPLAT SPLAT SPLAT SPLAT!

Horsea: Me next! Me next!

She dumped buckets of rotten vomit on them!

Qin: OH SICK!

Xenia: YUCK!

Manaphy: Take this!

SHE SPRAYED THEM ALL OVER WITH RAW SEWAGE!

Me: Nice one!

Poliwag: Watch this!

She DUMPED CHUM ON THEM!

Nico: Chum!? (VOMITS)

Me: Uh oh! Now every time Nico sees or hears chum he throws up like me!

Nico: AND IT'S ALL YOUR FAULT J.D.!

Me: I said sorry!

Maria: We'll fix that later!

We fired energy blasts and smashed them.

Tentacool: Take this!

Tentacool fired rotten tomato bombs!

SPLAT SPLAT SPLAT SPLAT SPLAT!

Jirachi: My turn!

He fired watermelons and bashed their teeth out and splattered their faces in with it.

KRASPLAT KRASPLAT KRASPLAT KRASPLAT!

Nico: Take that!

Mevya: Let me try!

Mevya fired stinkbombs and they hit them and exploded!

LOUD FARTS!

Qin: OH MAN!

Me: Nice one!

Then Amora the Enchantress, Ice Demon, Six Gum Gang, Mr. Fizz, SkullMeramon, Felix Faust, BlackWarGreymon, Seadramon, General Schwarz and Gameface came.

Nico: Amora the Enchantress, Ice Demon, Six Gum Gang, Mr. Fizz, SkullMeramon, Felix Faust, BlackWarGreymon, Seadramon, General Schwarz and Gameface.

Hoppip: Take this!

Hoppip fired ROTTEN CHEESE WHEELS AND BLASTED THEM BOTH!

Amora: Wow! Nice shot!

Ice Demon: Yeah!

Ice Demon: That was a good ice shot, Leonard!

Captain Cold: Thanks!

Dixie: The rest of the pranks were just as funny.

Goof: They sure were.

Wilbur: You said it!

Me: (LAUGHS) Yeah those were fun.

Seadramon: (to Poromon) Sorry you saw porn in your kindergarten class.

Poromon: No we weren't even looking at it. But yeah

Mr. Fizz: (to Nico) We heard you fought the Platypus Brothers.

Nico: We sure did.

Amora: (to Sakura) I hope you take care of that Spectrier.

Sakura Avalon: I will.

?: That's cool.

A figure came and it was STEAMLOID from the Go-Busters movie Protect The Tokyo Enetower!

---

Steamloid was created when Enter infected a factory pipe with the "rust" MetaVirus to prevent the Go-Busters from releasing their Buster Vehicles or MegaZords, while he reworked Tokyo Enetower to Vaglass' diabolical plans. This Metaloid had the ability to convert water into a unique steam that can rust the special alloy the Buddy Roids and MegaZords use to the point of rendering them unworkable. He went to Tokyo park with some Buglars to gain water to produce this steam only for Hiromu to arrive on Cheeda Nick and blast him with his Ichigan Buster. The other Go-Busters then arrived and transformed so Steamloid sent his Buglars in. Mid-battle, he cornered Nick, Gorisaki, and Usada (who accompanied their partners to battle) and used his mist to cripplingly rust them before retreating. Later, whilst Enter hacked into the Tokyo Enetron tower, Steamloid got more water and told Enter that this much effort was a waste for one tower but Enter reminded him that his job was to distract the.

To Enter's surprise, the Go-Busters used their new ally FS-0O to get past the steam by going underwater but Enter summoned an army of Buglars designed to slow them down so much that the transfer would be complete by the time they'd even reach Steamloid. Whilst the other Go-Busters fought the Buglars, Red Buster fought Steamloid and used his super speed as an advantage but was soon smacked down. However, before he could be hit by the steam, Hiromu damaged him by clogging his pipes with stones although the monster was still strong enough to overpower all three Go-Busters. Before he could finish them though, FS-00 appeared and took him down with it's missiles at which point the Go-Busters re-transformed and proved immune to the Buglar's firepower. However, with his pipes destroyed, his produced steam diluted enough for Enter to transport four blank slate Vaglass MegaZords to drain the rest of the Enetron. With the Buglars taking the brunt of the attack, the Steamloid retreated up the Tower only to be cornered by the Go-Busters. Hiromu then kicked him through a wall whilst Yoko and Ryuji held him in place and the trio destroyed him on his way down with their Ichigan Busters. Steamloid didn't even have the chance to hit the ground before his death, being obliterated in mid-air by the supercharged shots hitting him.

---

Eli: Steamloid! I remember you! You were going to try and destroy the Tokyo Energy Tower.

Steamloid: That's right Eli. Good memory.

Eli: Yep.

Steamloid: Too bad I wasn't adapted in America.

Devon: It would've been nice to get a New Zord

Me: That would have been so cool!

Qin: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Lincoln: And the thrashing we gave them also got back the money they stole from the cult all those years ago and even more. Now, there's one last thing to do and one last loose end to tie up: Suguru Geto.

?: I hope you've enjoyed that battle, for soon it will be your last.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from blasts of energy and the barrier really stood strong against them and we absorbed the massive blasts of energy and they made us even stronger.

Lincoln: (Catches the scent of blood) There's no mistaking the energy signal and the scent of blood from anywhere, come out now, Suguru Geto, or we will force you out.

A figure came out, and it was none other than Suguru Geto, the former Jujutsu Sorcerer turned worst curse user.

Lincoln: Suguru Geto.

Ariana Abner: The worst curse user and bane of the Jujutsu Sorcerers and humanity. Now, it's high-time we make you pay for everything you've done.

Suddenly, Ariana Abner's red eyes turned neon red and she was surrounded by a white and light blue energy aura with stars, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Suguru Geto, she left white and light blue energy, stars, light, dragons, phoenixes, and angels with every step.

Ariana Abner: Your crimes have gone unanswered for years, Suguru Geto, you've caused nothing but pain and suffering to too many innocent people in your never ending quest to destroy humanity and make the world a place only for Sorcerers. You disgust me to no end, as The Avatar and Gene-Slammer of Hieratic Dragon of Su and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Ariana Abner was surrounded by a massive vortex of white and light blue energy with stars and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Su flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Suguru Geto: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Suguru Geto has angered Ariana Abner, and now, the rage of Hieratic Dragon of Su is about to be unleashed.

Then, as the vortex faded, Ariana Abner emerged, but she was changed forever.

Suddenly, Ariana Abner felt a sharp pain on her back, and then, her massive white angel wings with light blue tips on the large white feathers grew much larger for her new body and medium sized white angel wings with light blue tips grew and sprouted out underneath her massive white angel wings and she also now has eleven massive and long light blue wolf tails with white tips and white markings, Ariana Abner has on her Ring of the Phoenix with large light blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Ariana Abner's massive light greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of white and light blue energy, stars, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Ariana Abner's Cosmic Eternal Harmony Egyptian Hieratic Solar Light Fury Hieratic Dragon of Su Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Solar Light Fury Hieratic Dragon of Su Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Hieratic Dragon of Su and hieroglyphs etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold dragon heads with light blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with light blue gems for eyes and red gem in its mouth for the pommel, Ariana Abner has on her brand-new large gold Bracers of The Champions of The Universe with large light blue gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hieratic Dragon of Su's head with red gems for eyes and blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Ariana Abner's Super Angel-Hieratic Dragon of Su Avatar-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Suguru Geto saw it, he summoned one of his curses to attack her, but Lincoln absorbed one of his curses into a black orb he summoned which caught Suguru Geto's attention.

Suguru Geto: Well. This should be interesting.

Then, Ariana Abner fired a massive barrage of white and light blue energy, stars, light, dragons, phoenixes, and angels which hit Suguru Geto and sent him flying into a wall, he got back up, but he only smiled.

Me: No way, did Ariana just transform?

Lincoln: She did, now, we can tear Suguru Geto apart and make him pay for everything.

Time for us to smash you down and send you straight into The Black Abyss.

Ariana Abner, Lincoln, Nico, and I went after Suguru Geto, who continued sending more cursed spirits at us but Lincoln kept absorbing them into black orbs he created, and we fired extremely powerful blasts of rainbow energy, white and light blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Suguru Geto and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ariana Abner also did the same by firing white and light blue energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ariana Abner, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

Suguru Geto summoned centipede-shaped cursed spirits to attack us. But, Lincoln uttered one word to them.

Lincoln: Die.

Then, each and every one of them in the swarm violently exploded.

Suguru Geto summoned his Cursed Spirit, Rainbow Dragon, and sent it after us, but Lincoln tamed it and he became its new master, as Rainbow Dragon was absorbed into Lincoln. Suddenly, Suguru Geto summoned another of his favorite Cursed Spirits, Tamamo-no-Mae Incarnate, and he lifted his index finger up, and we saw a black ball of energy form: it was his technique, Maximum: Uzumaki, one of his most powerful techniques utilizing all of the Cursed Spirits he absorbed into one.

Suddenly, Lincoln formed more black orbs and the black orbs then began absorbing the 6,462 Cursed Spirits Suguru Geto absorbed in the past, and they went back to Lincoln as the tips of his eleven massive and long white wolf tails transformed into large black wolf heads and they proceeded to devour the black orbs, and Lincoln gained all of Suguru Geto's 6,462 Cursed Spirits as the wolf heads changed back, and then, Lincoln grabbed Suguru Geto and he began sucking out his power and energy, and he and all of us assimilated Suguru Geto's Cursed spirit manipulation, Combat expertise, Charisma, and High intelligence, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, Suguru Geto was extremely weakened and Lincoln tossed him into the air, and Caleb Maxwell fired a black energy bullet that hit Suguru Geto and it sent him to The Black Abyss. Everyone cheered wildly for what Ariana Abner, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ariana Abner's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large white and light blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings underneath are permanent.

Ariana Abner: Reap what you have sown, traitor. Thanks for helping me take down Suguru Geto, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ariana.

Me and Nico: Our pleasure, Ariana.

Suddenly, Ariana Abner wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ahana Azura's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Su flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Ariana Abner sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Suguru Geto down and Lincoln absorbed all of those Cursed Spirits he'd taken along with sucking out all of Suguru Geto's power and energy, and he and all of us assimilated his powers and abilities

Me: And Caleb Maxwell sent him to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a swan made of grey fire pass through the sky along with a golem made of earth appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Elena Huihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swan.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Elena Huihuo is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Hawk, along with having angel wings along with having intense grey fire powers. She's known as The Wealthiest of The Sisterhood of The Fists of Fire, as she happens to be from a rich family and she's done many charities to help others in need. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Elena hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Nico: Yeesh! Man, that was one painful thrashing!

Me: I still remembered that all too well. And that Golem made of Earth, was that…?!

Selene Arcangela: Yep, it's the next Ambassador of The Demon Sorcerers we're meeting on Nico's rescue tomorrow, her name is Melanie Ying Xiao, Ambassador of Po Kong, The Demon Sorcerer of The Mountain and Master of The Earth of The Golem, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the middle child, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Po Kong, The Demon Sorcerer of The Mountain, along with green angel wings, and she also has full fledge mastery over the powers of The Mountains, along with superhuman strength, and she has a massive appetite that rivals that of The Saiyans and Lincoln and his family and she never ever gains weight. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Earth of The Golem. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a nature greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Lewis Travolta with a passion.

CLANG! CLANG!

MY JAW AND NICO'S JAW DROPPED TO THE FLOOR AND ELI CLOSED OUR JAWS!

Me: WH-WHA?!

Nico: THE AMBASSADOR OF PO KONG?! OH MAN!

Eli: And did you say she has a massive appetite that rivals that of The Saiyans and you and your family?!

Lincoln: Yep.

Luna: No fridge at home was safe from her, nor any restaurant or fast food place was safe from her, it was like she has ten black holes for a stomach!

Luan: We're surprised she wasn't banned from any of the restaurants or fast food places here in town or all over the country.

Lori: Even Lynn was stunned herself, and she eats like a pig!

Lynn: Hey, I don't… !

Me: Don't even try to get out of it, Lynn, we've seen it.

Nico: Oh man, I've got some serious competition with her.

Lincoln: Word of advice: don't even back down if you challenge her in a food-eating competition, she can easily mop the floor with the competitors.

Lynn Sr.: She's won many of them the past seven years, and they named her The Bottomless Black Hole because of it.

Nico: Oh… damn.

Qin: Oh boy.

SkullMeramon: Another humiliation fodder recaptured.

Felix Faust: And in one of the most funniest way possible.

BlackWarGreymon: Damn straight.

Me: Yeah!

General Schwarz: (to Megan) I hope we can celebrate with pizza in this house.

Gameface: It'll be like old times for you

Megan: (GROANS)

Me: We had a REALLY HUGE pizza earlier

Qin: Yeah.

General Schwarz: Really?

Me: Yeah it was great. Most of us are not going to eat again for the rest of the day. But Nico may be hungry after seeing you know what.

Nico: You're right about that. But great job today everyone.

Megan McCalister: Yeah. (To the viewers) This was awesome and fun.

Me: It sure was.

We later went back home and had a good meal at Lynn's Table for Nico and everyone else. Then we went back home and enjoyed the rest of the day and went to sleep.

She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Hawk, along with having angel wings along with having intense grey fire powers. She's known as The Wealthiest of The Sisterhood of The Fists of Fire, as she happens to be from a rich family and she's done many charities to help others in need. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Elena hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Next up is where we destroy Lumpus for good and we're going to make sure that Moose NEVER terrorizes Camp Kidney or Prickley Pines again.

See you all next time.

# REVENGE OF LUMPUS THE BARFBRAIN

Me: Nothing like a little fun at the mall.

Xenia: You said it.

Qin: Yeah I love a good trip to the mall.

Xenia: It's always fun.

Camie: It sure is.

Lola: Yeah I love the mall.

Leni: It's totes fun.

Xenia: Yeah.

Ippei: The malls are always fun.

Camie: Yep.

Nico: Ippei, I want to thank you, Mantis Deadman, and your teams for coming

Ippei: No problem Nico. this will be fun and cool.

Me: You said it.

Catherine Konstantin Eduardovich Tsiolkovsky: (Russian Accent) This will be fun for all of us.

Nico: Catherine, what do you like to do in your free time?

Catherine Konstantin Eduardovich Tsiolkovsky: I like building my own rocket ship designs and it's really cool and fun.

Me: That is awesome.

Catherine Konstantin Eduardovich Tsiolkovsky: Yes my great grandfather did a lot of good things for Russia and really made a huge achievement.

Nicole: That is true. Your great grandfather Konstantin Tsiolkovsky was the man that propelled Russia into the space age by inventing one of the very first rockets.

Catherine Konstantin Eduardovich Tsiolkovsky: That's right.

Me: He would be very proud of you Catherine.

Catherine Konstantin Eduardovich Tsiolkovsky: He sure would.

Nico: Can we go on said rocket ship sometime?

Catherine Konstantin Eduardovich Tsiolkovsky: Sure. Building rockets takes a long time though.

Qin: We got all the time in the world.

Camie: Yeah.

Lola: Yep.

Eli: Boy yesterday was a great mission.

Nico: Yep and the Wet Bandits are back where they belong. In Lynn's Table as Humiliation Fodder.

Qin: Yeah that is for sure.

Nico: We had fun pranking them.

Qin: Boy did we ever!

Xenia: That was so funny.

Lola: Yeah!

Varie: We sure showed them.

Nico: Megan got to see her house again.

Me: Yeah and she and Kevin showed us around.

Lola: It was amazing.

Xenia: Yeah.

Camie: That was cool seeing it.

Varie: It sure was.

Nico: She got to eat in it one last time.

Qin: Yeah she sure did.

Camie: I agree.

Xenia: Yeah. That was fun.

Me: There are still more of the jerks out there.

Lola: Yeah. But we're ready for them.

May: For now, lets enjoy the mall.

Nico: Good idea.

Qin: Yeah.

We walked around and went to our favorite stores and bought jewelry, clothes, games, toys, books, comics and more.

We got bags and bags and bags of stuff.

Nico: Nothing like some good shopping.

Varie: Yeah.

Nico: Oh man. Poor girl.

Me: Her heart is totally shattered. It's just so unfair that her father was taken away from her.

Nico: Oh man.

Me: He did nothing to deserve that.

Nico: I'm sure she'll calm down. Eventually

Me: That dumb motherfucking pissant businessman.

Lola: That monster is the one that TRULY deserves to go to hell! Not her father.

Camie: I agree.

Me: Yeah.

Nico: Who is said monster again?

Me: Well I did some digging and found out that her father killed an evil man named Edward Philippini and to our shock and horror we found out that it was Flip's father!

WE GASPED!

Nico: SAY WHAT!?

He opened his mouth so wide that his skeleton fell out!

Me: Yeah his father owned an evil shady company that the FBI raided years ago and Halinora's father killed him by shooting him in the chest and he claims to have done nothing wrong.

Nico put his skeleton back in.

Nico: I hate it when that happens. But that is bullshit!

Qin: Yeah!

Lola: That monster! Flip's dad cursed Halinora's father to be wrongfully damned!

Camie: YEAH! HE should have been the one that goes to hell! Not Halinora's dad!

Qin: Poor Halinora.

Camie: Yeah.

Lincoln: Even in death that monster and his family just doesn't know how to stop making people suffer!

Qin: Yeah!

Maria: He probably is in Hell anyway.

Brittney: Let me confirm that with the spirits of the Netherworld.

Brittney concentrated and the spirits told her that he is indeed in hell. But he's in the Fourth Circle of Hell, Greed.

Brittney: The Spirits told me he is indeed in hell. But he's in the 4th Circle, Greed.

Me: He should be in the 9th Circle for Treachery.

Nico: Yeah!

Maria: Does it matter? The point is that he's in Hell

Nico: Not at all. He deserves it too.

Lola: Yeah! That turdhead!

Xenia: What a jerk!

Camie: All of Flip's evil family got what they deserved.

Anna Anyanova: I agree too.

Nico: Lets head to the food court for some grub.

Me: Good idea.

We went to the food court.

Nico: What are we gonna have?

Me: Gyro sandwiches.

Nico: Good idea.

We got gyro sandwiches and we were really hungry as we were eating them.

Me: (Eating) Mmm! Delcious.

Nico: (Eating) Yummy.

May ate some.

May: (Eating) Yummy.

Maria ate some.

Maria: (Eating) Yummy and tender.

Sakura Knudson: (Eating) Delicious and yummy.

Lola: Yeah you said it.

Nico: I liked the restaurant Shaggy and Scooby recommended.

Sakura Knudson: Me too.

Me: That was one of the biggest pizzas I've ever seen.

Laney: No kidding! I'm amazed that Shaggy and Scooby ate that whole thing all by themselves.

Lols: No kidding!

Nico: I'll say! But that was delicious.

Me: I liked that restaurant too.

Maria: Me too.

Lincoln: It was tasty.

Nico: That pizza was shared among us

Me: Yeah. That was still a tasty yet big and awesome pizza.

Camie: Boy it sure was.

Qin: Really cheesy.

Lana: But it was delicious.

Varie: Yeah.

We finished eating the gyros and we were full.

Me: Ahh. Boy that was great.

Nico: Yeah great choice.

Me: Yeah. But you know what I'm hungry for if we battle Lumpus?

Nico: What?

Me: Mooseburgers.

---

Nico: Will his antlers get in the way?

Me: I'll yank them off.

Nico: Nice.

Qin: Yeah.

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for a cold nightmare with this one: we got word that May's hypothetical Akuma form has been sighted here.

WE GASPED!

Nico: What?! A hypothetical Akuma form of May?!

Me: WHOA!

May: Who is she?

Lincoln: Her name is 460 Below, and she is a BRUTALLY COLD one. She has ice powers that are intensely strong and she has power over all things cold and is as cold as the darkness of space. She was made when Paul called you the weakest ever girl in existence and it made you REALLY pissed off, and you were turned into 460 Below to freeze Paul and kill him.

WE WERE PISSED OFF! BUT, NONE MORE SO THAN NICO!

Nico: That fucking pissant! How dare he!

Me: Saying that to May is basically asking for a death sentence!

?: If it were up to me, I'd slice him to shreds!

Suddenly, we saw a girl with long orange hair and orange eyes, she has black demon wings, she's dressed in orange clothes, and she has a Keyblade in hand.

Lincoln: (GASPS) Kathryn Klendathu, Keyblade Knight of Klendathu.

Me: (GASPS) The Keyblade Knight of Klendathu?! Oh man!

Nico: So, that planet of bugs has a Keyblade Knight?! Yikes!

Anna Anyanova: But, she's also a powerful ally of Earth, everyone, this is Kathryn Klendathu, Keyblade Knight of Klendathu, she's Lincoln's Guardian Angel from Klendathu and she's a powerful force of epic power to be reckoned with. She was born and raised on Klendathu, and she's a powerful and deadly warrior and she's a powerful master of the bugs and the powers of the weapons of Earth too. She's a member of The Terran Federation and a powerful controller of the bugs of Klendathu and she hates the peace terrorists from Starship Troopers. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of the weapons of Earth and the bugs of Klendathu, and she hates all of Lincoln's enemies with a vengeance.

Eli: So, that means Lincoln also has the powers of the weapons of Earth and The Terran Federation and all of the bugs of Klendathu?!

Lincoln: Yep.

Me: Wow! But we destroyed Klendathu! We blew that entire planet to smithereens. The bugs were a scourge to every living thing out there.

Kathryn Klendathu: I know. And I'm glad you did.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, May's hypothetical Akuma form is here, but we're going to be in for one brutally cold battle with her.

Caleb Maxwell: If she's got more than a few icy surprises for us, I'm gonna have to use some dark fire on her.

Cage Blunt: We're gonna need a lot of fire to deal with her.

Lincoln: Which is why Vanya Volcanic's going to transform and she and I are going to knock her down and send her to Vypra.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for 460 Below) AHA! Gotcha! I just spotted 460 Below, she's 20 yards away and she's looking for Paul.

Nico: No doubt to kill him, but we'll have to let her know that we're his killers.

Lincoln: She won't like that we killed him before she could, but we still got to stop her. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a

blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on 460 Below.

Lucca heard a Pokemon Cry.

Lucca: Look here!

We saw a Talonflame!

Me: Whoa a Talonflame!

Xenia: Cool!

Me: Oh the poor thing is hungry.

We gave it some apples.

Me: There you go.

Talonflame: Ahh thank you.

She ate the apples.

Lucca: There better?

Talonflame: Much better thank you.

Lucca: You're welcome. Want to come with us?

Talonflame: I would be honored.

Me: Awesome.

Nico: You'll be perfect for who we're about to fight.

Talonflame: I know.

Qin: Lets get a move on then.

Nico: Right.

Nico: Follow the trail of cold air

Me: Okay.

We were off.

We were flying through the air, and there we saw our target: 460 Below, The Hypothetical Akuma of May.

Lincoln: There she is. Now, let's give her an icy surprise, I summon Elemental HERO Absolute Zero.

A tornado of ice and snow formed and ELEMENTAL HERO ABSOLUTE ZERO appeared. Then, he and Lincoln fired blasts of ice at 460 Below, and she got hit hard, and we landed as Elemental HERO Absolute Zero vanished.

Nico: Nice one, Lincoln.

May: So, you're…?

460 Below: Yes, I'm your Akuma form made this way by that stupid asshat, Paul.

Nico: You're a little too late, you're looking at his killers: us.

460 Below: So, you all killed him?! I was looking forward to killing him myself!

May: Wow! I look really awesome as an Akuma!

460 Below: And as beautiful as you May. Even though you and I are the same.

May: That is true.

Me: Boy you are BONECHILLING cold! -460˚Fahrenheit is Absolute Zero.

Lisa Loud: Actually minus 459.67˚Fahrenheit is the true Absolute Zero.

Me: Yeah.

Me: This is gonna be good! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS!)

Manaphy: You wouldn't hurt your own daughter, Mama. (Does puppy eyes) Would you?

460 Below: Absolutely not Manaphy. You are too much like my daughter and I love you too much for me to hurt you and I would never hurt Nico because he is my husband.

Nico: That's good.

460 Below: It's Paul that I want.

Me: Later on we'll face him. A Clone if you want and then you can unleash your frozen wrath on him. Sound like a deal?

460 Below: That works just fine.

Nico: Yeah, we took him down but completely forgot to witness him being destroyed!

Me: We put a curse on him and it would kill him in about 6 months. But we forgot to witness that because we were so busy with our mission back then.

460 Below: That sucks.

Me: Yeah.

Xenia: No kidding.

Nico: I can't believe that monster called you the weakest ever girl in existence! (INFURIATED ROAR!) NO ONE TALKS TO MY WIFE THAT WAY AND GETS AWAY WITH IT!

Reggie: Yeah my brother was a REALLY HEARTLESS monster and he deserved what he got.

460 Below: Yeah I agree.

Ash: I HATED PAUL too!

460 Below: I agree too Ash.

Me: Lets see which is stronger. Fire or Ice!

Nico: One of the oldest known battles ever since the beginning of time!

Me: Yep.

460 Below: Yep.

She fired a wave of ice and I fired a blast of fire and the blasts collided and a massive cloud of steam came out.

Qin: WHOA! That is intense!

Talonflame charged at her and fired waves of fire and blasted her.

Me: YEAH!

Sakura Avalon turned into Manas!

Sakura Avalon: MANAS!

Gwen Tennyson: She has an Anodite form. That is cool.

Me: Yep.

Manas fired waves of magic and blasted 460 Below. She used the core medals for Amora, Lego Amora and Yost Amora.

Sunny Tennyson: Lets make this a fun one!

Manas and Sunny: ANODITE MANA BEAMER!

They fired waves of energy and blasted 460 Below!

Thetis turned into Overflow!

Thetis: OVERFLOW!

She fired waves of water and blasted her.

She used the Core Medals for Ice Demon, Snow Ghost and Snowman (Courage the Cowardly Dog)

Number 21: Frozen Lady Justice: Lets make this fun!

Overflow and Number 21: TWENTY ONE ICE WAVES OF DOOM!

They fired waves of ice and blasted her all over.

Right turned into Bob the Blob!

Right: BOB THE BLOB!

Shanan: WHOA! That's a Fuligolian! They come from the planet Fulius and they are slime aliens that are very slimy and stretchy.

Nico: Wow! That is cool!

Xenia: Yeah!

He used the Core Medals for Six Gum Gang, Yost U-Foes and Dark Turtles and fired waves of slime and blasted 460 Below.

B.O.B.: Lets make this a BOB To remember!

B.O.B. and Bob the Blob: BLOB BLAST STORM!

They fired waves of slime and drenched her!

Qin: YUCK!

Gwen Tennyson turned into Heatblast!

Gwen: HEATBLAST!

Ben: You know it's coincidental because this is the first form you did when you got the Omnitrix.

Heatblast: That is coincidental.

Me: Neat.

Gwen fired waves of fire and blasted 460 Below all over.

She used the Core Medals for Mr. Fizz, P.T.O.O.E.Y., and Common Cold.

Ginormica: Lets make this a giant good time.

Heatblast and Ginormica: GIANT HEAT SMASHER!

They fired waves of energy and blasted her.

Vanya Volcanic: Okay, boys, you've had your fun, now it's my turn.

Suddenly, Vanya Volcanic's orange eyes turned neon orange and she was surrounded by an orange, red, and yellow energy aura with stars, fire, flames, lava, magma, phoenixes, and angels, she unholstered her lava sword from her back, and as she approached 460 Below, she left orange, red, and yellow energy, stars, fire, flames, lava, magma, phoenixes, and angels with every step.

Vanya Volcanic: You're already too late, we got rid of Paul two years ago, but we still got to take you down and send you straight to Vypra, hope you're ready to be burned.

Suddenly, Vanya Volcanic was surrounded by a massive vortex of orange, red, and yellow energy with stars, fire, flames, lava, and magma surrounding the vortex, there are phoenixes, angels, and the

Volcanic Monsters flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at 460 Below: the red eyes of judgement.

May: Oh boy, now things are about to get hot!

Nico: Big time.

Lincoln: It's the only way for us to take her down and send her to Vypra.

Then, as soon as the vortex faded, Vanya Volcanic emerged, but she was changed forever.

Vanya Volcanic grew to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large orange, red, and yellow planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long red, neon orange, and orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange, red, and yellow energy aura with stars, fire, flames, lava, magma, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has The Volcanic Monsters emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Star, Lava, Fire, Flame, and Eternity Kanjis in its claws, she also has the Volcanic Duel Monsters with orange gems for eyes and holding the Star, Lava, Fire, Flame, and Eternity Kanjis in their hands for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and orange gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Vanya Volcanic felt a sharp pain on her back, and then, her massive fire angel wings with orange tips on the large feathers grew much larger for her new body and medium sized fire angel wings with orange tips grew and sprouted out underneath her massive red angel wings and she also now has eleven massive and long red wolf tails with orange tips and yellow markings, Vanya Volcanic has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Vanya Volcanic's lava sword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange, red, and yellow energy, stars, fire, flames, lava, magma, phoenixes, and angels, and when it emerged, it was transformed into Vanya Volcanic's Cosmic Eternal Harmony Volcanic Inferno Firestorm Volcanic Duel Monsters Avatar Phoenix God Angel Greatsword of Cosmic Eternal Harmony Volcanic Inferno Firestorm Volcanic Duel Monsters Avatar Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded red and orange gems and the Volcanic Duel Monsters etched on the 7'9" massive, wide, double-edged gold blade, large gold phoenix heads with red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold phoenix heads with red gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with red gems for eyes and orange gem in its mouth for the pommel, Vanya Volcanic has on her brand-new large gold

But, when 460 Below saw it, she fired ice at her to freeze her to death, but Vanya Volcanic fired a massive barrage of orange, red, and yellow energy, stars, fire, flames, lava, magma, phoenixes, and angels and they hit her and she got burned badly.

Lincoln, Vanya Volcanic, Caleb Maxwell, Cage Blunt, Nico, and I went after 460 Below, and we fired extremely powerful blasts of rainbow energy, orange, red, and yellow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at 460 Below and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell and Cage Blunt shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, Cage Blunt, and Caleb Maxwell did with firing black and blood red energy slashes from their gold plated claws, and Lincoln, Vanya Volcanic, Nico, Caleb Maxwell, Cage Blunt, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving 460 Below even more madder than ever.

Suddenly, we heard loud howls in the air, and we saw something heading for us: Lycans.

TLPS Mr. Wolf: What the?! Lycans?! I thought I warned them two years ago that The Vampire-Lycan War was all over when we killed Marius.

TLPS Mr. Wolf fired midnight blue energy blasts at them and killed them as he sucked out all of their energy, but he'd gotten disturbing visions, and they warned of something really big.

TLPS Mr. Wolf: No… , it can't be.

Lincoln fired waves of red fire and ladybugs that hit 460 Below knocking her out and sending her to Vypra. Everyone cheered as we holstered our weapons and we powered down and Vanya Volcanic's new body, clothes, jewelry, eleven massive and long red wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large orange, red, and yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive fire angel wings and medium fire angel wings underneath are permanent.

Nico: That takes care of 460 Below. Now, about those Lycans we just saw.

TLPS Mr. Wolf: Nico, we've got trouble. When I killed those Lycans and sucked out their energy, I'd gotten disturbing visions warning me of something big. It appears that Viktor, the vampire elder and the one who killed Selene's family over 600 years ago, has returned.

WE GASPED!

Eli: But, how? All The Dark Orbs were destroyed! Wait a second, there's another force that also brings villains who died long ago back.

Selene (Underworld): Someone with knowledge of The Dark Arts brought Viktor back from the dead.

?: This isn't good.

Suddenly, we saw a girl with long red hair and green streaks, red eyes, red short-sleeved blouse, brown sleeveless crop top, red skirt with Po Kong on it, The Mountain Trigram on her forehead, green angel wings, orange stockings, red knee-high high-heeled boots with butterfly buckles, and in her hand is a nature greatsword.

Lincoln: (GASPS) Melanie Ying Xiao, Ambassador of Po Kong, The Demon Sorcerer of The Mountain and Master of The Earth of The Golem.

Melanie Ying Xiao: That's right, and I found out who brought him back: it was the dark magic of Morgana Midnight Sparkle.

WE GASPED!

Me: She did this just to piss us off, didn't she?

Lincoln: She did. My vision a month ago confirmed it: next year, The Midnight Princesses are going to return to get revenge on us for driving them out seven years ago. But, come next year on the next Ridonculous Race, all of them will die and be sent to The Black Abyss.

Nico: You said it. So, Lincoln, are you going to introduce us?

But, before he could, Melanie Ying Xiao had her hands on Lincoln's pecs, and she began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to me, this is Melanie Ying Xiao, Ambassador of Po Kong, The Demon Sorcerer of The Mountain and Master of The Earth of The Golem, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the middle child, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Po Kong, The Demon Sorcerer of The Mountain, along with green angel wings, and she also has full fledge mastery over the powers of The Mountains, along with superhuman strength, and she has a massive appetite that rivals that of The Saiyans and Lincoln and his family and she never ever gains weight. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Earth of The Golem. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a nature greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Lewis Travolta with a passion.

Camie: He did something to piss her off, didn't he?

Bai Tza: He tried to trick her into eating a poisoned lasagna dish laced with laxatives, but Lincoln stopped her, and when he told her about it, she forced it down his throat and it ended with him soiling himself.

Lincoln: And right in front of the whole town, and it's so good to see you and Kathryn again, Melanie.

Melanie Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Melanie Ying Xiao and Kathryn Klendathu and he leaned his head down to their right trapezius and he slowly bit them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kathryn Klendathu and Melanie Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and two white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on their necks.

Kathryn Klendathu and Melanie Ying Xiao saw them and they knew they became part of his harem and are among his many future wives, and they kissed on the lips as we cheered.

Nico: Akumatized. Not a good look on you, babe

May: No but you got to admit though that I looked amazing as an Akumatized villain.

Xenia: You sure do.

Me: I agree.

Eli: I wonder if there's an Akuma for me.

Me: We'll find out bro.

Nico: Nice job, Talonflame!

Talonflame: Thanks Nico! That was fun.

Poromon: Want a beer?

Talonflame: No thanks. I drink only gasoline.

Me: EW! That is poison!

Talonflame: (LAUGHS) I'm just kidding. I drink only crab juice.

Me: Oh whew. Scared me there for a second and that's good stuff.

I gave her some.

Talonflame: Ahh thanks.

She drank it.

Talonflame: (Gulping) Ahh! Thanks

Me: Anytime.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Talonflame: The puppy eyes don't work on me there pipsqueak.

Me: Yeah and that stuff is poisonous. Crab juice is better.

Xenia: Yeah.

Nico: But I know where you can get crab juice.

Talonflame: Where?

We look at Mr. Krabs.

Mr. Krabs: Why are you looking at me like that?

Me: Guys we're not going to juice Mr. Krabs. Homer says he knows where to get more crab juice.

Homer: Yeah I buy some off the internet.

Bart: It's true.

Nico: Cool and also I was just kidding. We wouldn't do that to Mr. Krabs.

Me: It was a good one though.

Mr. Krabs: (LAUGHS) Yeah that is true.

Me: Oh guys I just wanted you to know that I made an update to our code.

Nico: What is it?

Me: You know how our code states that we're not allowed to kill kids under the age of 18 right?

Nico: Yeah.

Me: Well I did however managed to find a loophole in it and updated that from there. We can only kill the most EVIL of kids AFTER they have been disowned by their parents.

Nico: But otherwise, we still can't kill them?

Me: Nope. We can only kill them AFTER we get the approval of their parents.

Nico: That works perfectly.

Me: Yep.

Nico: Good. Because I'm still not killing most kids. Like with the Nuggets.

Me: Yeah that whole bullshit virus with Royal Defenders Sebastian.

Sebastian Mendez: I still can't believe that my Royal Defenders self did all that back then.

Me: I know Sebastian.

Nico: That code prevents us from being like all the child killers out there.

Me: Yeah.

Camie: That is a very good code. J.D. told me about it when I joined all of you the first time and that was a good code to make.

Me: It sure is. In my opinion, anyone that kills a child, has no heart and deserves death.

Nico: That is for sure!

May: I can name a few child killers

Me: Me too. And all of them are dead thank goodness.

Qin: I can name a few.

Lola: Same here.

Nico: Yeah. All of us can name a few.

Xenia: Yep.

May: Like Jason Voorhees.

Me: Michael Myers.

Nico: Leatherface.

Eli: Chucky.

Varie: Ghostface

Laney: Freddy Krueger.

Bart: Groundskeeper Willie (Season 7 Episode 6B)

Nico: The list goes on.

Qin: Too long.

Xenia: Yeah.

Camie: And those jerks all died.

Qin: Yep.

Lola: Yeah.

Me: Hey Homer you want to see something funny?

Homer: What?

I blew a dust on him and then he screamed and WAS LITERALLY TURNED INSIDE OUT!

Nico: WHAT THE FUCK!?

May: WHOA!

Qin: What was that!?

Me: My newest power I made. Inside Out Dust. I blow a dust from my hand that has the power to turn you inside out.

Nico: WHOA!

Bart laughed at Homer!

Homer: WHY YOU LITTLE!

Homer tried to strangle him but he was too slippery.

Maria: It really works!

Me: Yep.

Nico: That was cool.

I snapped my fingers and he was back to normal.

Homer: Whew! Thanks.

Me: Sorry Homer. I needed a test subject for this and I got the idea for you from what happened to you in episode 5 of Treehouse of Horror.

Homer: Oh yeah with that fog that turned people inside out.

Nico: That was funny and weird.

Laney: Yeah.

Poromon: It sure was.

Me: Anyway now that I got that out of my system, time for business.

Nico: The Anothers.

Lola: Yep.

Eli: Lets see. (Concentrates) WHOA! We got Another Mantis Deadman, Hurricail, Light Brigade (Looney Tunes), Zinger, Bomb Dimension (Jetman) and Takoyaki Dimension (Jetman).

Me: Nice! So Ippei, Catherine Konstantin Eduardovich Tsiolkovsky, Prime Gwen Stacy, Jenna Jetman, Leona Thundaro and Ameno (Naruto).

Lola: Yep

Xenia: This will be interesting.

Eli: Yeah and I sense that the Anothers minus Mantis Deadman are

2 people.

Lola: Wow!

Nico: There they are!

We saw Another Hurricail, Light Brigade (Looney Tunes), Zinger, Bomb Dimension (Jetman) and Takoyaki Dimension (Jetman)!

Qin: WHOA! I call dibs on the Takoyaki Dimension!

Lola: (LAUGHS)

Nico: Funny.

Another Hurricail: (LAUGHS) (In a girls voice) That's funny!

Another Zinger: (In a girls voice) Yep.

Nico: Those voices!

They reverted back and were the gene-slammers of Crusadermon and Dynasmon!

Nico: (GASP) Claire Alighieri and Dana Dynas!? Whoa!

Claire Alighieri: That's right. Awesome to see you again Nico.

Dana Dynas: You're looking great.

Nico: Thanks.

Me: Wait Claire your last name is Alighieri. Are you related…

Claire Alighieri: That's right. I am the direct descendant of Dante Alighieri and a master of fire, Holy and Demonic Magic and more

Me: Wow!

Xenia: Your ancestor is a great poet.

Me: Yeah and during my battle with Sonoi I recited some of the verses from the Divine Comedy Inferno. "The place where to decend the bank we came Was alpine, and from what was there, moreover, Of such a kind that every eye would shunt it. Such as that ruin is, which in the flank Smoke, on this side of Trent, the Adige, Either by earthquake or by falling stay." Canto XII

Claire Alighieri: Wow that was well done.

Me: Thanks.

Dante Alighieri: And it's good that you are part of my family.

Clarie Alighieri: (GASP) Ancestor! Wow it's great to finally meet you in person.

Dante Alighieri: Same to you Claire.

Me: Looks like you have some catching up to do. By the way girls is the Another Mantis Deadman friendly or hostile?

Dana Dynas: Friendly and she is a powerful one.

Qin: Nice.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Me: Yep.

Maria: (Turns Dial) PUMPKIN LAUGHTER FORCE!

She summoned Jack O Lantern, April Fool, Beer Fairy & Her Poromon, FLAMETHROWER FLATULENCE, Squidward Primed to Explode and Dan Backslide.

Me: Yeah!

Nico: And now, we wait.

Me: Yeah.

Claire Alighieri: Do you know other verses J.D.?

Me: I sure do. "O Simon Magus, O forlorn disciples, Ye who the things of God, which ought to be The brides of holiness, rapaciously. For silver and for gold do prostitute, Now it behoves for you the trumpet sound, Because in this third Bolgia ye abide." Canto XIX

Claire Alighieri: The Simonists. That is well said.

Xenia: Wow.

Me: The third Bolgia in Fraud was mostly for the Simonists. Those are people like Pope Nicholas III who lived back in the 13th Century and he did Simony, the ecclesiastical crime of paying for offices or positions in the hierarchy of a church. In Dante's story, the Simoniacs are placed head-first in holes, flames burning on the soles of their feet (Canto XIX). Nicholas was the chief sinner in these pits, which is demonstrated by the height of the flames on his feet. At first he mistakes Dante for Pope Boniface VIII. When the confusion is cleared up, Nicholas informs Dante that he foresees the damnation (for simony) not only of Boniface VIII, but also Clement V, an even more corrupt pope.

Nico: Yeah.

Me: That was scary to see.

Dante Alighieri: It sure was.

Xenia: Yeah.

Taro: Sonoi would be proud.

Claire Alighieri: He sure would.

Me: Yep. Sonoi recites lines of poetry or Haiku and I used lines from Dante Alighieri's Inferno as I was battling him.

Claire Alighieri: That is amazing. So in a way it was like a battle of poetry.

Me: Yes it was.

Nico: Just ask Dante.

Dante Alighieri: It's true.

Claire Alighieri: I have so much to ask you ancestor.

Dante Alighieri: I can tell you do.

Me: You guys have a nice talk. We got the Another to deal with.

Nico: Yeah.

Me: Nico when we get home I got to talk to Halinora.

Lincoln: Yeah we tried talking to her but she keeps on crying.

Me: Oh man.

Nico: Okay.

Me: There's the Another!

We saw ANOTHER MANTIS DEADMAN!

Nico: There you are.

Lola: Oh boy.

Another Mantis Deadman: (In a girls voice) (British Accent) This will be cool.

Nico: (GASP) That voice!

She reverted back and it was the gene-slammer of Sorcerymon!

Nico: Reggie Gandalf!

Me: Whoa.

Harry Potter: (British Accent) You mean THE Reggie Gandalf, the Immortal Queen of Hogwarts that is said to be 100,000 times more powerful than Voldemort?

Reggie Gandalf: That's right Harry.

Nico: Awesome to see you again Reggie.

Me: And an honor.

Qin: I take it you heard about the battles we had with Voldemort and his monster followers?

Reggie Gandalf: I sure did and I am so proud of all of you for getting rid of him.

Me: That genocidal racist had it coming.

Lola: Yeah.

Xenia: They sure did.

Me: How long have you lived if I might ask?

Reggie Gandalf: I've been around ever since 6,000 B.C.

All of us: WOW!

Me: That's over 8,000 years!

Xenia: That's incredible!

Me: Yeah. So the Wizarding World has been around since the Biblical and Egyptian Times.

Reggie Gandalf: That's right.

Me: And during the time of King Menes, the Founder of Egypt back in 3150 B.C.

Eli: That's right around the time I was born.

Reggie Gandalf: Yeah. Also I have the powers of the undead and can also make mantis spirits of the Petronas.

Me: Wow!

Mantis Deadman: That is fitting for you and for me too.

Xenia: Yep.

Kaito: (gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead

Kaito got an RPM Sword and Zocks got a Jungle Fury Sword.

Reggie Gandalf: No he didn't because I threatened to turn him into a chicken if he didn't let me go and he did so.

Me: (LAUGHS) Ed would love having Swartz as a prisoner if that were to happen and he loves chickens.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

WE LAUGHED!

Reggie Gandalf: (LAUGHS) I can see he loves chickens.

Qin: Yeah.

Sougo: (gets out RPM Ridewatch) J.D. can relate to you.

Geiz: (Gets out Jungle Fury Ridewatch) He's immortal too.

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor

Me: It's true. I've lived for thousands of years and it was an amazing adventure and journey.

Lincoln: Yep. All of us are immortal now.

Nico: Yep.

Reggie Gandalf: That is amazing.

Me: Yep.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it!

Nico: (Gets out Mantis Deadman's ridewatch) Feel the power of a mantis!

May: (Gets out Light Brigade (Looney Tunes) Ridewatch) CHARGE OF THE LIGHT BRIGADE!

Maria: (Gets out Bomb Dimension's Ridewatch) BOMBS AWAY!

Catherine Tsiolkovsky: (Gets out Hurricail's Ridewatch) TIME FOR THESE WINDS TO BLOW!

They used the powers of Mantis Deadman, Hurricail, Light Brigade (Looney Tunes), Zinger, Bomb Dimension (Jetman) and Takoyaki Dimension (Jetman) and blasted the Another all over!

Wuya, Naturon Shenron, Dragonfly, Metamorphosis, Universe 666 Bio Broly, Muscle Krabs, Crocomire, Pet Dopant, Number Dopant, Yost Rhino, Raizen, Zombie Dopant and Infection Dopant came.

Me: Whoa!

Nico: Awesome team Wuya!

Wuya: Thanks Nico. This is gonna be fun.

Me: So Saiyan Pride time!

Nico: Yeah!

Gine: And my team up next.

Nico: It sure is.

?: This will be awesome!

We saw MEGAKABUTERIMON COME!

Me: Whoa! MegaKabuterimon!

Qin: Wow!

MegaKabuterimon: (In a girls voice) This is gonna be cool!

Nico: Aaliyah Kabuteri!? Whoa!

She reverted back and was a girl with purple hair, purple eyes, purple clothes and had purple angel wings and had the Crest of Knowledge in the Middle of her forehead and MegaKabuterimon on her skirt and shirt and had a lightning sword in her hand.

Aaliyah Kabuteri: Awesome to see you again Nico. I got this. (ECHOING) HORN BUSTER!

She fired a blast of lightning energy from her hand and it hit the Another and blasted him into nothing and I caught the ridewatch and purified it!

Qin: WHOA!

Izzy: Prodigious!

Tentomon: You said it!

Me: Yeah! Do you have a favorite memory of Nico?

Aaliyah Kabuteri: I sure do. When me and Nico were working on a quantum physics equation for solving the Tachyon particle mass.

Me: Wow that is very complex.

Lisa Loud: But that is a very impressive equation.

Nico: Yep. Aaliyah is a genius too. She has a high IQ of 500.

Me: Wow! That is impressive.

Xenia: I'll say.

Nico: Yep.

Nico and Aaliyah hugged.

Nico: I've missed you.

Aaliyah Kabuteri: Same here Nico.

We later went back home.

CHINESE MUSIC PLAYS

We then saw a Swan made of grey flame fly through the skies.

Lincoln: The swan made of grey flame, she's here.

Lincoln: (GASPS) Elena Huihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swan.

Elena Huihuo: That's right, and I got the eight girls away, but that vampire's on his way now.

?: You will all pay for ruining my plans to cleanse the world!

Suddenly, Travis Tackett went at Simon Pure and he bit him and drained him dry of blood and he gained his Immortality, Superhuman speed, Superhuman agility, Superhuman strength, Combat prowess, and Swordsmanship. When Travis was done, Simon Pure was dead and his spirit was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for you, Simon Pure, your genocidal crusade ends here. (To Elena Huihuo) And it's so good to see you again, Elena.

Elena Huihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Elena Huihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Elena Huihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Elena Huihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Elena Huihuo and hugged her, and Elena Huihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really

become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elena Huihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a

diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Elena Huihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swan, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Hawk, along with having angel wings along with having intense grey fire powers. She's known as The Wealthiest of The Sisterhood of The Fists of Fire, as she happens to be from a rich family and she's done many charities to help others in need. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Elena hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Me: I was laughing my butt off when they did that to him, it was so hilarious.

Nico: I got to see that one day, what Selene told us, it's got to be really really hilarious.

Lincoln: Trust me, you're going to laugh your butt off when you see it, and now that you're here, Elena.

Lincoln leaned his head down the right side of Elena Huihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Elena Huihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elena Huihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Elena Huihuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elena Huihuo.

Elena Huihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Elena Huihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Elena Huihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Chizuru, Megu, Minori, Natsumi Kusunoki, and Yui from Kiss Hug.

Lincoln: Oh wow, it's Chizuru, Megu, Minori, Natsumi Kusunoki, and Yui from Kiss Hug.

Nicole: Thank goodness Elena got the girls away from that vampire.

Lincoln: Before he could feed on them. Are you girls okay?

Chizuru: Yes, we're okay, thanks to you.

Then, when Chizuru and the other four girls saw who saved them from Simon Pure, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and Chizuru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he

gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chizuru: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chizuru, Megu, Minori, Natsumi Kusunoki, and Yui with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Simon Pure, a vampire and one of Spawn's enemies.

But, when Lincoln showed what we did in beating that vampire down, and finally, Travis Tackett draining him dry of blood and acquiring all of his powers and sending him to The Black Gates forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Elena Huihuo have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another of Spawn's enemies was sighted in Kentucky?!

Lincoln: Yep, but we took care of him for good.

Nico: However, we need to watch it, more of Spawn's enemies are still out there and in Hell as well.

Me: But, we're more than ready for them if they show their ugly faces.

After Lincoln and all of us beat down and killed Simon Pure, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elena Huihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elena Huihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Elena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Elena Huihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Elena Huihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Travis Tackett: (Groans) Oh man, I think I made a huge mistake draining that monster dry of blood, I feel something about to happen.

Suddenly, Travis Tackett was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes. Then, when the vortex faded, he emerged and was changed forever.

Travis Tackett grew to 9'5" in height, he now had massive and powerful muscles and ten-pack abs, he has on weighted gold braces on his massive biceps and thighs, he now has fifteen large black and red planets orbiting around his legs and fifteen smaller black and red planets orbiting around his waist, he has blood red highlights in the bangs of his long blonde hair going down to the upper part of his back with blood red phoenix fire ombre streaks on the back of his hair and on the two strands of hair in front of his face and he has a large gold halo in the center with golden angel wings on the bottom side and four large orbiting gold rings on each corner behind his head, he has neon blood red eyes and a black and blood red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a black and red vampire bat emblazoned on his forehead and Third Eye with red iris, he has on vampire bat earrings with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its claws, he has on a Crystal Necklace of The Buddha with blood red gems in the black crescent moon links and blood red crystal links and black vampire bat-shaped Element of Harmony and on the bottom of The Element of Harmony is a vampire bat with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its claws for the pendant. Travis Tackett has on a new outfit: a long-sleeved black shirt, black vest, black pants, black knee-high boots with vampire bats for the buckles, long black leather trench duster coat with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels and on the back is a red cross with a vampire bat in the center of the cross and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blood red gem with neon glowing blood red lights equipped with recognition of him and fits an infinite number of items and components for his Miraculous, Familiars, and Bakugan to rest in. Suddenly, Travis Tackett felt a sharp pain on his wider and muscular back, and then, massive black angel wings with blood red tips on the feathers grew and sprouted out of his back with a wingspan reaching 20'0" and medium sized black angel wings with blood red tips grew and sprouted out underneath with a wingspan reaching 15'0" and then, another set of black angel wings with blood red tips grew and sprouted out underneath his medium sized black angel wings with a wingspan reaching 10'0", and his long dark brown tail grew larger and longer, Cage Blunt has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left finger and Stone of Gelel embedded in his left hand, and he has on black fingerless gloves with a blood red phoenix, blood red dragon, blood red angel, and blood red skull on them and he has gold-plated armor on his fingers and gold dragon claws covering his fingers and smaller planets orbiting around his fingers like rings.

Suddenly, Travis Tackett had gained the same weapons as us, but then, the weapons began to merge together and they were surrounded by a kaleidoscope of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels, and when it emerged, it was transformed into Travis Tackett's Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Vampire True Immortal Phoenix God Angel Greatsword of Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Vampire True Immortal Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and red cross etched on the 8'0" massive, wide, double-edged midnight blade, large black vampire bat heads with blood red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large black vampire bat heads with blood red gems for eyes and on the bottom of the large black vampire bat heads is a large black vampire bat head with blood red gems for eyes and blood red gem in its mouth for the pommel, and he also gained the same pistols as Caleb Maxwell holstered on his hips, Travis Tackett has on his new large gold Bracers of The Champions of The Universe with blood red gems on his arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with gold vampire bat head with blood red gems for eyes and blood red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. Travis Tackett has transformed into SUPER ANGEL-VAMPIRE-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS VAMPIRE PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS VAMPIRE PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL HARMONY UNIVERSAL DEMONIC SHADOW BLOODY DARKNESS VAMPIRE PHOENIX GOD ANGEL HOPE!

Nico: HOLY CRAP!

We made a mirror and when Travis saw it, he was stunned.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) No way, did I transform just like Cage? This is so awesome.

Travis Tackett powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, Third Eye, longer tail, and massive black angel wings and medium black angel wings and small black angel wings underneath his massive black angel wings are permanent.

Caleb Maxwell: And I got a little surprise for Lincoln.

Caleb Maxwell summoned a powerful cage from darkness and inside it was TYRANT, GALACTUS' FORMER CREATION!

Nico: What the?! You captured Tyrant, Galactus' former creation and archenemy?!

Me: Caleb, I had no idea you were crazy, you know how dangerous he is.

Caleb Maxwell: I know, but I wasn't going to let him get away with his crimes. So, Lincoln's going to absorb him and remove another future dangerous threat.

Lincoln grew to Tyrant's size and he turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger that opened up and he latched it onto Tyrant's head and he sucked him into his body and absorbed him and he assimilated Tyrant's Cosmic Energy Manipulation, God-like Strength, Invulnerability, Eye beams, Energy Blasts, Energy Absorption, Matter Manipulation, Technopathy and technomorphing, and Arsenal of weaponry collected over thousands of years, and Lincoln shrank back to 9'3" and went back to working out.

Lincoln: I don't care for crazy, but Caleb just helped to remove another future dangerous threat, and I can guess he used the black magic spellbook he got from The Platypus Brothers after he punched Cheesly in the face.

Travis Tackett: We told him not to use it, but he chose to do it.

Nico: Sheesh.

Hunter: (German Accent) Caleb, you sure are wild, but your heart was always in the right place.

Caleb Maxwell: That's right.

We got a shower, and then, Lincoln, Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Bridget the Baker: Whoa, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Bridget, and it's perfect for our first date, shall we?

Lincoln, Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup and they hugged the girls in their abnormally massive and powerful muscular arms and Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup are in your harem, Linky.

Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Bridget the Baker, Vanessa, Jamie T., Amp, Queen Meralda, and Captain Syrup, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch Walter Peck and throw him back in Lynn's Table, throw Lumpus back in prison, and give Margie The Black Abyss.

After Lincoln came back from his date, Sherlock Hound is heading back to Pentagram City, and he's going to recruit Charlie's dad, Lucifer Morningstar, The Fallen Angel and Ruler of Hell, to Team Loud Phoenix Storm.

The portal opened, and Sherlock Hound stepped out and was back in Pentagram City.

Sherlock Hound: (British Accent) So, we're back in Pentagram City to recruit Charlie Morningstar's father, Lucifer Morningstar, The Fallen Angel and Ruler of Hell, to Team Loud Phoenix Storm, and from what Charlie told us, this is one version of Lucifer we can get along with.

Sherlock Hound walked to a palace, and there he saw who was sent to recruit: Lucifer Morningstar, The Fallen Angel and Ruler of Hell and Charlie Morningstar's father.

Sherlock Hound: (British Accent) Ah, Lucifer Morningstar, how do you do?

Lucifer Morningstar: Ah, Sherlock Hound, great to see you here again. So, you're here to recruit me to Team Loud Phoenix Storm, right?

Sherlock Hound: (British Accent) Yes, that is correct, but I can tell there's something else that is on your mind: the threat of The Yearly Extermination, and Adam is coming here. What's say we take him down and end him for good along with ending The Extermination?

Lucifer Morningstar: That's just what I was about to say. Let's go.

Sherlock Hound and Lucifer Morningstar then teleported to the Hazbin Hotel where everyone was just about to get ready for battle. Then, the last grain of sand in the hourglass finally fell in, and then, the portal to Heaven opened, and Adam, along with his lieutenant, Lute, and the Exorcists came through to fulfill The Yearly Extermination, and he was coming for the hotel.

Sherlock Hound: (British Accent) So, you finally arrived, Adam. Well, allow me to deliver unto you your punishment courtesy of Hell itself.

Suddenly, Sherlock Hound's blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with blood red nebulae, stars, darkness, dark magic, black magic, demonic darkness, demons, devils, demon dogs, phoenixes, and angels surrounding him, he unholstered his massive Sherlock Hound's Cosmic Eternal Demonic Dark Knight Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Greatsword of Cosmic Eternal Demonic Dark Knight Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Justice from his back, and as he approached Adam and Lute, he left black and blood red energy, blood red nebulae, stars, darkness, dark magic, black magic, demonic darkness, demons, demon dogs, devils, phoenixes, and angels with every step.

Sherlock Hound: (British Accent) For eons, you've gotten away with mercilessly slaughtering the demons with The Yearly Extermination, and on top of that, you are far from a heavenly figure, you are just as wicked and evil as the devils and demons I've killed. This is unforgiveable, and now, it's time for you to receive your punishment: eons of pain and suffering you've dealt unto others, and Sera and

Emily knew this from Charlie and myself, so consider yourself dead.

Suddenly, Sherlock Hound was surrounded by a massive vortex of black and blood red energy with red nebulae, stars, darkness, dark magic, black magic, and demonic darkness surrounding the vortex, there are demons, devils, demon dogs, phoenixes, and angels around the vortex, and inside the vortex is a blood red phoenix with blood red eyes glaring at Universe 666 Alucard: the red eyes of eternal death.

Alastor: Oh dear, looks like the nightmare's about to begin.

Just then, Carmilla Carmine and Zestial appeared as well.

Carmilla Carmine: So, this is it: Sparda's wrath within the detective is about to be unleashed.

Zestial: T'was a long time coming for Adam, soon, he will face the twilight wrath of Heaven and Hell.

Then, as the vortex faded, Sherlock Hound emerged, but he was changed forever.

When Adam and Lute saw it, they charged at Sherlock Hound and Adam fired beams of light to kill him, but Sherlock Hound summoned dark tendrils that deflected the beams of light and he fired a massive barrage of black and blood red energy, blood red and black nebulae, stars, darkness, demonic darkness, demon dogs, demons, devils, phoenixes, and angels at them, but Adam dodged them, but they hit Lute and knocked her out of the sky and he chained her up with dark energy chains.

Sherlock Hound: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel Compassion) (British Accent) I've knocked down your lieutenant, but you dodged my attack, Adam. Oh well, it won't stop me from killing you.

Suddenly, a demonic red full moon appeared in Pentagram City and it started raining blood.

Husk: Demonic red full moon and rain showers of blood. Oh, it's showtime alright.

Then, Sherlock Hound went after Adam, and he fired extremely powerful blasts of black and blood red energy, blood red and black nebulae, stars, darkness, demonic darkness, demon dogs, demons, devils, phoenixes, and angels at Universe 666 Alucard, and they exploded with incredible power as they hit him. Then, he attacked him with his new massive demonic greatsword leaving bleeding scars on him, and he summoned The Hound of The Baskervilles who viciously attacked him.

Then, Charlie joined in along with Lucifer who spread his six massive white angel wings and they both blasted him with fire and Lucifer sent him flying away. But, then, Adam went charging at Lucifer and was laughing maniacally, but Charlie blocked his fist.

Adam: Whoa, wait, what the fuck?!

Then, Lucifer Morningstar backhanded him and sent him flying into the ground which formed into a crater and his mask was shattered showing his true face. But, the denizens and Sherlock Hound also saw Lucifer Morningstar transform into his true demonic form as he displays a pair of red horns with an orb of fire between them and thin crown resembling a snake with an apple above his hat, his eyes also changed to red sclera with yellow pupils, a black tail with spikes that ends in a triangular tip with a red heart at the center, also formed, and eyes also appeared on the inside his coattails, and a similar eye also appears on his bowtie, and he was pissed.

Lucifer Morningstar: (Demonic Voice) You come at ME… and my DAUGHTER! Don't forget, YOU'RE IN MY HOUSE, BITCH!

Then, Lucifer Morningstar pulverized him with fiery punches, and instead of dealing a final blow, he stopped himself and got out of the crater with Charlie leaving Adam wounded and bloodied, but he slowly got up and he broke down and lost it.

Adam (Hazbin Hotel): No… you don't get to end this! I'm fucking Adam! I'm the fucking man, and you're just some fucking clown or something. I started everything on Earth! All of mankind came from these fucking nuts! You all should be worshipping me, you ungrateful, disgusting, fucking losers!

Sherlock Hound ran at Adam and stabbed him hard in the chest with his massive greatsword and that caused Adam to bleed out and die for good, and his soul was devoured by Sherlock Hound's massive greatsword and sent to The Black Abyss for good.

Vaggie: Whoa!

Sherlock Hound holstered his massive greatsword and powered down and Sherlock Hound's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, twelve large black and blood red planets orbiting around his legs, and massive midnight black angel wings, medium sized midnight black angel wings, and smaller midnight black angel wings underneath are permanent.

Lute went mad and ran to Adam's dead body, but nothing.

Lute: ADAM!

Charlie Morningstar: It's over, Lute.

Sherlock Hound: (British Accent) Shall we say it together?

Lucifer Morningstar: Gladly.

Sherlock Hound and Lucifer Morningstar loomed over Lute who was still horrified by what happened to Adam.

Sherlock Hound and Lucifer Morningstar: Take your friends and (DEMONIC VOICES) GO HOME!

Suddenly, two angels descended, they were Sera and Emily.

Sera: Actually, there is no need for that one, Sherlock Hound. Lute, because of what we've witnessed from Sherlock Hound, you are no longer allowed in Heaven ever again, and The Yearly Exterminations are hereby over, The Exorcists are hereby disbanded.

Lute: YOU CAN'T DO THIS!

Sherlock Hound: (British Accent) She is a higher up: a Seraphim Angel, so her word is final. Now, to make sure you don't do any sort of damage.

Sherlock Hound locked her up in a Containment Card and sent her to Vypra with a warning to watch her carefully as she's now dangerously unhinged and dangerous after what he did to Adam.

Sera: As promised, The Yearly Exterminations are over.

Emily: I did say that help would come, Charlie.

Charlie Morningstar: It arrived earlier than ever thanks to the team.

Sera and Emily went back to Heaven.

Vaggie: We stopped Adam, but thanks to him, the hotel's in ruins.

Lucifer Morningstar: Not for long.

Lucifer Morningstar used his magic to repair the place, and everyone got to work and repaired the entire hotel and undid the damage, and the hotel became even more amazing than ever through the song "The Show Must Go On", and as an added surprise, Lucifer brought The Hazbin Hotel to Earth as Sherlock Hound came back home with Lucifer Morningstar and the others.

Me: We just saw the whole thing!

Nico: No fooling, that was seriously one epic battle you all fought.

Charlie Morningstar: And after Sherlock Hound killed Adam, Sera and Emily appeared and they kicked Lute out of Heaven forever and they disbanded The Exorcists forever, and he sent Lute to Vypra inside a containment card.

Vaggie: Plus, hope you guys don't mind us bringing The Hazbin Hotel to Earth.

Lincoln: Not at all.

Lucifer Morningstar: So, this is where we're staying on Earth.

Charlie Morningstar: You don't mind, Dad?

Lucifer hugged Charlie.

Lucifer Morningstar: Not at all, Charlie. You changed my mind and saw the good in the souls of those gone bad.

Nico: And after what we heard about you from Charlie, welcome to the team, Lucifer.

We welcome Lucifer Morningstar to Team Loud Phoenix Storm and we now have The Hazbin Hotel here on Earth.

Later it was time for Lynn, Minuette and Cammy's first Ambassador mission.

Varie: Yeah. We have a lot to talk about. Can you show us the base?

Gai Kurenai: Sure.

We were off to VTL HQ

We arrived.

Varie: VTL HQ.

Me: Yeah.

Ophelia Orb: How have things been since we saw each other last Gai?

Gai: Busy as always.

Varie: Yeah we can see that.

Me: Varie how did you meet Gai and the Orb team?

Varie: It was 3 months before you moved to Michigan. Back in 2016 I helped the Orb team with some of their battles. I helped them take down their number one archnemesis, Jugglus Juggler.

Eli: WHOA! I remember seeing him. He was dangerous.

Varie: Yeah. But he was no pushover. But he is very qualified to be in the Masters of Evil.

Nico: Really? Wow.

Me: What can you tell us about him Varie?

Varie: Well he is a dangerous guy but like I said he is redeemed. Perfect for the Redemption Squad and the M.O.E.

She went over his history.

Jugglus Juggler (ジャグラスジャグラー Jagurasu Jagurā) is a major character in Ultra Series. He is the former main antagonist turned anti-hero of Ultraman Orb and its prequel, Ultraman Orb: The Origin Saga, and later a supporting protagonist in Ultraman Orb The Movie: Lend Me The Power of Bonds!, Ultraman Geed The Movie: Connect The Wishes!, and Ultraman Z.

He is a warrior hailed from a race of human-like alien (a race plausibly different to that of his rival Gai Kurenai) hailed from the planet O-50 who possessed the ability to assume the demonic form clad in copper armor. He uses the Dark Ring and the Kaiju Cards to try to awaken all the King Demon Beasts from their slumber and collect their respective cards as well as aimed to outperform his rival and former bitter enemy Gai Kurenai aka. Ultraman Orb.

Gai and Juggler's rivalry was stemmed from the day the light of

O-50 chose Gai and transformed him into Ultraman Orb, from which Juggler's bitterness eventually got the better of him and he descended into evil. As such, Juggler's initial plans to revive the Demon King Beasts stems from his deep-rooted disapproval of what happened back on his homeworld. But following the realization that he never fell into the darkness farther than he believed, Juggler decided to continue his quest to outperform his rival where this time, with less heinous methods.

In Ultraman Z, he returns under the alias Shota Hebikura, the captain of STORAGE.

In the prequel to Ultraman Orb, it is revealed that Juggler and Gai Kurenai were both originally native to the Planet O-50 were they constantly competed to see who would be worthy of wielding the planet's light and transforming into a hero. Since it was proven in many ocasions that Juggler was seemingly the strongest of the duo, Gai believed Jugglus would be a good choice for the light. The day they both reached the top of Warrior's Summit, Juggler placed his hands on the ring of light but was rejected by the light.

However, when Gai places his hands, he is granted the Orb Calibur and the hability to become Ultraman Orb. Gai and Juggler then used the Orb Calibur to get off O-50 and went to Planet Rurin, which was under attack by an insectoid kaiju known as Bezelb. Gai and Juggler met a child whose parents were killed by the beast's Kugutsu venom. Gai let Jugglus take care of the child while he himself assumed his Orb form and confronted Bezelb directly, but Orb was still inexperienced as a fighter and was beaten the first time. Later on, Gai, Juggler and the child escaped from Bezelb and found more people on the planet, but Bezelb returned. This time, Gai took Juggler's advice early on and killed the Bezelb with his Origium Ray. Juggler and Gai then left the planet after an encounter with a Kugutsu-infected Bemstar. When they were flying through space, they saw the Bemstar again, trying to absorb a ship piloted by Micott and Rica into its stomach. Defeating the monster, the group join forces to go to Planet Zain, where the Bezelb nest was.

Upon arriving at Psychi's base, Juggler held off several Bezelbs so the guardswomen can rescue their captain Shinra and in turn, saved by the captain from Kugutsu infection with a seed from Planet

Kanon's Tree of Life. Gai then joined late with his senior Asuka afterwards, but their journey back to Planet Kanon was delayed due to Psychi sabotaging their spacecraft.

Juggler soon join forces with Kanon defense alongside Orb, Dyna and Cosmos against the Bezelb invasion. During the battle, Juggler provided Orb with the seed of the Tree of Life to save the War God. Unfortunately, as he did, Micott was unceremoniously killed by a Bezelb, traumatizing him enough to awaken his copper armor-clad Majin form. Disillusioned by the very circumstances that awakened this dark power, he destroyed the Tree of Life both to save Amate and out of belief that the tree is a devil. As a result, he was branded as a threat by Planet Kanon and his afromentioned action deemed questionable by his Ultra allies, prompting him to abandon Gai and denounced his support for him.

Despite the fallout between him and Gai, and his newfound goal to surpass Ultra Warriors, he still fight against Bezelb army and saved Gai on multiple occasions. Throughout that time, he found consolation from Fujimiya aka. Ultraman Agul just as Gai being consoled by Gamu aka. Ultraman Gaia. After Psyqueen, the true mastermind of Bezelb Arky invasion, was defeated, Juggler quietly left the scene, and was last seen in Gai's vision on the Warrior's Peak of O-50.

After the events of O-50, Jugglus Juggler flew across the galaxy in search of a greater power, leading him to believe that darkness was more powerful than light. The two would occassionally cross-path with each other which resulted in heated confrontations. Whereas Gai went on his next quest as Ultraman Orb; to gather four elemental powers for Orbcalibur, Juggler honed his skills through participating in various wars and battles across the galaxy, and became a mercenary. At one point, he ended up imprisoned at Prison Planet 484, but managed to escape with aid of Biranki.

Following their escape, the two stole the Super Polymerized Gold Capsule to create the Balloonga Bomb, a Doomsday weapon that can create a black hole that will destroy an entire galaxy. Juggler and Biranki then waited for Gai who went on his way to stop him. As Biranki kept his rival busy, Juggler activated the bomb only for Gai's companion, a young former thief named Shorty, gave his life to defuse the bomb. He and Biranki eventually captured again after the former severely beated by Gai where this time, the two are imprisoned within separated cells to prevent them from joining forces.

However, Juggler managed to escape his captors. Following Gai back to their home planet O-50, he saw how the Light of Orb granted his rival Orb Ring, which granted him the the access for combined powers of other Ultra Warriors. Slamming his fists into the ground, the area around him was covered by a shadow from a ring of light, at which Orb Ring's dark counterpart, Dark Ring, appears before Juggler. Finally gaining an artifact of power of his own, Juggler set out for Earth to chase his rival.

Learning about Gai's current mission, which was to prevent the awakening of original King Demon Beast Maga-Orochi, Juggler made it his mission to revive the dark extraterrestrial being starting from releasing its six extensions that imprisoned by Ultra Warriors. Seizing control over Magacism Cult (a cult that praises King Demon Beast of Darkness Magatanothor), he posed as a mummy hlike leader under the alias Nuru Ra Hotep. Acquiring the card of Dodongo, a kaiju that Orb just've defeated by having Dark Ring extracted what had left of its essence from its corpse, Juggler utilized the card to release Magatanothor from its seal. After Orb defeated Magatanothor and acquired Ultra Fusion Card of Ultraman Tiga, he collected the King Demon Beast's card while undisguising himself and left for the next King Demon Beast, Maga-Zetton.

During his search for Maga-Zetton, Juggler saw Gai forming a close bond with a human girl named Natasha Romanová from within the shadows. After collecting the cards of Kingsaurus II, C.O.V. and Pris-Ma from their defeats at the hands of Orb, Juggler awakened Maga-Zetton through his Dark Ring. Watching the battle between Orb and Maga-Zetton, in an unexpected act of kindness (something which Juggler himself failed to comprehend due to him repressed the remainder of goodness in his heart for so long), he rushed in to save Natasha with his Majin Form, but the two severely injured by Maga-Zetton's destructive blast that also injured Orb. As Orb atomized Maga-Zetton in his grief which resulted his Orbcalibur disappears on his hands and causing what later known as Great

Explosion of Rusakla, Juggler revived Natasha far from the blast's ground zero, but immediately left out of confusion over what he had done.

In the 1950s, Juggler met Biranki again, whom has escaped from her own prison and chased him to Earth as well as calling down Hungler to seek out and battle Gai. However, Biranki eventually defeated and saved by Juggler. Not wanting her companion, Juggler knocked Biranki out by giving her a drugged coffee and sent her away to a distant planet with a note telling her to not follow him.

In the events of Ultraman Orb, Juggler released all the remaining King Demon Beasts, Maga-Basser, Maga-Jappa, Maga-Grand King, and Maga-Pandon, taking their respective cards after their defeats just as Gai acquires Ultra Fusion Cards out of remaining lights in their seals. When releasing Maga-Basser and Maga-Grand King, he crossed paths with Naomi, unaware that she was the very descendant of Natasha herself. Once all King Demon Beasts are defeated, he proposed an alliance to Planet Invasion Union, a group of evil aliens who conspired against Earth only for them backstabbing each other with only Juggler and Tarude (the member of the evil organization who happened to be absent during their violent fallout) survives and the former gained Ultraman Belial's Ultra Fusion Card.

Revealing his survival to Gai, Juggler revealed his grand scheme to summon Maga-Orochi, the progenitor of the fallen King Demon Beasts. Utilising all six King Demon Beast cards in conjunction with Ultraman Belial's card on Maga-Orochi's dormant form, he was managed to summon the original King Demon Beast, before watching it wreaking havoc before meeting an opposition in form of Ultraman Orb. However, Maga-Orochi was too powerful for Orb to handle, and eventually defeated. Seeing Gai's unconscious form, Juggler takes the opportunity to steal his Ultra Fusion Cards, all while laughing maniacally as he revels in his victory.

Although, the tide soon turned thanks to the help of Princess Tamayura, who gives both Zoffy Card and Belial Card which allow Gai to access his Thunder Breastar form to defeat Maga-Orochi in the second battle. Despite utterly dismayed by its defeat, he nevertheless expressed his awe upon seeing how Orb in his

Thunder Breastar form immediately reduced into a mindless berserker despite being able to focused his rage upon the original King Demon Beast (which was odd as Belial, the fallen Ultra who serves as dark component of the said form was never a berserker) before returned Gai his Ultra Fusion Card Holder and walked off, telling that the two of them are no longer different.

Having expecting Gai's arrival in Rusalka not long after him accidently hurted Naomi (who is possessed by a Galactron) in his out-of-control Thunder Breastar form, Juggler saw that Gai was still traumatized by Natasha's alleged death which worsened by Naomi's injuries. The two have a brief fight before assuming his Zeppandon form via. use of Maga-Orochi's severed tail along with Zetton and Pandon's cards with Dark Ring. He attempted to coerce his rival into darkness but failed miserably when he escaped. Juggler then made another attempt by threatening Naomi and takes his time question her opinion about Orb only for Gai spirited her away before he could lay a finger on her.

On the next day, Juggler turns into his Zeppandon form for another challenge against Gai. He almost defeated Orb's Thunder Breastar form while repeatedly taunts the Ultra, reminding that the loss of his public image cause him to have nothing left to protect. However, this ultimately backfired thanks to Naomi and her fellow SSP's timed support which not only restore the latter's reputation (by uploading the video of him saving their lives on the internet), but also rekindle Gai's self-worth and thus regaining his true form Orb Origin. With the tide turned, Orb overpowers Zeppandon and utterly defeated him. As if that was bad enough for Juggler, his Dark Ring vanished before his eyes, further adding insult to his defeat.

The loss of Dark Ring forced Juggler to further hone his skills with his Serpent-Hearted Blade. Throughout the training to improve his Serpent-Hearted Way techniques, he killed Katarohi after the latter defeated by Gai and even pointed out to Naomi about darkness in everyone's heart upon seeing her unintentionally summoned Renki through her jealousy towards her best friend. He also manipulated both Naomi and Gai to defeat Tarude to reclaim his sword which is stolen by the last member of Planet Invasion Union, though he decided to spare the two despite the chance of backstabbing them was present.

With all of his rivals minus Gai eliminated, Juggler continues his training by perfecting his new technique while noticing that the power of darkness is growing and Earth's end is about to begin. In the process, he slashed a lot of buildings, leaving in crescent moon cracks that get bigger every time, with the SSP believing it to be the work of a monster named Kamaitadon. After absorbing darkness from beneath the Earth, he prepared for what it seemed to be the final fight with Gai/Orb and used his perfected attack against his rival. After Orb seemingly defeated, he gloated over his victory before SSP members and Shibukawa, failing to notice his nemesis recovers in process and overwhelmed as result. Defeated, Juggler, weakened to the point of him reverted to his human form, eventually apprehended by VTL.

His capture at hands of VTL turned out to be part of his scheme regardless whether he was defeated by Orb, as Juggler used this chance to reveal the arrival of Magata no Orochi and even tricked them to fire a missile on a Tokyo Tower, resulting the incubating King Demon Beast underneath completing its metamorphosis into Magata-no-Orochi and doomed humanity. Gai and Naomi, who happened to visiting him in his cell, realized this deception with the former set out to assume his Ultraman form just as the King Demon Beast starting its rampage. During that one-sided battle, Naomi followed Gai in time to see the fight as Juggler freeing himself and knocked the surrounding guards out cold. As soon as Gai is defeated by Magata-no-Orochi, Juggler knocked Naomi out by non-fatally slashed her from behind and left him a message to meet him at the top of the building.

Holding Naomi hostage, Juggler told Gai that Earth's end is imminent and that the void of darkness was the only thing that was eternal in everyone in the universe. While he still ridiculing Gai's rebuttal of eternal love, Juggler found himself greatly conflicted upon Naomi's reassurance to Gai and courage to gave her life, and just as he saved Natasha long ago, his conscience get best of him where he ended up rescued her from a crashed Z-VTOL. It is then that Naomi and Gai realized that Juggler was the one who saved Natasha all along and that he cannot casting away the last vestige of goodness in his heart despite delving into the darkness for so long. Finding his journey for dark powers comes into a naught and redeemed in his rival's eyes, Juggler fell into a depression. Fortunately, thanks to Naomi's encouragement, he found a new drive to outperform his rival and immediately join the battle at which he sacrifice himself to restrain the monster so that Orb could destroy it with Orb Supreme Calibur with aid of mirages of 8 Ultra Warriors summoned by his Ultra Fusion Cards.

Surviving his heroic sacrifice, Juggler watched Gai for the last time from a distance as he continued his quest for power.

Discovering that Dark Ring, which he thought had been lost, somehow in Munau's possession, Juggler infiltrated Munau's group in which he posed as her tour guide by the time Gai meets him again. To maintain his cover, he seemingly ambushed his rival, taking the X Devizer and deactivating it, sending Gai to some sort of alternate dimension where he goes on to combat Sadeath and company. After the SSP arrived to find Gai, Juggler decides to help them out. Freeing Daichi, he and the group aid Gai escaping Munau's clutches, but too fixated by his success in reclaiming Dark Ring which resulted his allies being forced to fend for themselves.

Nevertheless, he came to Orb's aid with Zeppandon combination when Orb is on the mercy of Mulnau's minions. Unfortunately, the fight soon proved too much for Juggler as combination ended up defeated, knocking him out. He then regained consciousness in time to aid SSP reclaiming the Dark Ring, in which he made a noble decision in sealing it inside a black hole, freeing the crystallized Ultra Warriors in process.

When she was done we were shocked!

Me: WHOA!

Eli: Yeah.

Nico: Amazing and incredible.

Me: Yep.

Gai Kurenai: Yeah and he is a worthy adversary.

Me: Looking forward to battling him in the future.

Cammy Bolton: And I'm not exactly fully human.

Naomi: Really?

Cammy Bolton: I'm a Whale Shark Gene-slammer.

Naomi: The work of the Paradigm Brothers. We heard so much about what they did and it was horrible.

Me: Yeah.

Gai: What about you, Minuette?

Minuette: I'm one of Twilight Sparkle's friends and live in Canterlot. It's a long story on that.

Me: She and Twilight went to school together in Princess Celestia's school for gifted unicorns and they studied together back then.

Minuette: Yeah.

Me: And Minuette is one of the members of the Knights of the Friendship Table. It's a group I made around the ponies of Equestria. Like King Arthur and the Knights of the Round Table, but centered around Twilight's Castle and the map of friendship.

Naomi: That is amazing!

Eli: It sure is.

Minuette: Yeah and it's really amazing.

Nico: Now, has there been any trouble here?

Gai: Well…

Then the alarm went off and we saw MAGA OROCHI!

Maga-Orochi (マガオロチ) is a Kaiju that debuted in Ultraman Orb. A giant space monster that devoured every star in its path, it was put to sleep by Zoffy in the ancient times before being awakened by Jugglus Juggler through the use of the 6 Kaiju Cards of the other Lord Monsters and Ultraman Belial's Ultra Fusion Card in the present day.

Although it was seemingly killed after its defeat by Ultraman Orb's Thunder Breastar form, Maga-Orochi shed its juvenile form. Its spirit had actually descended into the Earth's crust, maturing into its adult state, Magatano-Orochi (マガタノオロチ). This form is the final and most powerful monster to appear in the series.

Maga-Orochi is a parastic monster hailing from the Monster Galaxy (モンスター銀河, Monsutā Ginga), who fed off the energy of planets, destroying them in the process. It traveled from planet to planet, draining them of their energy until it came to Earth, where it rested deep underground as the Maga-Soul (マガ魂, Maga Tamashī), an egg-like state. Its power resonated with the elements of the Earth, and spawned the other Lord Monsters, which prompted the Ultra Warriors to go to Earth after sensing instability in the environment, and sealed them away. At some point, Maga-Orochi also kidnapped a princess by the name of Tamayura, until it was defeated by a warrior of light, causing it to be trapped in its egg state. However, the seal on it and the other Lord Monsters would not last forever. Since then, the princess used the warrior's power to keep the seal of Maga-Orochi from being broken, and was heralded as the protector of the forbidden forest.

In present times, Jugglus Juggler used his Dark Ring, along with his Lord Monster Kaiju Cards, to summon a giant glowing meteor from the ground. The meteor's dark energy was restrained by the protective seal of Zoffy's Ultra Fusion Card, until the mastermind used Ultraman Belial's Ultra Fusion Card to completely negate the former's power. The meteor burst and revealed the Mega Lord Monster Maga-Orochi, which immediately began to rampage towards the city. Gai transformed into Ultraman Orb and used all of its available forms to date, ranging from Spacium Zeperion to Hurricane Slash, and finally Burnmite but the Lord Monster rejuvenated itself in seconds and inflicting great damage to him.

Devoid of energy and unable to carry on, Orb's form evaporated into particles and Gai was reverted back into his human form, falling unconscious from the over-exertion. With Orb out of his way, Maga-Orochi continued to lay waste to the city while Jugglus Juggler stole Gai's Ultra Fusion Card Holder.

Having destroyed the majority of the city, Maga-Orochi decided to lie down and rest. But the monster's vitals and brain activity were rapidly increasing while it was sleeping, according to Shin's Biological Activity Analyzer. After regaining its energy, the monster woke up and continued its warpath of destruction. When it noticed Gai trying to transform for the second time, it tried to kill him, but Princess Tamayura used her powers to keep the monster at bay in an effort to buy Gai some time to transform. However, Maga-Orochi overwhelmed Tamayura's magical powers and presumably obliterated her with his Maga Thunderclap. Shocked at the princess's disappearance, Gai decides to use his anger to finally summon Ultraman Belial and complete his transformation to Ultraman Orb Thunder Breastar. Unlike his previous forms, Orb's Thunder Breastar form possessed the power to fight the Great Lord Monster head-on, fighting in full retaliation to the point of severing its tail. Harnessing the light and dark energies of Zoffy and Belial, Orb unleashed his Zettcium Beam for the grand finale, a beam powerful enough to knock back the monster and eventually destroy it in a fiery explosion. Bearing witness to this unexpected outcome, Jugglus Juggler became extremely furious that this powerful Kaiju he resurrected was not able to defeat Orb for good.

Maga-Orochi's severed tail was kept by Juggler as part of the components to create Zeppandon, the other two being Zetton and Pandon's Kaiju Cards. During the second fight between the then notorious fusion Ultra and the fusion Kaiju, Juggler's choice to have made Orochi's tail a component of the latter proved to be a grave mistake, one that led to Zeppandon's, and his, downfall. After Orb saved the SSP, Naomi kept to her promise and "saved" Orb, allowing him to retrieve the Orb Calibur from Orochi's tail and unsealing Orb's Origin form, which he then used to defeat Zeppandon.

Soon, it was revealed that when Maga-Orochi was seemingly resting before it lost to Orb, it was giving its life to Earth. Its presence was sensed by many aliens that hidden on Earth to go back to space. The Unmarked Cafe This presence was also sensed by Juggler's Jashin Blade but after failing to defeat Orb in their gigantic proportions, he allowed himself to be captured by VTL and inform humanity of their own impending doom. The Blade of Darkness Orochi's reawakening took effect once more, resulted in rising temperatures, aliens leaving Earth in UFOs, aquatic Kaiju coming ashore, subterranean Kaiju dying suddenly, unusual storms and buildings sinking around the Tokyo Tower. He also informs them that Orochi is nearing the Tokyo Tower and inform them to destroy it in its chrysalis state, but when they did so with Spiner-R1 missile, the explosion instead unleashed Magatano-Orochi onto the world, just as how Juggler expected. It rampaged throughout the city and began to cause mass destruction, along with using numerous attacks from past Lord Monsters as it began to consume the Earth. After interrogating Juggler, Gai took immediate action and transformed into Ultraman Orb Thunder Breastar once more, seeing as how that form defeated Maga-Orochi before. When said form prove ineffective, he utilized Orb Origin and fire Orb Supreme Calibur but the monster literally ate his energy beam and ended the fight with Orochi penetrating Orb's Color Timer, rendering him untransformed. With Orb defeated, Orochi continues its rampage while facing against Z-VTOL fighters.

After confronting Juggler, Gai transformed into Orb, using Spacium Zeperion and Burnmite before assuming Orb Origin. When the Ultraman's Color Timer began to blink, Magatano-Orochi was about to finish him off for good, but then, Jugglus Juggler, who was convinced by Naomi Yumeno to do the right thing, turned giant sized and slashed at the monster. At that moment, Orb and Jugglus finally reunited in battle and took on the Kaiju together by dodging and blocking its attacks and attacking it with their swords. However, the Giga Lord Monster was still standing and knocked the two warriors down with an enhanced tackle.

Meanwhile Shin and Jetta found out that when Maga-Orochi was giving its life to Magatano-Orochi, the transfer was interrupted by a sacred tree, resulted in the lower right part of Magatano-Orochi being incomplete and easily exposed, specifically on a point behind the kaiju's jaw, and the Z-VTOLs were able to expose the weak spot. Hearing it, the two warriors came at it and hit that area with their respective enhanced punches, but the Lord Monster ensnared Juggler with his tentacles and used him as a shield from Orb, yet Jugglus encouraged Orb to shoot his most light ray at the monster anyway. With that taken care of, Ultraman Orb finally eradicated Magatano-Orochi (and Jugglus Juggler supposedly) with the assisted power of his Ultra Fusion Cards, resulting in the same explosion that occurred 108 years ago in Rusalka. As he flew away, Juggler appeared to have survived the explosion, watching his human form Gai departing.

Me: Whoa!

Eli: Maga Orochi! I remember him!

Me: He sure is ugly! But this guy was a challenge!

Nico: He sure was.

Cammy: Let's head out!

Nico: You heard the lady! Lets move!

Nico: Crabdozer's Embodiment! Wow!

Cara Crabdozer: (Grunts) You guys did a (Grunt) Great job mangling him up.

Me: Thanks Cara.

Gai Kurenai: So she's one of the Blackwing Eatos 12 girls?

Me: Yep. Easily recognizable by the Pitch Black Angel Wings and black clothes and piercing red eyes. We made the antidote for the virus.

Cara lost control and slashed at Mumbo

He teleported away and she slashed a tree.

I fired an electron ray of the antidote.

Me: It'll take a while to take effect.

Nico: Yep.

She fired waves of water and drenched Cara!

Eli: Take that!

Rayna reverted back and she was a girl with blue hair, yellow eyes, blue clothes and yellow angel wings and had RhinoKabuterimon on her forehead and skirt and had the Thunder Spirit Kanji on her sleeve and she had a lightning sword.

Rayna Rhino Kabuteri: Time for this firefly to strike with the storm! ULTIMATE THUNDER!

She fired a powerful blast of lightning from her hand and electrocuted her all over.

Me: YEAH!

Flora got out her Vistamp for Manboy!

MANBOY!

She fired energy blasts and knocked down Cara!

The antidote took effect and her eyes were back to their blue color.

Cara Crabdozer: What? What happened?

Eli: Ugly story.

Me: Time to finish him!

Gai Kurenai: With pleasure! BURNING DYNAMITE!

He charged and bashed Maga Orochi and bursted into intense flames and then he rammed him and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA!

Eli: YEAH!

Nico: Maga Orochi you have failed this world!

Godzilla roared in victory!

Varie: Like old times!

Nico: That was epic!

Rayna Rhino Kabuteri: Boy that was really cool!

Lynn: Yeah it was!

Nico: I'll say!

Varie: Just like old times right Gai?

Gai Kurenai: You know it Varie!

Rayna Rhino Kabuteri: That was so fun.

Lynn: Do you have a favorite memory of Nico?

Rayna Rhino Kabuteri: Many of them. My favorite is when Nico and I were at the fair and a storm came and I used my lightning powers to blow away the clouds and make an amazing aurora in the sky. I have weather control powers too.

Me: That is really amazing.

Nico: Yep it sure is.

Nico and Rayna hugged.

Nico: I've missed you.

Rayna Rhino Kabuteri: Same here.

Me: Lynn you and Minuette and Cammy all did a great job.

Lynn: Thanks J.D. It was fun.

Me: Yeah next time will be awesome.

We later went back home.

Nico: Next time, Cheese, Lightning, Tentacool, Ragna, Pinkie Pie, Jayden, and Randy should come

Me: Awesome idea.

Lola: Yeah!

Pinkie Pie: This is gonna be amazing!

Camie: Yeah!

---

Later we were flying over to another one of Nico's friends parents houses. We were heading over to Jeanne Sorensson's house in Sweden.

Poromon: You'll like where we're going.

Me: I have a feeling it will be awesome.

Poliwag: Yep.

We flew over Sweden.

Jeanne Sorensson: (Swedish Accent) Ah good ol Sweden.

Camie: Beautiful.

Nico: Amazing.

Lola: Yeah.

Woody Woodpecker: Where's your house?

Poliwag: We should be…

Poromon: We're here!

We arrived at Jeanne Sorensson's mansion!

Me: Wow! Jeanne your house is amazing!

Jeanne Sorensson: Ja it's home. You guys are going to love meeting my parents. They are very famous Swedish Meatball chefs.

Me: Oh wow.

Xenia: Sounds tasty.

We went over to the door and Nico was shaking like a leaf in fright.

Me: Nico?

Nico: I'm dead meat.

We saw Jeanne's parents Alfred and Freja Sorensson cooking Swedish Meatballs in a pot outside over a fire.

Saline Al Saladin: There are your parents

Jeanne Sorensson: Ja.

Freja Sorensson: (Swedish Accent) Jeanne! Welcome home!

They went and hugged her.

Alfred Sorensson: (Swedish Accent) You have grown ja.

Jeanne Sorensson: It's good to be home mom and dad.

Alfred Sorensson: Team Loud Phoenix Storm welcome to our abode.

Me: Pleasure to meet you Mr. And Mrs. Sorensson.

Eli: Your house is really beautiful.

Freja Sorensson: Thank you so much.

They saw Nico.

Alfred Sorensson: Nico is that you?

Nico peeked out from behind me.

Nico: Hello.

Me: Nico it's okay.

May: Yeah they won't hurt you.

Freja Sorensson: Goodness what has him so scared?

Me: He is afraid that you're going to blow his brains out for doing something to your daughter.

Freja Sorensson: Oh goodness no! We would never do that. We love Nico too much for that.

Poliwag then put a sign on Nico saying "Shoot me".

I pulled it off.

Me: Nice try Poliwag.

Poliwag: Crap.

Nico: You won't hurt me?

Alfred Sorensson: No Nico we don't even have a gun.

Me: That's a relief and Poliwag don't get any ideas.

Poliwag: (Pouts)

Ed: I know of a Swedish meatball. But this one is evil! It's a giant

Swedish meatball with a blood-curdling scream that grabs unfortunate victims in its drooling groundchuck!

Soundwave: I knew he would tell this story.

Alfred Sorensson: Really?

Rolf: Rolf has seen this meatball. It stalks Wilfred in the dead of night.

Me: (GULPS)

Alfred Sorensson: Well here. We just finished our batch for lunch.

Me: Oh thank you.

We got some Swedish Meatballs and ate them.

Me: (Eating) Mmm! These are delicious.

Woody Woodpecker: These are good. Wally Walrus would love this.

Alfred Sorensson: Thank you.

Poromon: I hope you remember me and Poliwag

Freja Sorensson: How can we forget. You two are so cute.

Poliwag: Thank you.

Poromon: Always cute.

?: You two are always cute.

A girl with brown hair, blue eyes, purple clothes and a crescent moon on her arm and blue angel wings and a tiara with Crescent Grizzly on it came.

Cresselia Grizzly: Cresselia Grizzly, Embodiment of Crescent Grizzly.

Hay Lin: Cresselia! Wow! Looking great!

Flora: You sure are.

Cresselia Grizzly: Same to you Hay Lin and Flora. Been a while.

Blaster: How did you meet Flora and Hay Lin?

Cresselia Grizzly: I met Flora when she and her friends were battling Lord Darkar. I slashed his face and left a REALLY good cut on him.

Me: Nice. You left your mark on him.

Cresselia Grizzly: Yep. And I met Hay Lin when she and the guardians were battling Miranda. I slashed her across her back and left my mark.

I lifted Miranda's shirt.

Me: Sorry Miranda.

And sure enough there was a Crescent moon shaped scar on it.

Me: (WHISTLE) Wow she left a nasty one on you.

Miranda: Wow no kidding.

Nico: Yikes. Would you like to join us?

Cresselia Grizzly: I would be honored.

RD Luna: Thanks for the meatballs, dudes!

Freja Sorensson: You're welcome. And Nico you have our blessings with our daughter.

Alfred Sorensson: We know she is good hands.

Nico: I'm glad.

We later went back home.

---

We were busy watching TV, and many of us were doing work-outs

to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, the stupid moose, Lumpus, and he's trying to force Ms. Jane Doe into marrying him. When we saw it, we knew it meant trouble.

Lincoln: What in the world?!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than our our old enemy, the stupid moose, Lumpus, and he's trying to force Ms. Jane Doe into marrying him.

WE GASPED AT WHAT LINCOLN SAID, AND NEEDLESS TO SAY, WE WERE PISSED OFF TO NO END!

Nico: THAT SON OF A… ! OF ALL THE DIRTY… !

Me: We're sending him straight to prison forever!

Nico: No, J.D., not this time. This time, we're sending him straight to The Black Gates forever, this is the last time he ever comes back!

Lincoln: And I have an idea: we're going to have Slinkman do a rant on him and also go berserk like he did the last time when Lumpus denied him his chance to go to Slugfest.

WE GASPED!

Lazlo: That's perfect!

Nico: Oh man, this should be a good one.

Lucifer Morningstar: Mind if we get front row seats?

Me: We're all getting front row seats to one wild show.

Lincoln: And scans shows he's at Acorn Flats!

Me: Then, that's where he takes his final breath.

Nico: For the final time. Alright, team, it's time to move out, this time, Lumpus dies once and for all!

Lincoln: This is the final time we ever have to deal with Lumpus.

Me: Yeah! It's time to turn that moose into Mooseburgers!

The previous group came.

Amora: Can me, Ice Demon, Six Gum Gang, Mr. Fizz, SkullMeramon, Felix Faust, BlackWarGreymon, Seadramon, General Schwarz and Gameface go with you guys?

Goof: And can we have some meatballs?

Nico: We got more than enough for you and yes you all can come with.

Qin: We're going to thrash Lumpus for good

Xenia: And banish his spirit to the Black Abyss and eat his carcass for dinner.

Me: Mooseburgerville.

WE LAUGHED!

Nico: Nice

Kabuto: Nico, which Gene Slammer do you think you'll meet next?

Dixie: And can we stop at Camp Kidney first?

Nico: In order, Garudamon is next and yes we're going to Camp Kidney.

Me: Ooh fiery.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Oboro from Taimanin Asagi, and she's come to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Oboro from Taimanin Asagi, and she's come to kill us.

Nicole: Oh no, I've heard of her, she's a psychotic misanthropic assassin who has over thousands of irredeemable qualities who happens to work for an underground criminal organization or agency with a goal to turn the demon race into the most powerful beings of existence, and she's a sick twisted individual who doesn't care about the pain and suffering from others showing a lack of empathy, and she murders, tortures, backstabs her way to the top of Nomad. She also forms short-term alliances with promises that she will break later on because her word can't be trusted and she gains extreme satisfaction and pleasure for causing other people humiliation and pain, acting like a sadistic dominatrix.

We gasped in shock!

Aurora Oceania: What a bitch!

Lincoln: Well, she's also heading for The Black Abyss along with Lumpus.

Nico: A bitch like that deserves to die in the cruelest unimaginable way possible for what she's done. Alright, gang, let's go, the time to slay Lumpus has come!

Lincoln: By day's end, Lumpus will be gone from the face of the Earth and from existence forever, and once we get done with him, you're next, Oboro.

Aurora Oceania: The crimes that you've committed for your own sadistic pleasure have already got you marked for death, bitch, this time, you die here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Acorn Flats to save Ms. Jane Doe and finally slay Lumpus once and for all, and once we get done with him, Lincoln and Aurora Oceania along with me and Nico are going to destroy Oboro.

We were off to Camp Kidney.

---

We arrived at Camp Kidney.

Runt: Good old Camp Kidney.

Lunk: Hasn't changed a bit!

Nico: Yeah.

Qin: But soon it will never be Lumpus' camp ever again.

Xenia: Yeah.

Family Guy Penelope: Shall we see how everyone else has been?

Nico: Lets shall.

We went and did so and saw everyone in their cabins having hot cocoa and bundling up in the cold.

Me: Glad the Winter Camp program is making them comfortable.

Xenia: Yeah.

Wilbur: Howdy, ya'll!

SkullMeramon: How've you guys been?

Chip: Doing good.

Skip: Yep.

Milt: It's so awesome.

Patsy: Aside from Lumpus in our old Squirrel Scout camp.

Lola: Don't worry guys. We're going to kill that moose.

Slinkman: I got a SPECIAL surprise for him

Me: This is gonna be funny.

Qin: Yep.

Lola: Yeah it will be fun.

BlackWarGreymon: Is Commander Hoo Ha here?

Milt: He's on his way.

Me: Good.

Qin: We'll need his help for this.

Camie: Yeah.

Commander Hoo Ha arrived.

RD Clyde: Hi, Commander Hoo Ha!

Commander Hoo Ha: Hello everyone. Glad you all could make it.

Me: We sure did and now it's personal.

Xenia: Yep.

Me: I got an idea. Watch this.

I pulled out a bear trap blaster.

Me: Watch this.

I pointed it at Lumpus's crotch.

General Schwarz: I know where you're going with this

Me: This is one meatball that bites!

KRABANG!

I fired a bear trap and it went at his crotch and then…

CLANG!

LUMPUS SCREAMED IN PAIN AND HE SCREAMED LIKE A SISSY GIRL!

Me: Wow! Thanks Commander.

We went to the mess hall and saw that he was cooking hot dogs and burgers.

Me: Oh boy!

Me: We won't.

Nico: Lets go.

Mr. Fizz: How about I add some of my… special soda to the mix?

Me: Good idea.

We arrived and hid.

Me: He is in the mess hall. I sense it.

Khybon: Entrance time!

We went at it.

Lumpus: (LAUGHING INSANELY!) Soon Jane you will be my future wife!

Jane Doe: Oh never Lumpus!

Then the spirits of the camps of the world came and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came out and I teleported and untied Jane Doe and got her out of the ropes and brought her over.

Me: Game's over Lumpus!

Lumpus: I'm marrying Ms. Doe for when I get my camp back!

Me: Like hell you will bean dip!

Ice Demon: Fat chance of that happening!

Eli then lifted him up with the Force.

Lumpus: Huh?

But then…

He dropped him and then…

He fell into a huge tub of chocolate pudding!

YOUR TIME IS UP!

Suddenly, the bell of judgement rang in Lumpus' ears meaning that his time was finally up! Then, the spirits of all those he'd harmed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Lumpus' forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was being erased by The Black Abyss!

Lincoln formed a massive indestructible diamond barrier that protected all of us from blades that came out of nowhere and the barrier really stood strong against them and the blades were dented.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, come out now, Oboro, or we will force you out.

A figure came out, and it was none other than Oboro. She tried to attack us and break us, but she got her right eye scratched out by Sebastian.

Lincoln: Serves you right, Oboro, that's what you get, you heartless witch!

Aurora Oceania: Your punishment's just beginning, Sebastian scratching your eye out was just the start.

Suddenly, Aurora Oceania's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Oboro, she left aqua blue energy, stars, water, ocean waves, light, dragons, phoenixes, and angels with every step.

Aurora Oceania: Your crimes have gone unanswered for years, Oboro, you've caused nothing but pain and suffering to too many innocent people and all just for your own sick twisted sadistic perverted pleasure. You disgust me to no end, you psychopathic bitch, as The Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Aurora Oceania was surrounded by a massive vortex of aqua blue energy with stars, water, ocean waves, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Tefnuit flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Oboro: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Oboro has angered Aurora Oceania, and now, the rage of Hieratic Dragon of Tefnuit is about to be unleashed.

Then, as the vortex faded, Aurora Oceania emerged, but she was changed forever.

Aurora Oceania grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large aqua blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an aqua blue energy aura with stars, water, ocean waves, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Dragon of Tefnuit emblazoned on her forehead and Third Eye with aqua blue iris, she has on dragon earrings with aqua blue gems for eyes and holding the Star, Water, Light, and Eternity Kanjis in its claws, she also has Hieratic Dragon of Tefnuit with aqua blue gems for eyes and holding the Star, Water, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her aqua blue dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and aqua gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Aurora Oceania felt a sharp pain on her back, and then, her massive aqua angel wings with blue tips on the large aqua blue feathers grew much larger for her new body and medium sized aqua blue angel wings with blue tips grew and sprouted out underneath her massive aqua blue angel wings and she also now has eleven massive and long aqua blue wolf tails with blue tips and blue markings, Aurora Oceania has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Aurora Oceania's massive water greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, light, dragons, phoenixes, and angels, and when it emerged, it was transformed into Ariana Abner's Cosmic Eternal Harmony Egyptian Hieratic Water Maelstrom Light Fury Hieratic Dragon of Tefnuit Phoenix God Angel Greatsword of Cosmic Eternal Harmony Egyptian Hieratic Water Maelstrom Light Fury Hieratic Dragon of Tefnuit Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded aqua blue gems and Hieratic Dragon of Tefnuit and hieroglyphs etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads with aqua blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold dragon heads with aqua blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with aqua blue gems for eyes and aqua gem in its mouth for the pommel, Aurora Oceania has on her brand-new large gold Bracers of The Champions of The Universe with large aqua blue gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hieratic Dragon of Tefnuit's head with aqua blue gems for eyes and aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. But, when Oboro saw it, she ran at her to break her psychologically and kill her, but Aurora Oceania fired a massive barrage of aqua blue energy, stars, water, ocean waves, light, dragons, phoenixes, and angels which hit Oboro and sent her flying into a wall, she got back up, but she only smiled sadistically.

Me: No way, did Ariana just transform?

Aurora Oceania, Lincoln, Nico, and I went after Oboro, who continued throwing blades at us, but we kept deflecting them, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Oboro and they exploded with incredible power as they hit her.

Lincoln grabbed Oboro by the neck and he began sucking out her energy, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, Oboro was extremely weakened and Lincoln tossed her into the air, and Caleb Maxwell and Cage Blunt fired two black energy bullets that hit Oboro and it sent her to The Black Abyss. Everyone cheered wildly for what Aurora Oceania, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Aurora Oceania's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large aqua blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive aqua blue angel wings and medium sized aqua blue angel wings underneath are permanent.

Aurora Oceania: Reap what you have sown, bitch. Thanks for helping me take down Oboro, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Aurora.

Me and Nico: Our pleasure, Aurora.

Suddenly, Aurora Oceania wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Oceania's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Tefnuit flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and light behind them and we cheered wildly. Then, Lincoln and Aurora Oceania sucked in and absorbed the elemental forces and water and light and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Oboro down and Lincoln sucked out all of her energy.

Me: And Caleb Maxwell and Cage Blunt sent him to The Black Abyss. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a boar made of purple fire pass through the sky along with a sylph made of wind appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Felicia Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Boar.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Felicia Zihuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The

Fire Fist - Boar, along with having angel wings along with having intense purple fire powers. She's known as The Solitary Warrior of The Sisterhood of The Fists of Fire, because she'd done her solitary training in her early years. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Felicia hates Scoots with a blazing passion, because of what that old goat's tried to do to Lincoln in the past, and in one incident, she and Lincoln beat her up and sent her back to the nuthouse with two black eyes and an irreversible super double mega wedgie.

Nico: Yeesh! Man, that was one painful thrashing!

Me: I still remembered that all too well. And that Sylph made of wind, was that…?!

Selene Arcangela: Yep, it's the next Ambassador of The Demon Sorcerers we're meeting on Nico's rescue tomorrow, her name is Gabrielle Ying Xiao, Ambassador of Xiao Fung, The Demon Sorcerer of Wind and The Master of The Wind of The Sylph, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the first youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Xiao Fung, The Demon Sorcerer of The Mountain, along with blue angel wings, and she also has full fledge mastery over the powers of The Wind, along with superhuman strength, and she also has incredible power over lightning. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Wind of The Sylph She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Scoots with a passion.

Me: WHOA!

Nico: That's really awesome!

Lincoln: No one dares to mess with Gabrielle Ying Xiao, not unless they want to wind up getting blown away.

Bizarro: I take it you heard the news?

Jane Doe: Not recently, no.

Oculous: It's over, Jane. Xehanort's gone for good.

Jane Doe: I don't know what to say. But what does this mean for Team Loud Phoenix Storm?

Grundy: Whatever happens next, we face together.

Jane Doe: I trust your judgement. And I know you won't do something crazy like fake your deaths.

Thundermon: Of course we won't do that.

Me: Did that once and came back to bite us hard.

Jane Doe: (sighs in relief) Oh, thank goodness. But if there's anything you need me to do, anything at all.

Goro: Thank you, Jane.

Me: Well now Lumpus is now a forgotten memory.

Nico: Yep. Great job everyone.

Lazlo: (To the viewers) Hope you all liked this one.

Me: Yep.

Nico: Lets get to cooking mooseburgers.

We went back home and got to cooking mooseburgers on the grill and we made them tender and delicious and had a great meal and later enjoyed the rest of the day and went to sleep.

THE END

Me: Boy those mooseburgers were really great. (BURP) Oh pardon me.

Lola: They sure were delicious. (LOUD BELCH) Oh sorry.

Lisa Loud: Those were scrumptious if I do say so myself. (BURPS) Oh apologies.

Nico: No worries. But man those were some tasty burgers

Me: I agree.

Valese: They sure were.

Gine: Yeah and they were most delicious too.

Nico: Gine, I want to thank you, Wuya, and your teams for coming

Gine: No problem Bokrua. This is gonna be so fun.

Goten: It sure is. I'm really excited for this.

Me: Me too Goten. I'm looking forward to this.

Nico: Goten, how are you spending your free time with Freiza destroyed?

Goten: Oh I do a lot of training with Valese and everyone. Also I have to juggle school and try to help out as much as I can with

people.

Valese: Goten is a really amazing boyfriend.

Me: You and Goten were really made for each other Valese.

Bardock: I agree there too.

Nico: Yeah I agree Bardock. Now that Frieza is gone for good the Saiyan Race can officially start on the right path.

Vegeta: That is right Bokrua and it's all thanks to you.

Nico: All of us had a hand in it Vegeta but yeah.

Qin: That is awesome.

Lola: Yeah.

Goten: I agree.

Nico: Do bullies try to pick fights with you?

Goten: They do but they always lose against me and Valese together.

Valese: We always make sure they can't touch us.

Pan: Boy that is awesome.

Me: With the power that you have they never stand a chance.

Nico: Boy that is for sure.

Laney: Yeah. But yesterday's mission was crazy.

Me: No kidding! But Lumpus is now gone for good.

Laney: Thank goodness for that.

Nico: Commander Hoo Ha awarded us medals

Qin: Really cool ones.

Varie: I agree.

Lincoln: The Golden Beanie Weenie Award of Valor is awesome.

Laney: It sure is.

Nico: That was for killing Xehanort.

Lana: Yeah. But the best part of that mission was ridding Prickly Pines of Lumpus.

Camie: Yeah. And it was REALLY FUNNY how Slinkman went ballistic on him!

WE LAUGHED!

Eli: (LAUGHS) That was so funny!

Nico: Slinkman told us the first time he did that

Me: That was back when a Bi-Decade event called Slugfest would come around that Lumpus didn't let him go.

Xenia: What an irresponsible idiot.

Camie: Yeah. What is Slugfest?

Me: Slinkman said that it's a festival for slugs like him.

Fu: Sounds like a kind of event that Lady Hokage would like and she is the Slug Princess of the Sannin.

Me: That is true Fu. Lady Hokage and Lady Katsuyu would definitely fit right into that.

Qin: I agree.

Nico: And Jane Doe didn't hear about Xehanort's demise.

Me: Probably because she didn't understand Bizarro's opposite talk.

Nico: That could be it. But yeah.

Me: We'll have to fill her in on the whole story later. Oh be right back guys. I got to talk to Halinora. I forgot to do that.

Nico: Okay.

I teleported back to the estate.

Nico: I hope she's doing okay.

Eli: Me too.

In the estate I went to Halinora's room and opened the door. I found her laying on her bed and she was still crying.

Me: Halinora?

She turned and looked at me. Her hair was a mess and she looked REALLY exhausted from crying so hard.

Me: Oh man. You're a mess Halinora.

Halinora Hatfield: (Crying)

Me: Halinora please you got to stop crying. You're only going to feel worse.

Halinora Hatfield: (Crying) I can't J.D. My dad was taken away from me! He was wrongfully damned because of that monster! Because of him I lost the only person that loves me! I feel like my life has no meaning anymore!

Me: Halinora I know your father did that back then but he would not want you to be like this. He would want you to be happy and try and live a good life with us. He loved you too much to want to see you like this.

Halinora Hatfield: But I just miss him so much!

Me: I know you will miss him. Even though he is down in Hell he will always be with you. As long as you remember everything that he taught you. In a way you will never be apart. Now come on Halinora smile. Think about all the good things you did with him and cheer up.

You still have me and all your friends here on the team. Your father would be very proud of you for everything you did not just with him but with us too. He killed Flip's father to save you and his friends from his evil.

Halinora: (Sniffles) But it just hurts.

Me: I know it does. I know.

The mascots came into the room

Poromon: Halinora come on don't be sad. We love you just like your father would.

Poliwag: Yeah. You still have all of us.

Manaphy: Your father would not want you to be sad for him. He would want you to be happy.

Horsea: Yeah. It's what he would want.

Me: Halinora I know how much it hurts. The pain never goes away. Your dad did nothing to deserve this. He was damned because of that monster. But I promise that in the future we will bring him back. So just hold on till then.

Halinora Hatfield: (Sniffles) You're right. I will do it. But please bring my dad back. Please help him.

Me: You have my word. Now come on lets go join up with everyone.

Halinora Hatfield: Okay. (STOMACH GROWLS) Whoa I'm starving.

Me: You haven't come out of your room in 3 days. Lets go.

We teleported back to the others.

Back with everyone we arrived.

Nico: How are you feeling Halinora?

Halinora: Much better but MAN Am I hungry.

Poromon: Save some for us!

Me: Now now plenty for us all.

Halinora was eating as much as Goku is.

Lincoln: Boy she's as hungry as Po Kong and Melanie Ying Xiao.

Nico: No kidding.

We got to eating.

Nico was eating a MASSIVE PLATE of Bone with Meat.

We were really piling up the dishes and it was amazing.

Nico: (EATING MEAT)

Gine: (Eating) Man this is great.

Goten: Yeah dad told me that Giren ate a lot of meat like that.

Nico: (Gulps) Really Goten?

Goten: Yeah it was during the tournament.

Me: Wow that is a lot of meat.

Poliwag: Gimme!

Nico: Help yourself.

He had some meat.

We were really piling up the dishes.

All the Saiyans were eating lots of food.

Later we were finished eating and MAN WE WERE STUFFED!

Me: Oh wow!

Pinkie Pie: That was delicious!

Halinora Hatfield: Man I was REALLY Hungry! (Burps) Oh excuse me.

Me: No worries.

Fasha: You were really hungry Halinora.

Nico: Yeah no kidding.

Lisa Loud: Jumping chemistry sets! You ate as much as Nico and the Saiyans! In counted 57 full course meals.

Lana: Really?! I lost track around 40 meals.

Me: Jeez! Deja-vu. Master Goku told me that he was hungry after his defeat at the hands of Jackie Chun and he had the same amount.

Halinora Hatfield: Wow! No kidding.

Horsea: Can you blame her?

Me: Not at all.

Halinora Hatfield: Sorry about that guys. I was really hungry.

Nico: No worries. But man you sure were hungry. I'm impressed you were able to match the appetite of the Saiyans.

Halinora Hatfield: I know. After being sad for 3 days I was really hungry.

Nico: Yeah.

Lincoln: That is for sure.

Me: Yeah. That was a good meal though.

Xenia: It sure was.

Camie: Yeah. Nothing like a great picnic.

Nico: Yeah.

Lincoln: Should I tell you all what our mission is now for this?

Me: Go for it Lincoln.

Lincoln was interrupted by Poromon burping

Poromon: Oh excuse me.

Lincoln: No worries Poromon. Okay, guys, we've got ourselves an emergency and we're in for a Jekyll and Hyde style nightmare with this one: we got word that Nico's hypothetical Akuma has been sighted.

WE GASPED IN HORROR!

Me: WHOA!

Nico: No way, a hypothetical Akuma of me?! But, why did you say it's a Jekyll and Hyde style nightmare, Lincoln?

Lincoln: You're not going to like it, your hypothetical Akuma form's name is Hydemonkey, and he has all of your powers, but he's a split personality monkey Akuma.

Lincoln got out his sketchbook and we saw Nico's split personality Akuma, the first one is cute, but the second one is really monstrous and evil!

Lincoln: The one that's cute is his good side and does things that are good and happy. But at the mere sight of anything he likes, he turns into a HORRIBLE AND EVIL MONSTER THAT CAN KILL ANYONE THAT GETS IN HIS WAY! Like Dr. Jekyll and Mr. Hyde. He was made because of the aftermath of the 20 Days of Darkness and wants revenge on Organization XIII and the Sullen 6 and the Digimon Emperor.

WE WERE REALLY HORRIFIED!

Me: OH MAN! This… this is gonna be one brutal nightmare with this one!

Nico: You said a mouthful. Just the mere sight of anything he likes, and he turns into an evil and hideous monster that kills anyone who gets in his way.

Me: Like a Dr. Jekyll and Mr. Hyde Akuma! That is crazy!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, Nico's hypothetical Akuma form is here, if he sees us here, he'll turn into that evil monster.

Caleb Maxwell: And if he has all of Nico's powers as well, this is gonna be a nasty nightmare.

Cage Blunt: We really need to watch it with this guy.

Lincoln: We've learned from how Nico fights, so Hydemonkey is going to fight using the same fighting style as Nico. So, we need to look for an opening with him.

Lori: Whoa did you guys literally eat all that?

Me: Halinora was hungry and we had a good meal too.

Luna: Boy dudes that's a lot of dishes!

Rainbow Dash: No kidding! I got this guys!

She grabbed the dishes and then…

ZOOM!

SHE RAN FAST AND CLEANED THEM ALL UP AND MADE THEM SPARKLE!

Me: Wow! Thanks R.D.

I teleported the dishes back to the estate.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large

orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and

our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Hydemonkey) AHA! Gotcha! I just spotted Hydemonkey, he's 20 yards away, but he's bound to be heading for us.

Nico: Let's head down there and take him down.

Lincoln: Before he goes crazy and turns into that monster. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Hydemonkey.

Volcana heard a Pokemon cry.

Jenny Jet Silphy: I got to admit, that was some awesome work. But, now, it's my turn.

Suddenly, Jenny Jet Silphy's blue eyes turned neon blue and she was surrounded by a blue and pink energy aura with stars, wind, sylphs, phoenixes, and angels, and as she approached Hydemonkey, she left blue and pink energy, stars, wind, sylphs, phoenixes, and angels with every step.

Jenny Jet Silphy: I understand the reason why you were created, but you're too late, Plankton turned over a new leaf two years ago and so did Vlad last year, and Crocker, Goobot, Burns, and Jockerson got The Black Gates, and The Digimon Emperor is now a prisoner inside the World Tree Estate's dungeon and we torture and beat him up, but you need to be stopped or more people are going to get hurt.

Suddenly, Jenny Jet Silphy was surrounded by a massive vortex of blue and pink energy with stars and wind surrounding the vortex, there are sylphs, phoenixes, angels, and JetSilphymon flying around the vortex, and in the vortex is a pink phoenix with blue eyes gazing at Hydemonkey: the eyes of salvation.

Lincoln, Jenny Jet Silphy, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I went after Hydemonkey, and we fired extremely powerful blasts of rainbow energy, blue and pink energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hydemonkey and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Travis Tackett, and Cage Blunt shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Jenny Jet Silphy, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Hydemonkey even more madder than ever.

Suddenly, we heard loud screams of rage in the air, and we saw something heading for us: the Universe 666 versions of Jimmy Neutron, Edd, Dexter, and the other geniuses.

Eli: The Universe 666 versions of Jimmy Neutron, Edd, Dexter, and the other geniuses.

Suddenly, someone blew blasts of wind at them sending them flying into trees and they were knocked out and Universe 666 Lincoln fired chains at them and they were all tied up.

Universe 666 Lincoln: We'll have to let my prime universe counterpart suck your brains out of your heads to find out if Viktor put you lot up to it.

Lincoln fired waves of red fire and ladybugs that hit Hydemonkey knocking him out and he was sent to Vypra. Everyone cheered as we holstered our weapons and we powered down and Jenny Jet Silphy's new body, clothes, jewelry, eleven massive and long blue wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, twelve large blue and pink planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple and black angel wings and medium purple and black angel wings underneath are permanent.

Nico: That takes care of my hypothetical Akuma form. Now, for the Universe 666 versions of Jimmy Neutron, Edd, Dexter, and the other geniuses.

We approached them.

Me: Alright, time to talk, who sent you lot after us?!

Universe 666 Jimmy Neutron: Torture us, you hairless apes, we'll never tell.

Lincoln: Oh, we don't need torture for that.

Lincoln sprouted out a tentacle with a sharp stinger from his back, and he brings it down onto Universe 666 Jimmy Neutron's head and pierces his skull and when the stinger hits his brain, Lincoln began sucking out Universe 666 Jimmy Neutron's brain and absorbed and assimilated all of his memories as well as his immense knowledge. When Lincoln was done, the stinger removes itself from Universe 666 Jimmy Neutron's head and he was now a brainless mindless corpse.

Then, he did the same to the others as he sucked out all of their brains and he absorbed and assimilated their memories and immense knowledge, and when he was done, the stinger and tentacle went back into his back, and the others were left as brainless corpses who were then absorbed by Lincoln turning the tips of his eleven wolf tails into Cell's stingers.

Lincoln: That was good, and my Universe 666 self is right: Viktor sent them after us.

Eli: I can't believe he'd do this, Viktor's done many low things in the past, two of them were the creation of The Lycans when he spared Lucian when he was born and the execution of his daughter, Sonja, but the lowest was the murder of Selene's family six centuries ago.

?: Now, that ruthless vampire sent more of Evil Nico's loyal members after us?! He's gone too far this time!

Suddenly, we saw a girl with long red hair and blue streaks, red eyes, red short-sleeved blouse, blue sleeveless crop top, red skirt with Xiao Fung on it, The Wind Trigram on her forehead, blue angel wings, blue stockings, red knee-high high-heeled boots with butterfly buckles, and in her hand is a lightning greatsword.

Lincoln: (GASPS) Gabrielle Ying Xiao, Ambassador of Xiao Fung, The Demon Sorcerer of Wind and The Master of The Wind of The Sylph.

Me: Afraid you're a little too late, we took down Nico's hypothetical Akuma form and sent him to Vypra.

Nico: But, you did help in taking care of the Universe 666 versions of Jimmy Neutron, Edd, Dexter, and the other geniuses that came after us, no doubt thanks to Viktor. So, Lincoln, are you going to introduce us?

But, before he could, Gabrielle Ying Xiao had her hands on Lincoln's pecs, and she began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to me, this is Gabrielle Ying Xiao, Ambassador of Xiao Fung, The Demon Sorcerer of Wind and The Master of The Wind of The Sylph, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the first youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Xiao Fung, The Demon Sorcerer of The Mountain, along with blue angel wings, and she also has full fledge mastery over the powers of The Wind, along with superhuman strength, and she also has incredible power over lightning. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Wind of The Sylph She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The

Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Scoots with a passion.

Camie: She did something to piss her off, didn't he?

Bai Tza: She tried to use the same tactic she used in murdering Claudia Cloudian, but when Lincoln saw it, I saw his eyes turn blood red and he fired blood red lightning blasts at Scoots electrocuting her and sent her flying back to the nuthouse.

Nico: I remembered that incident all too well, it was ugly, and we soon found out about that from Adriana.

Me: Due to her feeding him her blood and turning him into a vampire.

Lincoln: After I got stabbed in the stomach by Lynn, and it's so good to see you again, Gabrielle.

Gabrielle Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Gabrielle Ying Xiao and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gabrielle Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and two white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on their necks.

Gabrielle Ying Xiao saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Nico: See, THIS is why we have my contingency plan.

Sebastian Mendez: Okay you do have a point Nico. I was just a little paranoid.

Me: Yeah me too.

Lola: Yeah.

Camie: But that was crazy seeing your Akuma.

Me: Boy he was more fucked up in the head than an evil Sasuke.

Twilight Sparkle: Maybe not that much but yeah.

Gigantamax Moltres: But he's now in the M.O.E.

Me: Yep.

Nico: Nice job, Gigantamax Moltres!

Gigantamax Moltres: Thanks. That was so fun!

Qin: It sure was!

Poromon: Want some beer?

Gigantamax Moltres: Oh no thanks. I don't drink beer. I drink crab juice.

Me: Cool.

I pulled out a can and opened it and gave it to her.

Gigantamax Moltres: Thanks.

She drank it all down.

Gigantamax Moltres: Ahh. Thanks I needed that.

Me: No problem.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Gigantamax Moltres: Nice try pipsqueak.

Nico: That's the second one in a row that drinks crab juice.

Me: Well there is bound to be many more of them. Homer bought 40 cases of it.

Homer: Yeah it's true. I got more crab juice than Poromon has beer.

Horsea: Maybe it has something to do with fire

Me: Maybe.

Gigantamax Moltres: That could be it.

Qin: Yeah.

Me: Nico can you imagine pokemon liking Khlav Kalash.

Nico: What kawhat?

Homer: I remember that.

Nico: What is Khlav Kalash?

Me: It's some kind of meat on a stick that Homer had in New York City. A guy with a food cart sold it in the World Trade Center area before it was destroyed in 9/11.

Nico: Oh yeah I remember that now!

Me: Yeah Homer said that it tasted really awful. Left a really unpleasant taste in his mouth.

Nico: Does it really?

Me: Yeah Homer had to wash it down with 20 cans of crab juice.

Homer: It's true. Back then I couldn't leave my car and I had to go to the bathroom but it was all the way up at the top of the tower.

Me: They should have put a portapotty there.

Xenia: Yeah.

Me: Homer had a lot of parking tickets there and had to go get his car.

Nico: Oh man. What happened to that guy now?

Me: Well his cart became so successful that he literally upgraded to a full fledge restaurant.

Laney: Wow that is amazing.

Me: His restaurant is also where a bookstore used to be.

Laney: Wow!

Qin: That is crazy.

Halinora Hatfield: Yeah no kidding.

Nico: That is amazing.

Me: Look on the bright side though, we faced another evil version of Nico.

Nico: There a slight chance we'll run into more evil versions of me

Sebastian Mendez: Welcome to my world Nico.

Nico: Yeah.

Maria: At least this one had a weakness.

Me: Bananas.

Nico: Yeah.

Lola: That was cool.

Poromon: Who wants the rest of them?

Donkey Kong: I do.

Donkey Kong ate them.

Poliwag: Save some for us!

Nico: Do Pokemon like bananas?

I shrugged.

Princess Celestia: Save some for me too!

She had some bananas and ate them whole.

Me: Uh Princess you know you're supposed to peel those?

Poliwag ate a banana.

Poliwag: Yummy!

Poliwag then ate a banana. But it was really A BANANAQUAT!

Poliwag then went crazy!

Me: UH OH!

Poliwag: (INSANE LAUGHTER) BANANAQUATS! BANANAQUATS!

Nico snapped his fingers.

Me: Oops I forgot that there was a couple of bananaquats in there. Sorry.

Poliwag: (Groans) I hate it when that happens.

Xenia: Yeah.

Nico: Let's see if there are anymore bananaquats in there.

We looked and I found 10 of them.

Me: There. That's all of them.

Sakura Knudson: So these are Bananaquats?

Me: Oh yeah sis. Ape goes cuckoo bonkers when he eats these. You wouldn't believe the kind of shit we went through trying to calm him down. When he eats these he is COMPLETELY unpredictable.

Ape: (chuckles) Guilty as charged

Sakura Knudson: I see your point.

Qin: Yeah.

Me: But this gives me an idea. We can use these to bring down the rest of the jerks still at large.

Nico: I like it.

Qin: Yeah.

I pocketed them.

Me: For now lets do the main task at hand.

Nico: Right we have the Anothers to face.

Eli: Right. (Concentrates) WHOA! We got Another Wuya, Naturon Shenron, Dragonfly, Metamorphosis, Universe 666 Bio Broly, Muscle Krabs, Crocomire, Pet Dopant, Number Dopant, Yost Rhino, Raizen, Zombie Dopant and Infection Dopant!

Lola: A LOT of them!

Me: So Gine, Goten, Valese, Pan, Vegeta, Caulifla, Kale, Paragus, Borgos, Shugesh, Fasha & Tora and Bardock are up.

Qin: Yep.

Eli: I sense the Anothers minus Wuya are 12 people!

Me: WHOA!

Xenia: 12 people!? Geez!

Eli: And the Another Wuya is 3 people!

Qin: This is gonna be awesome.

Me: Yeah!

Nico: There they are!

We saw Another Naturon Shenron, Dragonfly, Metamorphosis, Universe 666 Bio Broly, Muscle Krabs, Crocomire, Pet Dopant, Number Dopant, Yost Rhino, Raizen, Zombie Dopant and Infection Dopant!

Me: WOW! This will be awesome.

Another Dragonfly: It sure will!

They reverted back and we saw that they were the gene-slammers of THE DEVAS!

Nico: (GASP) Kira Kumbhira, Vanessa Vajra, Mina Mihira, Anya Antyla, Mary Majira, Sena Sandira, Irina Indra, Penelope Pajira, Molly Makura, Sally Sindura, Callie Catura and Vanya Vikarala!

Me: WHOA! The gene-slammers of the Deva Digimon!? How cool is that!

Kira Kumbhira: That sure is awesome.

Mina Mihira: Yeah and Nico it's awesome to see you again.

Nico: Same here girls.

Vanya Vikarala: It's awesome that you took down that Akuma version of Nico.

Me: That was awesome.

Zhuqiaomon: This is amazing that there are gene-slammers of the servants.

Azulongmon: That is awesome.

Me: Yeah.

Qin: It sure is.

Me: The Devas are the 12 Heavenly Generals in Sanskrit Myth and that is really something.

Lola: Yeah.

Me: By the way girls is the Another Wuya friendly or hostile?

Vanessa Vajra: Friendly and they are intensely powerful.

Me: Wow!

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD

FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Me: Yep.

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER WUYA!

Me: Another Wuya!

Qin: Oh boy.

Omi: (Tibetan Accent) This will be most dangerous.

Another Wuya: But it will be good.

They reverted back and split into three and we saw that they were the Gene-slammers of Cherubimon, Seraphimon and Ophanimon!

Nico: (GASP) Selina Seraphim, Oracle Ophanim and Cheryl Cherubim!

Me: Whoa! The gene-slammers of the 3 Celestial Digimon!

Oracle Ophanim: That's right J.D. And Nico it's great to see you.

Nico: Same here girls.

Me: And from what we can tell you 3 have the same powers as Wuya just for the opposite purpose.

Cheryl Cherubim: That's right. Wuya uses her powers for evil whereas we do it for good.

Wuya: Like they say, Opposites Attract. But you girls are amazing to have come so far like that.

Selina Seraphim: We sure are.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Selina Seraphim: No he didn't because he sent us on our way.

Oracle Ophanim: Our power was so strong that he was terrified of us so he just let us go.

Me: I'm not surprised. Your power is as strong as all 3 Celestial Digimon combined.

Cheryl Cherubim: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you girls first.

We did so.

Me: Yeah! Omi this will be just like old times huh?

Omi: It sure will.

Nico: (Gets out Wuya's ridewatch) The darkness cometh.

May: (Gets out Crocomire's ridewatch) I'm on fire!

Maria: (Gets out Number Dopant's ridewatch) Numbers don't lie.

Goten: (Gets out Naturon Shenron's ridewatch) Earth will shake!

They used the powers of Wuya, Naturon Shenron, Dragonfly, Metamorphosis, Universe 666 Bio Broly, Muscle Krabs, Crocomire, Pet Dopant, Number Dopant, Yost Rhino, Raizen, Zombie Dopant and Infection Dopant and blasted her all over.

Fire Kong, Cockroach Man (Kamen Rider), ROTTEN PATTY! (FOGHORN!), Daikon Radish World, Dr. Negative and Kronk then came!

Me: WHOA!

Nico: Nice team Fire Kong!

Fire Kong: Thanks Nico!

Nico: Yeah.

?: No kidding!

Garudamon came!

Me: WHOA! Garudamon!

Nico: Wow!

Garudamon: This is gonna be good.

Nico: Genevieve Garuda!? Wow!

She reverted back and was a girl with red hair, red eyes, red clothes and fire angel wings and had the Crest of Love in the middle of her forehead and had a Phoenix Necklace and had Garudamon on her shirt and skirt and a phoenix fire sword.

Genevieve Garuda: Awesome to see you again Nico. I got this. (Echoing) WING BLADE!

She fired a powerful blast of fire from her hand and it formed into a phoenix and it hit Another Wuya and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it.

Me: OH YEAH!

Nico: YEAH!

Me: Wait is that a ROTTEN KRABBY PATTY!?

Lily: OH YUCK!

Qin: OH YUCK!

Nico: That smells horrible!

Lola: YUCK!

Me: Smells like puke!

Nico: Hey Kronk!

Kronk: Nico what's happening my man.

Nico: Not much.

Me: Yeah.

Lola: This was fun though!

Nico: That was awesome!

Qin: YEAH!

Genevieve Garuda: It sure was!

Goten: Do you have a favorite memory of Nico?

Genevieve Garuda: When me and Nico were on a cool treasure hunt and we found this.

She showed her sword.

Nicole: The Phoenix Feather Sword of The Fire God! That's a treasure I was trying to find for a long time.

Genevieve Garuda: Yeah.

Nicole: Awesome find. Welcome to the treasure hunting party.

Nico: Yep.

Nico and Genevieve hugged.

Nico: I've missed you.

Genevieve Garuda: Same here.

We later went back home.

But, we're going to kill Viktor once and for all and this'll send a message to The Midnight Princesses that come the day of The Ridonculous Race next year, she and her minions will all pay with their lives for everything they've done seven years ago.

Lincoln: So, we're here in Hungary, and I know what we're going to do here, not only am I going to rescue the six girls, but as we'd found out in Nico's rescue yesterday: Viktor, the ruthless vampire elder and the one who murdered Selene's family over 600 years ago, has returned from the dead due to the black magic of the leader of The Midnight Princesses, Morgana Midnight Sparkle. But, we're going to kill Viktor once and for all and this'll send a message to The Midnight Princesses that come the day of The Ridonculous Race next year, she and her minions will all pay with their lives for everything they've done seven years ago.

Just then, we were joined by Selene, Eve, David, and Michael Corvin.

Selene (Underworld): I thought I was finally rid of Viktor all those years ago, but as always, your old enemies try to cause trouble whenever an opportunity rises.

Eve: (British Accent) Viktor may have given my mother the power to avenge her family whom she lost 600 years ago, but when Kraven eventually exposed Viktor, that became his undoing.

David (Underworld): (Czech Accent) And to also find out he created the Lycans when he spared Lucian all those centuries ago, this is inexcusable.

Michael Corvin: But, what if we're not just dealing with Viktor, what if Kraven's also come back as well?

Eli: (Sensed with The Force) You're right, Michael, Kraven was also brought back.

We gasped.

Gine: Morgana really is insane, so who do we take care of first?

Lincoln: We should deal with Kraven first, we can't have a loose end like him run free, he's just as guilty as Viktor for hiding the truth of the death of Selene's family and cleaning up his mess.

Eli: Perfect, I've got a few words to say to that bastard.

We headed out, and there we saw Kraven and a handful of vampires and they were out to kill Selene and Michael again. Caleb Maxwell summoned a ball of darkness that sent blasts of dark energy at them and they tried to fight it, but nothing. Then, we appeared in front of Kraven and his men.

Selene (Underworld): I should've known you'd come back once again, Kraven.

Michael Corvin: And I still owe you for what you did in shooting me.

Michael Corvin transformed into his Hybrid form and killed Kraven's men, then he grabbed Kraven by the collar of his shirt and tossed him at us and we proceeded to blast him all over the place, and Lori fired a UV bullet into Kraven's chest, and he was incinerated and sent to The Black Gates.

Lori: Good riddance, you piece of trash. Now, let's find Viktor before he finds us.

CHINESE MUSIC PLAYS

We then saw a boar made of purple flame fly through the skies.

Lincoln: The boar made of purple flame, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with purple streaks and purple headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless purple crop top, white bridal gloves, crimson red skirt, grey stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, purple fire, purple flames, boars, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Boar, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the six girls.

Lincoln: (GASPS) Felicia Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Boar.

Felicia Zihuo: That's right, and I got the girls away from Viktor, but he's on his way now, he knows you're here, Selene.

Selene (Underworld): I know.

?: So, you've returned, my child.

We then saw our target, Viktor, and we saw the demonic Alicorn on his forehead proving he was brought back by Morgana Midnight Sparkle.

Suddenly, Lincoln went at Viktor and he bit him and drained him dry of blood and he gained all of Viktor's powers and abilities along with his blood memories and Lincoln absorbed him into his body. When Lincoln was done, he also sent Viktor's spirit was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, Viktor.

Suddenly, we heard unholy and inhuman screams from very far away.

Me: Looks like Morgana and her minions have gotten our message, Lincoln.

Lincoln: Come the day of the next race, they're all heading for The Black Abyss. (To Felicia Zihuo) And it's so good to see you again, Felicia.

Felicia Zihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Felicia Zihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Felicia Zihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Felicia Zihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Felicia Zihuo and hugged her, and Felicia Zihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really

become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Felicia Zihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a

diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Felicia Zihuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Boar, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of purple fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Boar, along with having angel wings along with having intense purple fire powers. She's known as The Solitary Warrior of The Sisterhood of The Fists of Fire, because she'd done her solitary training in her early years. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of purple fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Felicia hates Scoots with a blazing passion, because of what that old goat's tried to do to Lincoln in the past, and in one incident, she and Lincoln beat her up and sent her back to the nuthouse with two black eyes and an irreversible super double mega wedgie.

Me: I still remembered that day, and Scoots just didn't know when to quit.

Nico: That old goat, she's just borderline insane and psychotic.

Lincoln: All she ever does is cause trouble and harass people, but the murder of Claudia Cloudian, that left many of us with wanting to kill her, and now that you're here, Felicia.

Lincoln leaned his head down the right side of Felicia Zihuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Felicia Zihuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Felicia Zihuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Felicia Zihuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Felicia Zihuo.

Felicia Zihuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Felicia Zihuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Felicia Zihuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Airi Hagiwara, Hinami Hamuro, Kanon Saeki, Rino Misaki, Sakura Sakura, and Youka Shibaneko from Koi no Honey Trap ~Ecchi de Amai Honey Trap~

Lincoln: Oh wow, it's Airi Hagiwara, Hinami Hamuro, Kanon Saeki, Rino Misaki, Sakura Sakura, and Youka Shibaneko from Koi no Honey Trap ~Ecchi de Amai Honey Trap~

Nicole: Felicia did a great job getting them away from Viktor and Kraven.

Lincoln: Morgana lost her chance to anger us even more, but we struck her first by getting rid of Kraven and Viktor. Are you girls okay?

Airi Hagiwara: Yes, we're okay, thanks to you.

Then, when Airi Hagiwara and the other five girls saw who it was that saved them from the ruthless vampire elder, Viktor, and by extension, Kraven, their faces turned atomic red upon seeing the 18-year-old 9'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden

Airi Hagiwara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Airi Hagiwara, Hinami Hamuro, Kanon Saeki, Rino Misaki, Sakura Sakura, and Youka Shibaneko with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Selene's former liege and enemy, Viktor, the ruthless vampire elder and the one who murdered Selene's family over 600 years ago, who's returned from the dead due to the black magic of the leader of The Midnight Princesses, Morgana Midnight Sparkle.

But, when Lincoln showed what we did in beating that vampire down, and finally, Lincoln draining him dry of blood and acquiring all of his powers and absorbing him and sending him to The Black Gates forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Felicia Zihuo have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that Morgana did this! She's got some nerve bringing Viktor back from the dead.

Lincoln: She's done a lot of pretty low things, she and the rest of them.

Nico: But, we got our message out: that next year, we'll face them, and all of them will die.

Me: A battle that began seven years ago just like with Xehanort, but soon, it'll end with Morgana Midnight Sparkle and the rest of them dying in a pool of blood.

---

After Lincoln and all of us beat down and killed Viktor along with Kraven, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Felicia Zihuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Felicia Zihuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Felicia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Felicia Zihuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Felicia Zihuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever,

they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Lincoln: We've got to keep our heads up, now that Morgana and her minions are planning their return next year, they're going to try and cause havoc by bringing back villains we've killed in the past, but we're more than ready for them.

Suddenly, Lincoln felt a sharp pain on his wide muscular back, and then, his massive white angel wings with aurora and orange tips on the large white feathers grew much larger with a wingspan of 18'0" and his medium sized white angel wings with aurora and orange tips under his massive white angel wings also grew larger with a wingspan of 14'0" and a smaller pair of white angel wings with aurora and orange tips grew and sprouted underneath his medium sized angel wings with a wingspan of 8'0".

Luna: Whoa!

Nico: Awesome, but this is a sign though, Lincoln, you and your sisters are going to undergo the same transformations as me, J.D., Connor, Cage, Travis, Caleb, and Sherlock Hound on your main day missions.

Lori: This should be something to see.

Eli: You guys will love having three sets of angel wings as us.

We got a shower, and then, Lincoln, Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Simulator Connie Maheswaran: Whoa, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Connie, and it's perfect for our first date, shall we?

Lincoln, Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey are in your harem, Linky.

Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Simulator Connie Maheswaran, Universe 666 Amber Bailey, and Universe 666 Crystal Bailey, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we catch Walter Peck and throw him back in Lynn's Table and give Margie The Black Abyss.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Today is Luncheon Kingdom for Round 2.

Me: Cool!

Lynn Sr.: Me, Roxy and Squirrel Girl will go on that one.

Nico: Okay then.

They went in and it activated and they were in Luncheon Kingdom!

Lynn Sr.: Wow! Luncheon Kingdom is my kind of place!

Mary Knudson: I said the same thing too Mr. Lynn.

Nico: Yeah.

Nicole: You guys are gonna be in for a challenge for round 2. It's in that giant pot over Mount Volbono.

Nico: I see it.

Roxy: This is gonna be fun.

Squirrel Girl: Yeah!

Nico: Lets go!

They were off.

Roxy: Who are we fighting this time?

Nico: I have a feeling it's gonna be a hot one.

They got to the pot and then they saw COOKATIEL!

Nico: Cookatiel!

Nicole: Yep and this is gonna be a nasty one. You have to hit him on his head as he is spewing out Soup Vomit.

Nico: EW!

Squirrel Girl: Fine by me!

Ed: CHICKEN!

Nico: (LAUGHS) Yeah nothing makes soup taste great than chicken.

Heffer: And I got a hankering for some chicken soup all of a sudden.

Me: Yep.

Nico: Lets make him the main ingredient!

They kept going and fired blasts of fire and blasted him.

Lynn Sr.: Time for some seasoning!

He fired oregano and parsley and seasoned him.

?: (ECHOING) BLIZZARD BLASTER!

A stream of snowballs flew in and blasted Cookatiel all over!

Nico: WHOA!

Kumamon and a girl with aqua blue hair and blue eyes and blue clothes and blue angel wings and a tiara with Tidal Whale on it came.

Winter Whale: Winter Whale, Embodiment of Tidal Whale.

Roxy: Wow! Winter looking great!

Squirrel Girl: Same to you.

Winter Whale: Been a while.

Kumamon: (In a girls voice) We're ready for this!

Nico: Kelly Kuma! Wow!

Kumamon: Yep.

Nico: (gets out Mantis Deadman and Wuya's Ridewatches) Time for this mantis to unleash dark magic!

He activated them and fired waves of energy and blasted Cookatiel!

Roxy and Squirrel Girl fired energy and Texas Nut Bombs and blasted him.

Kelly reverted back and was a girl with light blue hair and blue eyes and had blue clothes and blue angel wings and had Kumamon on her shirt and skirt and had a Snowflake in the middle of her forehead and had the Ice Spirit Kanji on her arm and had an ice sword in her hand.

Kelly Kuma: Time for some ice power!

She fired waves of ice and Winter fired waves of ice and energy and they blasted Cookatiel and it fell into the soup and out came 30 sky blue moons and they got them as a reward.

Nico: YEAH!

They all high five.

Nico: How did you meet Roxy and Squirrel Girl?

Winter Whale: I met Roxy when she was battling Valtor with Bloom and friends and I helped them imprison him in the Omega Dimension.

Nico: Cool!

Winter Whale: Yep. And I met Squirrel Girl when she and the Avengers were battling Loki and we got his staff and knocked him out.

Nico: Wow that is awesome.

Lynn Sr.: It sure is!

Roxy: Yep. Kelly what's your favorite memory of Nico?

Kelly Kuma: That's an easy one. When me and Nico went skiing in Alaska and we fell through ice into a mine and we found a diamond deposit that made me and my family filthy rich.

Nico: That was by accident but it was awesome.

Kelly Kuma: Yep.

Nico and Kelly hugged.

Nico: I've missed you.

Kelly Kuma: Same here.

Nico: Would you two like to join us?

Winter Whale: We would be honored.

They left the simulator and we cheered wildly for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Sandy: Howdy guys can I show y'all something?

Me: Sure Sandy.

We went and followed her and we saw a HUGE ROCKET!

Me: WHOA!

Poromon: Is that a rocket?

Sandy: It sure is. Let me show y'all around.

We went into the rocket.

Me: Wow!

Nico: What are you gonna do with it?

Lily: Are you going to the moon like the last time?

Sandy: I sure am Lily.

Tanya Nikos: Oh boy,

Lily: Boy this brings back memories. SpongeBob, Patrick and I went on your rocket and we ended up accidentally ruined your experiment.

Sandy: I remember. SpongeBob and Patrick bagged up all their friends and neighbors like they was a fresh crop of hickory-smoked sausages.

Homer: Mmm Hickory Smoked. (Drools).

Me: Jeez!

Lily: And I completely regreted doing that Sandy. We thought aliens were on the moon and we had no idea we were back on Earth.

Maria: I think history's about to repeat itself!

Poromon: Yeah can we go to the moon too?

Me: Poromon you guys already went to the moon remember?

Nico: And besides we don't need spacesuits in space.

Lola: Yeah.

Me: Also We don't want you to do what SpongeBob, Patrick and Lily went through.

Nico: Yeah.

Poromon: You're right. That would not be good.

Qin: But your rocket is amazing Sandy.

Sandy: Thanks guys.

They went in anyway.

Me: Hey get back here!

Eli used the Force and got them out.

Eli: Nice try guys.

Me: Sorry Sandy.

SpongeBob: Yeah we don't want a repeat of what happened to happen again.

Poromon: Aww we wanted to go.

Me: Tell ya what how about SpongeBob, Patrick and Lily tell you what went down back then before you make a decision.

Poromon: Okay.

SpongeBob: Okay here goes.

They told us everything.

---

SpongeBob visits Sandy's treedome, and then sees that Sandy has built a rocket ship. Sandy explains to him that she is going to the moon, and SpongeBob begs her to take him with her. Although she immediately insists that he cannot come, saying that this trip is for science and not for fun, and that there isn't even enough room for him on board, SpongeBob's begging ultimately convinces her to let him come with her.

That night, Patrick comes to SpongeBob's house and gives him some "Alien Repellent," which they sneak into Sandy's treedome to spray on the windows. Even though they agree to only spray the windows, Patrick inadvertently enters the rocket, and SpongeBob follows. After playing with the ship's various features, SpongeBob accidentally starts up the rocket and it starts to launch, which makes Sandy wake up and figure out the cause. SpongeBob and Patrick fall right down the rocket. Luckily, the gravity significantly decreases while they're in outer space. The ship loops over the moon a few times, falls back down to Earth, and crashes back in Bikini Bottom. SpongeBob and Patrick are both convinced that they are on the moon and that the aliens are projecting their memories onto the environment to trick them.

The two begin capturing everyone with Sandy's net guns (intended for harvesting moon rocks), believing the citizens of Bikini Bottom to be aliens. Eventually, they capture everyone in the city. When Sandy arrives and chews them out for ruining her experiment, SpongeBob and Patrick shoot their net guns at her, capturing her too. Sandy attempts to explain the truth to them, but they slam the door in her face. Then, the two become convinced that the other one of them is an alien. Patrick attempts to shoot SpongeBob before he has a chance to capture him, but had his gun pointed the wrong way and ends up shooting and capturing himself. SpongeBob starts the rocket again to return home, and when it reaches the moon, the rocket crashes on top of it, having run out of gas. Noticing that things are different, SpongeBob looks out the window to see the Earth where he realizes his mistake. Before the episode ends, all the Bikini Bottomites who are being stored in the cargo hold of the ship, say: "SpongeBob, we aliens would like a word with you."

---

When it was done they were shocked and amazed.

Poromon: Wow!

Venkman: They can go on one test run. That's it

Me: Fair enough.

Poromon: Okay.

Nico: Go for it.

They got ready.

SpongeBob: Here we go! [presses the start button and the ship starts up]

Patrick: You've started the rocket!

Poromon: YAY!

Mascots: YAY!

[SpongeBob and Patrick hold onto each other while falling down a long shaft as the ship is taking off.]

Mascots: WEEEE!

Patrick: Hang on, buddy! [while screaming, SpongeBob and Patrick are still falling down to the bottom of the ship. The ship flies upward out of the ocean past Bikini Atoll arriving into space, and both of them start to float] Hey, we stopped falling!

SpongeBob: Look! [points at the dark galaxy] We're in space now! Whee! [both float around in the ship]

Manaphy: COOL!

Patrick: [frantically worried] Hey! Whoa! Somebody get me down, or up, or something!

[SpongeBob laughs as the ship orbits around the moon.]

Horsea: Wow look!

Patrick: Hey, SpongeBob, watch this! [squirts toothpaste into some peanut butter]

SpongeBob: Hey, you got your toothpaste in my peanut butter! [he and Patrick laugh]

THEY LAUGHED!

[The ship finishes circling the moon and prepares to return down to the surface. SpongeBob lifts a heavy barbell on one finger.]

SpongeBob: Patrick, I can do this!

Poromon: WOW!

[The ship lands back into the estate and the barbell smashes into the ground and flattens SpongeBob's hand.]

Patrick: [scowls] Hey, who turned the heavy back on?

SpongeBob: We must be landing.

Patrick: All right!

They landed.

We got them out.

Aligned Knock Out: Happy now?

Mascots: WE SURE ARE!

Me: At least it works.

Camie: It sure does.

Sandy: Thanks for testing it.

Me: Anytime.

Qin: Yeah that was cool.

Skids: How do you each rate the rocket trip experience?

Poromon: 10 out of 10!

Poliwag: Same!

Manaphy: Same!

Horsea: Same!

Patrick: Me too!

SpongeBob: Yeah!

We laughed!

Qin: Glad you all had fun.

Me: Yeah!

Later Johnny Bravo was watching TV and he was Nunchuck Chicks.

Johnny Bravo: Nunchuck Chicks rule.

Then Johnny's mom came and took the remote and changed the channel to the Fish Network.

Johnny Bravo: Mama what are you doing?

Bunny Bravo: I am making sure you don't watch stuff like that. As long as you are with me under my roof you will watch only decent television.

Me: What's going on?

Johnny Bravo: Mama is not letting me watch what I like!

Me: Mrs. Bravo you know Johnny is a grown man and he needs to be treated like one.

Bunny Bravo: I'm sorry but that stuff will rot his brain.

Me: What stupid asshole moron told you that?

She handed me a magazine.

Me: (Reading title) "Overprotective Parenting Digest - Tips on helping you become a better parent." Mrs. Bravo these magazines are nothing but a bunch of bullshit malarky and they only give you bad advice on how to be a better parent.

Bunny Bravo: But it told me to…

Lisa Loud: I'm afraid J.D. is correct Mrs. Bravo. These magazines are nothing more than a bunch of ludicrous claims that are nothing but bad advice that leads to bad parenting. Ergo it's all a bunch of malarky.

Me: That's right.

Lisa Loud: These magazines are full of tips that turn you into absolute dominutive control freak tyrants that make grown kids be treated more like infantile children.

Me: That's right. Johnny's not a baby anymore. He's a grown man and needs to be treated like one regardless.

Bunny Bravo: You're right. But he should watch…

Me: Mrs. Bravo I also hate to hate on your parade but this is not YOUR roof. This is MY roof. Johnny can watch whatever he likes.

Johnny Brave: Thanks J.D.

Me: No problem.

He got back to watching Nunchuck Chicks.

Me: You got to admit, that rocket Sandy built is cool.

Azula: And this time, with no one being captured in nets

Me: True. Also the Nunchuck Chicks would be perfect for the M.O.E.

Johnny Bravo: Really? Whoa mama! They sure would.

Me: Don't get any ideas Johnny. You already have a girl.

Johnny Bravo: I know. But that would be so cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, that pencil dickless asshole, Walter Peck, and he's causing havoc. When we saw it, we knew it meant

trouble.

Lincoln: I knew you'd be the next to move, J.D. and Moondancer have a few words to say to you.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than our our old enemy, Walter Peck, and he's causing havoc.

WE GASPED AT WHAT LINCOLN SAID, AND NEEDLESS TO SAY, WE WERE PISSED OFF TO NO END!

Nico: THAT SON OF A… ! OF ALL THE… !

Me: Should've known we'd be going after that pencil dickless asshole. But, it's a good thing we aren't going to kill him though, but I've got a few choice words for him. Where's he at, Lincoln?

Lincoln: Scans show he's in New York where we first met him.

Eli: Then, that's where he's going to be taken down.

Caleb Maxwell: Whatever you got to say to him, I hope you make his ears bleed.

Cage Blunt: Or you could shoot him in the ass.

Lincoln: J.D. will stick to what he's got to say to him, and he's gonna make his ears bleed.

Nico: Not like what you said to James, you made his ears and his butt bleed when you told him off in the nastiest way possible.

Me: Oh, I'll make both his ears and ass bleed.

Nico: That's even better. Alright, team, time to get going and put that jerk-off back in his place.

Lincoln: As in, humiliation fodder at Lynn's Table chained up and treated like the pile of garbage that he is.

Me: You got that right!

Qin: Yeah!

The previous group came.

Oculous: Can me, New Wave, Hydrax, Deadwood, Black Lance, Thundermon, Grundy, Bizarro, Goro, and the Rowdyruff Boys come with you guys?

Butch: And is that a new rocket?

Me: Yep. Sandy built it.

Xenia: Yeah.

Nico: And yes you all can come with.

Qin: Awesome.

Sinestro: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lillymon next.

Qin: Awesome!

Mimi Tachikawa: That is awesome.

Lillymon: It sure is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Trundle, The Troll King from League of Legends, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Trundle, The Troll King from League of Legends, and he's coming to destroy us.

The League of Legends girls in Lincoln's harem gasped.

Ahri: I knew we'd be facing that ice troll again.

Acacia Sahara: Well, he's about to face the last of The Order of The Hieratic Egyptian Duel Monsters, me, and he's going to be taken down and absorbed by Lincoln.

Lincoln: Right, Acacia.

Nico: That ice troll's going to get clobbered big time. Alright, team, let's go, we got to take that stupid pencil dickless asshole, Walter Peck, down again and send his ass back to Lynn's Table.

Lincoln: But, not before J.D. puts him in his place again, and once we get done with him, you're next, Trundle.

Acacia Sahara: The crimes that you've committed for your conquests can never be forgiven, you dimwit barbarian, this time, you die here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to New York to take down Walter Peck and throw him back at Lynn's Table, and once we get done with that jerk, Lincoln and Acacia Sahara along with me and Nico are going to destroy Trundle, The Troll King.

We were off to face Peck.

---

We arrived in New York City.

Me: Ahh Good Old New York.

Xenia: Yeah.

Qin: So awesome.

Hydrax: We should head to the Ghostbusters HQ.

Me: Good idea.

Nico: Yeah.

We arrived.

Nadira: Hi Janine!

Janine: Hey guys! Welcome!

Me: Awesome to see you.

Janine: Same here. Peck is coming.

Me: we know and we're going to give that Pencil Dickless motherfucker what for.

Black Lance: Can you show us around the place in the meantime?

Janine: Sure.

Me: Awesome.

Qin: Cool.

We got to looking around.

We saw the ghost lab.

Kevin Levin: So this is where the Ghosts go, right?

Me: Yep and we send them to the Ghost Zone too.

Janine: Wow. What is the Ghost Zone? I never asked that.

Me: Oh it's a dimension where all the ghosts in the world over the centuries live.

Ember McLean: It's true. I lived there before when I was dead.

Sidney Poindexter: Yeah and I know the place myself because I'm a ghost myself.

Me: Sidney went to Casper High over 50 years ago.

Nico: Right I remember!

Ray Stanz: I would advise against touching the Containment Grid. Unless you want all the ghosts we've captured to get loose

Me: Noted Ray. But we can send them to the Ghost Zone.

Camie: Yeah.

Moondancer: Those giant ghosts are no easy pickings. They are dangerous.

Kylie Griffin: Yeah they are no joke.

Bizarro: Bizarro will not make note of that

Nico: Bad.

Janine: (Confused) Huh?

Me: (Whispers to her) Bizarro talks in opposite. To him bad means good and good means bad.

Janine: Oh I think I understand.

Me: (Thumbs up)

Venkman: Unfortunately, Peck had to learn that the hard way.

Scrapper: And that led to the showdown with Gozer, right?

Me: That was almost 40 years ago.

Venkman: It sure was.

Me: And then with the Stay Puft Marshmallow Man. (LAUGHS) That always cracks me up every time he got splattered with marshmallow slop.

Slimer came.

Brick: Hey, Slimer!

Boomer: How've you been?

Slimer gibbered.

Me: He's happy to see us.

Qin: (LAUGHS) Love Slimer.

Me: Iconic and awesome.

Janine: Now, what's this about Johnny Bravo not being treated like an adult?

Sunny Tennyson: Look at these magazines

Me: News REALLY spreads fast doesn't it. His mother reads Overprotective Parenting Digest.

I showed her a magazine.

Janine: Yeah I don't like these magazines. They are full of bad advice.

Xenia: Yep.

Goro: I hope Rita never read any of these.

Rita: No I haven't thank goodness.

Me: That's a relief Ms. Rita.

Lori: Yeah no kidding mom.

Me: I have seen a lot of things happen because of magazines like that and it lead to a lot of kids rebelling and going down the wrong path.

Nico: Really?

Me: Mm-hmm.

Nico: Yikes.

Janine: Yeah. Oh congratulations on killing Xehanort guys.

Me: Thanks Janine.

Sandpit: I know what to do with these.

He gave them to Ed, who ate them.

Eddy: (LAUGHS) Nice one Lumpy!

Qin: Yeah!

Nico: That is funny.

Me: Yeah. Ed is the ultimate Swiss Army tool and he's also a funny garbage disposal.

We laughed!

Grundy: Grundy wanna eat magazines too!

Nico: Do you do that Grundy?

Grundy: Grundy thought it funny.

I gave them to him and he ate them.

Qin: That is funny.

Hard Man: Let's get ready to beat Peck up

Me: Right. I got some REALLY harsh words for that pencil dickless fuckwad.

Xenia: Nice.

Qin: Yeah!

Me: I'm going to first do something I have been wanting to do to him for a long time.

Nico: What's that?

Me: Punch my fist through his crotch with the devastating force of the impact that formed Meteor Crater.

Nico: (WINCES) Geez! That is gonne sting!

Me: Yeah but it'll show just how much I hate him.

Thundermon: Wanna come with us, Slimer?

Slimer nodded.

Me: That is a big yes.

Qin: Cool!

Janine: I will go too! I got a score to settle with him.

Me: You do?

Janine: Yeah I hate him for always ruining people's businesses. Especially ours.

Me: Stupid motherfucking shitfucker. All right then.

Nico: Where is he now?

Eli: (Concentrates) He's over in Central Park.

Me: Ah good ol Central Park.

Megan McCallister: Always loved Central Park. So beautiful.

Nico: It sure is.

Tornado Man: Race you there!

Nico: Lets get him!

We were off.

We arrived in Central Park.

Me: Always love coming to Central Park.

Deadwood: Look at all the trees here!

Nico: Well It's one of the largest parks in the world.

Me: The 18th to 25th largest urban park ever. The largest ever one is up in Anchorage, Alaska.

Nico: Wow! I had no idea it was that big.

Nicole: Yeah.

Me: It's up there.

Eli: He's coming. Look.

In front of the lake we saw a figure and it was WALTER PECK!

Me: Target sighted.

Yamato Man: Entrance time!

We went at him!

Walter Peck was enraged!

Walter Peck: I HATE THAT MOTHERFUCKER VENKMAN! I HATE HIM!

Then the spirits of Ghosts came and swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a Phoenix Cry was heard.

(GHOSTBUSTERS BY RAY PARKER JR. PLAYS)

And it don't look good

Who you gonna call?

(Ghostbusters)

An invisible man

Sleepin' in your bed

Don't get caught alone, oh no

(Ghostbusters)

When it comes through your door

Unless you just a-want some more

I think you better call

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

(Ghostbusters)

Who can you call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Uh, it likes the girls too

(Ghostbusters)

The explosion formed into all the ghosts that the Ghostbusters busted and caught and then we came out.

Me: Hello Dickless!

Walter Peck: YOU!

HE RAN AT ME AND I CHARGED AND THEN…

KRABLAM!

SICKENING CRUNCH!

SQUELCH!

I PUNCHED MY FIST THROUGH HIS CRUTCH SO HARD WITH DEVASTATING FORCE THAT BLOOD SPLATTERED ALL OVER AND THEN TURNED INTO RUBIES! THEN HE SCREAMED IN PAIN LIKE A CHIPMUNK AND THEN LIKE A LITTLE GIRL!

I pulled my fist out and he had a HUGE HOLE where his crotch was!

Nico: WHOA! Now he REALLY IS Dickless!

WE LAUGHED!

New Wave: It all started with that song!

Nico: Yep!

Walter Peck: YOU! YOU MOTHERFUCKERS! YOU RUINED ME!

Venkman: Because you are a dickless asshole.

Me: That's right and I got some words to say to you. You are nothing more than a PENCIL! DICKLESS! MOTHERFUCKING! ASSHOLE! DOUCHEBAG!

Walter Peck growled and roared ferociously!

Me and Caleb Maxwell: Alright, that is the last straw, we've had it up to hear with you, Walter "Dickless" Peck!

Nico: Oh, Triple Shit!

Qin: EVERYBODY, RUN FOR YOUR LIVES! THEY'RE BOTH GONNA START TEARING AT THAT ASSHOLE!

EVERYONE RAN FOR COVER, AND THEN, THE HUMILIATION BEGINS!

Me and Caleb Maxwell: I CAN'T BELIEVE YOU, NOT ONLY ARE YOU CONTINUING TO CAUSE NOTHING BUT GODFORSAKEN HAVOC ON THE GHOSTBUSTERS, BUT TO ALSO FIND OUT THAT YOU HAVE ALSO THROWN IN YOUR LOT WITH XEHANORT IN ONE LAST ATTEMPT TO GET REVENGE ON US FOR SOMETHING THAT WAS ALL YOUR FAULT! YOU PENCIL DICKLESS PIECE OF SHIT, WE OUGHT TO SLICE YOUR PENCIL DICKLESS CROTCH OFF AND FEED YOUR DICKLESS CROTCHLESS CORPSE TO THE SHARKS!

WHOA! CRUEL! THAT ALSO MADE WALTER PECK SCREAM LIKE A LITTLE GIRL!

Me and Caleb Maxwell: YOU'RE AN ABSOLUTE DISGUSTING PILE OF GARBAGE WHO ONLY LOOKS DOWN ON OTHERS AND ACT LIKE A CONDESCENDING PIECE OF HORSESHIT AND TRIED TO KILL THE GHOSTBUSTERS FOR DOING THEIR

JOB! YOU ARE ABSOLUTE GUTTER TRASH!

WE GASPED IN HORROR, AND MANY OF US DID TONS OF WILD TAKES!

Eli: OH MY GOD!

Nico: HOLY SHIT! I WOULD'VE EXPECTED THAT FROM SEBASTIAN, BUT FROM BOTH J.D. AND CALEB, DAMN!

Nicole: GET HIM, DAD! TEAR HIS ASS APART!

Me and Caleb Maxwell: BECAUSE OF YOUR BLACK HEART AND SMALL MIND, YOU HAVE AN ABSOLUTE NARROW-MINDED VISION OF THE OTHER WORLD AND ALL YOU EVER DO IS LOOK DOWN ON PEOPLE AND TREAT OTHERS LIKE TRASH! YOU INCOMPETENT PIECE OF SHIT, YOU SHOULD JUST LAY DOWN AND DIE!

Me: DAMN!

Cage Blunt: Jeez!

Lori: THIS IS LITERALLY DISGUSTING! BUT, THIS IS WAY TOO GOOD!

Lincoln: No way are we stopping them, this is really getting good!

Nico: It's about to get even more awesome, they're about to do the grand finale.

Me and Caleb Maxwell: YOU ARE ABSOLUTELY THE SCUM OF THE EARTH, YOU'RE A PILE OF TRASH WHO KNOW NOTHING ELSE BUT TO LOOK DOWN ON AND HURT OTHERS AND TRY TO HURT THE GHOSTBUSTERS AND FOR YOUR PATHETIC STUPID SMALL MINDED PEABRAINED VIEW OF GHOSTS NOT EXISTING! YOUR MOTHER IS A PACK OF POLAR BEAR, YOUR FATHER WAS A FIGURE SKATER WHO STINKS LIKE THE SUBWAYS OF NEW YORK CITY!

THAT ULTIMATELY DID IT: WALTER PECK WAS NOW BLEEDING FROM HIS EARS AND HIS BUTT WAS ALSO

SPEWING OUT BLOOD AND THE BLOOD TURNED INTO BLOOD RUBIES THANKS TO LINCOLN'S GESSIUS FLORES VENGEANCE CURSE!

THEN, CALEB MAXWELL FIRED BLASTS OF DARKNESS AND DARK FIRE AT WALTER PECK WHO SCREAMED LIKE A LITTLE GIRL AND HE GOT HIT HARD AND BURNED BADLY AND MASSIVE TONS OF GOLD, GEMS, JEWELRY, AND OTHER CURRENCIES EXPLODED OUT OF HIM, THANKS TO LINCOLN'S GESSIUS FLORES VENGEANCE CURSE STILL ON THEM!

Walter Peck: Ouch.

They shook off the soot, but now, he was MEGA SUPER PISSED BEYOND BELIEF!

Walter Peck: YOU MOTHERFUCKERS! HOW DARE YOU RANT AT ME! DO YOU KNOW WHO I AM?!

Me: Do we look like we give a flying fucking rats ass about it?

But, I and Caleb Maxwell gave him the finger, and THAT MADE HIM GO MEGA BALLISTIC AS HE SWORE LIKE A SAILOR AND SPEWED OUT TONS OF HATRED AT US THAT CAUSED OUR AURAS TO FLARE UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST DUE TO HIS HATRED!

Nico: And thank you for the power boost, you pencil dickless motherfucker.

THEN HE EXPLODED INTO A KURATA STYLE MELTDOWN!

But before he could utter a single word, Slimer slimed him!

SPLAT!

Me: OH SICK!

Qin: YUCK!

Nico: He didn't get to go into a villainous breakdown but this works so much better!

Me: Nice!

I then punched Peck in his face and kicked him down.

I had slime on my hand.

Me: YUCK! Ectoplasmic Slime.

Walter Peck: YUCK!

Me: Also Ghosts are real you shitfucking monster!

Walter Peck: You stupid asshole, YOU'RE GOING TO PAY FOR WHAT YOU'VE DONE TO ME, AND THEN, I'M GOING TO KILL THOSE GHOSTBUSTERS AND PROVE THAT GHOSTS DON'T EXIST!

Nico: What a delusional freak!

Me: Yeah. What's wrong Peck? You were so intent on proving the Ghostbusters were frauds right. Well does being covered ectoplasmic slime qualify that ghosts are real? Or do you need more proof through our fists?

Qin: Yeah you dumb jerkwad!

Me: And another thing, your fuckbuddy Xehanort is not here to bail you out this time because you're looking at his killers, US!

Nico: Yeah!

Me: And another thing. (Imitating Lunatic Gary) YOUR MOTHER'S A FUCKING WHORE!

WALTER PECK THEN EXPLODED IN RAGE!

He went at me and I punched him in his face and smashed his teeth out!

Maria charged at him and kicked him in his face!

Bowsette: Lets make this monster pay!

Maria and Bowsette: FLAMING WATER STRIKE!

They fired waves of water and fire and blasted him all over!

Walter Peck: You all don't get it! You think you all do, but you don't. You all might have fallen for the Ghostbusters' heroic act - and I'm beginning to think you all might even be in on it - but I haven't. Let me tell you something about them. Those charlatans are frauds, has-beens, failures, and this time they might have been lucky, but someday - someday I bet real soon - they'll fuck up so bad they'll bring what's left of the Multiverse crashing down around us. And then you'll be sorry for ever trusting them, you'll all be sorry for trusting them!

Me: What kind of fucked up deluded world do you live in?

Nico grabbed him by the shirt.

Nico: You listen to me you sorry excuse of a fucked up dickless pissant! Like we already told you before, GHOSTS! ARE! REAL! And there are some that pose a serious threat to you and all of us! The Ghostbusters are there to help save you including assholes like you! Like I said, If anyone is a total charlatan around here it's YOU!

Nico punched him in his face and punched him in his stomach 5 times and punched him in his face twice!

He threw him to Moondancer and she punched him in his face and knocked out all of his teeth!

Then, they fired powerful beams of magic and moonlight fire at Walter Peck, which exploded and he got burned badly.

Nico: Take that!

(GHOST RIDERS IN THE SKY BY SPIDERBAIT PLAYS)

An old cowboy went riding out one dark and windy day

Upon a ridge he rested as he went along his way

When all at once a mighty herd of red-eyed cows he saw

A-plowing through the ragged sky

And up the cloudy draw

Their brands were still on fire and their hooves were made of steel

Their horns were black and shiny and their hot breath he could feel

A bolt of fear went through him as they thundered through the sky

For he saw the Riders coming hard

And he heard their mournful cry

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Their faces gaunt, their eyes were blurred, their shirts all soaked with sweat

He's riding hard to catch that herd, but he ain't caught 'em yet

'Cause they've got to ride forever on that range up in the sky

On horses snorting fire

As they ride on, hear their cry

As the riders loped on by him he heard one call his name

"If you want to save your soul from Hell a-riding on our range

Then cowboy change your ways today or with us you will ride

Trying to catch the Devil's herd

Across these endless skies"

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in… The sky

Lincoln and his harem: DARK FINAL SMASH: MEGA SHADOW BLAST!

Lincoln and his harem fired a massive explosive dark Ki blast at Walter "Dickless" Peck which explodes on contact, but he didn't die from the blast, he just got really big boo-boos.

Then, Lincoln tied Walter Peck up in a rainbow straitjacket and kicked him hard in the butt as he was sent flying into a portal that led back to his post in Lynn's Table and was back to being humiliation fodder forever.

Me and Nico: And fuck you too, you pencil dickless asshole!

Lincoln: You've had this coming since 1986, jerkwad. Now, there's one last thing to do and one last loose end to tie up: Trundle, The Troll King.

?: You pathetic weak humans will fall before the might of the Trolls!

Suddenly, the fifteen large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the twelve large planets orbiting around the Loud Sisters' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the twelve large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from ice blasts that came out of nowhere and the barrier really stood strong against them and the ice blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, come out now, Trundle, or we're forcing you out.

A hulking red-haired troll with a club of ice came out, it was Trundle the Frost Troll King from League of Legends.

Lincoln: Should've known you'd show up here, Trundle.

Acacia Sahara: Only to die at our hands.

Suddenly, Acacia Sahara's yellow eyes turned neon yellow and she was surrounded by an orange and yellow energy aura with stars, fire, flames, light, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Trundle, she left orange and yellow energy, stars, fire, flames, light, dragons, phoenixes, and angels with every step.

Acacia Sahara: Your crimes have gone unanswered for years, Trundle, you've caused nothing but pain and suffering to too many innocent people and all to conquer the lands and prove the superiority of the trolls, you really are a dimwit, as The Avatar and Gene-Slammer of Hieratic Dragon of Sutekh and member of The Order of The Hieratic Egyptian Duel Monsters, I hereby sentence you to death for everything you've done.

Suddenly, Acacia Sahara was surrounded by a massive vortex of orange and yellow energy with stars, fire, flames, and light surrounding the vortex, there are dragons, phoenixes, angels, and Hieratic Dragon of Sutekh flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Trundle: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: Trundle has angered Acacia Sahara, and now, the rage of Hieratic Dragon of Sutekh is about to be unleashed.

Then, as the vortex faded, Acacia Sahara emerged, but she was changed forever.

Acacia Sahara grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large orange and yellow planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and an orange and yellow energy aura with stars, fire, flames, light, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Hieratic Dragon of Sutekh emblazoned on her forehead and Third Eye with yellow iris, she has on dragon earrings with yellow gems for eyes and holding the Star, Fire, Light, and Eternity Kanjis in its claws, she also has Hieratic Dragon of Sutekh with yellow gems for eyes and holding the Star, Fire, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her yellow dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and yellow embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Acacia Sahara felt a sharp pain on her back, and then, her massive brown angel wings with yellow tips on the large brown feathers grew much larger for her new body and medium sized brown angel wings with yellow tips grew and sprouted out underneath her massive brown angel wings and she also now has eleven massive and long brown wolf tails with yellow tips and yellow markings, Acacia Sahara has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Time for us to smash you down and send you straight into The Black Abyss.

Acacia Sahara, Lincoln, Nico, and I went after Trundle, who continued firing ice blasts at us, but we countered with fire, and we fired extremely powerful blasts of rainbow energy, orange and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Trundle and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Acacia Sahara also did the same by firing orange and yellow energy slashes from her massive greatsword and gold-plated dragon claws, and he, Acacia Sahara, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Trundle even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln disarmed Trundle of his large club of True Ice and Lincoln's greatsword absorbed Trundle's large club of True Ice, and he turned the tips of his eleven massive and long white wolf tails into Cell's

Stingers, and he stabbed them into Trundle and he began absorbing Trundle and he was assimilating Trundle's Cyrokinesis, Brute strength, Self-healing, Command of other trolls, and Relatively high intelligence and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Trundle except for his armor and clothes, and Lincoln sent his soul to The Black Gates after he drained his soul of his life essence. Everyone cheered wildly for what Acacia Sahara, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Acacia Sahara's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large orange and yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Acacia Sahara: Reap what you have sown, dimwit. Thanks for helping me take down Trundle, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Acacia.

Me and Nico: Our pleasure, Acacia.

Suddenly, Acacia Sahara wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Acacia Sahara's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Hieratic Dragon of Sutekh flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and fire and light behind them and we cheered wildly. Then, Lincoln and Acacia Sahara sucked in and absorbed the elemental forces and fire and light and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Trundle down and Lincoln absorbed him and his sword also absorbed his large ice club.

Me: And Lincoln sent him to The Black Gates after he drained his soul of his life essence. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a rooster made of violet fire pass through the sky along with a Thunderbird made of lightning appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Maria Ziluolanhuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Rooster.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Maria Ziluolanhuoyan is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of violet fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Rooster, along with having angel wings along with having intense violet fire powers. She's known as The Steadfast Warrior of The Sisterhood of The Fists of Fire, because she's the most steadfast of The Sisterhood. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other

Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Maria hates Dustin Keystone with a blazing passion, because of what that nihilistic and extremely murderous asshole has done in bullying Lincoln in kindergarten and tried to kill him in the past, and in one incident, she and Lincoln beat that asshole up so bad and sent him back to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Luna: That was a week after Mia Addison told him off, apparently he broke out to get his revenge, but they smashed him down and sent him back to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: I still remembered that all too well.

Me: Same here, that pissant loved to piss others off, but he got what he deserved. And that Thunderbird made of lightning, was that…?!

Selene Arcangela: Yep, it's the next Ambassador of The Demon Sorcerers we're meeting on Nico's rescue tomorrow, her name is Penelope Ying Xiao, Ambassador of Tchang Zu, Demon Sorcerer of Lightning and Master of The Lightning of The Thunderbird, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the second youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Tchang Zu, Demon Sorcerer of Lightning, along with blue angel wings, and she also has full fledge mastery over the powers of lightning, along with superhuman strength. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon

Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Lightning of The Thunderbird. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Lightning, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Killjoy Huggins with a passion.

Me: WHOA!

Nico: That's really awesome!

Lincoln: No one dares to mess with Penelope, not unless they wanted to be electrocuted to the point of peeing their pants.

Me: Whoa!

Iron Lung: Another jerk dealt with.

Chalmers: For the record, ghosts ARE real.

Me: That is for sure.

Vortex: Me and the rest are proof of that.

Me: Yep.

Fat Tony: Let's celebrate with S'mores.

Abomination: I'm hungry!

Venkman: Any other food is on me.

Me: Awesome.

Nico: Yeah! Great job everyone. And J.D. that was clever using the ridewatch for the Stay Puft Marshmallow Man.

Me: Thanks. It was awesome.

I then saw that I had some marshmallow slop on my face and I licked it off.

Me: (Slurps) Mmm!

Venkman: (LAUGHS) Yeah. (To the Viewers) If Ghosts are terrorizing your neighborhood… WHO YOU GONNA CALL?!

Me: GHOSTBUSTERS!

Nico: GHOSTBUSTERS!

All of us: GHOSTBUSTERS!

Jamesdean5842: GHOSTBUSTERS!

WE CHEERED!

We went and got some New York Pizza and it was great. We later went back home and enjoyed the rest of the day and went to sleep.

THE END

Me: The planet Glaren is always cool.

Xenia: Yeah no kiddin.

Qin: It sur is.

Lola: I'll say.

Camie: It's always fun.

Varie: Yeah.

Shirou Gou: Yeah it sure is.

Nico: Shirou, I want to thank you, Fire Kong, and your teams for coming

Shirou Gou: No problem Nico. This will be fun.

Becky Bacteria: (COUGHING AND GAGGING) Yeah no kidding! (COUGHING)

Me: Becky you'll be fine.

Becky Bacteria: (Coughing) Sorry.

Nico: Geez, Becky, have you been coughing the whole time?

Me: She's always like this Nico. She is the Embodiment of the Bacteria Dopant and she is ALWAYS sick.

Becky Bacteria: (COUGHING) Yeah. (Coughing) It's part of who I am as the Embodiment of Bacteria. (COUGHING) I tried to get better but nothing even works. (COUGHING)

Me: Yeah they tried everything on her. Nothing worked.

Nico: Oh man.

Me: Yeah.

Nico: Maybe we can help with that

Becky Bacteria: Okay but I don't think it will work.

Me: We won't know till we try.

Nico: Yeah.

Nico snapped his fingers and it looked like it worked.

Me: Did it work?

Becky then coughed and gagged more.

Me: Well back to the old drawing board.

Nico: Shit that is some STRONG sickness.

Lola: Yeah no kidding.

Varie: We did everything for her. Nothing worked. That is one persistent bacteria. But she is the Embodiment of Bacteria.

Nico: True.

Brittney: Boy yesterday was SO awesome.

Me: Boy no kidding!

Moondancer: We REALLY THRASHED Walter Peck all over.

Me: Yeah we sure did!

Nico: Slimer slimed him!

Qin: That was funny!

Lola: And gross! But it was awesome!

Xenia: Yeah!

Eddy: (LAUGHS) Yeah he was really covered in slime!

Luan: He sure can SLIME it up! (LAUGHS) Get it?

We laughed at that!

Me: (LAUGHS) Good one Luan!

Nico: (LAUGHS) Yeah!

Eddy: (LAUGHS) Good one!

Me: Yeah!

Nico: Moondancer did really well against him too.

Moondancer: Yeah that was fun.

Nico: Yeah and J.D. you really slimed him too with Marshmallow Slop.

Me: (LAUGHS) That was funny.

Nico: We had those as s'mores.

Me: we sure did.

Qin: Yeah!

Me: Walter Peck has had this coming for almost 4 decades since 1984.

Xenia: That is for sure.

Becky Bacteria: (COUGHING AND GAGGING) Yeah he sure has.

Lola: Yeah I agree.

Lincoln: I agree too. Moondancer that was REALLY AWESOME how you said that rant on him.

Laney: Whoa yeah no kidding!

Applejack: Hoowee! That was a good rant there.

Moondancer: Thanks guys. It was good.

Me: Yeah but by all accounts I should have just killed that son of a motherfucking bitch and be done with it. He should have been given the black gates for his crimes.

Qin: Yeah! What a jerk! I can't believe how much he hates Venkman.

Laney: Yeah!

Nico: Believe me I want him dead too but he is not worth killing.

Eli: Soon he will do something much worse and that will be the final nail in his coffin.

Me: Yeah.

Nico: One of these days, we should do a series of adventures with them

Me: Good idea Nico. We haven't done adventures with the Ghostbusters in a while.

Moondancer: Yeah especially with the Extreme Ghostbusters that I know.

Qin: You're right.

Camie: Yeah.

Lola: Yeah that's an awesome idea.

Nico: Glaren looks good as always.

Nicole: It sure is.

Qin: Yeah.

Me: But I have a feeling something big is going on here.

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for an infernal battle with this one: we got word that J.D.'s hypothetical Akuma has been sighted here.

WE GASPED!

Nico: What?! A hypothetical Akuma form of J.D.?!

Me: No way! Who is he?

Lincoln: His name is Sir Darkferno, he was made as an Avenging Knight of Fire, and he was created to destroy all evil all over the universe, he is a true master of fire and his mission is to BANISH ALL EVIL TO THE BLACK GATES.

WE GASPED IN SHOCK! LINCOLN TOOK OUT HIS SKETCHBOOK AND WE SAW MY AKUMA FORM: AN ORANGE-ARMORED KNIGHT WITH BLACK ANGEL WINGS WITH FIRE AND HE HAS A SWORD!

Eli: Oh man… !

Me: Oh, quadruple shit on a stick!

Nico: And quite a coincidence he'd be here on Glaren.

Me: Yeah! Man this will be interesting.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, J.D.'s hypothetical Akuma form is here?! This is gonna be one fiery battle.

Lincoln: Without a doubt, but we're more than ready for him, and we need to show him that just banishing all evil to The Black Gates will result in disaster.

Caleb Maxwell: The only way he'll listen is through brute force, and I've got a few surprises in store for that tin can.

Cage Blunt: Caleb, whatever you got planned, I can tell it's not good.

Jaime: And I'm going to transform to fight against him, this should be amazing.

Me: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive

physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Sir Darkferno) AHA! Gotcha! I just spotted Sir Darkferno, he's 20 yards away, and he's waiting for us.

Me: As expected, let's not keep him waiting.

Lincoln: Time for the Flames of The Phoenix of Justice to take on The Dark Flames of The Dark Phoenix. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Sir Darkferno.

Jimmy Neutron heard a Pokémon cry

Jimmy Neutron: Look here.

We saw a Beheeyem!

Me: Whoa a Beheeyem!

Xenia: Cool!

Beheeyem: Yeah and man I am starving.

We gave it lots of apples.

Beheeyem: Thank you.

He got to eating them.

Jimmy Neutron: Looks like Goddard's about to have a new friend

Me: He sure is.

Beheeyem: Yeah.

Me: Would you like to come with us?

Beheeyem: I would be honored.

Xenia: Awesome.

Jimmy Neutron: You will not regret it.

Me: Now lets go find my Akuma.

Nico: I hope he's not as bad as mine.

Me: Same here.

We were off.

We were flying in the air.

Nico: He could be anywhere

And we spotted our target: my hypothetical Akuma form, Sir Darkferno.

Lincoln: There he is. Alright, let's land.

We landed and confronted Sir Darkferno.

Sir Darkferno: You came as expected.

Me: As soon as word of your arrival hit us.

Caleb Maxwell: You also know why we're here: to take you down and send you to Vypra.

Sir Darkferno: You know I won't go without a fight. Take this!

Sir Darkferno fired blasts of fire at Caleb Maxwell which he absorbed and it made him even stronger, but before Sir Darkferno could attack, Caleb blocked his right fist with his right hand and he tried to hit him with his left fist only for Caleb to grab his left fist with his left hand, and then, he delivered a powerful headbutt that sent him flying into a rock formation and he got back out.

Caleb Maxwell: Now, you've done it.

Caleb Maxwell unholstered his twin pistols and transformed into Super Angel-Demon-Death Harbinger-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel of Divine Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Justice and Divine Cosmic Eternal Harmony Universal Star Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope.

Caleb Maxwell, Cage Blunt, and Travis Tackett charged at Sir Darkferno who fired fire blasts at them, but they absorbed them, and Caleb Maxwell fired bullets at Hydemonkey and hit him in the knees, and Cage Blunt and Travis Tackett kicked him hard and he got sent flying into a mountain, he got back out, but this angered him big time.

I went over to him.

Me: Wow! So you are my Akuma! This is amazing and I look really cool in a suit of armor made of pure fire.

Sir Darkferno: Indeed. It's nice armor isn't it?

Me: It sure is. Makes me feel like a true knight of justice.

Sir Darkferno: It does feel that way.

Me: I agree.

Nico: J.D., that IS you in there, is it?

Me: Yes he is my Akuma.

Sir Darkferno: I am indeed J.D. Knudson.

Me: How was I made this way if I might ask?

Sir Darkferno: Well it was because of a monster hurting Allie Wilde. It was our old enemy Clay Thompson.

Me: I remember Clay. He was a bully that I stopped 14 years ago.

Allie Wilde: Yeah he was the worst. But J.D. saved me from him numerous times.

Me: Yeah.

Sir Darkferno: Indeed. And I became Sir Darkferno to protect Allie and destroy all evil with the Black Gates.

Me: That's what I would have done if I took the easy way out. But like I knew from minute one when Lex Luthor made that ridiculous offer that it was an absolute sign of being a true coward. And there I made sure that it was a way I would never take ever! Even if I was turned into an Akuma!

Sir Darkferno: I must admit that even though it is extreme that is a very admirable vow you made.

Nico: Dude, you need to calm down.

Sir Darkferno: Not until all evil is wiped out! Which is probably what you could've done in accepting Luthor's offer!

Me: That is the cowards way out like I said countless times in the past. Also that offer for Lex Luthor is old news. But the only eay to get you to listen to reason is for us to battle!

I unsheathed my Sword.

Sir Darkferno: So be it!

Me and Sir Darkferno clashed!

Nico: Believe me, we've been tempted to do what you want to do. But we know it might not be a good thing!

Me: Because that is a shortcut to having the universe be completely destroyed! And also like two sides of the same coin, Good can't exist without evil. It's an eternal battle that always needs to be kept in balance.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) We're putting your dark fires of hellish justice out!

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Your crusade ends here and now!

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) And that stunt you tried to pull on Caleb only for you to get your ass handed back to you, this'll be ten times worse than that.

Lincoln, Jaime, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I went after Sir Darkferno who kept on firing blasts of fire at us, but we kept on absorbing them and they were making us even stronger than ever, and we fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Sir Darkferno and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Jaime, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Sir Darkferno even more madder than ever.

Then, Lincoln and Girl Jordan landed some extremely powerful punches and kicks on him and they're even stronger than that: we soon found out he was going to transform along with her!

Then, Caleb Maxwell, Cage Blunt, and Travis Tackett levitated in the air and spread their black angel wings as a gold intricate halo of energy appeared along with three sets of gold chains all around the gold halo of energy and it formed into a purifying field that hit Sir Darkferno, and we found ourselves actually in Heaven.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) This is it, Sir Darkferno. This is we extinguish your dark fires of hellish justice!

Then, Caleb Maxwell fired chains of gold energy that bound Sir Darkferno.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Your desire to exterminate all evil throughout the universe although admirable also happens to have very dangerous consequences. Which you are about to experience first hand.

Then, Caleb Maxwell, Cage Blunt, and Travis Tackett charged and smashed their left fists into Sir Darkferno's stomach and a cluster of flames exploded out behind him, then, Cage Blunt and Travis Tackett formed massive energy blades surrounding the 8'0" massive, wide, double-edged blades of their massive greatswords.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) As Cage said it before.

Cage Blunt and Travis Tackett attacked him with two powerful energy slashes, and then, they cleared the way for Caleb Maxwell.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix Angel Hope) Your genocidal one-army crusade ends here and now!

Caleb Maxwell fired two bullets that hit Sir Darkferno, and then, a massive explosion erupted as the chains explode into pieces, and Caleb Maxwell, Cage Blunt, and Travis Tackett land and Sir Darkferno knelt on one knee and planted his sword into the ground and he was really really mangled.

Lincoln fired waves of red fire and ladybugs that hit Hydemonkey knocking him out and he was sent to Vypra. Everyone cheered as we holstered our weapons and we powered down and Jaime's new body, clothes, jewelry, eleven massive and long blue wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind her head, fifteen large colored planets orbiting around her legs and fifteen smaller colored planets orbiting around her waist, smaller planets orbiting around her fingers, and massive rainbow fairy wings and medium sized rainbow fairy wings and small sized rainbow fairy wings underneath are permanent.

Nico: That takes care of J.D.'s hypothetical Akuma form, and that attack you, Cage, and Travis used on him, Caleb, that was really awesome!

Caleb Maxwell: He sure was tough alright, but we decided to take him down with one of our most powerful combos that we'd been working on before you guys came to our world.

Me: Next time, we'll let you guys do the finale combos, and we sensed that Lincoln and Girl Jordan's attacks were even stronger than before, that means… !

?: Means they're going to transform, I knew it.

Suddenly, we saw a girl with long red hair and light blue streaks, red eyes, red short-sleeved blouse, light blue sleeveless crop top, red skirt with Tchang Zu on it, The Thunder Trigram on her forehead, blue angel wings, blue stockings, red knee-high high-heeled boots with butterfly buckles, and in her hand is a lightning greatsword.

Lincoln: (GASPS) Penelope Ying Xiao, Ambassador of Tchang Zu, Demon Sorcerer of Lightning and Master of The Lightning of The Thunderbird.

Me: Afraid you're a little too late, we took down my hypothetical Akuma form and sent him to Vypra.

Nico: And we left tons of scratches on him. So, Lincoln, are you going to introduce us?

But, before he could, Penelope Ying Xiao had her hands on Lincoln's pecs, and she began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to me, this is Penelope Ying Xiao, Ambassador of Tchang Zu, Demon Sorcerer of Lightning and Master of The Lightning of The Thunderbird, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the second youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Tchang Zu, Demon Sorcerer of Lightning, along with blue angel wings, and she also has full fledge mastery over the powers of lightning, along with superhuman strength. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Lightning of The Thunderbird. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai

Tza, and she was amazed, and she began to teach Lincoln how to master the powers of Lightning, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Killjoy Huggins with a passion.

Camie: He did something to piss her off, didn't he?

Lincoln: He hired a professional hitman to kill me in cold blood, but Penelope electrocuted him to the point where his heart stopped and he died, and she pulverized Killjoy Huggins and she reported it to Superintendent Chen, and needless to say, she tore him apart verbally and called the cops on him and he got sent to jail for attempted murder for a month.

Nico: That moron!

Me: I still remembered that, and I almost got close to cracking his head open like a walnut.

Lincoln: And that got him on permanent thin ice even more, and it's so good to see you again, Penelope.

Penelope Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Penelope Ying Xiao and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Penelope Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and two white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on their necks.

Penelope Ying Xiao saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Nico: How come your Akuma is less fucked up then mine?

Me: Don't look at me, Ask Gabriel. He's the Akuma maker not me.

Nico: Nice job, Beeheyem!

Beeheyem: Thanks Nico. It was fun.

Poromon: Want some beer?

Beeheyem: Sure!

Poromon: YEAH!

He drank some.

Beeheyem: (BARNEY GUMBLE BELCH)

They both got drunk.

Poliwag: Sing the ABCs!

Beeheyem: (BELCHING AND SINGING)

Owen: (LAUGHS) OH YEAH!

I snapped them back to normal.

Nico: Thank God this battle didn't cause too much damage!

Me: Yeah and thank goodness it was on Glaren this time.

Xenia: Yeah.

Vypra then came and with her was a girl with brown hair, whire shirt and blue skirt and had blue shoes.

Vypra: Hey guys.

Me: Hey Vypra. Who is this with you?

Vypra: This is someone that Johnny knows.

Mrs. Bravo: Why if it isn't Johnny's childhood buddy! Stinky Brownstein!

Johnny Bravo: STINKY BROWNSTEIN?!

Stinky Brownstein: (Seductively) Hi Johnny.

Johnny Bravo: EW! COOTIES GET THE SOAP!

Stinky Brownstein: Oh Johnny you're so funny. I've really missed your sense of humor

Johnny Bravo: Oh really. You know what I've missed about you?

NOTHING! Mama I've specifically said when I was 8 years old that you are not to let her anywhere near me for a million bajillion years! Has it been a million bajillion years!? I don't think so!

Nico: Johnny that would take too long.

Me: I take it you have a history with her.

Johnny Bravo: Yeah you could say that. She was a childhood bully of mine back when I was a kid.

Me: How can she be a bully? She is one foxy mama!

Johnny Bravo: Looks can be deceiving!

Mrs. Bravo: Let me show you some slides from there.

Lincoln used his lightning powers and powered a projector. We saw slides from Johnny's childhood with Stinky. The first was Johnny back when he was a kid dressed like a girl and everyone was laughing at him.

Mrs. Bravo: Here's when Stinky convinced you it was crossdressing day at school.

Johnny Bravo: I knew the stripes would make me look fat!

Melpha: Oh Johnny you look so cute in that dress.

Johnny Bravo: Aww thanks baby. You're the only one that thinks so.

The next slide showed Stinky dressed in Christmas clothes and Johnny in winter clothes and he had his tongue stuck to a frozen lamp post.

Stinky Brownstein: Oh look! There's the time I told you that flagpoles were made of candy.

Johnny Bravo: Later I found out they were made of metal!

Nico: So that explains it

The next slide showed us Stinky pantsing Johnny during his graduation.

Mrs. Bravo: And here's Stinky pantsing you at your grammor school graduation. Oh the neighborhood kids laughed and laughed and laughed and laughed and laughed and laughed and laughed.

Me: I think we get the idea Mrs. Bravo.

Xenia: Yeah.

Melpha: But Johnny you were so cute back then.

Nico: He looks that way.

Johnny Bravo: (LAUGHS) I sure was wasn't I?

Vypra: That was crazy times back then.

Johnny Bravo: Yeah they sure were.

Mrs. Bravo: Brings back memories.

Qin: Yeah.

Stinky Brownstein: And I see you still have one quality.

ZOOM!

She then pantsed him!

Stinky laughed!

Stinky Brownstein: I got you! Once and Bonehead Always a Bonehead!

Me: Hardy har har!

The Mascots laughed.

Nico glared at them.

They whimpered.

Vypra: Okay Stinky that's enough. But those were fun times for Johnny weren't they.

Melpha put his pants back on.

Melpha: Yeah they were.

Johnny Bravo: Yeah. But Stinky please don't do that anymore.

Me: But it was awesome meeting you Stinky. Are you a new addition to the M.O.E.?

Stinky Brownstein: I sure am. I'm going to be Restia Ashdoll's archenemy.

Restia Ashdoll: Wow! I'm honored.

Poliwag: Can you tell us more stories you know about Johnny?

Stinky Brownstein: I sure can.

She told us all kinds of silly pranks she did to Johnny. She loved him as a brother and did all kinds of funny pranks. She gloed his hand to her back, made him blow milk out of his nose with a joke and even wedgied him a lot and so many more silly pranks.

Nico: Boy you did all kinds of funny pranks.

Vypra: (LAUGHS) Yeah.

Luan: (LAUGHS) That is silly.

Taylor: I like this girl.

Poromon: I hope you do more!

Stinky Brownstein: Oh you can bet on that.

Johnny Bravo: Just don't let it be me. I already have my usual battle.

Me: Johnny has Max as his archenemy.

Stinky Brownstein: I heard of him and yes Vypra gave me good rules to follow.

Nico: Fair enough.

Me: Now time for the fun part.

Qin: The Anothers.

Eli: Lets see. (Concentrates) Whoa! We got Another Fire Kong, Cockroach Man (Kamen Rider), ROTTEN PATTY! (FOGHORN!), Daikon Radish World, Dr. Negative and Kronk.

Lola: Cool!

Lana: Awesome! I'm gonna eat the Rotten Patty!

Me: YUCK! So Shirou Gou, Becky Bacteria, Yumi Orophelia, Layla Edmuntion, Fern Kemmington and Bliss Blood.

Qin: Yep.

Becky Bacteria: (COUGHING AND GAGGING) I can't wait for this.

Poromon: And later, me and the others need to head to the bank

Me: Okay then.

Eli: I sense that the Anothers minus Another Fire Kong are 3 people.

Me: Wow!

Nico: There they are!

We saw Another Cockroach Man (Kamen Rider), ROTTEN PATTY! (FOGHORN!), Daikon Radish World, Dr. Negative and Kronk!

Qin: WHOA!

Xenia: Yeah!

Lana: Awesome!

Another Cockroach Man: (In a girls voice) We're ready for this too.

They reverted back and it was the Avatar's of tbe Umbral Horror, Vernusylph and the Mayakashi Monsters!

Lincoln: (GASP) I knew it was gonna be you Ulyana Umbra, Vivienne Vernusylph and Madison Mayakashi.

Madison Mayakashi: Awesome to see you again Linky.

Me: Care to introduce us?

Lincoln: Sure. The first girl with the purple scythe is Ulyana Umbra, Avatar of The Umbral Horror Duel Monsters, she's one of my Guardian Angels from Michigan and she's a Goth Girl Angel of Darkness and she's a deadly master of darkness and energy, and being a Goth Girl Dark Angel, she's also a master of all forms of dark magic, black magic, and Satanic Magic, and a master of The Occult, and she's a deadly and powerful force of darkness. And Ulyana hates Flip with a vengeance and swore if she ever saw him causing havoc again, she'll curse him with one of her deadliest curses.

Anna Anyanova: The second girl with the green sword is Vivienne Vernusylph, Avatar of The Vernusylph Monsters, she's Lincoln's Guardian Angel from Michigan, and she's one of the most beautiful of his Guardian Angels, and she's a master of nature, magic, and life, and she absolutely loathes and despises Flip with a vengeance, the reason why is because he hired a bully that Lincoln sent to prison a long time ago to get revenge on Lincoln. But, before the bully could make a move, he was murdered by Draven Jacobs, a psycho serial killer that was killed by the cops.

Maria Ying Xiao: And the 3rd girl with the demonic scythe is Madison Mayakashi, Avatar of The Mayakashi Monsters, she's Lincoln's Guardian Angel from Michigan and she's a Goth Girl of Darkness that no one wants to mess with. She's a master of the forces of the undead and the elements, and she's also great friends with Lucy and loves her like one of her own sisters and she hates Chandler with a vengeance, the reason why is because he hired local thugs to kill Lincoln, but the cops arrested the thugs before they could make a move on him, and the cops also arrested that sewage slop after the thugs spilled the beans with the fear of facing life in prison weighing on their heads.

Qin: WHOA!

Xenia: Yikes!

Me: I remember all that! But girls you don't have to worry about Flip ever again. We gave him the Black Abyss.

Nico: Yeah it's true.

Madison Mayakashi: Good riddance!

Me: Yeah. By the way girls is the Another Fire Kong friendly or hostile?

Ulyana Umbra: Friendly and they both are powerful.

Me: Whoa! 2 in one.

Xenia: Nice.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Me: Yep.

Maria: (Turns dial) HEYLIN FURY FORCE!

She summoned Wuya, Naturon Shenron, Dragonfly, Metamorphosis, Universe 666 Bio Broly, Muscle Krabs, Crocomire, Pet Dopant, Number Dopant, Yost Rhino, Raizen, Zombie Dopant and Infection Dopant.

Nico: And now we wait.

Me: We don't have to wait long!

We saw ANOTHER FIRE KONG!

Xenia: There it is.

Me: Yep.

Another Fire Kong: (In a Girls voice) This will be cool.

It split and reverted back and we saw that they were the gene-slammers of Huankunmon and Helloogarmon!

Nico: (GASP) Hadria Helloogar and Hailey Huankun!

Qin: Wow! Awesome to see you girls.

Hadria Helloogar: You too Qin.

Hailey Huankun: You're looking great.

Me: Can you tell us all about yourselves?

Hailey Huankun: We sure can. We are Nico's friends from history class and we studied with him on the history of Japanese culture. Also we have amazing fire powers and the powers of the Digimon we were slammed with.

Fire Kong: Wow! Just like me! I have fire powers too.

Lana: (Eating Another Rotten Patty) That is really something!

Lola was turning green around the gills.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Hailey Huankun: No he didn't. We teleported out of there before he said anything.

Qin: Wow that is fast.

Xenia: Yeah.

Hadria Helloogar: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

We did so.

Camie: Lets get it on!

We got it on!

Nico: (gets out Fire Kong's Ridewatch) I'm all fired up!

May: (Gets out Rotten Patty's ridewatch) (VOMITS) Lana you are gross eating that!

Maria: (Gets out Dr. Negative's ridewatch) This squid hates you.

Becky Bacteria: (Gets out Cockroach Man's ridewatch) (COUGHING AND GAGGING) I may be sick all the time but I can still fight!

They used the powers of Fire Kong, Cockroach Man (Kamen Rider), ROTTEN PATTY! (FOGHORN!), Daikon Radish World, Dr. Negative and Kronk and blasted the another.

Xenia: Take that!

Then Owlman, IceDevimon (Tamers), Browridge Sharptooth (Land Before Time VI), Light Armadillo, Cosmic Mario and Evil Omi then came!

Me: WHOA!

Nico: Nice team Owlman!

Me: Wait is that an EVIL OMI!?

Owlman: It sure is.

Evil Omi went at me and I blocked a punch and kicked him down.

Me: He sure wants to kill me.

Camie: Jeez!

?: I'll say!

Then Lillymon came!

Me: Lillymon! Wow!

Lillymon: This will be fun.

Nico: Lara Lilly!? Whoa!

She reverted back and was a girl with pink and green hair, green eyes, pink and green clothes, green butterfly wings, had the Crest of Sincerity in the middle of her forehead and had Lillymon on her skirt and shirt and had a flower sword in her hands.

Lara Lilly: Awesome to see you Nico. I got this! (Echoing) FLOWER CANNON!

She fired a blast of energy and it hit the Another and blasted it down and I caught the Ridewatch and purified it.

Qin: Oh yeah!

Me: Yeah!

Nico: Nice job!

Lara Lilly: That was so cool!

Xenia: It sure was.

Becky Bacteria: (Coughing and gagging) Do you have a favorite memory of Nico?

Lara Lilly: Many of them but my favorite is when me and Nico were in botany class and we made a beautiful flower forest and it was amazing.

Nico: That was so fun.

Me: That is cool.

Nico: Yep.

Nico and Lara hugged.

Nico: I've missed you.

Lara Lilly: Same here.

We later went back home.

Nicole: Thresh is here, then this means, later on, you're going to face off against his master, Viego, The Ruined King.

Nico: Uh oh.

Me: Why is Thresh here?

Lincoln: I think I know: to imprison the lost souls and kill any living being that comes here and imprison their souls as well. Well, that's it, I'm going to absorb him and guide the souls he's imprisoned to their eternal rest.

Shirou Gou: Then, let's get going before he starts killing.

CHINESE MUSIC PLAYS

We then saw a rooster made of violet flame fly through the skies.

Lincoln: The rooster made of violet flame, she's here.

Lincoln: (GASPS) Maria Ziluolanhuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Rooster.

Maria Ziluolanhuoyan: That's right, and I got the girls away from Thresh before he could kill them and imprison their souls.

?: Your souls will be my prisoners forever!

We then saw our target: Thresh, The Chain Warden, heading right for us.

Suddenly, Lincoln went at Thresh and bearhugged him and he absorbed him into his body through his skin and he gained all of Thresh's Various supernatural powers, Soul stealing, Superhuman strength, Superhuman endurance, Scythe-wielding expertise, Dark magic, Umbrakinesis, Hallucination-casting, and Teleportation. When Lincoln was done, he sent Thresh's spirit to The Black Gates and guided the souls of all those he imprisoned and tortured to the other side. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, Thresh, now begone from this world forever. (To Felicia Zihuo) And it's so good to see you again, Felicia.

Felicia Zihuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Felicia Zihuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Felicia Zihuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Felicia Zihuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Felicia Zihuo and hugged her, and Felicia Zihuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Felicia Zihuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Maria Ziluolanhuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Rooster, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of violet fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Rooster, along with having angel wings along with having intense violet fire powers. She's known as The Steadfast Warrior of The Sisterhood of The Fists of Fire, because she's the most steadfast of The Sisterhood. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Maria hates Dustin Keystone with a blazing passion, because of what that nihilistic and extremely murderous asshole has done in bullying Lincoln in kindergarten and tried to kill him in the past, and in one incident, she and Lincoln beat that asshole up so bad and sent him back to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Me: I still remembered that day, and Killjoy Huggins just didn't know when to quit.

Nico: He was just borderline insane and psychotic.

Lincoln: This was the fault of Chase Young's Dark Side, he was a miserable monster, and now that you're here, Maria.

Lincoln leaned his head down the right side of Maria Ziluolanhuoyan's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Ziluolanhuoyan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maria Ziluolanhuoyan with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Ziluolanhuoyan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Maria Ziluolanhuoyan.

Maria Ziluolanhuoyan had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Maria Ziluolanhuoyan's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Maria Ziluolanhuoyan had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Setsuki Hiruki, Valerie Rose, and Jaina Stormborne from Fantasy Strike, Universe 666 Galena from Jump Force, and Fubuki Haneoka, Ikuko Takemoto, Koyuki Fujimiya, Lu Tian, Miku Haneoka, Mizuki Nonohara, and Tomomi Shirakawa from the anime Rhythmic Gymnastics.

Lincoln: Oh wow, it's Setsuki Hiruki, Valerie Rose, and Jaina Stormborne from Fantasy Strike, Universe 666 Galena from Jump Force, and Fubuki Haneoka, Ikuko Takemoto, Koyuki Fujimiya, Lu Tian, Miku Haneoka, Mizuki Nonohara, and Tomomi Shirakawa from the anime Rhythmic Gymnastics.

Nicole: Maria did awesome getting them away from that soul stealing torturer from Hell.

Lincoln: She sure did. Are you girls okay?

Setsuki Hiruki: Yes, we're okay, thanks to you.

Setsuki Hiruki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Setsuki Hiruki: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Setsuki Hiruki, Valerie Rose, Jaina Stormborne, Universe 666 Galena, Fubuki Haneoka, Ikuko Takemoto, Koyuki Fujimiya, Lu Tian, Miku Haneoka, Mizuki Nonohara, and Tomomi Shirakawa with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Thresh, formerly known as Grael and now known as The Chain Warden from League of Legends.

But, when Lincoln showed what we did in beating him down and Lincoln absorbing him and assimilating all of his powers and abilities and sending him to The Black Gates and sent the souls he imprisoned and tortured to the other side, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Maria Ziluolanhuoyan have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so that monster was in the cemetery looking for souls to torture?! What a bastard!

Lincoln: He eventually got what he deserved, and I wound up absorbing him and assimilated his powers and abilities.

Nico: Now, all that's left is to deal with Viego, The Ruined King later on today.

Me: He'll pay for what he did later on.

* * *

After Lincoln and all of us beat down Thresh and Lincoln absorbed him and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Ziluolanhuoyan saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Ziluolanhuoyan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Maria Ziluolanhuoyan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Maria Ziluolanhuoyan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: And I know why Lincoln and Girl Jordan are going to transform: we're going after that boy-hating monster, Margie.

Me: I knew we'd be going against her. Finally, what began all those years ago is finally going to end with her gone forever once her parents disown her.

Lincoln: It's not going to be long though, once she makes her move, the call's going to be sent to her parents and brothers, and they were already horrified and disgusted by Margie and her monstrous boy-hating vendetta. Once she makes their move, the call will be made to them.

Lily the Mermaid: We heard from them during our conversations that they were planning on disowning her, they were THAT pissed off at her.

Nico: No way! Oh man, she crossed the line!

Me: Big time. Which means once they get the call, she'll be heading on a one-way trip to being disowned forever!

Luna: And she'll finally be on the train straight to The Black Abyss to join Flip and the other losers.

Rita: But, not after your brother and Girl Jordan transform and tear her apart and teach her a lesson: the lesson of love always triumphing over hate.

Eli: That's for sure.

Lincoln: Oh, we've got a few ways of making her pay that price, Mom.

Me: This should be good.

We got a shower, and then, Lincoln, Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the white-haired, 9'3", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Ren Kunanzuki: Whoa, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Ren, and it's perfect for our first date, shall we?

Lincoln, Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania

Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio and they hugged the girls in their abnormally massive and powerful muscular arms and Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio are in your harem, Linky.

Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio showed the marks Lincoln made on the right sides of their necks.

Miia: Wow, it's been a while since any of our friends have joined Lincoln's harem, plus, they'd heard about Lincoln after seeing the news about him especially what he did in outsmarting Dark Sebastian and even reprimanding Sebastian himself when he still had that detestable monster in him.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Ren Kunanzuki, Cheron Du Pell, Cott, Ils Nineta, Kinu, Leechi, Liz, Meamil Airagu, Moskii, Nicole "Nico" Unicole, Pegasania Bellerophon, Rem Nighdrem, Shiishii, Ton, Yatsume, Yuuhi Hajime, and Yukio, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad

Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

Me: And it won't be long before we give Margie The Black Abyss.

* * *

Later it was time for Lynn, Minuette and Cammy's 2nd mission.

Nico: Anyone else want to go with Minuette, Lynn, and Cammy? Besides Cheese, Lightning, Tentacool, Rango, Pinkie Pie, Jayden, and Randy?

Earth: I'll go.

Lythos: So will I.

Me: Okay then.

Ebonwumon: (Irish Accent) I'll go too lad.

Me: Okay.

We were off to Japan.

* * *

We arrived

Gai Kurenai: Hey guys!

Ebonwumon: Pleasure lad. I'm Ebonwumon, Sovereign Digimon of the North.

Gai Kurenai: Awesome to meet you all.

Gai: (To Ragna) What can you tell me about yourself?

Ragna: Well I am a wanted criminal with an extraordinarily large bounty on my head (well in the trillions) for rebelling against the Novus Orbis Librarium.

Ragna: Oh they are.

Gai Kurenai: That's incredible.

Me: Yeah

Lightning: As for me, I competed in Total Drama

Eli: Yep.

Randy: As for me, I protect Norrisville as the Ninja.

Gai Kurenai: Wow! That is cool!

Me: Cheese is an idiot. He has a brain the size of an amoeba and he does stupid things that drive people bonkers.

Nico: Yeah. And he is funny.

Ophelia Orb: Yeah he is funny. And we get a good laugh out of it.

Naomi Yumeno: (LAUGHS) We can see that.

Rango: Oh, I'll be using my Vistamp next time.

Jayden: It's me and Randy who will be using ours here.

Me: Okay.

Eli: Okay then.

Pinkie Pie: Who wants cupcakes?

Pinkie Pie made REALLY Awesome cupcakes.

Me: Ooh sure Pinkie! Pinkie also is an amazing pastry chef.

Gai Kurenai: I'll have one.

Naomi Yumeno: Me too.

We got some.

Me: (Eating) Mmm! Cotton Candy Strawberry.

Nico: She also does the most amazing parties.

Eli: It's true.

Naomi Yumeno: That is amazing.

Tentacool hopped on Gai's head.

Tentacool: I'm Varie's mascot. She found me by the beach.

Varie: It's true.

Nico: Nastina was going to ruin her home again.

Varie: Yeah ugly story.

Nico: So what's been happening since last visit?

Gai Kurenai: Well we got sightings of another embodiment.

Me: Really?

Gai Kurenai: Yeah.

Then the alarm went off.

Me: Uh oh.

We went to the computer and we saw MAGA BASSAR!

---

One peaceful day in Kitchitachi, Tokyo, an ancient bird-like monster who slept in the ionosphere suddenly woke up and wreaked havoc on the city with its powers of aerokinesis to create a Maga-Storm. According to the SSP, it occurred every few days and vanished just as suddenly. The team went into the open to investigate the strange phenomenon when suddenly, the monster got riled up and created the storm again. They decided to go inside the storm to get some answers and, when they were lifted by one of the tornadoes, what they found was the "Wind Lord Monster", Maga-Basser and a giant of light who quickly dispatched the monster for the moment.

Not only did the monster cause a lot of trouble in all of Tokyo with its storms, but, in accordance to the butterfly effect, it also created seven typhoons that popped up all over the Pacific. Maga-Basser eventually created his storm again and, when the storm cleared, he decided to reveal himself to all of Tokyo. The giant of light, who introduced himself as Ultraman Orb, also revealed himself in his Spacium Zeperion form and the two giants fought each other again.

They kept their fight evenly matched with their combat prowess and aerial advantages respectively. After Maga-Basser unleashed his Maga-Shockwave at him, Orb summoned his Sparion Light Ring at him and tried to redirect it when the monster flew away, but the attack only managed to get rid of several feathers. After brawling it out in the sky, Orb's Color Timer began to blink and seeing that his Fusion Up was starting to break up, Orb knew he had to wrap it up fast, so he unleashed his Sparion Beam at Maga-Basser and the monster exploded soon afterwards, ending his threat on Earth.

Afterwards, Orb's human form, Gai Kurenai, discovered the beast's Maga-Crystal and thanks to his Orb Ring, turned it into the Ultraman Mebius' Ultra Fusion Card, the Ultra who sealed away the monster in the first place. Meanwhile, the rest of the monster turned into a Kaiju Card recovered by the true perpetrator, Jugglus Juggler

---

Me: Maga Basser! I remember him!

Nico: That was the first monster you faced.

Gai Kurenai: Yeah it was!

Me: Lets go get him!

Jayden: SAMURAIZER! GO GO SAMURAI!

He turned into the Red Ranger!

Jayden: FIRE! SAMURAI RANGER READY!

Me: Oh yeah!

Nico: Lets go get him!

We were off!

---

Tentacool stayed on Gai's head.

Varie: Tentacool has taken a liking to you.

Gai Kurenai: She sure has.

Tentacool: Yeah it's awesome.

Me: There he is!

We saw MEGA BASSER!

Nico: Whoa! That is an ugly chicken!

Varie: Lets let him transform now Tentacool.

Tentacool: Okay.

She came back.

Gai turned into his ULTRAMAN SPACIUM ZEPERION FORM!

Me: OH YEAH!

Eli: Let me summon backup! GHIDORAH!

He raised his hand into the air and then a massive fiery fireball explosion blasted off into the air and then it exploded numerous times and then formed into KING GHIDORAH!

King Ghidorah landed!

King Ghidorah: Maga Basser next. This will be good.

King Ghidorah fired Gravity Beams and blasted Maga Basser all over.

KRABBBBBBBOOOOOOOOOOMMM! KRABBBBBBBBOOOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOOMMM! KRABBBBBOOOOOOMMM

KRABBBBBBOOOOOOOOOMMM
KRABBBBBBOOOOOOOOOOOOMMM!

Maga Basser roared.

Jayden got out his Vistamp for Silver Samurai!

SILVER SAMURAI!

He slashed Maga Basser!

Nico: YEAH!

Me: Time to ruffle his feathers!

We fired waves of energy and blasted him all over.

King Ghidorah blasted him more.

KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOMMM! KRABBBBBOOOOOOMMM
KRABBBBBBOOOOOOOOOMMM
KRABBBBBBOOOOOOOOOOOOMMM! KRABBBBBOOOOOMMM
KRABBBBBBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOMMM! KRABBBBBOOOOOOMMM
KRABBBBBBOOOOOOOOOMMM
KRABBBBBBOOOOOOOOOOOOMMM!

He roared in pain!

Nico: Take that!

Ebonwumon: Time to show this freak what for! (ECHOING) BLACK HAIL!

He fired waves of black ice and blasted him.

Randy got out his Vistamp!

KANGOR!

Randy: Time for some fun mon!

He smashed the ground and sent him crashing onto the ground.

But then a massive earthquake was felt and it opened up the ground and Maga Basser fell into a huge hole!

KRASMASH!

Me: WHOA!

Randy: That wasn't me!

?: (GRUNT) Sorry I'm late!

We saw a girl with blond hair, red eyes, black clothes and black wings and had a tiara with Armodrillo on it.

Me: (GASP) Anita Armodrillo!

Nico: Armodrillo's embodiment!

Anita Armodrillo: (Grunts) Yeah and it's awesome to (GRUNTS) See you guys!

Me: You too.

Anita lost control and activates the drill in her arm and does a charging punch at Lythos

But her drill was not affecting him.

Lythos: Nice try but as the rock titan I don't feel that.

She got flicked and smashed into a tree.

I fired a beam of electron energy and injected the antidote.

Nico: There.

Earth charged at her and kicked her in her face. She then used her Vistamp for Grumblemon!

GRUMBLEMON!

Earth: SEISMIC SLEDGE!

She smashed her fist on the ground and sent a shockwave at her and smashed her down.

Pinkie Pie got out her Vistamp For INSTIGATOR!

INSTIGATOR!

Pinkie Pie: PARTY TIME!

She punched Anita down with a Confetti blast!

Cammy: Hold them off while I get into my jumpsuit!

Me: Okay!

Cammy snapped her fingers and got into an orange jumpsuit!

Ultraman Orb: What's she doing?

Me: Watch.

Cammy groaned as her muscles expanded and she grew a fin and turned into BIG SLAMMU!

Nico: YEAH!

Ultraman Orb: WHOA!

Me: Yep!

Big Slammu: JAWSOME! SEISMIC SLAM 9.5!

SHE SMASHED THE GROUND AND SMASHED ANITA AND MAGA BASSER DOWN!

Eli: OH YEAH!

?: FROZEN TORPEDOES!

Ice axe torpedoes flew in and slashed Maga Basser and pinned Anita.

Out came KORIKAKUMON!

Me: Korikakumon!

Eli: Wow!

Korikakumon: (In a girls voice) Looks like the fun has begun!

Nico: Yamila Korikaku!? Whoa!

Korikakumon: Awesome to see you Nico. I'll handle her.

Nico: Okay.

Tentacool charged at her and fired red laser blasts and blasted her down.

Yamila reverted back and was a girl with aqua blue hair, blue eyes, blue clothes and blue wings and a snowflake in the middle of her forehead and Korikakumon on her skirt and she had a blue ice axe.

Yamila Korikaku: This will be good! AVALANCHE AXE!

She swung her axe and fired waves of ice and blasted her down.

The antidote took effect and she was back to normal and her eyes were blue.

Anita Armodrillo: (Groans) What happened?

Eli helped her up.

Eli: Ugly story.

Nico: Now for Maga Basser!

We blasted him all over.

King Ghidorah fired Gravity Beams.

Me: Lets finish him!

Ultraman Orb: With pleasure!

We fired waves of energy and blasted him and then he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD!

Nico: OH YEAH! Maga Basser you have failed this world!

Eli: YEAH he has!

Gai reverted back and Tentacool jumped on his head.

Gai Kurenai: We did it!

Nico: We sure did.

Cammy reverted back and snapped her fingers and was back in her clothes.

Nico: YEAH!

Gai: Cammy, how did you spend your first week in your Gene Slammed form

Cammy: I spent my first week trying to smash Paradigm's forces and getting used to it.

Gai Kurenai: I see.

Me: Yeah.

Yamila Korikaku: That isi rough.

Me: Yep. What's your favorite memory of Nico?

Yamila Korikaku: I have a lot of them. My favorite is when me and Nico were over in my family's home in the North Pole and I showed him my family's Alaskan Malamute and Husky land. We breed Huskies and Malamutes.

Me: I love huskies and malamutes.

Yamila Korikaku: They are so awesome. And they are great dogs. Also we found a treasure that made us rich and moved to a bigger house in Michigan. We now have a huge mansion and our house is crawling with them now.

Nico: Yep.

Me: Wow! We'll have to see it.

Nico: Yep.

Nico and Yamila hugged.

Nico: I've missed you.

Yamila Korikaku: Same here.

We had a fun time. And later went back home.

* * *

We later came back.

May: How did it go?

Me: Really awesome.

We told them everything.

May: WHOA! That is cool!

Me: Yeah it sure was.

Nico: Next time, Grinder, Shiv, Mr. Pig, Roxy, Rango, and Kermit should come

Me: Good idea.

Qin: Yeah!

Minuette: Yeah!

---

Later at the bank!

POW!

I punched a robber in his face and knocked him down and Nico leg swept one and knocked him down.

Me: Bad time for a 2-11 to be in progress!

I fired laser vision blasts and melted their guns.

I punched one of fthe robbers and bashed him down.

Camie: Take this!

She used her beauty and quirk and formed an illusion and it formed voluptuously beautiful girls and the robbers had nosebleeds and then Nicole beat them into the ground!

Marle Verbina: Haven't done this in a while!

Me: I know!

I punched a robber and Nico punched one in the back of the head.

Me: Its been a while since we fought bank robbers.

I punched a robber in his crotch and kicked him in his face.

In the bank…

Poromon: Hi, we'd like to make accounts.

Teller: Sure guys. You are so cute.

Poromon: Yeah we get that a lot.

Poliwag: Yep.

The mascots got some paperwork done.

Poromon: Sorry you guys had to go through another robbery.

Teller: It's okay.

CRASH!

The robbers were mangled up and tied up.

We came in and got the money back.

Me: Whew! Sorry about that everyone.

I put the money back.

Me: They tried to take $923,000.00.

Manaphy: That's a lot of money.

Me: I know. Small change compared to what we have.

Poliwag: True.

Lilly Cheng: What are you guys doing now?

Poliwag: Opening bank accounts.

Nico: Ah you want to save your money for something huge.

Me: Lemme guess, you want to save up your money to buy all the beer in the world.

They laughed and we laughed too.

Poliwag: (LAUGHS) Good one.

Poromon: No it's for anything.

Me: Oh. Okay. Just so you know we arrested both robbers including the getaway driver.

Manager: Thank you so much everyone.

Cindersaur:… do I even want to know what you plan to do with the money you save up?

Me: I already asked that Cindersaur.

Cindersaur: Oh sorry.

Poromon: To get whatever sounds good.

Me: Okay.

?: That's cool.

We saw a girl with blue hair, yellow highlights, yellow eyes, blue clothes, blue wings and a tiara with Volt Kraken on it.

Vivian Kraken: Vivian Kraken, Embodiment of Volt Kraken.

Ripster: Vivian! Awesome to see you again babe.

Thetis: Yeah looking great.

Vivian Kraken: You too John and Thetis. Been a while.

G1 Inferno: How did you meet Ripster and Thetis?

Vivian Kraken: I met John when he and his siblings were battling one of Paradigm's creations. He looked like a humanoid clam.

Nico: You must mean Clammando.

Vivian Kraken: Yeah that's it! We destroyed him and I turned him into clam chowder. That really pissed off Paradigm.

Me: Nice.

Vivian Kraken: And I met Thetis when she and the Sailor Soldiers were battling Jedite.

Brittney: I helped them out with that one. Jedite was a monster. But he is now in the M.O.E.

Nico: Yep.

Vivian Kraken: That was cool.

Me: Would you like to join us?

Vivian Kraken: I would be honored.

We went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Nico: Yep.

Exhsust: how much money is in those accounts right now?

Poromon: We put in $2,124.42

Poli: Multiply that times 4.

Lisa Loud: So that's $8 497.68.

Nico: Wow! That's good guys.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, that evil boy-hating genocidal monster, Margie, and she's on the move and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Margie.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, that evil boy-hating genocidal monster, Margie, and she's on the move and is causing havoc.

WE GASPED AT WHAT LINCOLN SAID, AND NEEDLESS TO SAY, WE WERE PISSED OFF TO NO END!

Nico: THAT LITTLE… ! OF ALL THE… !

Me: Should've known we'd be going after that monstrous boy-hating misandrist bitch.

Lily the Mermaid also got a message on a fax machine, and she knew this was the news we're looking forward to hearing.

Lily the Mermaid: Yes! We also got the news: Margie's parents and her brothers are coming over to disown that evil heartless hateful monster.

Nico: Nice! Where's she at, Lincoln?

Lincoln: Scans show she's located in New Jersey, and there's a former hideout belonging to Sebastian.

Sebastian Mendez: That wretched little vermin! (CHANTING IN A DEMONIC VOICE)

Sebastian chanted a demonic incantation and fired a black blast of darkness, and then, we heard Margie get forced out and we heard her scream.

Nico: So, that's where she's hiding.

Connor: And I thought we demolished all of Sebastian's hideouts after we sent him running with his tail between his legs.

Caleb Maxwell: And after everything I heard about her from Hunter, you know what, I'm that tempted to just get rid of her!

Me: That'll be after her parents and brothers disown her, Caleb, so keep your pistols holstered and when the signal's given, then, we attack.

Nico: Yep, because this is why you're going to see the loophole in action. Alright, team, let's go, we're ending Margie once and for all along with her boy-hating vendetta!

Lincoln: We've waited all these years for this moment, and now, the time has finally arrived. That monster of hatred is about to learn a lesson in love, one she'll take with her to The Black Abyss.

Me: Awesome.

Nico: Now we can test that loophole.

Me: Yep.

The previous group came.

Loki: Can me, Larxene, Saix, Zexion, Iron Lung, Chalmers, Springfield Mafia, Abomination, Vortex and Puff go with you guys?

Nico: Yes you all can come with us.

Me: We're going to rip that monster that hates all boys apart.

Xenia: Yeah!

Lola: Also scans show that she's heading towards the ruins of that reform school for girls that Numbuh 4 was being sent to.

Lana: BLECH!

Xenia: Lets go then.

Anemone: Nico, which Gene Slammer do you think you'll meet next?

Nico: Zudomon next.

Qin: Awesome.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Viego, The Ruined King from League of Legends, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure we sensed belongs to Viego, The Ruined King from League of Legends, and he's coming to destroy us.

The League of Legends girls in Lincoln's harem gasped.

Ahri: I knew we'd be facing him after we got rid of Thresh.

Melanie Harmonia: I cannot forgive Viego for everything he did, he needs to pay for all of his crimes.

Lincoln: And he will pay for his crimes, Melanie, after we saw his minion, Thresh, in the cemetery, it was clear he was looking for souls for his army, but that ends here and now.

Nico: We'll tell him that his undead carcass isn't allowed here anymore. Alright, gang, let's go, the time to slay Margie has finally come.

Lincoln: Her boy-hating vendetta ends here and now, this is where it ends for her, and once we get done with her for good, you're next, Viego.

Melanie Harmonia: The crimes that you've committed for your revenge against the living can never be forgiven, Viego, you will never be welcome here in our world or the next!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to New Jersey to finally destroy that boy-hating hate-filled monster, Margie, and once we get done with her, Lincoln and Melanie Harmonia along with me and Nico are going to destroy Viego, The Cursed King.

We were off to New Jersey.

---

We were flying

Saix: So were do we go first? The Sector V Treehouse or the school.

Nico: The school. We're going to get some fragments of their technology to use to our disposal for future missions.

Saix: Good idea.

Camie: So why does Margie hate all boys again?

Me: She hates us because she wants to kill us! She wants to create a world where NO BOYS exist. But that plan is totally idiotic with a huge fatal flaw from minute one.

Nico: That's right. She will cause the extinction of the entire human race if she succeeded in her plan.

Flamefeather: All human boys or boys of all species?

Me: All HUMAN boys.

Nico: Yep.

Flamefeather: That is pure evil!

Xenia: Yeah.

Nico: That's why we're going to make sure her plan NEVER succeeds in a million years.

Chalmers: If she were in my school, I would expel her. But we're way past that point now

Me: That is true.

Camie: Can you remind me what happened with her?

Me: Well here's what went down.

I went over her history.

---

Madame Margaret, also known as Madame Margie, Principal Margaret (to reflect her career) or simply as Margie, is a one-shot villain and the main antagonist in the episode "Operation: F.U.T.U.R.E." of the Codename: Kids Next Door series. She is the evil leader/principal of St. Rita's Preparatory School. She has a profound hatred for boys due to how she was teased by her brothers in her youth. Her goal and desire was to make a utopia of all girls and no boys. Apparently, she has the ability to communicate with her younger self and vice versa through a time machine. She is future Numbuh 4's arch-nemesis.

After Numbuh 4 from the KND was sent to St. Rita's Preparatory School by his parents, Margie presented herself in her disguise as Principal Margaret, welcoming Numbuh 4 to the school, and went with him to his new class. Once at the class, Numbuh 4 came to the conclusion that all the students were girls, so Principal Margaret revealed to him that St Rita's was a school for girls, and subsequently, she revealed her intentions to turn Numbuh 4 in a girl with her Girlifying Rifle. She just made Numbuh 4's hand to turn into a woman's, but Numbuh 4 used the powder from the speckles of the slate to escape. After became furious of Numbuh 4's escape, Principal Margaret made a tantrum and later left the classroom to go to her office at the school's tower, but she told her students to continue with their lessons, which they did not do as soon as she left, they started to play.

Once at the school's tower, Principal Margaret communicated with her future self Madame Margaret, who told her that she was busy at the moment and to just leave her a message. Principal Margaret left a message explaining her future self about Numbuh 4's escape, but Numbuh 4 appeared at the window and swinging with a lamp, launched against Principal Margaret and knocked her. Much to Numbuh 4's horror, he realized that he had "killed" Principal Margaret by splitting her in half, leading Margie to emerge from the robotic legs she was using to impersonate Principal Margaret and insult Numbuh 4 for breaking her disguise. While Margie and Numbuh 4 argued about Margie's plan to turn every boy into a girl, Principal Margaret's robotic torso, which was still alive, managed to get where the Girlifying Rifle was and tried to turn Numbuh 4 into a girl one last time, but Numbuh 4 managed to turn down Principal Margaret's robotic torso once and for all and broke the Girlifying Rifle in half, much to Margie's chagrin. To his bad luch, Madame Margaret appeared as a hologram to aide Margie, so she send four members of her Girl Squad, who managed to girlifie Numbuh 4's t-shirt into a dress, with Numbuh 4 escaping with his jetpack. However, they managed to girlifie Numbuh 4's jetpack into a woman's purse, which made him to fall to the ground. Subsequently, Margie activated the robotic legs of St. Rita's Preparatory School, chasing Numbuh 4, who was unable to call for help as Sector V was girlified.

75 years later, it's revealed that Numbuh 4 somehow escaped from the young Margie and went into hiding, but as a result, Madame Margaret became the supreme ruler of the world, sending her Girl Squad to girlifie or harass every living boy. However, Numbuh 4 created a resistance division named the Boys Next Door, who lived to fight against Madame Margaret and her tyranny. Feeling furious about the BND, Madame Margaret decided to create a giant and new version of the Girlifying Rifle known as the Supergirlifier Cannon, but it was still unoperational. Preparing for the ultimate battle against Madame Margaret's Girl Army, the BND were helped by Sally Sanban, Numbuh 3's granddaughter and a deserted

member from the Girl Squad, who wanted to help the boys defeat Madame Margaret from extincting every boy on Earth. Numbuh 4 at first dismissed her immediately, but later accepted her after she gave them a Girlifying Rifle to reverse its effects and make it a Boylifying Rifle. The rifle's effects were successfully reversed. Meanwhile, Madame Margaret revealed to her girls that she anticipated Sally's desertion and secretly planted a tracker on her to discover the BND's headquarters. Ready to extinct boys from the face of the Earth once and for all, Madame Margaret activated the robotic legs of St. Rita's Preparatory School, now her utopia's castle.

Once in front of the BND's headquarters, Madame Margaret ordered the BND's Leader to call the BND to face her Girl Army. Immediately, the BND emerged with their jetpacks and started to fight. Numbuh 2's descendant transformed two girls into boys, but Madame Margaret resolved to reveal that the Supergirlifier Cannon was now operational, destroying the BND's headquarters and transforming many of its members into girls. Although Numbuh 5's descendant came to the conclusion that they needed to abandon the battle to fight another day, the BND's Leader reminded him that Numbuh 4 and Sally needed more time to infiltrate St. Rita's, so Numbuh 2's descendant sacrificed himself to get them more time, only to be soon girlified along with Numbuh 5's descendant and other members. Now alone, the BND's Leader resisted to became a girl, but Madame Margaret shot the Girlifier Cannon to him, transforming him into a girl. Glorious for her victory, Madame Margaret returned to her office, happy that she had now transformed every boy from the world into a girl, but Numbuh 4 appeared at the window and swinging with the lamp, he launched himself against Madame Margaret to knock her, mimicking their first confrontation 75 years ago. After Madame Margaret asked him what he was going to do, he revealed that he was going to call for help. She reminded him that the boys were no more on the Earth's face, but Numbuh 4 used her time machine to remind her that there are still boys in the past that could help him. After Numbuh 4 dissapeared, Madame Margaret went to the time machine to follow him and prevent his actions, but Sally appeared and crushed the time machine with her feet. Realizing that her fate had been sealed and this time there was no chance for escape, Madame Margaret screamed in horror knowing that everything around her including herself will promptly cease to exist.

When he returned to the past, Numbuh 4 warned the KND about the young Numbuh 4's situation before they were girlified by Margie, so they went with him to St. Rita Preparatory School, which had started to chase Numbuh 4. They saved Numbuh 4 and Numbuh 3 went to the battlefield with the H.I.P.P.I.E. H.O.P. to face Margie's Girl Squad. Margie ordered the Girl Squad to destroy the H.I.P.P.I.E. H.O.P., but after shooting against it with no effect, Margie realized that the H.I.P.P.I.E. H.O.P. was too girly already to be affected by the Girlifying Rifles. Subsequently, the H.I.P.P.I.E. H.O.P. entered into her office, scaring the Girl Squad away and roaring at Margie. With one last card up her sleeve, Margie attempted to call the still existing Madame Margaret to get help from her and avoid defeat, but Numbuh 3 crushed the time machine with her feet, mimicking the same way in which her future granddaughter defeated Madame Margaret in the future and effectively sealing the fate of both Madame Margaret and the Girl Squad for good. Following her defeat, the Girl Squad was erased from existence and Margie cries in defeat as the St. Rita's Preparatory School crashed down and destroyed, ending her crime against humanity once and for all. With that, Numbuh 4's left hand reverts back to normal and the future Numbuh 4 fades into oblivion.

75 years later, on those same grounds in which St. Rita's was destroyed, instead of Madame Margaret's dystopian girly future, there is a playground built for both boys and girls. It is strongly implied that Margie likely spent the rest of her days in prison and/or was released by her brothers before they and their parents decide to sent her to a permanent boarding school, thus precluding her to carry out her evil plans and pay for her crimes.

When I was done everyone that hadn't heard about it was horrified!

Laney: Yeah we were shocked about everything she did.

Xenia: She gives women like us everywhere a REALLY bad name!

Eli: Her plan is to create a world where only girls exist. But that plan is completely doomed to fail from minute one.

Nico: Yeah.

Me: If she succeeds it will be all for nothing because she is going to cause the extinction of the entire human race.

Qin: Yeah. She doesn't care. She hates all boys.

Me: What she is doing is ABSOLUTELY Horrific! The entire human race would have no future!

Terrorsaur: We should wait for her parents to get here

Nico: No they will come when they come. For now lets just get ready.

We landed at the school ruins.

Nico: We're here.

We went to the ruins.

Fat Tony: Nigel, do you and your team already have your weapons?

Numbuh 1: Never leave without them.

Numbuh 2: Yeah we're ready!

Numbuh 3: That girly is going down!

Numbuh 4: Especially for what they did to all of us!

Numbuh 5: Yeah!

Numbuh 362: I agree!

Nico: Lets sift through the ruins. Eli you let us know if she is coming.

Eli: Right.

We went in and saw a bunch of stuff covered in moss and more.

Me: Boy this place has seen better days.

Camie: Yeah.

Legs: Gross!

Louie: You said it!

We went and walked around.

We saw a bunch of books that were still there in the shelves.

Nico: What's in these books?

I looked.

Me: Nothing.

I went and looked through them and they were all blank.

Me: These books are all blank.

Twilight Sparkle: Maybe I can use all these to make my own spellbooks.

Me: Awesome idea Twilight.

I saw one book left.

Me: Wait. This looks like a journal.

I picked it up and read it.

Me: Whoa! Nico look at this!

Nico: What is it?

Me: This is a journal. It shows how totally depraved Margie is.

Nico looked at the journal entries and it showed HOW MUCH SHE REALLY HATES ALL BOYS! She wants to kill them, torture them, behead them, disembowel them, EVERYTHING!

NICO WAS INFURIATED!

Nico: (Enraged) That is something. Would you guys step outside for a second?

Me: Uh oh.

ZOOM!

We ran and then he got up and he inhaled and yelled!

Nico: (ENRAGED SCREAMING) FFFFFFFFUUUUUUUUUUUUUUUUUUUUCCCCCCCCCCCKKKKKKKK!

Ned Flanders even heard it from back home!

Ned Flanders: Dear lord! That's the loudest profanity I've ever heard!

Nico calmed down.

We came back in.

Lady Deathstrike: (Japanese Accent) I'm a girl and even I'm disgusted!

Me: These would be considered as Crimes Against Humanity and War Crimes. If the Nuremberg trials were still going on like they were back in 1946 then she would definitely die.

Abomination: There has to be something we can use from here

Nico: Yeah.

Laney: Hmm. Look here guys!

We saw a bunch of girlification rifles.

Me: Girlification Rifles. We could use these on future missions.

Xenia: Yeah.

Me: And I know the first person I'm going to use this on.

Nico: Who?

Me: Cobra Commander. He hates all things girly.

Nico: Ooh! I like the way you think J.D.

Me: Yep and I'm going to use this on an Evil Sasuke too. Take away the one thing that makes him a man.

Nico: Ooh! (Sinister laugh)

Princess Rose: Anything else?

Me: Lets see.

We looked around.

We saw nothing.

Me: Nothing. I think we covered everything.

Nico: Yeah.

Nuova Shenron: Okay then.

We took the Girlification Rifles and blasters too.

Qin: These will come in handy.

Me: Yep. Some criminals don't like girls well lets see how they like it being girls.

Camie: I like it.

Puff: I'm also a girl but I don't hate boys. Ask Onyx!

Lily: I agree there! I don't hate boys either!

The girls agreed too.

Me: But Margie HATES boys with a Vengeance! She wants to kill us all!

Retrax: This might sound crazy but let's invite a Xenomorph too

Nico: Uh NOT GONNA happen Retrax.

Retrax: Okay that's too extreme.

Yakumo: An illusion of one will work.

Retrax: Even better. Okay.

Vortex: Shame. It would've been poetic justice considering what killed her the first time

Me: True. But we can't risk Xenomorphs spreading across the world like a Global Pandemic.

Xenia: Yeah.

Vortex: Good point.

RD Lucy: You think we alerted her minions in the building?

Numbuh 4: Her minions are all locked up in Permanent Detention.

Numbuh 362: Yeah she's all alone now.

Me: Good. Then she will be easy prey.

Iron Lung: Is her family here yet?

Nico: They will be.

Lincoln: They will be after we have the usual battles. They sent me a text just now.

Nico: Oh. Okay.

Me: Good. Perfect for us to rough her up so they can see the kind of monster she is.

Lola: Yeah!

Eli: I sense her. She's almost here. 710 yards south and closing.

Nico: Perfect.

Molly Hale: Let's go to HER instead!

Nico: Okay then.

Me: Lets go.

Nico: Entrance time!

We went to her.

Margie was walking to her old school and she saw it.

Margie: Now I can rebuild it.

But before she could thing the spirits of boys and girls all appeared and they swirled around her and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we landed and we were infuriated with her!

Me: Time to show you how pissed we are at you!

Nico: You make me sick Margie!

Xenia: People like you make us women look bad!

Margie: YOU RUINED EVERYTHING FOR ME! I HATE ALL BOYS SO MUCH! THEY ALL SHOULD HAVE NEVER BEEN BORN!

Qin: You are such a fool Margie!

Me: Don't you realize that what you are about to do will result in the extinction of the entire human race!?

Alexis Rhodes: Yeah! You wipe out all the boys then humanity will have no future!

Lola: It will be a world where NO HUMANS are left!

Margie: I DON'T CARE! BOYS ARE EVIL! THEY ALL MUST DIE!

Wonder Woman: You are no better than Aresia! She died because of the same cause and now you will too.

Zexion: Time to show you what killed you the first time.

He formed a Xenomorph and Yakumo did the same thing and the Xenomorphs roared!

MARGIE SCREAMED IN FRIGHT!

Ruckus: We were honestly tempted to bring in the real thing!

Sam Simpson: You are also no better than that wretch Violet Vanderfleet.

Me: And you are going to share the exact same fate as both Aresia and Violet did.

Nico: YEAH!

Qin: You brought all this on yourself Margie.

Larxene: I'm a girl and even I'm disgusted!

Margie: THEN YOU SHOULD HAVE BEEN PUT INTO A WORLD OF GIRLS INSTEAD!

Nico: You are a delusional brat!

Me: Margie your plan has one nasty fatal flaw! Without boys, that species can't exist! You would wipe out all of the boys and men in the world!? That's absolutely horrific! The entire human race would have no future!

Numbuh 1: I should have killed you the first time!

Horsea: Were you even there the first time?

Numbuh 1: Not when Numbuh 4 was there but when Numbuh 4's older self came and warned us we went there just in time.

Me: But I agree with you Nigel!

Xenia: This time it's personal!

Lincoln and Girl Jordan tied Margie up in rainbow energy chains.

Lily the Mermaid: Nice work. Now, we got a couple of people who have more than a few words to say to you.

Suddenly, we saw a limo arrive, and the doors opened and four people came out: the first is a man with light brown hair and he was in a business suit, it was Mr. Smythe, the second is a woman with light brown hair and she was in a dress, it was Mrs. Smythe, and the two boys are her older brothers, Kyle and David. When Margie saw them, her face went completely white especially when she saw their pissed off looks on their faces.

Nico: Oh they're here. That was fast.

Lincoln: Earlier than expected.

Me: Wow I didn't know Margie's parents were rich.

Nico: Me neither. And those two must be her brothers.

Me: Yep.

Mr. Smythe: I should've known you were at it again, Margie, as if you haven't caused us any more trouble than you already have. I can't even believe that you're our daughter!

Mrs. Smythe: I truly thought that having a daughter would also be a great addition to your two brothers and our family, but instead, I gave birth to a boy-hating monster who's nothing more than the spawn of The Devil!

Kyle Smythe: David and I thought having a sister would be awesome, but it wasn't. You made our lives a living nightmare, and I couldn't keep count of the many times you tried to kill me and David along with Dad!

Me: WHOA! She tried to kill you!?

Kyle Smythe: Yeah she sure did. 734 times as a matter of fact.

David Smythe: You tried to poison our food one time years ago, then, you tried to set us on fire when you tied us up and poured gasoline on us, and you even tried to send hitmen to kill us! But, Mom stopped your attempts on our lives, and she was absolutely disgusted with your murderous actions especially when we showed her your diary and in it, she saw your true nature: a heartless evil monstrous boy-hating misandrist and a disgrace to humanity!

AS IF WE WEREN'T PISSED OFF AT HER, NOW, WE WERE ABSOLUTELY LIVID AT HER!

Me: She's a monster!

Xenia: She's worse than Leena Klammer!

Mr. Smythe: We've done our best to try and raise you right, but it's very clear that we were truly wrong: your heart was never going to change and neither were you, you're still the very same monster from all those years ago, but over time, you became even more worse than ever. You've crossed one too many serious lines for the last time, and this time, you will never ever be forgiven.

Me: Here it comes.

Nico: Yep.

Mrs. Smythe: I agree, honey. Margie Smythe, because of all of your actions against boys and trying to destroy them and all of humanity, you're hereby disowned forever and we're cutting all ties with you forever.

Margie: WHAT?! YOU CAN'T DO THIS TO ME!

Kyle Smythe: They just did, and because of your depraved nature, it's just further proof that David and I are always going to be better than you.

David Smythe: And there's also something that Mom and Dad have been wanting to say to you for a very long time!

Eli: Uh oh.

Then, Mr. and Mrs. Smythe turned red in the face and tooted like steamwhistles, and THEY REALLY LET HER HAVE IT!

Mr. and Mrs. Smythe: YOU ARE NO LONGER OUR DAUGHTER, YOU ARE AN ABSOLUTE EMBARRASSMENT AND A MISTAKE AND A DISGRACE TO HUMANITY! AND WE HOPE YOU ROT IN HELL FOREVER!

KABOOM!

THAT ULTIMATELY DID IT: MARGIE WENT ABSOLUTELY INSANE AS SHE SCREAMED AND RANTED LIKE A DEMON, AND SHE SPEWED SO MUCH HATRED TOWARDS US AND TO ALL BOYS, OUR ENERGY AURAS FLARED UP EXTREMELY AND GAINED AN ASTRONOMICAL ENERGY BOOST!

Qin: Now we don't have to hold back!

Me: Shall we kill this oozing sore of depravity for you guys?

Mrs. Smythe: Please!

Xenia: Okay!

Me: Now our code will allow us to kill you!

We went at her and I punched Margie in the face!

Poliwag: We took you guys?!

Mr. Smythe: We ran into some traffic.

Poromon: Oh.

Volcana charged at her and blasted her with fire.

St. Patricia: Lets make her experience holy girl power.

Volcana and St. Patricia: HOLY FIRE OF LOVE!

They fired waves of fire and blasted her all over.

Carol charged at her and she fired a wave of energy and blasted her.

Misty Brightdawn: Lets show her that Girls and Boys part all kinds of equality!

Me: Lets do it!

Vince Pusateri: Yeah!

Carol, Misty, me and Vince: BOYS AND GIRLS BEAM BURST!

We fired waves of energy and blasted Margie down.

Nico: OH YEAH!

Roxy charged at her and kicked her down.

Roxy: I would never hate boys like you do!

Larry Loud: Me neither! That is pure evil!

Roxy and Larry Loud: ENERGY OF EARTH LOVE!

They fired waves of energy and blasted her down.

Me: The Battle of the Sexes has been a battle that is as old as time itself. But there is one thing that girls should never do and that is KILL THE MALES! If there is one thing we NEVER Tolerate it's hatred towards all boys and vice-versa!

May charged at her and kicked her down.

May: I HATE PEOPLE LIKE YOU MARGIE! You make all of us girls look bad!

They fired waves of energy and blasted her all over

They fired waves of energy and light and blasted her down.

Ripster: JAWSOME!

Aerrow charged at her and fired waves of wind and blasted her down.

Tornado Man: Time to blow you away!

Aerrow and Tornado Man: WINDS OF STORM HAWK MIGHT!

They fired waves of wind and blasted her all over!

Lynn Sr. Charged at her and blasted her all over.

Lynn Sr.: As a loving father I would NEVER hate my daughters the way you hate boys!

Lincoln: You tell her dad!

Kalin Kessler: Lets show her boy power!

Lynn Sr., Lincoln and Kalin: BLUE LIGHTNING THUNDERSTRIKE!

They fired waves of lightning and leaves and fire and blasted her!

Me: YEAH!

Lynn Sr: And I don't hate Lincoln either!

Me: I agree!

Qin: Yeah!

Nico: Me neither!

MARGIE REALLY GROWLED FEROCIOUSLY!

Xenia: Uh oh.

Margie: Do you have any last words before I destroy you all?!

Numbuh One: Just one.

We looked at Numbuh One, expecting a rant. But he said the next best thing.

Numbuh One: (smirks) Kids Next Door, Battle Stations!

Numbuh 5: 5!

Numbuh 4: 4!

Numbuh 3: 3!

Numbuh 2: 2!

Numbuh 1: 1!

Yuko Tani: We've had it with you Margie! Prepare to die!

Nico: Machinedramon, Lord Drakkon, Cluemaster, Dark Turtles, Magma, Griffin, Red X, Taskmaster, Puppetmon, Madame Masque, and Roxy Rocket.

Lord Drakkon: Actually it's just Machinedramon, Cluemaster, Dark Turtles, Magma, Griffin, Red X, Taskmaster, Puppetmon, Madame Masque, and Roxy Rocket. I'm here to talk to J.D. to see how he's doing after meeting his Akuma.

Me: Very thoughtful of you.

Nico: Yeah.

Machinedramon: This is it. The last usual battles of the year.

Cluemaster: After everything, we should be very proud.

Dark Leo: I know I am.

Dark Don: Me too.

Me: We all are and itwas awesome!

Magma: (to Nico) We heard you fought an Akuma of JD like Drakkon said.

Nico: We sure did!

Me: His name was Sir Darkferno and it was awesome!

Griffin: (to Jimmy) You should take care of that Beeheyem.

Jimmy Neutron: I assure you that I will.

?: That's good.

A figure came out and it was LORD DRAVEN from the Ninja Steel special Dimensions in Danger!

---

Lord Draven was the main antagonist of the special episode "Dimensions in Danger" who sought to destroy the multiverse by kidnapping Power Rangers from multiple worlds and commanded an army of Robo Rangers.

Draven is known to older generations of Power Rangers with T.J. Johnson specifically having disdain at remembering him. Shortly after the destruction of Wolvermean and the destruction of the Foxatron, Lord Draven makes contact with Madame Odius from his home universe, the Antiverse and teamed up with her to take over all realities. He promised to Odius that he would let her rule the prime world while he would rule the other ones. Draven is given the resources by Odius to capture the Rangers from different parts of the universes and clone them into his army of Robo Rangers. He captured Tommy Oliver to make his first Robo Ranger to command.

Odius then enchants his arrows into Mega Arrows to complete his conquest and the fake Tommy has already helped capture several known Power Rangers from the prime reality such as Rocky DeSantos, Katherine Hillard as the Pink Turbo Ranger, TJ as the Blue Space Ranger, Trent Fernandez-Mercer, Antonio Garcia, and Gia Moran as Megaforce Yellow. Despite the real Tommy escaping and shutting down the Robo Ranger factory, Draven already has enough Robo Rangers to take over the three worlds. He then tasked fake Tommy to hide the Mega Arrows somewhere until they are needed. He launched the first Mega Arrow into the sky. As the Ninja Steel Rangers, Wesley, Gemma, and Koda find the real Tommy, Draven has set his Basherbots to guard his fortress. When he finds out that the Ninja Steel Rangers had invaded his lair, he fought them personally and nearly beat them. The Robo Ranger army then arrived to aid Draven and fired on the Ninja Steel Rangers to reclaim the box of Mega Arrows that were stolen. Draven then launched the second Mega Arrow and all hope seemed lost, until Tommy, Wes, Koda, and Gemma had freed the other Rangers from captivity and got back together with the Ninja Steel Rangers to confront Draven and his Ranger Army.

After the Ninja Steel Rangers and Legendary Rangers destroy his army, he take the last Mega Arrow with him to begin his final phase. Odius fires the Gigantify Laser on Draven to make him giant so that he will be able to fire the Mega Arrow without significant interference. The Rangers are helpless as Draven mock them and fires off the final Mega Arrow. Just before the arrow can touch the barrier however, Tommy morphs into the Mighty Morphin White Ranger and summons the White Ninja Falconzord to grab the Mega Arrow before it can make contact with the dimensional tear. In retaliation, Lord Draven stamps hard enough to knock down the entire army and then slaps them down with wind. However, Tommy then orders the Rangers to distract him so they unleash a devastating barrage of lasers from their sidearms, Drago Sword, Dino Charge Morpher, and Barracuda Blade. With Draven weakened, Tommy flies in and unleashes the Mega Arrow, far too quickly for Draven to dodge. It plunges into Draven's stomach, causing red cracks to erupt all over his body before he is torn apart explosively and thus finishing off the interdimensional tyrant once and for all.

Me: Lord Draven!

Rocky DeSantis: Not this guy!

Me: I remember you Draven! You were going to destroy the Multiverse by using a massive army of Robo-Rangers!

Lord Draven: That's right J.D. Good memory.

Me: Never missed an episode and man that was so epic how veteran Rangers from over the course of 25 years came together.

Nico: Yeah That was awesome!

Lord Draven: It sure was.

William: Were Mighty Morphin, Turbo, In Space, Dino Thunder, Samurai, and Megaforce the only Robo Rangers you could make?

Draven: In my defense, the Rangers infiltrated my base before I could make more. Beast Morphers and Dino Fury weren't formed yet. And I didn't even know about the existence of the Sentai teams.

Me: Well that's because It was America. We started Power Rangers in 1993. Japan is where it all started from over the last 47+ Years Since 1975.

Nico: Yep.

Draven: Wow! I have a lot of catching up to do.

Me: Yeah. And after King Ohgers there's a new series coming out named Bakuage Sentai Boonboomger. I'm looking forward to that one.

Nico: Me too!

Xenia: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Lord Drakkon: Wow That is too extreme! Like what would have happened if you too Lex Luthor's offer.

Me: I know. I told him that it was the cowards way out. But he got that way because of a bully from my past that hurt Allie.

Lord Drakkon: Really?

Vypra: What was his name?

Me: His name was Clay Thompson and he was a REALLY NASTY jerk! You would not like this guy one bit.

Vypra: He must have been a really terrible one.

Vypra: Whoa man. At least he's gone forever.

Me: Yeah.

Fire Man: Thank goodness.

Vypra: Do you have a picture of him?

Me: Not on me at the moment. But I'm glad he is gone too.

We were literally stunned, amazed, and struck with total awe at Lincoln's Super Angel-Ebonwu-Thunderbird-Alicorn-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were really bleeding, and they let out wolf whistles upon seeing just how much hotter and sexier their hunk of a future husband has become. But, when Margie saw it, she went even more ballistic and she again ran at Lincoln to kill him, but Lincoln fired a massive barrage of rainbow energy, aura

energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals which hits Margie and sent her flying into a wall, she got back out, but now, she was beyond pissed off, her face turned red with rage and her eyes turned into living flames and her teeth turned into jagged fangs!

Melanie Harmonia, Lincoln, Nico, and I went after Viego, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods,

Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Viego and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Melanie Harmonia also did the same by firing rainbow energy slashes from her massive greatsword and gold-plated dragon claws, and he, Melanie Harmonia, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Viego even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln disarmed Viego of his sword and Lincoln's greatsword absorbed Viego's sword, and he bearhugged Viego and he began absorbing Viego through his skin and he was assimilating Viego's Necromancy, Immortality, Swordsmanship, Stealing souls, Possession, Mind control, Dark magic, and Controlling the Black Mist and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips, medium sized white angel wings with aurora and orange tips, and small sized white angel wings with aurora and orange tips spread out even more and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done, he also sent Viego's soul to The Black Gates after he drained his soul of his life essence. Everyone cheered wildly for what Melanie Harmonia, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Melanie Harmonia's new body, clothes, weapons, jewelry, Third Eye, larger and longer twelve tails of Rapidash, Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia, and Princess Luna, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large rainbow planets orbiting around her legs, fifteen smaller rainbow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive rainbow angel wings and medium sized rainbow angel wings and small sized rainbow angel wings underneath her massive rainbow angel wings are permanent.

Melanie Harmonia: Reap what you have sown, vengeful undead monarch. Thanks for helping me take down Viego, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Me and Nico: Our pleasure, Melanie.

Suddenly, Melanie Harmonia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Harmonia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Rapidash, Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia, and Princess Luna flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Melanie Harmonia sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Viego down and Lincoln absorbed him and his sword also absorbed his sword.

Me: And Lincoln sent him to The Black Gates after he drained his soul of his life essence. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a wolf made of blue fire pass through the sky along with a Shadow Wisp of darkness appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Nadine Lansehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Wolf.

We gasped.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Nadine Lansehuoyan is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Wolf, along with having angel wings along with having intense blue fire powers. She's known as The Fiercest Warrior of The Sisterhood of The Fists of Fire, because she's the most fierce of The Sisterhood, and if anyone angers her, she will brutally harm them like a savage wolf. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Nadine hates Chandler with a blazing passion, because of what that murderous sewage slop has done in bullying Lincoln and tried to kill him in the past, and in one incident, she and Lincoln beat that sewage slop up so bad and sent him to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one fierce warrior and she never shows mercy to anyone who hurts Lincoln. And that Shadow Wisp of darkness, was that…?!

Selene Arcangela: Yep, it's the next Ambassador of The Demon Sorcerers we're meeting on Nico's rescue tomorrow, her name is Lucille Ying Xiao, Ambassador of Tso Lan, Demon Sorcerer of The Moon and Master of The Darkness of The Shadow Wisp, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the third youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Tso Lan, Demon Sorcerer of The Moon, along with black angel wings, and she also has full fledge mastery over the powers of gravity, along with being a master of dark magic, black magic, and Satanic Magic, and she even knows Chinese Black Magic that puts even the dark magic of Daolon Wong to shame. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental

Maiden and she also has mastery of The Darkness of The Shadow Wisp. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of gravity and darkness, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Daolon Wong with a passion because long before you all went after The Demon Sorcerers, Lucille used a Chinese Black Magic spell and made his dark magic go haywire and she'd left a bleeding scar on his back long ago.

Nico and me: No way!

Tso Lan: I remember that day all too well, she indeed made her mark on Daolon Wong.

Bai Tza: And showed him who's the better master of dark magic.

Taskmaster: (to Brody) Good thing you were up for the usual battles, huh?

Brody: Yeah. Good thing!

Nico: No kidding.

Red X: That's one boy hating girl destroyed.

Puppetmon: You said it!

Me: That girl was a parasite!

Madame Masque: I don't even hate boys.

Sento: When the usual battles start up next year, you'll like the Fullbottles each of you will use.

Roxy Rocket: And those are?

Sento: (chuckles) Oh, you'll find out.

Me: To quote Pinkie Pie: Can't tell you that silly. (Exaggerated Whispers) It's a Surprise!

Nico: (LAUGHS) Yeah.

Pinkie Pie: (LAUGHS) Yeah that's something I would say alright.

Sento then looked at pictures of Ben's aliens, the Sentai Symbols, the Robot Masters, and the Mavericks.

Nico: But great job everyone! Now all the jerks are taken care of.

Nicole: Yep.

Numbuh 1: (To the viewers) Boys and Girls are both loved equally.

Me: Yes they are.

We went back home and enjoyed the rest of the day and went to sleep.

But out in space, little did we know, that there was a MASSIVE EVIL FORCE HEADING RIGHT AT EARTH!

It was a giant and horrifying nebula leech creature. This can only mean one thing! GALACTUS WAS COMING!

THE FINAL BATtLE IS ABOUT TO BEGIN!

Camie: This will be so cool.

Lola: Yeah!

Qin: We're looking forward to this.

Carly Atlas: Same here.

Misty Tredwell: We sure are.

Yusuke Amamiya: I agree there.

Nico: Yusuke, I want to thank you, Owlman, and your teams for coming

Yusuke Amamiya: No problem Nico. This is gonna be so fun.

Rika Nonaka: It sure will be fun.

Renamon: I am excited for this.

Nico: Rika, sorry you didn't get together with Takato

Rika: It's okay Nico. There's plenty of other fish in the sea. And also there are many more out there for me. Besides I knew that Jeri and Takato were made for each other and I couldn't be any happier for them.

Renamon: Me too Rika. After everything that Jeri and Takato went through they are happy.

Nico: Yes they are.

Varie: And I'm happy for them too.

Eddy: You know there are many people who wanted you to get together with Takato?

Rika Nonaka: I can tell there were so many of them.

Xenia: Yeah.

Me: Boy I can tell there were countless numbers of them.

Lola: Yeah.

Me: But after everything that Takato and Jeri went through together they need each other more than ever.

Takato: Thanks guys. I'm glad you all greatly support me and Jeri.

Me: No problem Takato.

Nico: It's the least we can do.

Me: Yeah.

Camie: But I'm happy to say that we have all the jerks taken care of.

Me: Yep and Margie is gone for good.

Nico: She was worse than we thought

Me: She was a TRUE monster!

Xenia: Yeah! She didn't give a flying rats ass about anyone! She just wanted to make sure all boys were dead. (To Splinter 2003 and 2012) No offense senseis.

Splinter 2003: None taken.

Splinter 2012: Yeah none taken.

Varie: Like I said, she gave all of us women everywhere a REALLY BAD name.

Eddy: Too bad we couldn't get a Xenomorph to eat her like before

Me: I know but like I said we couldn't take that risk. Xenomorphs would spread all over the planet like mad and we can't risk that.

Nico: That is a good point.

Eddy: You're right. But it would have been cool. An illusion is the next best thing though.

Camie: Yeah.

Qin: That's true.

Nico: At least her weapons will benefit us nicely

Me: Yep.

Qin: I can't wait to see the look on Cobra Commanders face when we hit him with that.

WE LAUGHED!

Nico: (LAUGHS) Yeah.

Me: I can't wait to use it on an Evil Sasuke.

May: Now that will be funny to see.

Camie: It sure will.

Lola: Yeah.

Me: Yeah. Man what Margie did was absolutely beyond all words unforgiveable.

Xenia: Yeah.

Wonder Woman: She is worse than Aresia.

Sam Simpson: And worse than Violet Vanderfleet.

Nico: I know.

Alexis: Like how Femme Fatale was before she joined the M.O.E.

Me: Yeah but she didn't kill men.

Camie: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a red planet and it looked like a red mountain desert world from space.

Nico: Wow!

Maria: We're here!

Nico: Lets land.

We got to landing.

We landed and got out and to our shock and amazement we saw that it was a WORLD MADE ENTIRELY OUT OF STEAMED LOBSTERS!

Me: WHOA! A world made of steamed lobsters!

Camie: Wow!

Lola: What a Seafood paradise!

Nico: Lets have some grub!

We went and got some grub and had some good lobsters.

Homer: (CRYING) (Eating) Oh man that's good! (CRYING)

Nico ate some.

Nico: (Eating) Mmm! Delicious. Got any butter?

Me: Sure.

DAIRY PRODUCT MAGISWORD!

I made some melted butter for Nico.

Nico: Thank you.

Me: You're welcome.

Homer: (Crying) Pass the butter.

Homer was crying as I handed him the butter.

Me: Oh Homer it'll be okay. At least we're not eating the real Pinchy back home.

Homer: (Crying) I know. (Eating) Oh so good.

Maria: Hey where's Marge?

Me: Oh she's back on the ship and Daphne too. They are allergic to shellfish.

Sakura Knudson: Oh yeah! Daphne told me all about her shellfish allergy. She breaks out in UGLY huge welts that itch like crazy if she has any shellfish.

Nico: YIKES! Good thing they are back then.

Maria ate some.

Maria: Mmm! I haven't had good lobster in a while.

Courtney: One of my favorite. (Eating) Yeah.

Homer was crying.

Lily: Poor Homer.

Homer: (CRYING) (Eating) So good.

May ate some.

May: (Eating) Delicious!

Nico: It sure is.

Homer: (CRYING) It's so delicious! (Eating) Oh man that's tasty!

Xenia: Oh there there Homer.

Bart: Sorry I can't eat with you guys. I'm allergic to shellfish too.

Me: Oh that's okay Bart.

Qin: Yeah you'll be okay.

Bart: Thanks guys.

We were eating lots of lobsters. Lots of carcasses piled up.

Me: Here Bart.

I went over and put a plastic cover on him and didn't cover his head.

Bart: Thanks J.D.

Me: This will prevent you from getting sick as long as we're here.

Bart: Yeah.

Nico: Let's save some for the mascots

Me: Good idea! We can also have some for the end of the year party.

Nico: Oh that's right! Man it's the end of the year. Good idea.

Maria: When will that be?

Me: Later tonight for dinner.

Nico: Yeah.

Maria: At around our time for dinner.

Me: Yep.

Maria: Good idea.

Homer: (Crying) Oh all that was so good.

Me: At least we didn't eat Mr. Krabs. No offense sir.

Mr. Krabs: None taken lad. But poor Homer. He sure is sad over his lobster buddy.

Nico: Yeah. He loved Pinchy. And still does. But now he's in the M.O.E.

Maria: And alive.

Me: Yeah.

Homer: (Feels better) You're right.

Me: Good.

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for one gassy battle: we got word that Poliwag's hypothetical Akuma form has been located here on the planet made of steamed lobsters.

WE GASPED!

Nico: What?! A hypothetical Akuma form of Poliwag?!

Me: No way! Who is he?

Lincoln: His name is Stinkbomb Gator, he's a gator that farts and his farts smell like a toxic waste dump bad enough to make you hurl your guts out!

Our 28th Century backpacks gave us 28th century Exopacks that we put on our faces!

Me: Oh man! That's even worse than Lynn's farts and Lori's!

Lori: (OFFSCREEN) How many times do I have to tell you it was my shoe?!

Everyone: (YELLING OUT LOUD) NO ONE'S BUYING EVEN FOR A SECOND, LORI!

Nico: I swear, it's like Lori's got a sonar in her ears when we say that! Anyways, what's his story, Lincoln?

Lincoln: He was made when a bully hurt you and Poliwag became that to get revenge on her by farting in her face til she dies!

Qin: I can think of one bully who'd do that: Carmen Persico, and before anyone asks, she's not related to mobster Carmine "The Snake" Persico. This girl is a vile evil heartless psychopathic sadistic monster bitch who gets her kicks by bullying people, and she was literally the worst of the worst! She brutally beat up Nico so bad, he had to spend a month in the hospital, but he healed quickly and we got back at that bitch by exposing her to the school and she got expelled and we beat her up and threw her to the cops.

Eli: Jeez!

Me: Holy shit!

Qin: And because we turned in the evidence on her, she got sent to prison for life, but she had sworn that one day, she'd break out of prison and get her revenge on us.

Nico: That was six years ago and a week before we moved to Gotham Royal York, Carmen broke out to get revenge on me, but before she could find me, she was found murdered: her eyes were gouged out of her head, her body was slashed and mutilated, and her neck was so badly slit, she was almost decapitated, and there was one person responsible for that one: Sebastian.

Me: SHIT!

Sebastian Mendez: Yeah that bitch had it coming.

Lincoln: How'd you find out it was him?

Qin: We saw this before: he always gouges out the eyes of his victims, slashes and mutilates their bodies, and slits their necks so badly they're almost decapitated. Basically, this went beyond how a serial killer murders people.

Me: No fucking shit!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, Poliwag's hypothetical Akuma form is here, this is going to be trouble. Oh, and J.D.?

Me: Yes? (SCREAMS)

I DUCKED DOWN AND AVOIDED AN INCOMING PUNCH FROM LORI, BUT SHE PUNCHED A BOARD THAT QIN HAD IN CASE LORI TRIED THAT AND IT SHATTERED INTO PIECES!

Me: WHOA! Nice one Lori!

Caleb Maxwell: Okay, if you keep doing that, someday, you're going to lose a couple of teeth.

Lincoln: Not with J.D.'s quick instinct.

Nico: And next time, we'll try something else. Lori shattered that board into pieces, guess that proved my point.

Me: Sorry.

Lori: Wow! A Steamed Lobster planet. This is literally amazing.

Xenia: It sure is.

Nico: Good thing Skinner isn't here for this. I think he's allergic to shellfish.

Me: Actually he's allergic to peanuts.

Nico: Oh sorry.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Stinkbomb Gator) AHA! Gotcha! I just spotted Stinkbomb Gator, he's 20 yards away, and he's looking for Carmen Persico.

Nico: We better get moving.

Lincoln: That gator's heading inside a secure containment box and getting shipped to Vypra. (Sensed massive armies of musclebound thugs) Uh oh, heads up, I've spotted massive armies of musclebound thugs heading for us, and you're not going to like this bit of news: these thugs were hired by some old enemies of mine.

Me: WHAT?!

Nico: Even though Flip's finally out of the picture, there's always some dumb ass still wanting to kill us.

Suddenly, we saw ten massive armies of musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of one massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of the other massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the other massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Stinkbomb Gator.

Harry Potter heard a Pokemon cry.

Harry Potter: (British Accent) Look here everyone.

We saw a girl with brown hair and blue eyes and she had black clothes.

Me: Wait.

I activated my Sharingan.

Me: A Zoroark! Wow!

Zoroark reverted back.

Nico: Cool!

Me: And the poor thing is hungry.

I gave it a bunch of apples.

Zoroark: Thank you so much. How did you know it was me?

Me: My Sharingan pierced through the illusion you did. Sorry it has that kind of power.

Zoroark: That is cool.

She got to eating them.

Me: Feel better?

Zoroark: Thanks to you.

Harry Potter: Want to come with us?

Zoroark: I would be honored.

Me: All right.

Harry Potter: You won't regret it.

Nico: Lets go!

We were off!

We were flying in the air, and we spotted our target: Stinkbomb Gator, Poliwag's hypothetical Akuma form.

He looked like a big giant gator with a grumbling belly.

Lincoln: Time to get my gameface on. UNIVERSE 666 KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Lincoln turned into FIRE MOON! 🔥🌙!

Lincoln: (HOWLS)

Me: Let me join in as well, Lincoln. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙!

Me: (HOWLS)

Nico: So, that's Poliwag's hypothetical Akuma form, eh?

Stinkbomb Gator: I know, I stink.

LOUD FART!

Lincoln: I've dealt with worse from Lynn.

Me: And she was a total gas bag.

Lynn: I HEARD THAT!

Stinkbomb Gator: Perish!

Stinkbomb Gator was about to attack, but Lincoln fired a blast of fire which hit him.

Lincoln: RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

Lincoln howled and released a massive vortex of red fire and ran fast and slashed him all over with his massive greatsword!

Lincoln: Top this! (ECHOING) WOLF MOON BLAZING FLAME! 狼月燃える炎!

Lincoln swung his massive greatsword and fired a massive vortex of red and blue wolf fire and light and darkness which hit Stinkbomb Gator.

Me: WHOA! WHAT THE?!

Nico: So awesome! Nice!

Stinkbomb Gator: TAKE THIS!

LOUD FART!

Stinkbomb Gator let one rip, but thanks to the flames, he got burned bad as his attack really backfired on him!

Me: GEEZ! What the fuck did you eat? Beans and broccoli and crab cakes?

Stinkbomb Gator: Hardy har har.

Caleb Maxwell: Stupid, you did that to yourself.

Nico: Poliwag? Is that really you?!

Stinkbomb Gator: Yes Nico it's me.

LOUD FART!

Me: HOOWEE!

Stinkbomb Gator: Yeah I know. I'm glad you're alright.

Nico: I know.

Poliwag: Boy my Akuma looks awesome. I went from a tadpole to a really cool gator.

LOUD FART!

Poliwag: A funny and gassy gator! Even though I'm a tadpole.

Stinkbomb Gator: That's pretty unusual for a frog to turn into a gator isn't it?

Poliwag: It sure is.

Nico: Yeah. A gassy gator that farts really nasty gas!

LOUD FARTS!

Shanan: GEEZ! Your farts smell and reek just as bad as a Pinosapian when it farts!

LOUD FARTS!

SOME OF US SMELLED HIS GAS AND COUGHED AND GAGGED!

Nico: GEEZ!

Qin: Man that is rank!

Me: GOOD GOD!

Stinkbomb Gator: Sorry.

Horsea: You wouldn't hurt your own girlfriend. (does puppy eyes)

Would you?

Stinkbomb Gator: Of course not Horsea. You mean too much to me and I love you and Nico.

Nico: That's good.

LOUD FARTS!

Nico: GEEZ!

Maria: I don't suppose you'll come quietly if we ask nicely?

Stinkbomb Gator: Sorry no.

LOUD FART!

He let one rip and the gas went into Maria's nose and she coughed and gagged and grabbed her neck gasping for breath! The smell was that horrible!

Maria: (COUGHING AND GAGGING VIOLENTLY!)

Stinkbomb Gator: Sorry. Can't help it.

Nico: These floating platforms will support us, but will also send sound waves through the water, giving away our position to Stinkbomb Gator. We'll need to move as slowly as possible

Me: We could fly you know.

Nico: True.

I flew high in the air.

STINKBOMB GATOR FARTED IN THE WATER AND THE BUBBLES SHOWED WHERE HE WAS!

LOUD GURGLING FARTS!

Me: Boy that is nasty! But man you are a strong gator to withstand that! That lake is boiling hot water.

Stinkbomb Gator: Yeah I got pretty tough skin. Cool huh?

Poliwag: My akuma is cool!

Qin: It sure is!

Stinkbomb Gator: I've got your scent!

Me: Alligators have excellent senses of smell.

Stinkbomb Gator: They sure do don't they.

Stinkbomb Gator emerged from the water.

Me: I can see you gator!

I fired waves of energy and blasted him.

Xenia: Yeah!

Me: You think your farts smell bad? Sniff on this! (ACTIVATES STINKY BUTT'S RIDEWATCH) FIRE IN THE HOLE)

LOUD NASTY SUPER FART!

I fired a fart blast and blasted Stinkbomb Gator and he coughed and gagged violently!

Nico: Can you just fight us where we can see you?! We already played the deadly hide and seek game with the Gator Ghoul clone!

Nicole: Yeah!

Stinkbomb Gator: Okay okay it was getting old anyway.

He came out and we faced him.

LOUD FARTS!

Stinkbomb Gator: Sorry.

Poliwag: No worries.

Me: You know the funny thing is that Alligators and frogs are not related at all. So I find it unusual that a frog can turn into an Alligator Akuma.

Stinkbomb Gator: That is unusual isn't it.

Gabriel: I just wanted to try something different, alright?!

Me: Okay okay. But that is cool though.

Gabriel: It sure is.

Lola: Yeah.

Me: Besides I was just stating the facts.

Eddy: Can we get on with the fighting now?!

Me: Okay okay Mr. Impatient Jawbreakerpants.

Eddy: WHAT'S THAT SUPPOSED TO MEAN!?

I fired an energy blast and blasted Stinkbomb Gator.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) You 're screwed now!

Caleb Maxwell, Cage Blunt, and Travis Tackett went at Stinkbomb Gator, and Caleb Maxwell fired bullets at Stinkbomb Gator and hit him in the knees, and Cage Blunt and Travis Tackett fired dark energy blasts and he got sent flying into a mountain of lobsters, he got back out, but this angered him big time.

Homer: Okay, we better take care of him.

Suddenly, Homer's eyes turned neon blue and he was surrounded by a white and blue energy aura with stars, donuts, food, lights, phoenixes, and angels, and as he approached Stinkbomb Gator, he left white and blue energy, stars, donuts, food, lights, phoenixes, and angels with every step.

Homer: Sorry about this, but we need to stop you before you do something that's going to lead to even more trouble.

Suddenly, Homer was surrounded by a massive vortex of white and blue energy with stars, donuts, food, and lights surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Stinkbomb Gator: the red eyes of judgement.

Me: Uh oh, when we see that vortex appearing, that ultimately means you're in big trouble.

Nico: Big time.

Lincoln: You're not getting out of this one, you gassy gator.

Then, as the vortex faded, Homer emerged, but he was changed forever.

Homer grew to 9'5" in height, he now has abnormally massive and powerful upper and lower body muscles and ten-pack abs, he has on weighted gold braces on his massive biceps and thighs, he now has fifteen white and blue planets orbiting around his legs and fifteen smaller planets orbiting around his waist, he has white highlights in the bangs of his long brown hair going down to the upper part of his back with white and blue phoenix fire ombre streaks on the back of his hair and on the two strands of hair in front of his face and he has a large gold halo in the center with golden angel wings on the bottom side and four large orbiting gold rings on each corner behind his head, he has neon blue eyes and a white and blue energy aura with stars, donuts, food, lights, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a phoenix and angel emblazoned on his forehead and Third Eye with blue iris, he has on phoenix earrings with blue gems for eyes and holding the Star, Food, Light, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis in its claws, he also has a phoenix with blue gems for eyes and holding the Star, Food, Light, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis in its claws for the pendant below his blue phoenix-shaped Element of Harmony for the pendant on his bare chest and thick chest hair on his pecs with rainbow crystal links from his Crystal Necklace of The Buddha with rainbow gems embedded in the gold fire links and he has on a white and gold accented choker on his neck, and a gold version of He-Man's chest harness with blue gems on the crisscrossing gold straps and there's a kanji on the back straps that said, "Homer Simpson, Truly Loving Gold-Hearted Son and Father" and the large gold circular chest plate has a phoenix on it and red gems surrounding the chestplate. Lincoln, Homer, Mr. Krabs, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I went after Stinkbomb Gator, and we fired extremely powerful blasts of rainbow energy, white and blue energy, ocean blue energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Stinkbomb Gator and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Homer, Mr. Krabs, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Stinkbomb Gator even more madder than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Face the fury of the seas. WATER STYLE NINJA ART: NEPTUNE'S FURY BLADE STORM!

Lincoln swung his massive greatsword and fired massive jets of water that turned into water swords that hit Stinkbomb Gator and he got drenched. Then, Lincoln fired waves of red fire and ladybugs that hit Stinkbomb Gator knocking him out and he was sent to Vypra. Everyone cheered as we holstered our weapons and we powered down and Homer's new body, clothes, jewelry, eleven massive and long brown wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind his head, fifteen large white and blue planets orbiting around his legs and fifteen smaller white and blue planets orbiting around his waist, smaller planets orbiting around his fingers, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath his massive brown angel wings are permanent and Mr. Krabs' new body, clothes, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting large gold rings on each corner behind his head, fifteen large ocean blue planets orbiting around his legs and fifteen smaller ocean blue planets orbiting around his waist, smaller planets orbiting around his fingers, and massive red angel wings and medium sized red angel wings and small sized red angel wings underneath his massive brown angel wings are permanent.

Nico: That takes care of Poliwag's hypothetical Akuma form.

Lincoln: Hope Vypra and the others can deal with him.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront later today: it was Galactus, and he was coming to consume Earth. We all saw it, and we knew it meant huge trouble!

Me: Oh shit, please tell me that wasn't who I thought it was?!

Lincoln: It was. So, the imminent threat Master Yen Sid spoke about was none other than Galactus.

Nico: The Fantastic Four told us of how dangerous Galactus is, and that clone of him that you absorbed on your rescue last month, Lincoln, that may have been a sign.

Lincoln: You're right. But, we're ready for Galactus, we will never let our planet be consumed by the likes of him, this time, he will pay for everything he's done.

?: And he'll soon be nothing more than a forgotten memory.

Suddenly, we saw a girl with long red hair and purple streaks, red eyes, red short-sleeved blouse, light blue sleeveless crop top, red skirt with Tso Lan on it, The Moon Trigram on her forehead, black angel wings, purple stockings, red knee-high high-heeled boots with butterfly buckles, and in her hand is a darkness greatsword.

Lincoln: (GASPS) Lucille Ying Xiao, Ambassador of Tso Lan, Demon Sorcerer of The Moon and Master of The Darkness of The Shadow Wisp.

Me: Afraid you're a little too late, we took down my hypothetical Akuma form and sent him to Vypra.

Nico: And we left tons of scratches on him. So, Lincoln, are you going to introduce us?

But, before he could, Lucille Ying Xiao had her hands on Lincoln's pecs, and she began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to me, this is Lucille Ying Xiao, Ambassador of Tso Lan, Demon Sorcerer of The Moon and Master of The Darkness of The Shadow Wisp, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the third youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Tso Lan, Demon Sorcerer of The Moon, along with black angel wings, and she also has full fledge mastery over the powers of gravity, along with being a master of dark magic, black magic, and Satanic Magic, and she even knows Chinese Black Magic that puts even the dark magic of Daolon Wong to shame. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Darkness of The Shadow Wisp. She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of gravity and darkness, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Daolon Wong with a passion because long before we went after The Demon Sorcerers, Lucille used a Chinese Black Magic spell and made his dark magic go haywire and she'd left a bleeding scar on his back long ago.

Me: I was still amazed you left your mark on Daolon Wong before we went after him and the Demon Sorcerers.

Nico: Same here.

Lincoln: Wait, I remembered seeing a scar she left on his back, that was definitely her alright, and it's so good to see you again, Lucille.

Lucille Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Lucille Ying Xiao and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucille Ying Xiao with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and two white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on their necks.

Lucille Ying Xiao saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Nico: That was STINKY!

Me: Tell me about it!

LOUD NASTY FART!

Nico: UCH! Not again!

Me: Actually that was me this time. Pardon me.

Nico: Oh no worries.

Maria was coughing and gagging violently from the repulsive stench from Stinkbomb Gator!

Maria: (COUGHING AND GAGGING VIOLENTLY)

Nico: Nice job, Zoroark!

Zoroark: Thanks. That was fun.

Poromon: Want a beer?

Zoroark: Oh no thanks. I am allergic to it.

Me: Uh oh. Better watch out.

Poromon: Okay. Good idea.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Maria was really coughing and gagging!

Maria: (COUGHING AND GAGGING)

Horsea: Maria!

Me: Geez! The smell to her must've really been that bad!

Qin: No kidding!

Maria: (COUGHING AND GAGGING)

I blew the smell out of the area and she breathed good air and sighed in relief.

Maria: Ahh.

Horsea: Maria! Are you okay?!

Maria: Yeah! Much better.

Lola: Holy mackerel! You never coughed that bad before! That's worse than when Lori's farts make me gag!

Lori: IT WAS MY SHOE!

Ash: We actually met a Zoroark before

Zoroark: Really?

Me: Yeah we sure did. It's a strange story.

Qin: Yeah but that was a cool one.

Me: Yep. Poliwag I will say this, That had to be the STINKIEST Akuma we've ever met.

Xenia: Yeah!

Poliwag: GEEZ! No kidding!

Manaphy: At least it wasn't mutated by nuclear radiation

Me: Yeah no kidding.

Nico: Geez! Those farts smelled worse than a thousand Lori's farting all at once!

Lori: IT WAS MY SHOE!

Lori then punched at Nico and he ducked and ended up hitting a tree and it smashed it in two!

SMASH!

It fell right on top of May!

KRASMASH!

Me: OH MAN!

May: I'm hurt now!

We got the tree off her.

May: Ouch!

Lori: Sorry May!

Nico: Like J.D. I too reacted on instinct.

Me: Yeah.

Qin: Nice speed.

Camie: Yeah.

Nico: Thanks.

Me: Lori you need to control your temper. Besides we know you are in denial. You fart all the time and blame it on your shoes.

Sakura Knudson: She really has that kind of a problem doesn't she?

Me: Uch! Been that way since she was in her terrible twos.

Nico: Really?

Me: Yeah Mr. Lynn and Ms. Rita showed me a photo album of what the Loud Kids were like when they were in their terrible twos and it was wacky.

Lily: You don't want to know what Mine was like.

Horsea: Is it really that bad?

Lily: Yeah I ripped apart the entire house.

Nico: Yikes!

Qin: Uh oh.

Nico: Oh boy.

Varie: I remember that! I was there when that happened and it was brutal.

Xenia: Yikes.

Lori: I literally forgot about that in our album. But it was STILL MY SHOE!

Loud Kids: Not buying it Lori.

Me: See what I mean?

Nico: I think I get it

Me: Yeah. (Whispers to Nico) One time Lori farted so bad that she poisoned the entire house and it had to be fumigated for 3 weeks.

Nico: Holy shit!

Me: Yeah. They had to stay at their Aunt Ruths for that period.

Nico: Jeez!

Maria: Aunt Ruth is still a good person

Lynn Sr.: Yeah but that extra toe still freaks me out!

Sakura Knudson: Extra toe?

Me: She has a 6th toe on her left foot and it grosses out Mr. Lynn every time he sees it. Also her house is CRAWLING with cats.

Lana: And she has awesome moldy tapioca pudding.

Me: Lana is the only one that loved going to their Aunt Ruth.

secs agoNico: Yeah.

Sakura Knudson: That is COMPLETELY unhealthy.

Me: Tell me about it. Lisa told us about the living conditions her house is in and it is appalling.

Qin: But she is still a good person. She's just too lazy to do anything.

May: Better to be lazy then to be evil

Me: Yeah.

RD Lincoln: Like the one in our universe was.

Nico: No need to remind us.

Me: Lori how many bags of bean chips have you been eating? You know you are not supposed to have those.

Lori: Uhh. Maybe one or 4.

Eli teleported and came back with AN EMPTY CASE OF THEM!

Lori: Okay guilty as charged. I ate a WHOLE Box of them.

Me: Lori you are going to be on the toilet for a while.

Sakura Knudson: How come she can't have those?

Me: They cause constipation issues and REALLY BAD gas and make you in a REALLY rotten mode.

Sakura Knudson: Oh man. Sorry I ask.

Nico: Yeah.

Garfield: I'm lazy most of the time. But that doesn't make me evil

Me: That's true Garfield and you will always be a funny lasagna eating cat.

Garfield: Yeah.

Horsea decided to eat a lobster.

Horsea: (Eating) Mmm! Delicious!

Me: Save your appetite for the party later tonight. We're having lobsters for dinner.

Horsea: Okay.

Nico: By the way J.D. between you and me what were the rest of the Loud's like during the Terrible Twos?

Me: That is a very funny story.

Rita: We can show you guys.

They showed the album.

Rita: Lori's excessive flatulence and blaming others…

Lori farted a lot and she was blaming Fenton the Feel Better Fox.

Rita: Leni's fashion crimes…

Leni made a bad Victorian Era dress and is in time out.

Rita: Luna being too loud…

Luna is screaming at the top of her lungs.

Rita: Luan's drive-by-pie-ing…

Luan is riding her tricycle and she throws a pie into the mailmans face.

Rita: Lynn Jr. being too competitive…

Lynn is standing victoriously on top of a bunch of kids with the last cookie in her hands.

Rita: Lincoln refusing to wear pants…

Lincoln is running with no diaper on.

Rita: Lucy having trouble letting go…

Lucy is burying a Geo from a while back.

Rita: Laney painting on the walls…

Laney is splattering paint all over the walls.

Rita: Lola and Lana giving the casa Loud a new face lift…

Lana covered one half of the house with mud and Lola covered the other half of it with super sparkly glitter.

Rita: And Lisa with her experiments.

Lisa created a crazy fusion animal.

Nico: Oh you guys were so cute back then.

Laney: Yeah we sure were. But I don't remember doing all that.

Me: Usually a lot of people don't. But yeah that's what they were like back then.

Leni: We still do all that though.

Poliwag: What about Lily?

Lily: I wasn't put in there.

Poliwag: Oh.

Me: Like she said it was awful.

Nico: Oh.

Nico: I used to have a habit of leaving my pants on when I was young

Me: Really?

Nico: Not shitting you.

Me: Wow.

Poliwag: It's a long story.

Me: Okay I'll take your word for it.

Qin: Anyway lets get the fun part out of the way before Lori hurts someone else.

Nico: Yeah.

Eli: Lets see. (Concentrates) WHOA! We got Another Owlman, IceDevimon (Tamers), Browridge Sharptooth (Land Before Time VI), Light Armadillo, Cosmic Mario and Evil Omi.

Me: Wow! So Yusuke Amamiya, Rika Nonaka, Juri Han, Kujou Hikari, Maria Merlin and Lyra Lightsworn.

Eli: Yep. And the Anothers minus Owlman are 6 people.

Me: Wow!

Qin: Oh boy.

Me: Yep.

Nico: There they are!

We saw ANOTHER IceDevimon (Tamers), Browridge Sharptooth (Land Before Time VI), Light Armadillo, Cosmic Mario and Evil Omi!

Nico: Oh boy!

Qin: This will be awesome!

Another IceDevimon: (In a girls voice) It sure will.

They reverted back and we saw that they were the gene-slammers of Cerberusmon, Ordinemon, Hudiemon, ShadowSeraphimon, Ophanimon Falldown Mode, and Cherubimon (Evil)!

Nico: (GASP) Cevina Cerberus, Odalia Ordine, Shanna Shadow Seraphim, Oanez Ophanim, Dahlia Cherubim and Holly Hudie!

Me: Wow! The gene-slammers of Cerberusmon, Ordinemon, Hudiemon, ShadowSeraphimon, Ophanimon Falldown Mode, and Cherubimon (Evil)!

Odalia Ordine: That's right. Awesoe to see you again Nico.

Cevina Cerberus: Yeah you guys are looking great.

Nico: Thanks girls.

Holly Hudie: Yeah.

Me: Can you girls tell us more about yourselves?

Holly Hudie: Sure. I am from Nico's Botany class and we made all kinds of amazing flowers.

Cevina Cerberus: And the rest of us went to Nico's history and Chemistry classes. I studied in Greek Myth.

Odalia Ordine: I specialized in the Dark Ages.

Shanna Shadow Seraphim: I specialized in chemical formulas for Angelic Powers.

Oanez Ophanim: I specialized in the history of the Crusades.

Dahlia Cherubim: And I specialized in the history of the Salem Witch Trials.

Me: Wow! Those are all amazing.

Qin: Yeah.

Shannon: That is awesome. My ancestors were witches are you know Dahlia.

Dahlia Cherubim: That's right.

Me: Yep. by the way is the Another Owlman friendly or hostile?

Oanez Ophanim: Friendly and she is an amazingly powerful one.

Me: Wow!

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Nico: That was awesome!

Me: Yep.

Nico: Yeah it was!

Qin: Yep.

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER OWLMAN!

Nico: That was fast.

Me: Yeah.

Another Owlman: (In a girls voice) It sure was quick.

Nico: (GASP) That voice!

She reverted back and it was the Gene-slammer of Lucemon!

Nico: (GASP) Lucia Lucifer!

Lucia Lucifer: Awesome to see you again Nico.

Me: (GASP) Lucemon's Gene-slammer!? Whoa! I did not expect this!

Zoe Orimoto: Me neither! Especially after all the crap Lucemon put us through in the Digital World.

Lucia Lucifer: I heard all about that. That was horrible and J.D. you did great destroying him.

Me: That was a huge mission for me back then and it was awesome.

Nico: Yeah.

Owlman: And if I were to guess you have the powers of darkness and light right?

Lucia Lucifer: That's right. I have the powers of Lucifer the Devil himself but also use the powers of darkness like you do Owlman.

Owlman: I wasn't born with powers but that is amazing.

Lucia Lucifer: Indeed.

Me: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Lucia Lucifer: No he didn't. Because I showed him his future and that future was his death.

Me: At our hands right?

Lucia Lucifer: That's right. I showed him how you all tortured and killed him like you did back in 2022 and scared him back.

Me: Ooh I like the way you think. Scaring the shit out of someone by showing them how they will die. I like it.

Nico: Nice.

Lucia Lucifer: Yeah and because of that I ran away from there.

Me: Clever.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Me: And your prediction was 100% Spot on and it came true. Nico and May butchered him alive and ripped him apart before we banished him to the Black Gates.

Lucia Lucifer: Nice.

Me: Yep.

Lincoln: Lets separate you first.

We did so and got the battle underway.

Nico: (Gets out Owlman's Ridewatch) Time for Owl Power!

May: (Gets out Browridge Sharptooth's Ridewatch)

Maria: (Gets out Cosmic Mario's Ridewatch) Starry Starry Night!

Rika: (Gets out IceDevimon's Ridewatch) Feel the cold touch!

They used the powers of Owlman, IceDevimon (Tamers), Browridge Sharptooth (Land Before Time VI), Light Armadillo, Cosmic Mario and Evil Omi and blasted the another!

Then Pintar, Yokubarido, Evil Earth Minions, Tristesse (Animaniacs), Francis X. Bushlad, and Castaways (Looney Tunes) came.

Me: Whoa!

Krillin: Nice team Pintar!

Pintar: Thanks Krillin.

Nico: I was gonna say that!

Me: Master Krillin fought Pintar before Nico. Remember?

Nico: Oh right that's true.

Me: Also Francis? Top this.

I fired an arrow and it skewered him in his butt!

POINK!

Francis Bushlad: EEEEYOUCH!

Poromon: YEOWCH!

Nico: Nice shot!

Qin: Yeah!

Xenia: That was a good shot.

Me: It's what he gets for going after Taz.

Taz: Thanks J.D. Taz grateful.

Me: No problem Taz.

?: That was awesome!

We saw Zudomon!

Me: WHOA! Zudomon!

Zudomon: (In a girls voice) This will be good.

Nico: Zika Zudo! Wow!

She reverted back and was a girl with black hair, blue eyes, grey clothes, grey angel wings and had the Crest of Reliability in the middle of her forehead and had Zudomon on her skirt and shirt and had a deadly warhammer!

Zika Zudo: Awesome to see you Nico. I got this. (ECHOING) VULCAN'S HAMMER!

She smashed the hammer on the ground and lightning shot at the another and made him dizzy.

Zika Zudo: Now watch this.

She jumped and grabbed the Another in a hold.

Zika Zudo: I call this move the Texas Tornado Piledriver!

She spun around fast and smashed the Another into the ground with devastating force and smashed its back and the ridewatch went flying and I caught it and purified it.

Me: YEAH!

Nico: WOW! What a move!

Zika Zudo: Thanks. Learned that one from watching my hero A.J. Lee.

Me: Wait you're a fan of Wrestling Diva Star, A.J. Lee!? That is cool!

Camie: Wow that is awesome!

Zika Zudo: Yeah she is my inspiration that helped me get into wrestling.

Qin: I remember seeing you thrash the strongest opponents we had in the Elementary School Wrestling team. You really mangled them up.

Zika Zudo: Yeah good times.

Me: Wow! Boy you have to be one of the strongest wrestlers that Nico knows.

Zika Zudo: I know.

Ben: That would put Rath to shame!

Zika Zudo: I'm sure I would.

Rika Nonaka: Do you have a favorite memory of Nico?

Zika Zudo: I sure do. When me and Nico went into the WWE ring and I challenged my hero A.J. Lee and that was truly an honor and we both were evenly matched. I bet her by using the Texas Tornado Bellyflop on her.

Me: WHOA! That is powerful!

Nico: That sure was. A.J. Said she never met anyone that talented in Wrestling and she was honored.

Zika Zudo: It was an awesome honor to fight her back then.

Me: You sure are strong to take her on. Well done.

Zika Zudo: Thanks. One of these days I would like to Challenge Rath.

Ben: I think that can be arranged.

Nico: Yep.

Nico and Zika hugged.

Nico: I've missed you.

Zika Zudo: Same here.

We later went back home.

Suddenly, Lincoln went at The Countess and bearhugged her and he bit her on the neck and sucked out all her blood and absorbed her into his body through his skin and he gained all of her vampire powers. When Lincoln was done, he sent The Countess' spirit to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, Countess, now begone from this world forever. (To Nadine Lansehuoyan) And it's so good to see you again, Nadine.

Nadine Lansehuoyan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Nadine Lansehuoyan perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Nadine Lansehuoyan were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Nadine Lansehuoyan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Nadine Lansehuoyan and hugged her, and Nadine Lansehuoyan is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Nadine Lansehuoyan: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Nadine Lansehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Wolf, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Wolf, along with having angel wings along with having intense blue fire powers. The wolf with her is Cheyenne and she is her friend. She found her abandoned as a puppy and raised her. She's known as The Fiercest Warrior of The Sisterhood of The Fists of Fire, because she's the most fierce of The Sisterhood, and if anyone angers her, she will brutally harm them like a savage wolf. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Nadine hates Chandler with a blazing passion, because of what that murderous sewage slop has done in bullying Lincoln and tried to kill him in the past, and in one incident, she and Lincoln beat that sewage slop up so bad and sent him to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Whoa! And who's the wolf with her?

Lincoln: That's her companion, Brutus, a male timber wolf, and he's been her companion for years, and he's really gentle, but get him mad, and you're going to get mauled.

Me: I still remembered that day, and Killjoy Huggins just didn't know when to quit.

Nico: He was just borderline insane and psychotic.

Lincoln: This was the fault of Chase Young's Dark Side, he was a miserable monster, and now that you're here, Maria.

Lincoln leaned his head down the right side of Nadine Lansehuoyan's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit her.

Nadine Lansehuoyan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nadine Lansehuoyan with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Nadine Lansehuoyan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nadine Lansehuoyan.

Nadine Lansehuoyan had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Nadine Lansehuoyan's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Nadine Lansehuoyan had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Inori Kutsuzuki, Kanae Kutsuzuki, and Mariya Kutsuzuki from H de Hajimeru Strategy! and Takamine, Fuyuko Niino, Watanabe, Meimei, Ari, and Kyun from Oshi no Ko.

Lincoln: Oh wow, it's Inori Kutsuzuki, Kanae Kutsuzuki, and Mariya Kutsuzuki from H de Hajimeru Strategy! and Takamine, Fuyuko Niino, Watanabe, Meimei, Ari, and Kyun from Oshi no Ko.

Nicole: Nadine did awesome getting them away from that sadistic vampire.

Lincoln: She sure did. Are you girls okay?

Inori Kutsuzuki: Yes, we're okay, thanks to you.

Then, when Inori Kutsuzuki and the other eight girls saw who it was that saved them from The Countess, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, Inori Kutsuzuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Inori Kutsuzuki: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Inori Kutsuzuki, Kanae Kutsuzuki, Mariya Kutsuzuki, Takamine, Fuyuko Niino, Watanabe, Meimei, Ari, and Kyun with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was The Countess, a vampire and villain in the Diablo video game series.

But, when Lincoln showed what we did in beating her down and Lincoln draining her of blood and absorbing her and assimilating all of her vampire powers and abilities and sending her to The Black Gates forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Nadine Lansehuoyan have a lot of catching up to do, now that she's back in town.

Maria: Hah, serves that vampiress right.

Lincoln: She deserved it.

Nico: When will those evil vampires learn? Never trespass in our world without letting us know.

Me: Otherwise, you'll face our fury.

---

After Lincoln and all of us beat down The Countess and Lincoln drained her of blood and absorbed her and sent her to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Nadine Lansehuoyan saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Nadine Lansehuoyan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Nadine, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Nadine Lansehuoyan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Nadine Lansehuoyan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: We're already making preparations for when we finally face off against Galactus, and he won't be easy to take down.

Me: He gave The Fantastic Four a lot of trouble, so we can't underestimate him.

Lincoln: But, we've faced off against many of the most powerful and dangerous of villains and entities, and we're not going to let

Galactus run free any longer, this is where he meets his eternal judgement: for the billions of lives that were lost when he consumed their worlds eons ago.

Me: You're right, Lincoln. The crimes Galactus committed by consuming worlds and ending the lives of billions of lives for eons can't be forgiven, he must answer for them at once!

Nico: Without a doubt, he will pay!

We got a shower, and then, Lincoln, Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, but they also got to keep their heads up, they got word that more muscle-bound thugs are coming.

Garoben: Whoa, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Garoben, and it's perfect for our first date, shall we?

Lincoln, Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a softball game, and Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

But then, they saw the hulking muscle-bound thugs coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscled thugs, and then, the vacuum tubes began sucking the massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more as veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you thugs!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki and they hugged the girls in their abnormally massive and powerful muscular arms and Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki are in your harem, Linky.

Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki showed the marks Lincoln made on the right sides of their necks.

Jenna: And those musclebound thugs had some nerve trying to kill them.

Serena Logan: They're just trying to make things worse.

Rarity: And trying to kill Garoben, Kyurene, Papillon, Thetis, and Simulator Miku Yuuki, they're going to get a nasty case of karma.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs that came out to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in the Flip clone's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, the Flip clone's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The Flip clone farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: Even though Flip's gone, I can still do that to his clone.

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: And you're right, you can still do that to his clone, but don't forget to do that to the other jerks.

Nico: Connor's right, we still got the clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, Brad Uppercrust III, along with Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, and Mindy who didn't get cursed to get that treatment.

* * *

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Luncheon Kingdom for Round 3.

Me: Awesome!

John Bolton: Me and Thetis will go.

Thetis: Awesome!

Nico: Lets go then.

They went in and it activated and they were in Luncheon Kingdom for Round 3.

Nico: Here we are.

Thetis: Wow this is amazing.

John Bolton: I'll say.

Nicole: I have a surprise villain for this round.

Nico: Which is?

Nicole: He's over in the big pot where you faced Cookatiel.

Thetis: Can't wait.

Nico: Okay then. Lets go.

They were off.

Nico: I have a feeling this will be fun.

They arrived and saw a figure and it was Uncle Grandpa?

Nico: Uncle Grandpa?

He turned around and they saw THAT HE HAD AN ANGRY SCOWL ON HIS FACE AND HE WAS REALLY UPSET!

Bad Morning Uncle Grandpa: (GROWLS) BAD MORNING!

Nico: WHOA WHAT THE!?

Me: JEEZ! Uncle Grandpa REALLY looks upset!

Uncle Grandpa: Whoa no kidding!

Nicole: Believe it or not guys this is what Uncle Grandpa looks like when he wakes up on the Wrong Side of the Bed. HE'S IN A REALLY ROTTEN MOOD!

Me: Wait Uncle Grandpa!? You're here too!?

Uncle Grandpa: Actually the Masters of Evil have that version of me in there.

Me: Oh wow!

Nico: Geez!

Me: Geez and I thought my mother is known for getting that way. She gets REALLY crabby first thing in the morning. Also whenever my mother has a bad day at work she gets crabby like this too. Enough to want to smash someones skull in.

Laney: Yikes!

Bad Morning Uncle Grandpa: BAD MORNING!

He threw an anvil and it hit Nico in his head!

CLANG!

Nico: OUCH!

Thetis: Is that all you have to say?

Bad Morning Uncle Grandpa: I HATE ALL OF YOU!

Their auras flared up REALLY INTENSELY!

Nico: OUCH! Man his rotten attitude really fuels our fire though.

Thetis: No kidding.

He threw a bunch of swords and Nico caught them all.

Nico: WHOA!

Me: Geez! Uncle Grandpa when you get in a rotten mood like this you REALLY GET pissed!

Uncle Grandpa: Yeah no kidding!

Mr. Gus: And we know who to blame for that.

I saw Pizza Steve tip-toeing away and I grabbed him.

Me: Okay Pizza Steve did you do something that makes him this cranky!?

Mr. Gus: He forced Uncle Grandpa to wake up on the opposite side after moving his bed.

Me: Whoa man.

Pizza Steve: It was for fun!

Me: What fun is in this!

Mr. Gus: He was actually getting some ice cream for breakfast.

Me: Ice Cream for breakfast. I didn't know that was possible.

Uncle Grandpa: Yeah we always have ice cream and pancakes for breakfast.

Nicole: Cool.

GRFT: (ROARS)

Nico: Now calm down.

Bad Morning Uncle Grandpa: Not before I smash your skull in!

Nico: I said calm down!

POW!

He punched Bad Morning Uncle Grandpa in his face.

Nico: I hate having to do that but it's for your own good.

HE WAS REALLY PISSED NOW!

Nico: UH OH!

?: PURPLE PLAGUE!

A wave of red syrup hit Bad Morning Uncle Grandpa and froze his feet to the soup!

Nico: Whoa!

Daipenmon and a girl with yellow hair, yellow eyes, yellow butterfly wings and yellow clothes and a tiara with Shining Firefly appeared.

Hikari Firefly: Hikari Firefly, Embodiment of Shining Firefly.

Yae: Wow! Hikari you're looking great!

Randy Cunningham: You sure are.

Hikari Firefly: Awesome to hear your voices again Yae and Randy.

Daipenmon: (In a girls voice) Looks like this will be fun.

Nico: Diana Daipen? Wow!

Qin: Popsicle Queen Diana. Awesome!

Daipenmon: Yep.

Nico: Lets cool this guy down.

Hikari Firefly: With pleasure.

Nico: (gets out Owlman and Fire Kong's Ridewatches) Time for this owl to catch on fire!

Nico activated them and fired waves of fire and darkness and blasted him.

Thetis and John fired waves of lightning and water and blasted him.

Hikari fired waves of light and blasted him.

Diana reverted back and was a girl with blue hair and blue eyes, blue clothes and had Blue wings and had Daipenmon on her forehead and skirt and had the Ice Spirit Kanji on her arm and had a Popsicle Club.

Diana Daipen: Time for you to get Brain Freeze!

She then hit Bad Morning Uncle Grandpa with it and froze him in a block of extremely cold ice!

Nico: He sure got cold feet!

They got 30 moons from that.

Nico: Yeah!

They all high five.

Noco: How did you meet Yae and Randy?

Hikari Firefly: I met Yae when she was on a mission to bring down some of the Yakuza and we blasted and slashed them and killed them all.

Nico: Cool! They had it coming.

Hikari Firefly: Yeah. And I met Randy when he was battling one of the monsters from The Sorcerer. It was a jerk of a bully he knew and we blasted him back to normal and got him sent to prison.

Nico: Awesome!

John Bolton: Boy no kidding. Diana what's your favorite memory of Nico?

Diana Daipen: My favorite is when we saw this queen bee jerk picking on bullies and me and Nico made my worst ever flavor of popsicles for her: Rotten Eel Squid Flavor.

Me: YUCK! That would taste like puke!

Diana Daipen: Oh believe me it tastes worse than it sounds. Or was that the other way around? She hurled her guts out all over the cafeteria and got expelled for it.

Nico: Yep. That was funny.

Thetis: Yeah.

Nico and Diana hugged.

Nico: I've missed you.

Diana Daipen: Same here.

Nico: Would you two like to join us?

Hikari Firefly: We would be honored.

They left the simulator and we cheered for them.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Naoko Yamaguchi: So, Poromon's preparing a speech?

Me: Yep. He has a special speech planned for preschool for the end of the year.

Qin: Awesome.

Vin Xi Lang: Might as well see what he has in mind

Me: Yeah.

We went to go see.

Then I heard Johnny Bravo scream!

Me: Uh oh! You guys go on ahead. I'm gonna check and see what has Johnny Bravo upset.

Nico: Okay.

I ran to his room!

Me: Johnny what's wrong!?

I saw HIS HAIR A TOTAL MESS!

Me: Johnny what happened? Your hair is a total mess.

Johnny Bravo: Big strike! No hair gel. The horror. The horror.

Me: Oh the Hair Gel Factory strike. Not good. What kind of hair gel do you use?

Johnny Bravo: Mr. Kevin's Triple Strength Hair Cement.

Me: Well you're in luck Johnny. Come with me.

I had him follow me.

I showed Johnny to my room and then to a vault and opened it and in it was thousands of bottles of Mr. Kevin's Triple Strength Hair Cement.

Me: This oughta be enough for you.

Johnny Bravo: You have all this!?

Me: I accidentally bought over 500 million bottles when I was only supposed to have just 5. Help yourself Johnny.

Johnny Bravo: J.D. you are a lifesaver!

He grabbed as many as he could and went back to his room.

Me: Now for Poromon's speech.

ZOOM!

I came back.

Me: Sorry about that.

Poromon: Thank you all for coming.

Me: Anytime Poromon.

Poromon: We have come to the end of the year. To all my class, thank you for sticking by me

Class: You're welcome Poromon.

Poromon: To Poliwag, thank you for being a brother to me long before we met J.D. and the others.

Poliwag: You're welcome Poromon.

Me: Aww.

Poromon: To Horsea, thank you for being a sister to me

Horsea: You're welcome Poromon!

Maria: Aww.

Poromon: To Manaphy, thank you for being my girlfriend.

Manaphy: You're welcome Poromon!

May: So adorable!

Qin: Aww.

Poromon: And let's all look forward to a happy 2024!

Cutthroat: Well said!

Me: Yeah!

Qin: Woohoo!

Xenia: That is for sure.

Tracks: That was honestly a good speech

Camie: It sure was!

Qin: I'll say!

Poromon: Thank you! And also Lincoln helped me make it.

Lincoln: I have been known to make great speeches over the years.

Me: Yep and his speeches are really good too.

Dark Spicer ran into the room in a panic.

Dark Spicer: Guys, we got a situation!

Lincoln: What is it?

Dark Spicer: Seriously, Lincoln? You're asking that after all the premonitions you've made?!

Me: Now calm down. Lets see.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Galactus, and he's on his way to attack Earth and consume it. When we saw it, we knew it meant trouble.

Lincoln gasped and he sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than Galactus, and he's on his way to attack Earth and consume it.

WE GASPED AT WHAT LINCOLN SAID!

Me: GALACTUS IS COMING!?

Nico: Just like what we saw during my rescue, alright, team, the time has arrived. Now, we will finally make Galactus pay for everything that he's done and more.

Me: Right. This is the battle that'll decide the fate of the Earth, we'll give it everything we've got to end him for good!

Eli: He will pay!

Nico: You said it. Alright, team, let's go, the fate of the Earth hangs in the balance, we'll make sure Galactus never runs free again, this is where he dies here and now!

Lincoln: Galactus has ruined far too many lives and destroyed far too many planets, he will finally pay the price for all the lives lost over the eons.

Qin: Yeah!

Camie: Who is Galactus?

Me: He is Marvel's version of Unicron and he is the destroyer of many worlds.

I went over his history.

---

Galan, also known as Galactus and the Devourer of Worlds, is one of the main antagonists of Marvel Universe.

He is an immortal cosmic being who eats and devours planets and feeds off their energy in order to survive. He is the archenemy of the Silver Surfer and a recurring foe for the Fantastic Four, the Guardians of the Galaxy, the Annihilators, the X-Men, Thor and the Avengers.

Although he is not exactly malevolent, he is nevertheless a dangerous individual who requires nothing short of entire worlds to hold off his eternal hunger and is also linked in such a way to the Marvel universe, that if he dies, the entire Marvel universe will end. This makes Galactus somewhat unique to the fact he is both an immensely destructive force yet also necessary for the existence of the universe.

As of the Reckoning War, Galactus officially died and has since been resurrected in the body of the Destroyer as the Destruction.

Born before the current Marvel universe came to be the young Galactus escaped death when his universe came to an end via merging with the Cosmic-Egg, resulting in him being reborn into the new infant universe as the mighty Galactus, devourer of worlds. As time went by Galactus would create numerous Heralds to seek out suitable worlds for him to devour, the most famous of his many Heralds was the Silver Surfer, who would rebel against Galactus in defense of the Earth and be replaced by Nova.

Galactus seems to prefer planets that are inhabited, or at the very least suitable for life, this trait only serves to make him more villainous as his endless hunger has cost the lives of millions, otherwise billions, as well as rendering even more homeless and scattered across the universe (as was the case when he famously devoured the Skrull home-world, causing the once powerful Skrull Empire to disperse into the stars).

Too powerful to be defeated by anyone who is heroic, Galactus is often portrayed as a force rather than a being like a destructive god who thinks nothing of pitiful pleas for mercy or compassion yet also seems to be driven by a deeper understanding of the universe than mortals - as he once stated he is ultimately destined to give much more than he has taken from the universe.

It has also been revealed that Galactus is the only thing stopping the spirit of destruction known as Abraxas from being released into the universe - so in many ways, the Marvel universe is lucky to have Galactus around.

Of course none of this means much to those caught in the path of a hungry Galactus and for many the towering figure of Galactus is the final image they will ever see as their world is consumed by an unimaginable force of power - perhaps this is what truly makes Galactus so terrifying.. he is not evil, he can not be bribed nor reasoned with.. he simply is.

Recently Galactus has spawned a daughter named Galacta who is a devourer much like her father but seeks ways to stop her eternal hunger - in contrast to Galactus, who is content with his activities.

Galactus is the sole survivor of the universe that existed prior to the current universe. Originally Galactus was a humanoid named Galan, who was born on the planet Taa, a planet with a very advanced civilization.

But alas, the universe was beginning to fall apart. Like every other Marvel universe, it was a Cosmic Egg, a large group of messy, combined matter. Said mass had a "Big Bang", which split the matter into stars and planets. However, it began to shrink or "crunch" back into one area, shaping into a brand new Cosmic Egg.

The people of Taa were one of the few civilizations left, as the "Big

Crunch" spread deadly radiation across the universe. Galan was sent on a journey to find a way to save his planet, but he could find no solution. Soon, the radiation killed most of Taa, so Galan, knowing the unavoidable disaster, gave the idea of putting the remaining people into a spaceship and ramming it right into the Cosmic Egg, killing them all in a spectacular fashion. His idea worked, as they set out into the center of the Big Crunch, where everyone but Galan perished, as Galan was given new energy.

At the moment Galan's universe met its end, the Phoenix Force amassed the positive emotions of all living beings in the cosmos to preserve them from eternal damnation, enabling the Sentience of the Universe - the previous universe's equivalent to Eternity - to meet with Galan. Within the "Cosmic Egg" the Sentience of the Universe revealed itself to Galan and informed him that though they both would die in the final moments of the universe, they would both survive through a joint heir born into the next universe. The Sentience of the Universe merged itself with the mortal Galan and thus Galactus, the devourer of worlds, was conceived.

Eventually, the "Cosmic Egg" underwent another "Big Bang", thus creating the current universe. Eternity and Death, the ethereal embodiments of the new universe, were created in this "Big Bang", and the newborn Galactus was simultaneously hurled outward in his recreated starship.

The nascent Galactus is drifted in his starship for eons as life began to come into existence in the universe, including the races that would give rise to the Elders of the Universe. Eventually, the nascent Galactus's starship was sighted by Ecce of the Watchers, an ancient species who possess vast psionic and energy manipulation powers who had undertaken to observe the events of the universe. Ecce drew the starship down to his planet to study it. There he learned that the being within it had power beyond comprehension and would eventually be forced to consume entire worlds to satiate his hunger for life-sustaining energy. Realizing the danger the nascent Galactus posed to the cosmos, this Watcher considered destroying the entity - who was still vulnerable due to his metamorphic state - but instead decided to abide by the Watchers' oath of non-interference and let the nascent Galactus depart in his starship. Although over time the Watcher race has come to understand that Galactus is an intrinsic and necessary component to the natural order of the cosmos, Ecce has expressed guilt over his decision those billions of years ago and feels partially responsible for the destruction Galactus has caused since.

The nascent Galactus employed his vast power and created a suit of armor to help him regulate his raging internal energies. He then transformed the starship of Galan into a kind of incubation chamber, where Galactus spent thousands upon thousands of years evolving into his current form. Finally, the incubation ship drifted into orbit around the inhabited planet Archeopia. The Archeopians themselves did not disturb the strange ship, but years later a marauding space fleet, nearing Archeopia and thinking Galactus's ship to be a weapon, attacked it. Galactus, with his metamorphosis complete, emerged and with a gesture destroyed the invading fleet. Galactus realizes his uncontrollable hunger for energy, so he turned his attention upon the energy-rich Archeopia below. Galactus immediately consumed the life energies of the Archeopia, only a small fleet of Archeopian ships managed to escape the planet in time. (The Archeopian race would later be fully exterminated by the living planet Ego).

Over the following millennia, Galactus constructed for himself an immense home, the world-ship he calls Taa II, which engulfs the Archeopian solar system as a tribute to both his homeworld and to Archeopia, the first planet he ever consumed. For several billion years Galactus consumed only planets uninhabited by sentient lifeforms, Archeopia being the only exception, and centuries passed between his "feedings".

However, as ages passed, the intervals between feedings decreased considerably in length, and Galactus found himself needing to consume worlds inhabited by sentient races if he could find no other worlds possessing the energy he needs in time to sustain himself. Galactus has succeeded in suppressing his sympathy for intelligent beings who are similar in nature to the entity from which he was birthed, and, realizing himself to be a higher kind of being than they are due to his intrinsic role in the natural order, is willing to destroy their lives to continue his own. Moreover, he is aware that he is meant to one day give back to the universe infinitely more than he has ever taken from it.

At one point Galactus threatened to destroy the planet Zenn-La, home of a civilized, humanoid race. One of that world's inhabitants, Norrin Radd, persuaded Galactus to spare the planet by volunteering to become his "herald" and search out uninhabited worlds for him to consume. Galactus agreed and transformed Norrin Radd into the Silver Surfer.

However, Galactus eventually grew determined to consume the energy-rich planet Earth. The Surfer rebelled as a result, and Reed Richards of the Fantastic Four thwarted Galactus by threatening to use an alien device called the Ultimate Nullifier on him, a weapon that could lay waste to the universe and kill even Galactus. Galactus was forced to vow to spare Earth in exchange for the Nullifier's return, and he punished the Surfer for his betrayal by erecting an undetectable energy barrier that prevented the Surfer from leaving Earth.

Eventually freeing himself from his pledge to Richards by defeating the nearly omnipotent Sphinx (who was further empowered by the secrets of the universe downloaded from the Living Computer of Xandar), Galactus returned several times to Earth to consume it, but was never successful. Meanwhile, he consumed numerous inhabited worlds throughout the known universe to sate his hunger and was feared as a menace to all known starfaring races. Galactus also took on a succession of new heralds.

During his last attempt to devour Earth, Galactus had gone so long without "feeding" that his energies were the lowest they had ever been and he was near death; thus a large number of Earth's superhuman defenders actually succeeded in defeating him in battle. Galactus lay dying, succumbing to his own hunger, but Reed Richards saved his life with the help of Thor's mystic hammer Mjolnir. Galactus gratefully pledged his friendship to Richards and sincerely gave his word never to attack Earth again. Galactus has steadfastly abides by this oath ever since. During this visit to Earth Galactus recruited his latest herald, Nova.

Galactus continues to prey upon other worlds, and recently he destroyed the Skrull throneworld, thereby plunging the Skrull Empire into chaos. There is an account of a far distant alternate future, in which man no longer exists on Earth, and Galactus, therefore no longer feeling bound by his oath, consumes it at last.

At some point afterward, Galactus was targeted by the alien organization called the Elders of the Universe, who believed his death would trigger a new Big Bang and recreate reality. In this new reality, the Elders believed they would become a race a Galacti, each with infinite cosmic power with which to endlessly pursue their special interests. His former herald, Silver Surfer, the Fantastic Four, Franklin Richards, and his herald Nova managed to upset the Elders' plans.

When Nova finally rebelled as his herald, Galactus created another in the alien Morg, who ultimately murdered Nova on his own volition. Morg in turn was defeated by the collection of his heralds, leaving Galactus alone again.

More recently, Galactus' appetite became such that he would only devour the life forces of sentient beings and leave the planets on which they lived intact. He began to consume more and more frequently, because unlike the life essences of the planets he normally feeds on the life forces of mortal beings offer him no sustenance; thus his addiction left him perpetually starving, weakened and demented. He created a new herald, Red Shift, to help him succeed in devouring all of the sentient life forces he came upon. He approached Earth once more, and had to be driven off by a large contingent of Earth's superheroes, and Red Shift was defeated by the Silver Surfer. Finally, the Silver Surfer agreed once more to become Galactus' herald and to search for planets with sentient life to consume.

Almost immediately, the Silver Surfer led Galactus to the homeworld of the Shi'ar Empire, perhaps the most technologically advanced in the known universe, in hopes they would have the forces to repulse the weakened planet devourer. The Shi'ar quickly joined with other races and several of Earth's superheroes to battle Galactus. During the conflict, the Silver Surfer managed to turn Galactus' own energy-siphoning machines on Galactus himself, fatally weakening him. Galactus died, warning that the madness which had consumed him was a precursor to another greater horror. As he passed away, Galactus was converted to energy by his own planet-destroying machines, revealing his true form, that of a sentient star. As Reed Richards noted, his energy would radiate forever outward, so he could never again reform.

Galactus' "death" allowed the being known as Abraxas, the metaphysical embodiment of destruction and the antithesis of Eternity, to emerge from his imprisonment. He soon began to cut a swath of terror through various alternate realities, including the murder of parallel versions of Galactus. He used the decapitated head of one alternate reality Galactus to target and home in on the prime reality Earth and to plant a mole in his version of the Herald known as Nova. On Earth, Abraxas attacked Uatu the Watcher, left him comatose, and stole half of his signature medallion. Abraxas taunted the Fantastic Four with the inevitability of his coming, enticing the team to search for the Ultimate Nullifer, the clues to the location of which were scattered among alternate realities. Ultimately, the Four found the Nullifer when Abraxas suddenly appeared and stole it from them.

Abraxas called forth an army of Novas to attack Earth, and the Fantastic Four held no hope of defeating him. Instead, Franklin Richards, the son of the Four members Mister Fantastic and the Invisible Woman, combined his Celestial-level cosmic powers with those of his sister Valeria and returned Galactus to his natural state and thus restored balance to Eternity, at the cost of forever burning out his powers. Galactus easily wrenched the Nullifer from Abraxas, but due to interference from the army of Novas the Nullifier fell to Reed Richards, who used the weapon to destroy the multiverse. The result served to re-create the multiverse in which Abraxas had never escaped, and since all that was had ended, all that is was realigned, it allowed Mister Fantastic to survive along with all those who died in Abraxas' reign of terror.

During Annihilus' ambition of "conquering" the universe, Galactus was vengefully attacked by the freed surviving Proemial Gods, "Tenebrous, of The Darkness Between" and "Aegis, Lady of All Sorrows", leaving him badly weaken and was, along with the Silver Surfer, captured by Thanos, who was responsible for bargaining the gods into fighting the World Devourer. Galactus and the Surfer were brought to Annhilus and were experimented upon as weapons in Annhilus' war. Galactus was used as a sort of cosmic weapon, capable of destroying whole planets, and his the Surfer's cosmic power were fueled as potential weapons for the Annihilation Wave. Eventually Annhilus' overall plan was to used Galactus as a 'bomb' capable of destroying every life-form in the universe and thus fulfilling his desire of being the only being in the known universe.

However, Annhilus' plan was foiled by the efforts of Moondragon, Drax and the Silver Surfer as they successfully freed Galactus. After teleporting Moondragon and Drax to safety and in his rage, Galactus proceeds to unleash a massive, omnidirectional blast that later becomes known as the "Galactus event." Silver Surfer is sent ahead of the blast by Galactus to herald the imminent destruction, as the unleashed "Galactus obliteration perimeter" wipes out the majority of the Annihilation Wave, more than three star systems and even vaporizes a Watcher. Galactus' action ultimately stop the war and forcing the remaining warring parties to form a truce.

Following the end of the Annihilation war, Galactus became more hungrier than before and have requested his Heralds to find planetary substance to his hunger. It is revealed at some point in the early years of the creation of the universe that Galactus became involved in a civil war between the Proemial Gods. He slayed Diableri the leader of the opposing faction of gods who attempted to gain total control of the universe, and imprisons the remaining surviving gods in the Klyn. Angered and concerned of the freed Proemial Gods Aegis and Tenebrous, Galactus ordered the Silver Surfer in finding and defeating the gods once and for all. After the Surfer kills the gods by luring them into the Crunch, the all-destroying border of the universe, Galactus saved a heavily beaten and exhausted Surfer in which both of them honor their gratitude to each other, and the Surfer once again become a Herald to Galactus.

More recently the Surfer lead Galactus to the planet Sakaar where he destroyed the planet after easily defeating both Skaar and and the Surfer who was being controlled by Skaar. He became addicted to the Old Power after devouring the planet and set out to find all the planets that possesses the Old Power within in them.

Galactus discovered Nu World and its power source. He went to Earth and took Reed Richards to Nu world to fix their power source but in the end Galactus chose to destroy the world rather then eat it for daring to use him as a power source.

Galactus was in search for "Galactus Seed", a cosmic heart that will give birth to the next universe to come. Created by Eternity before the recording of time and discovered by Bor First King of the Asgardians. The seed birthing the World Tree over which the nine realms hang. Surfer arrived on behalf of Galactus for the seed, as quoted by the Silver Surfer, the seed may be able to satisfy Galactus and stop his hunger. Odin refused to hand the seed over to Galactus, believing that Galactus was in search for godhood and wants to live forever. This made Galactus attack Asgard in search for the seed. Galactus was not able to get the seed as Odin was in his way stopping him from getting it.

Galactus and Odin fought by using their telekinetic and telepathic powers because if they had fought physically the power they both possessed would have been able to destroy the Universe. Odin was able to render Galactus unconscious by head-butting him before falling into the Odinsleep. After regaining consciousness Galactus proceeded to attack Asgard in search for the seed despite the fact the Silver Surfer was trying to stop Galactus from proceeding as it declared war on Asgard and Surfer telling him that "They are Gods. They are power and fury and an act of war against a race of Gods is beyond even you…" nonetheless, Galactus proceeded until Odin summoned The Destroyer, which was powered by the seed's energy, and at the same time Loki successfully hid the seed, when Surfer detected the seed was gone he informed Galactus. Knowing that his main objective was not under Asgardian possession any more, Galactus retreated, thus canceling the invasion, and later learned that the seed was lost somewhere within Odin's World Tree, and that searching for it would be like searching for a needle in a pile of space-time.

After the event Surfer proposes a truce between Galactus and Asgardians, one of the conditions is if the Surfer senses the seed disturbed then the war between Galactus and Asgardians continues anew. Needing to stay on Earth to observe the Asgardians and ensure they never retrieved the Seed, the Surfer approached a preacher in Broxton, Oklahoma, Mike, about taking up his role as Herald, having observed Mike's courage in standing up to Galactus for the good of his people. Mike reluctantly accepted the task, becoming Praeter, the latest Herald of

Galactus vowed to Reed Richards that he would protect the Earth until the Galactus Seed could be retrieved from Yggdrasill. He gave Richards the means to summon him in the near future, when he foresaw Earth in peril Galactus and the adult Franklin Richards from the future stood toe-to-toe against the Mad Celestials. After they were defeated, Galactus and Franklin bonded over the fact that Galan would no longer face the end of the universe alone-Mister Franklin would survive to the end and witness it with him.

Months after his return, Ultron launched a massive attack on Earth, annihilating humankind and conquering the planet. Wolverine was one of the remaining survivors, and used Doctor Doom's Time Machine to travel back in time numerous times until he could prevent Ultron's rise of power and thus the annihilation of humankind, and the evil A.I. was destroyed once and for all, at the cost of the space-time continuum being broken, causing a "multiversal chaos", where numerous beings from other realities were transported to other universes through the tears of reality. Galactus was one of the beings dragged to another universe, in this case Earth-1610.

Galactus' arrival to this Earth happened just in the moment and location in which his counterpart, the entity Gah Lak Tus found itself in the middle of the Chitauri-Kree War. Galactus was approached by Gah Lak Tus, who unexpectedly took the action of merging with its counterpart, creating an even more powerful Galactus with need to feed, who sent part of Gah Lak Tus as his new herald to seek and consume.

When Galactus attacked Hala, the Kree capital, the planet was defended by that world's Silver Surfer, Nova and Captain Mahr Vehl. During the battle, Mahr Vehl died of the injuries caused by the Gah Lak Tus swarm. Nova wore Mahr Vehl's armor and became Captain Marvel, using his newly vast power, and a weapon on Mahr Vehl's armor designed to kill Gah Lak Tus to unleash a powerful attack on

Galactus. Thought dead by the heroes, Galactus was only heavily weakened by the attack, and started heading Earth looking to consume its power.

On his way, he was met by Vision as she attempted to return Galactus to his own universe. She failed in doing so and was destroyed. Upon arrival to Earth, Galactus immediately began his path of destruction and preparations to consume the planet. The Ultimates arrived to stop Galactus, but even their most devastating attacks proved to be only a nuisance to the world devourer.

Galactus was ultimately defeated when the Elemental Converter was destroyed by a giant Kitty Pryde, and Thor pushed the cosmic entity through a portal created by Reed Richards, into the N-Zone, with the intention that, since this incarnation of the zone is completely lifeless, Galactus should starve to death.

Following an incident where the Eternal Ikaris was brainwashed by the Kree using a device called the Gods' Whisperer, he swore vengeance on his would-be captors. With help from Aarkus, Ikaris and his fellow Eternals found the comatose Galactus floating in the N-Zone and brought him back to Earth-616. They then stated that they planned to use the Gods' Whisperer to unleash him upon the Kree when he awakens.

In order to stop the incursions, among other solutions, the Illuminati went to Galactus to arrange a meeting with the Celestials- However, before they could fully assure them their help, they mysteriously vanished.

With the renewal of the universe after its destruction, a group of heroes known as the Ultimates started working on problems of cosmic scale that could endanger the universe. One of their first missions consisted of solving Galactus' hunger.

The Ultimates retrieved Galactus' Incubator and forced the devourer of worlds into it, so a new process of similar nature to the one that created Galactus could happen again. Said process was accelerated with Neutronium. After a flash of light and the Incubator's destruction, Galactus emerged anew with a new purpose in life, he became a lifebringer. The first planet that Galactus restored was Archeopia, which had been the very same first victim of his hunger.

When the Ultimates attempted to exit the Omniverse in order to assess the damage time-travel had caused to it, Galactus was tasked by Eternity to stop them. After interrupting the Ultimates' journey and sending them back to Earth, Galactus found himself outside the reach of the omniversal embodiment of Eternity, and discovered the truth Eternity wanted to prevent the Ultimates from knowing, that it was in chains.

Now tasked with the duty to find Eternity' cosmic jailer, Galactus enlisted the help of the Anti-Man to recruit the Ultimates and transform them into his Heralds of Life. Once the Anti-Man assembled the Ultimates and Galactus asked for their help, the Lifebringer was summoned to the Superflow to be put in trial at the request of Lord Chaos and Master Order, two cosmic entities that saw Galactus' new status as a perversion of the cosmic hierarchy.

The Living Tribunal ruled in Galactus' favor, allowing him to remain as his new self, alleging that the cosmic hierarchy in this new reality was still being formed, thus it wasn't set. Lord Chaos and Master Order took this council to heart, and assaulted the Living Tribunal, killing him. Chaos and Order subsequently tried to change Galactus back. However, the same principle that made it possible for them to murder the Tribunal, that there wasn't a heriarchy yet, meant they couldn't impose their will on Galactus, as he was on the same level as Order and Chaos. Order and Chaos left the Superflow, leaving a weakened Galactus trapped behind, and merged into a new more powerful being, Logos. They eventually returned and reverted Galactus back to his old form, bringing him his hunger back, however the Anti-Man sacrificed his powers and his life to revert Galactus back into the Lifebringer. Later, Chaos and Order were defused and the revived Living Tribunal punished them for their actions.

When it was done everyone was shocked.

Eli: WHOA MAN!

Me: Yeah. Silver Surfer you once served him right?

Silver Surfer: Yes I did because he forced me into it.

Qin: Oh man.

Spiderman: I had a feeling we were gonna fight Galactus sooner or later.

Qin: Me too.

Me: I knew it was only a matter of time.

Camie: Oh man.

Vypra and all the M.O.E. Came.

Vypra: We're ready for him.

Tala: By the way, Harry, you should take care of that Zoroark.

Harry Potter: I will.

Me: Good.

Qin: Yeah.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Angewomon next.

Kari Kamiya: That will be a good one.

Xenia: Yeah.

Lola: We got to get going.

Nico: Right! This is it guys!

Vypra: You may need these guys.

She gave us new weapons called the Destroyers of Galactus, these are a collection of greatswords and blasters that'll really put the hurt on him!

Me: Thanks Vypra.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than an old enemy of Serenity and Abigail Nightingale, her name is Radana Belladonna, a demonic dark witch who long ago made the big mistake in dabbling with The Forbidden Arts and made a pact with a demonic lord of Hell, but she was cast into The Netherworld by Serenity and Abigail using a dark magic spell that sealed her powers away and sent her to The Netherworld, but now, years later, she's returned to get revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Serenity, Abigail, you're not going to like it: the person we sensed belongs to Radana Belladonna.

Serenity and Abigail gasped in horror.

Abigail Nightingale: Radana's come back?!

Serenity Nightingale: Impossible, I thought we were rid of her.

Nico: You both know her?

Abigail Nightingale: Afraid so, and she's someone we hate all too well.

Serenity Nightingale: Radana is a demonic dark witch who long ago made the big mistake in dabbling with The Forbidden Arts and her dabbling caused her to forge a pact with a demonic lord from Hell, but Abigail and I stopped her and used a dark magic spell that sealed her dark powers and we cast her to The Netherworld. But, the binding should've made sure that she'd never escape.

Abigail Nightingale: It looks like the binding had weakened, and now, she's returned for revenge on us.

Serenity Nightingale: After we destroy Galactus, you and I are going to destroy Radana once and for all, Lincoln.

Lincoln: That's right, Serenity.

Nico: That dark witch is about to learn a lesson in dabbling with The Forbidden Arts and also in making a pact with a demon lord from Hell. Alright, team, let's go, the ultimate battle against Galactus is about to begin.

Lincoln: Galactus' path ends here and now, and he will be punished for all of his crimes, and once we finally get done with him, you're next, Radana Belladonna.

Serenity Nightingale: You chose the wrong time to return, Radana, especially now with Galactus returning, but don't worry, once we get done with Galactus, you're next.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to destroy Galactus and end him once and for all for what he's done for eons, and once we get done with him, Lincoln and Serenity Nightingale along with me and Nico are going to destroy the demonic dark witch, Radana Belladonna.

We went to the ship and we were off to face Galactus.

The U.S.S. Valorous Phoenix was waiting in orbit around Earth.

Eddy: So, does anyone have a plan to take Galactus down? Because he's fucking huge!

Nico: He has the power to change his size to be that of any planet and any one. But it's going to be tough to face him.

Me: I'll face him at planet size like how I did with Unicron.

Nico: Good idea.

Qin: Yeah. Maybe we can take him far away from our solar system and battle him there.

Camie: That might work.

Qin: Wait look!

We saw a HUGE CLOUD coming at us very slowly and we saw that it was GALACTUS!

Me: It's him!

Silver Surfer: I knew he was going to come here.

Nico: This is it, guys. Everything we've ever learned coming down to this.

Me: If we don't make it guys, I just want to say that it was a great honor fighting alongside you.

Lincoln: Same to you J.D.

Everyone agreed.

We went to face him and I grew to planet size and we faced him!

Me: What ugly smoke.

I blew it away and he was revealed!

Nico: Sup, Galactus?

Galactus: Team Loud Phoenix Storm! You will not stand in my way to destroy the Earth!

Nico: Sorry. But Earth is where we live!

Galactus: Oh no it isn't.

Me: We'll see about that. i'm amazed it took you this long to get here. I was expecting you to arrive much earlier than expected but I guess fate had different plans.

Galactus: So it would seem.

Me: Well if you want to get to Earth You got to GO THROUGH US!

I snapped my fingers and we were outside the galaxy!

Me: Lets do it!

Nico: YEAH!

Lincoln: After eons, his days of consuming planets finally ends here. Now, there's one last thing to do and one last loose end to tie up: Radana Belladonna.

?: (DEMONIC VOICE) ABIGAIL, SERENITY, YOU'RE GONNA PAY FOR WHAT YOU DID TO ME!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from dark energy blasts that came out of nowhere and the barrier really stood strong against them and the dark energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better come out now, Radana Belladonna, or I'm forcing you out!

A girl with long black hair, red eyes, and black clothes and black demon wings came out, it was Radana Belladonna, the demonic dark witch and archenemy of The Nightingale Sisters.

Abigail Nightingale: You!

Radana Belladonna: The Netherworld was unable to keep me contained, and now, I shall have my revenge on you both in the name of my lord, Asmodeus!

Serenity Nightingale: So, that was the demon you made your pact with all those years ago! This ends here and now, Radana!

Suddenly, Serenity Nightingale's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, dark magic, black magic, Satanic Magic, shadows, witches, phoenixes, and angels, she unholstered her massive darkness greatsword, and as she approached Radana Belladonna, she left black and purple energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, witches, phoenixes, and angels with every step.

Serenity Nightingale: For eight years, you constantly dabbled in The Forbidden Arts despite the repeated warnings from me and Abigail, Radana. But, no, your obsession with The Black Arts led you down a dark path, and you didn't treat the powers of dark magic with respect at all. Now, you've left me no choice, I will see to it that I break your deal with Asmodeus and have you damned to Hell for all eternity.

Suddenly, Serenity Nightingale was surrounded by a massive vortex of black and purple energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are witches, phoenixes, angels, and Dunames Dark Witch flying around the vortex, and in the vortex is a purple phoenix with a pentagram on its stomach and blood red eyes glaring at Radana Belladonna: the blood red eyes of eternal death and eternal judgement.

Abigail Nightingale: Amazing!

Me: WHOA!

Serenity Dunames: Truly incredible.

Lincoln: What Radana did in not treating the powers of dark magic with respect along with making a deal with Asmodeus has already earned her Serenity Nightingale's justice and her judgement.

Then, as the vortex faded, Serenity Nightingale emerged, but she was changed forever.

Serenity Nightingale grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large midnight black and purple planets orbiting around her legs and fifteen smaller midnight black and purple planets orbiting around her waist, she has the body of a goddess, she has purple highlights in the bangs of her long midnight black hair and purple hairband with purple phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and purple energy aura with stars, darkness, dark magic, black magic, Satanic Magic, shadows, witches, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Dunames Dark Witch emblazoned on her forehead and Third Eye with purple iris, she has on witch earrings with purple gems for eyes and holding the Star, Dark, Magic, and Eternity Kanjis in their hands, she also has Dunames Dark Witch with purple gems for eyes and holding the Star, Dark, Magic, and Eternity Kanjis in her hand for the second pendant on the bottom of her purple witch-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Serenity Nightingale felt a sharp pain on her back, and then, her massive midnight black angel wings with purple tips on the large midnight black feathers grew much larger for her new body with a wingspan of 20'0" and medium sized midnight black angel wings with purple tips grew and sprouted out underneath her massive midnight black angel wings with a wingspan of 15'0" and small sized midnight black angel wings with purple tips grew and sprouted out underneath her medium sized midnight angel wings with a wingspan of 10'0" and she now has eleven massive and long midnight black wolf tails with purple tips and purple markings, Serenity Nightingale has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

But, when Radana Belladonna saw it, she went ballistic and fired a blast of darkness at her to kill her, but Serenity Nightingale fired a massive barrage of black and purple energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, witches, phoenixes, and angels which hit Radana Belladonna and sent her flying into a wall, she got back up, but she was really really angry now.

Serenity Nightingale, Lincoln, Nico, and I went after Radana Belladonna, and we fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Radana Belladonna and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two new massive greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Serenity Nightingale also did the same by firing black and purple energy slashes from her massive greatsword and gold-plated dragon claws, and he, Serenity Nightingale, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Radana Belladonna even angrier than ever, and another attack from us exposed a blood red jewel surrounded by gold and we sensed it: it was the source of her deal with

Asmodeus.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There's the source of your deal with Asmodeus: your medallion. Now to end this.

Lincoln slashed off her medallion and he threw it to the ground and stepped on it and it shattered.

Radana Belladonna: NO! MY TALISMAN!

Because of it, Radana Belladonna was grabbed by demonic hands: a sign that because her deal was broken, she was eventually dragged to Hell forever. Everyone cheered wildly for what Serenity Nightingale, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Serenity Nightingale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large midnight black and purple planets orbiting around her legs, fifteen smaller midnight black and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive midnight black angel wings and medium sized midnight black angel wings and small sized midnight black angel wings underneath her massive midnight black angel wings are permanent.

Serenity Nightingale: We warned you about this, and now, your meddling with The Black Arts has cost you your soul. Thanks for helping me take down Radana, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Serenity.

Me and Nico: Our pleasure, Serenity.

Suddenly, Serenity Nightingale wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Serenity Nightingale's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Dunames Dark Witch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Serenity Nightingale sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed Viego down and Lincoln absorbed him and his sword also absorbed his sword.

Me: And Lincoln sent him to The Black Gates after he drained his soul of his life essence. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a raven made of yellow fire pass through the sky along with a Sylph of wind appear in front of us.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue for the 20 Days of Darkness anniversary: Selena Huanghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Raven.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Selena Huanghuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of yellow fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Raven, along with having angel wings along with having intense blue fire powers. She's known as The Agile Warrior of The Sisterhood of The Fists of Fire, because she's as fast and agile as a raven. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of yellow fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Selena hates Lori with a blazing passion, because of what that control freak has done to Lincoln in the past, and in one incident, she and Lincoln beat that control freak up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one agile warrior and she never shows mercy to anyone who hurts Lincoln. And that Sylph of wind, was that…?!

Selene Arcangela: Yep, it's the last Ambassador of The Demon Sorcerers we're meeting on Nico's rescue for the anniversary of The 20 Days of Darkness, her name is Natalie Ying Xiao, Ambassador of Hsi Wu, Demon Sorcerer of The Sky and Master of The Wind of The Sylph, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the fourth youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Hsi Wu, The Demon Sorcerer of The Sky, along with blue angel wings, and she also has full fledge mastery over the powers of The Sky, along with superhuman strength, and she also has incredible power over lightning and Wind. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Wind of The Sylph She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Hsi Wu with a passion because of what he did breaking Jade Chan's heart and deceiving her, and she swore if she ever saw him again, she'll tear his wings off and shove them down his throat.

Me and Nico: (GASPS)

Lincoln: She never forgave Hsi Wu that day, and she swore if she ever saw him again, she'll tear his wings off and shove them down his throat.

Me: (GULPS)

Hsi Wu: Oh boy.

Iron Man: And now, I'm gonna sleep. (falls asleep)

Me: (YAWNS) Me too. Nighty night. (Falls asleep.)

FWOMP!

Nico: They used up a huge amount of energy.

Xenia: No kidding.

Hulk picked up Iron Man and Nico picked up me.

Nico: This was an epic battle to remember! In the span of 5 years we took down 5 of the most dangerous enemies out to destroy the entire universe.

Eli: Necrafa, Thanos, Galactus, Unicron and Xehanort.

Nico: Yep. But great job everyone! Well done to all of you.

Vypra: This was so awesome!

Lola: YEAH!

Lana: I'll say!

Qin: Yeah!

Nico: (To the viewers) Well that was epic! We battled Galactus and destroyed the most dangerous enemies everyone faced. This was an epic way to close out the year!

Nicole: Yeah it was!

We went back home and Nico put me in my bed and Hulk put Tony in his bed. Everyone had a great dinner and watched the celebration in the world for New Years and it was epic.

We later went to sleep.

# 2024 NEW YEARS RECAP

HAPPY NEW YEAR!

THIS IS THE FINAL CHAPTER OF LOUD HOUSE REVAMPED

---

I woke up in my bed at 9:10 AM.

Me: (Yawns) Oh man.

Eli: Morning bro.

Me: Oh morning Eli. Man that battle with Galactus really took it out of me. How long was I asleep?

Eli: You were asleep since 6:10 PM last night.

Me: Geez! I must've used a massive amount of energy yesterday.

Eli: You sure did. But that was an awesome and epic battle.

Me: It sure was.

I got up and got dressed and went to breakfast.

Nico: Morning Sleeping Beauty.

Me: Morning Nico. Man what a battle.

Nico: Boy I'll say!

Me: Yep.

I had some pancakes and eggs and sausages, steaks and bacon.

Me: Oh boy.

I got to eating.

Bushlad, and

Castaways (Looney Tunes) and we were heading to a small Chinese Village for an amazing rescue.

Me: I have a feeling this will be good.

Qin: It sure will.

Lola: Yeah!

Xenia: I'm looking forward to this one.

Camie: Me too.

Misty Brightdawn: Yeah this will be so cool!

Nico: Misty, I want to thank you, Pintar, and your teams for coming

Misty Brightdawn: No problem Nico. This is gonna be so fun and cool!

Me: It sure is Misty and you are more than ready to have your own team.

Misty Brightdawn: Yeah this will be cool!

Roxas: I'm really excited for this too.

Nico: We're glad Roxas.

Lola: Yeah!

Nico: Roxas what was it like being inside Sora?

Roxas: Scary at first but we talked to each other inside his mind when he was sleeping. We told each other stories and more.

Nico: That's cool.

Qin: It sure is.

Lola: Yeah.

Roxas: But I'm glad to be ono the outside again. I have my friends in

Twilight Town Again and all that.

Me: That is true.

Luan: And it's cool that me and you got to battle there. An Evil version that is.

Roxas: That's true.

Me: Yeah.

Juran: Does that mean you've seen whenever Sora needs to go to the bathroom? (we all look at him) It's an honest question!

Roxas: What no! I may have been inside Sora but not that far.

Me: Guys that's too much personal info.

Roxas: Yeah that was too much.

Juran: Sorry.

Nico: No worries.

Roxas: Yeah but that was silly.

Nico: Yeah.

Me: Boy yesterday was one of the most intense battles ever!

Nico: Boy no shit! That was amazing! Galactus was tough!

Eddy: (laughs) Tough? Galactus wasn't tough! Unicron was tough! At least we got to go inside him!

Me: That is true.

Nico: Yeah. But it showed that not even Galactus was a match for the most powerful force in the entire universe.

Nicole: That is for sure.

Me: Yeah no kidding! Wow! I taught all of you so much really well before Nico took the reigns.

Xenia: Yeah.

Nico: You sure did J.D. And over these last 7 years we learned so much.

Me: I know and I'm proud of all of you.

Nico: And King Kai? Thank you for your help?

King Kai: (Telepathically) It was my pleasure Nico. You all did a great job and I'm so proud of all of you.

Me: That was so awesome.

Xenia: Yeah.

Me: Wow! That had to have been the biggest ever spirit bomb ever.

Nico: As big as half of the galaxy!? No kidding!

Me: Yeah! Galactus took on some of our most powerful attacks and still wasn't a match for them.

Qin: I agree.

Xenia: That was still awesome though!

Me: Yeah! And we got an awesome Planetwide Standing Ovation for it!

King Kai: (laughs) Now you can say I contributed to a battle!

Me: You sure did King Kai!

Qin: That is for sure!

Xenia: You brought the Entire Universe of numerous galaxies together for that.

Camie: YEAH!

King Kai: Yeah that is for sure! I'm glad we've seen the last of Galactus.

Nico: Amen to that!

May: Remind me where we are?

Me: We're heading over to a village in China. Lincoln can fill you in.

Lincoln: Okay, guys, we've got ourselves an emergency and we're in for one wet battle to welcome the new year of 2024: we got word that Manaphy's hypothetical Akuma form has been sighted here.

WE GASPED!

Me: OH MAN!

May: What the?! Manaphy's hypothetical Akuma form?

Nico: Uh oh, that's not good. Who is she, Lincoln?

Lincoln: Her name is Samiya Siren, she's a mermaid warrior and is a powerful master of the power of the sea, water, mermaids, and the song of the siren. She also has all the powers of the Light and Dark Sides of the Legend of The Mermaid. She loves May more than anything too and she loves Poromon too as well as you, Nico, but you're not going to like how she was created: she was made because of the pirate Phantom coming and he hurt May and she vowed to make sure Phantom pays with his life.

Me: Oh shit! That pirate is dead but he will one day return.

Suddenly, my mermaid sense went off and surprisingly, so did Lincoln's.

Me: Uh oh, I haven't had that happen to me in a long time.

Lincoln: Yep, the going off of our mermaid senses means we also got mermaids of The Dark Side of the Legend to deal with.

Eli: Yikes! And I didn't know you also had a mermaid sense too, Lincoln.

Lincoln: You didn't ask. But, I acquired it when I spent times with Lily and the other mermaids in my harem, along with acquiring the songs of the mermaid and the siren and acquiring the powers of The Light and Dark Sides of the Legend of The Mermaid, along with being a master of the powers of the sea, water, mermaids, and sirens.

Luna: We saw it for ourselves, and he also has the power to turn into a merman.

Nico: Oh, this we definitely got to see.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, Manaphy's hypothetical Akuma form is here, and we're literally ready for those Dark Side Mermaids as well.

Nico: Yep.

Lincoln: Just like before in the Mediterranean and at Whitecap Bay, we're not letting a single one of them leave here alive.

Me: Yeah this will be awesome.

Xenia: It sure will!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it

looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical

strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Samiya Siren) AHA! Gotcha! I just spotted Samiya Siren, she's 20 yards away, but she's not alone, there are also Dark Side Mermaids there with her.

Nico: Let the slaughter begin, let's get going.

Lincoln: This'll be just like old times. (Sensed Dark Side Mermaids) Uh oh, heads up, we got a group of Dark Side Mermaids heading right for us.

Me: What the?!

We saw that an army of Dark Side Mermaids were indeed heading our way like Lincoln said.

Nico: And so it begins, let's tear them apart.

Lincoln: Leave that one to me.

Lincoln fired massive waves of water and energy that hit the Dark Side Mermaids and they all got hit hard and were slaughtered and torn to pieces, and as Lincoln absorbed their remains by turning the tips of his eleven massive and long white wolf tails into Cell's stingers, he sent their spirits to The Black Gates forever after draining their souls of their life force. Then, we set our sights on Samiya Siren.

Lynn heard a Pokemon Cry.

Lynn: Look guys!

We saw a Hitmontop!

Me: Hitmontop! Wow!

We pulled it out of the water and it was cold and hungry.

Hitmontop: (Shivering) Thanks.

Nico: You okay?

Hitmontop: Thanks to you. But I'm starving.

We gave it lots of apples.

Lynn: There. Better?

Hitmontop: Much better.

She was eating them.

Hitmontop: Thank you.

Lynn: Want to come with?

Hitmontop: Sure!

Lynn: Awesome! You'll be perfect for me.

Hitmontop: Awesome.

Nico: Lets get a move on.

We were flying in the air.

Me: Keep your eyes peeled.

Nico: Yeah.

We saw the village.

Me: That's the village.

We saw numerous explosions blasting off in the water.

KRABBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMM!

Qin: WHOA! Looks like one helluva battle is starting.

Nico: Yeah! We got here just in time.

We went and slashed kicked and blasted the Dark Side Mermaids all over.

Camie: YEAH!

Nico heard the water bubbling.

Me: They are all over the place! Nico watch out!

I fired an energy blast and it hit a mermaid coming from behind him.

Nico: Thanks J.D.!

Me: No problem.

Qin: (SPEAKING IN CHINESE) 哦，传说中的可怕美人鱼，从黑暗深渊的深处升起，为强大的元素少女服务。让血流的大屠杀降临在这个邪恶而可怕的黑暗怪物身上。让我的歌曲表达出被这个恐吓我一位亲密朋友的怪物撕碎的人的正义！(Rise from the depths of the murky abyss oh terrifying mermaids of legend and serve the mighty maiden of the elements. Let my song bring forth the justice of one that was torn apart by this monster that terrorizes one of my closes friends!)

SHE SANG A POWERFUL SONG OF THE MIGHTY MERMAID AND THEN A MASSIVE WAVE OF WATER EXPLODED OUT OF THE OCEAN AND MERMAIDS FROM THE DARK SIDE OF THE

Xenia: OH YEAH!

She sang the Song of the Phoenix and then massive fireballs rained down from the sky and formed into powerful phoenixes and they hit numerous mermaids that came at us and incinerated them and destroyed them!

Camie: Wow!

Let my song bring forth the power of the storm and let the lightning of the storm unleash the power of the storm unto these monsters that terrorize the world!)

She sang the song of the Thunderbird and then…

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck from the heavens and formed into powerful thunderbirds and they hit numerous mermaids coming at us and electrocuted them into ashes.

Xenia: WHOA!

Lola: That was awesome!

Camie: Incredible!

Nico: WOW! The Elemental Maiden Power is incredibly strong!

Poromon: WOW!

Qin: That was cool!

Nico: It sure was.

Qin: 借助正义之风的力量驾驭天空之风，向这些邪恶的憎恶释放风之力，释放报应的神风，击败这些邪恶的憎恶！释放正义神风精灵，带来终极正义风流之力！(Ride the winds of the sky with the power of the Winds of Justice and unleash the power of the wind unto these evil abominations and unleash the divine winds of retribution and vanquish these evil abominations! Unleash the Sylphs of the Divine Winds of justice and bring forth the power of the ultimate wind currents of justice!)

She sang the song of the wind and numerous sylphs appeared and they flew at the Dark Side Mermaids and blew them around in a powerful tornado! They were thrown all over the place with incredible fury!

Nico: WOW!

Me: That was awesome!

Xenia: YEAH!

Poliwag: WOOHOO!

Qin: 从大地的岩石中升起，化身为岩石和大地的强大魔像，蹂躏那些在大地上制造恐怖和邪恶的黑暗势力，并击败这邪恶的怪物！让我的

歌成为你消灭这个可怕敌人的力量工具！(Rise from the rocks of the earth and take the form of the mighty golems of the rock and earth and ravage the dark does that wrought terror and evil upon the lands and vanquish this evil abomination! Let my song be your instrument of might for bringing the end to this terrible foe!)

She sang the song of the Golem and then there was a rumble and an earthquake and then it formed huge mountains of rock and then they formed into golems! They smashed and pulverized the Dark Side Mermaids with incredible force!

Xenia: WHOA!

Me: That was amazing!

Nico: YEAH!

Manaphy: SO AMAZING!

Qin: 从天空、天堂和太阳照耀下来，向这个恐怖世界的可怕敌人释放自然之光仙女的光芒！让我的歌声带来净化这片土地的善良之光，并终结这种邪恶和可怕的憎恶！(Shine down from the sky and the heavens and the sun and let loose the light of the Fairies of the light of nature unto this horrible foe that terrorizes the world! Nico: WHOA!

Xenia: Awesome!

Laney: That was incredible!

Poromon: Anything else?

我召唤夜影之黑暗，召唤永夜之影，将这个可怕的敌人打倒在无尽的幽冥虚空之中！让冥界的灵魂化为黑暗之缕的形态，将受诅咒的人永

Let my song bring forth the shadows of the night and unleash your revenge on this evil abomination!)

She sang the song of darkness and darkness wisps appeared and they went at numerous evil dark side mermaids and banished them to the darkness of the Netherworld forever!

Lola: WHOA!

Lucy Loud: Wicked.

Me: That was awesome!

Xenia: WOW!

Qin: Thanks guys! That was so awesome showing you what the power of the Elemental Maiden can do.

We spotted our target: Samiya Siren, the hypothetical form of Manaphy, along with NUMEROUS MERMAIDS from the Dark Side of the Legend.

Me: HOLY SHIT!

Lincoln: This is way more than back in the Mediterranean and Whitecap Bay. Time to take this seagoing battle to the next level.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned ocean blue except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his large white pants turn ocean blue, the fifteen large planets orbiting around his legs and the fifteen smaller planets turned ocean blue, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned ocean blue as a massive wave of water appeared behind him.

Lincoln has transformed into MAELSTROM LINCOLN, THE ELEMENTAL HERO OF WATER!

Me: I knew he was going to turn into Maelstrom Lincoln, nice!

Lincoln: Let's give those Dark Side Mermaids the nastiest surprise of their lives.

We charged at the Mermaids of The Dark Side of The Legend, and it was an epic bloodbath: WE SLAUGHTERED AND MASSACRED THEM ALL ONE BY ONE AND LINCOLN WAS ABSORBING THEIR REMAINS WITH HIS CELL STINGERS AND SENDING THEIR SOULS TO THE BLACK ABYSS AFTER DRAINING THEIR SOULS OF THEIR LIFE FORCES!

Lily the Mermaid: Let's finish the last of them with a combo!

Lincoln: Right.

Lincoln, Lily the Mermaid, and all the mermaids in his harem formed massive balls of water in their left hands.

Lincoln: Lily the Mermaid, and the mermaids in his harem: MERMAID LIGHT SIDE NEPTUNE OCEAN MAELSTROM!

Lincoln, Lily the Mermaid, and all the mermaids in his harem fired the massive balls of water that formed into a gargantuan ocean wave that hit the remaining Mermaids of The Dark Side of The Legend and all of them were massacred and slaughtered and they were sent to The Black Abyss.

Carly Almaden: Whoa! That was awesome! You've really come this far since then, Lincoln!

Lincoln: We're not done yet, Carly, now it's time for the main event.

Poromon: YAY!

Qin: YEAH!

Me: We got company!

We spotted our target coming: Samiya Siren, the hypothetical form of Manaphy, along with NUMEROUS MERMAIDS from the Dark Side of the Legend.

Me: HOLY SHIT!

Lincoln, Lily the Mermaid, and all the mermaids in his harem formed massive balls of water in their left hands.

Lincoln: Lily the Mermaid, and the mermaids in his harem: MERMAID LIGHT SIDE NEPTUNE OCEAN MAELSTROM!

Lincoln, Lily the Mermaid, and all the mermaids in his harem fired the massive balls of water that formed into a gargantuan ocean wave that hit the remaining Mermaids of The Dark Side of The Legend and all of them were massacred and slaughtered and they were sent to The Black Abyss.

Carly Almaden: Whoa! That was awesome! You've really come this far since then, Lincoln!

Lincoln: We're not done yet, Carly, now it's time for the main event.

We were facing SAMIYA SIREN!

May: Manaphy? Is that you?!

Samiya Siren: Yes mama it's me. I went from a Pokemon into a mermaid of darkness.

May: Phantom did this to you right?

Samiya Siren: Yes he did.

Me: Phantom will pay for his crimes soon. We promise you.

Poromon: You wouldn't hurt your own boyfriend. (Does puppy eyes) Would you?

Samiya Siren: I would never do that to you Poromon. You mean too much to me for that and I love you more than anything.

Carly Almaden: I admit, you tried to get us good with the numerous Mermaids of The Dark Side of The Legend, but that wasn't going to work at all.

Kelly Strahand: That's right, we've battled against them so many times over and destroyed them every time.

?: That was a nice move to snap those three out of it, Carly.

?: That's true, we still need to take down Samiya Siren.

Suddenly, we saw two more girls arrive with black hair, red eyes, black clothes, but one had the symbol of Shear on her forehead and black demon wings and the other had the Anti-Unitology symbol on her top, tattooed on her right arm, and skirt and black angel wings, and they have awesome Keyblades in their right hands.

Lincoln: (GASPS) Sabrina Shear, Keyblade Knight of Shear and Ariana Aegis VII, Keyblade Knight of Aegis VII. Whoa! Alright, now it's time we take you down, Samiya Siren.

Me and Nico: This is gonna hurt!

Lincoln, Carly Almaden, Nico, Sirena Cammecola, Calen Maxwell, Cage Blunt, Travis Tackett, Kelly Strahand, and I went after Samiya Siren, and we fired extremely powerful blasts of rainbow energy, ocean blue energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Samiya Siren and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Carly Almaden, Kelly Strahand, Sirena Cammecola, Caleb Maxwell, Cage Blunt, Travis Tackett, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Samiya Siren even more madder than ever.

WATER STYLE NINJA ART: NEPTUNE'S FURY BLADE STORM!

Lincoln swung his massive greatsword and fired massive jets of water that turned into water swords that hit Samiya Siren and she got drenched. Then, Lincoln fired waves of red fire and ladybugs that hit Samiya Siren knocking her out and he was sent to Vypra. Everyone cheered as we holstered our weapons and we powered down and Carly Almaden's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large ocean blue planets orbiting around her legs, fifteen smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive ocean blue angel wings and medium sized ocean blue angel wings and small sized ocean blue wings underneath her massive ocean blue angel wings are permanent, and Kelly Strahand's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large ocean blue planets orbiting around her legs, fifteen smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive ocean blue angel wings and medium sized ocean blue angel wings and small sized ocean blue wings underneath her massive ocean blue angel wings are permanent, and Sirena Cammecola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large ocean blue planets orbiting around her legs, fifteen smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, and massive ocean blue angel wings and medium sized ocean blue angel wings and small sized ocean blue wings underneath her massive ocean blue angel wings are permanent.

Nico: That takes care of Manaphy's hypothetical Akuma form.

Lincoln: Hope Vypra and the others can deal with her.

Me: You got that right. So, Lincoln, are you going to introduce us?

But, before he could, Natalie Ying Xiao, Xinnia Xenomorph, Anya Aurelia, Bianca Aoiluna, Dana Darwin IV, Yahaira Yautja, Sabrina Shear, and Ariana Aegis VII each had their hands on Lincoln's pecs, and they began kissing Lincoln on the lips and face, along on his pecs, arms, and ten-pack abs. When they were done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. The first girl is Natalie Ying Xiao, Ambassador of Hsi Wu, Demon Sorcerer of The Sky and Master of The Wind of The Sylph, she's Lincoln's Guardian Angel from China and she's Maria Ying Xiao's younger sister and the fourth youngest, and she's also a very powerful master over the forces of light and dark chi and she was also born with the powers of Hsi Wu, The Demon Sorcerer of The Sky, along with blue angel wings, and she also has full fledge mastery over the powers of The Sky, along with superhuman strength, and she also has incredible power over lightning and Wind. Plus, she's the descendant of En Ying Xiao, the first Elemental Maiden from 3,000 years ago during the Shang Dynasty in China, and like Qin and her ancestor, Emperor Han the Dragon Emperor, she's also the master of the Atavism of The Elemental Maiden and she also has mastery of The Wind of The Sylph She moved to Royal Woods from China along with her sisters and she met Lincoln, and it was love at first sight. She heard from Lincoln of what we did in defeating Shendu, Dai Gui, Po Kong, Tso Lan, Hsi Wu, and Tchang Zu and Girl Jordan redeemed Bai Tza, and she was amazed, and she began to teach Lincoln how to master the powers of The Mountains, and she knew of what Maria did in giving him her blood and that led to him getting the same powers as her and gaining the same powers as her along with becoming a master of The Fires of The Phoenix, The Waters of The Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps, and he wound up getting tattoos of The Phoenix, Mermaid, Thunderbird, Golem, Fairy, and Shadow Wisp on the back of his left forearm. Lincoln made her a lightning greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hated Hsi Wu with a passion because of what he did breaking Jade Chan's heart and deceiving her, and she swore if she ever saw him again, she'll tear his wings off and shove them down his throat.

Selene Emperyous: The second girl is Xinnia Xenomorph, Keyblade Knight of Xenomorph Prime, she's Lincoln's Guardian Angel from Xenomorph Prime and she's a powerful force of epic power to be reckoned with. She was born and raised on Xenomorph Prime, and she's a powerful and deadly force of nature and a master of The Xenomorphs. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of nature, and she hates Lori with a vengeance, and she swore if Lori ever tried to hurt Lincoln yet again, she'd send her to Xenomorph Prime to be ripped to shreds!

Me and Nico: SAY WHAT?! That planet full of monsters has a Keyblade Knight?!

Shanan: No way. I'm shocked!

Michelle Emperyous: But, she's also glad you got rid of The Xenomorph Queen. The third girl is Anya Aurelia, Keyblade Knight of Planet Aurelia, she's Lincoln's Guardian Angel from Aurelia and she's a powerful force of epic power to be reckoned with. She was born and raised on Aurelia, and she's a powerful warrior and master of life, nature, and the aura. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of life, nature, and the aura, and she hates Lisa Loud with a vengeance.

Eli: Really?

Lincoln: Yep. Watch this.

Lincoln formed a ball of aura energy and life and nature energy and formed it into a beautiful miniature aurora borealis.

Nico: That's so beautiful.

Laney Emperyous: It was still as beautiful as ever. The fourth girl is Bianca Aoiluna, Keyblade Knight of the Blue Moon, she's Lincoln's Guardian Angel from the Blue Moon and she's a powerful force of epic power to be reckoned with. She was born and raised on the Blue Moon, and she's a powerful warrior and master of nature and water. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of nature and water, and she hates Lynn with a vengeance.

Lincoln formed a ball of water and nature energy and it formed into a mermaid of pure water.

Me: Wow!

Michelle Emperyous: Lincoln proved to be an awesome master of water as well as lightning along with being a master of all the elements. The fifth girl is Dana Darwin IV, Keyblade Knight of Darwin IV, she's Lincoln's Guardian Angel from Darwin IV and she's a powerful force of epic power to be reckoned with. She was born and raised on Darwin IV, and she's a powerful warrior and master of the elements of nature and the creatures of Darwin IV. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of the elements of nature and the creatures of Darwin IV, and she hates Lynn with a vengeance.

Nico: Whoa, that's really awesome!

Sandra Emperyous: We've been to Darwin IV before, and it's really really beautiful. The sixth girl is Yahaira Yautja, Keyblade Knight of Yautja Prime, she's Lincoln's Guardian Angel from Yautja Prime and she's a powerful force of epic power to be reckoned with. She was born and raised on Yautja Prime, and she's a powerful and deadly master of the hunt and a master of the Predator technology and she can literally see in infrared vision. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in the hunt and Predator technology because she and Cody took Lincoln to the jungles of the Amazon and he underwent the same brutal survival training Cody went through, and over time, he became a powerful skilled hunter and master of Predator Technology, and she hates Lisa with a vengeance because she made an invisibility potion to try and kill Lincoln unseen. But, Lisa's invisibility was no match for Yahaira's infrared vision and she beat Lisa up and left her in a full body cast for eight months.

Nico: What the?!

Lincoln: Yep, Yahaira is someone no one is to mess with, and I trained a lot under her and I went through the same survival training Cody went through in the Amazon Jungle and killed tons of poachers using the techniques of the Yautja even though I came back without a shirt because it got torn apart after they threw knives at me.

Vorya Emperyous: And those poachers were some of the most wanted criminals from the US, and we turned them in to the police and got the bounty. The seventh girl is Sabrina Shear, Keyblade Knight of Shear, she's Lincoln's Guardian Angel from the planet Shear and she's a powerful force of epic power to be reckoned with. She was born and raised on Shear, and she's a powerful master of darkness and a deadly force to be reckoned with. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to

The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness, and she hates Flip with a vengeance, the reason is because he planned to sell Lincoln and his sisters into slavery and make millions. But she overheard this and sent his butt off to jail but not before she kicked his mutated ass!

EVERYONE GASPED IN HORROR, AND NEEDLESS TO SAY, THOSE WHO WEREN'T WITH US GOT SUPER PISSED OFF AT FLIP!

Nico: THAT GODDAMN MUTATED CHEAPSKATE MORON!

Me: I was super pissed off when Lincoln told me about it. After Sabrina kicked his ass back to jail, I went there and pulverized him mega hard all over the place.

Valentine Emperyous: As did the rest of us, which was why we went after the remnants of Flip's family minus his brother and cousin and killed them all and sent them off to Hell. And the eighth girl is Ariana Aegis VII, Keyblade Knight of Aegis VII, she's Lincoln's Guardian Angel from Aegis VII and she's a powerful force of epic power to be reckoned with. She was born and raised on Aegis VII, and she's a powerful master of darkness and a deadly force to be reckoned with, not to mention she's also a great hater of the Church of Unitology and she made it her mission to hunt down and destroy all members of that godforsaken church of murderous evil. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness, and she hates hates all of Lincoln's enemies with a vengeance and vowed to make them all go murderously insane and then have the cops kill them if they tried anything!

WE ALL GASPED IN TOTAL HORROR!

Nico: YOU'RE KIDDING?! THE KEYBLADE KNIGHT OF AEGIS VII?!

Me: I hadn't forgotten about our first adventure where we went onboard The USG Ishimura where we encountered The Necromorphs and dealt with Mercer and The Church of Unitology along with rescuing the survivors. Plus, we deciphered The Marker and found out about The Brethren Moons.

Lincoln: That was a nightmare none of us would ever ever forget and it also ended with the destruction of The Marker and Aegis VII. And it's so good to see you all again, girls.

Natalie Ying Xiao: You too, Lincoln, and whoa, you've really really grown into quite the man.

Lincoln then wrapped his arms around Natalie Ying Xiao, Xinnia Xenomorph, Anya Aurelia, Bianca Aoiluna, Dana Darwin IV, Yahaira Yautja, Sabrina Shear, and Ariana Aegis VII and he leaned his head down to each of their right trapezius and he slowly bit them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natalie Ying Xiao, Xinnia Xenomorph, Anya Aurelia, Bianca Aoiluna, Dana Darwin IV, Yahaira Yautja, Sabrina Shear, and Ariana Aegis VII with colored gems on the gold lightning bolt links with colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi and eight white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on their necks.

Natalie Ying Xiao, Xinnia Xenomorph, Anya Aurelia, Bianca Aoiluna, Dana Darwin IV, Yahaira Yautja, Sabrina Shear, and Ariana Aegis VII saw them and she knew she became part of his harem and is among his many future wives, and she kissed on the lips which he returned as we cheered.

Caleb Maxwell: I can't believe you went to Aegis VII, Hunter, that place was worse than Hell.

Hunter: (German Accent) Und that nightmarish Hell spread to The USG Ishimura, so many died as a result of The Unitology Church.

Lincoln: If they dare to return, it's off to The Black Abyss for them.

Nico: That's right, the only good Unitologist is a dead one.

Qin: YEAH!

Nico: Good thing we got rid of the mermaids first.

Qin: No kidding.

Xenia: Yeah.

Me: Yeah.

Nico: Nice job, Hitmontop!

Hitmontop: Thanks Nico! That was awesome.

Xenia: Yeah!

Poromon: Want some beer?

Hitmontop: Oh no thanks I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Hitmontop: Nice try pipsqueak.

Poromon: What did you think of my speech yesterday?

Nico: You did great Poromon.

Me: It was well done.

Poromon: Thanks guys!

Qin: No problem.

Poromon: I kept things simple. Not too complicated

Me: Good idea.

Qin: That was so cool.

Me: It sure was! Also Qin your powers over the elements are really cool!

Maria: Any others we don't know about?

Qin: Well I do have ice powers and I can also control metal, clouds, The Sun, The Moon, The Stars, many things.

Xenia: Wow!

Nico: That is cool!

Lola: Yeah!

Maria: That answers my question.

Me: Yeah.

Xenia: We'll have to see more of that in the future.

Camie: Yeah.

May: I'm sure we will.

Camie: Yeah.

Xenia: Yep.

Lola: Boy that was a fun battle though.

Camie: I'll say!

Me: Yep. Now for the fun part.

Nico: The Anothers.

Eli: (Concentrates) WHOA! We got Another Pintar, Yokubarido, Evil Earth Minions, Tristesse (Animaniacs), Francis X. Bushlad, and Castaways (Looney Tunes).

Me: Wow!

Qin: This will be good.

Me: So Misty Brightdawn, Roxas, Aeleus, Elena, Laurium and Dilan for this one.

Camie: Yep.

Then we sensed an INCREDIBLY massive energy signal.

Xenia: WHOA!

Me: You guys feel that? Wow!

Eli: It's from one of the gene-slammers.

Nico: You mean from one of them?

Eli: Yep.

Qin: Whoa!

Xenia: Which gene-slammer has that kind of power?

Me: No idea.

Eli: I sense that the Anothers minus Pintar are 3 people.

Nico: Oh boy.

Qin: Yep.

Nico: THERE THEY ARE!

We saw Another Yokubarido, Evil Earth Minions, Tristesse (Animaniacs), Francis X. Bushlad, and Castaways (Looney Tunes)!

Nico: Whoa!

Lola: This is gonna be fun.

Lana: YEAH!

Another Yokubarido: (In a girls voice) It sure will.

They merged and split into 3 people and we saw that they were the Gene-slammers of Tinkermon, Salamandemon and Thunderbirdmon!

Nico: (GASP) Sally Salamander, Tara Thunderbird and Tina Pan!

Sally Salamander: Hey Nico!

Applejack: Well fancy my apple fritters! Tina!

Tina Pan: Applejack!

They went and hugged!

Applejack: Awesome to see ya.

Tina Pan: You too.

Me: How do you know Applejack?

Tina Pan: Well I saw how she killed Captain Hook and rid all of Neverland from him and that was awesome. Applejack would visit Neverland from time to time to relax and I would talk to her too.

Applejack: Yeah and she loves all my apple pies.

Me: Awesome!

Nico: Yep.

Me: Can you tell us more about yourselves girls?

Sally Salamander: Well I am Nico's friend that knows all about fire and how to make gold from old metal.

Me: That is cool! Salamanders are known as the Alchemical Spirits of Fire.

Tara Thunderbird: I'm Nico's friend from Weather Study class.

Nico: We studied mostly on lightning.

Me: Electrifying.

Tina Pan: And I'm also Nico's friend from history. I've also lived on Neverland for over 300 years and helped Peter Pan and Tink battle all of Hook's men and more.

Me: That is amazing!

Qin: Yeah!

Nico: Yep. We studied about Neverland and all the Pirates of old.

Me: Wow!

Qin: That is amazing.

Me: Yep. By the way is the Another Pintar friendly or hostile?

Tina Pan: Friendly. But Nico may know this one.

Me: I have a feeling that this is the strong one emitting that immensely powerful energy signal.

Xenia: Yeah.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: Time for backup! (TURNS DIAL) OWL MAYHEM FORCE!

She summoned Owlman, IceDevimon (Tamers), Browridge Sharptooth (Land Before Time VI), Light Armadillo, Cosmic Mario and Evil Omi!

Me: Yeah!

Evil Omi went at me and I punched him down.

Me: Sheesh! Evil Omi can't you think of anything else other than trying to kill me.

Omi: (sighs) (Tibetan Accent) I apologize, J.D.

Me: I guess your evil side really wants to kill me Omi.

Omi: Yes he does.

Me: Vypra needs to keep a short leesh on him

Horsea: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER PINTAR!

Me: WHOA!

Pintar: Who is that good looking guy?

Me: Another you Pintar.

Another Pintar: (In a girls voice) And it's wrong.

Nico: (GASP) that voice!

She reverted back and was a firl with red hair, red eyes, red clothes, dragon wings, had MEGIDRAMON on her forehead and skirt and on her skirt was the biblical verse

Evil shall slay the wicked, And those who hate the righteous shall be condemned. The LORD redeems the soul of His servants, And none of those who trust in Him shall be condemned.

written in Hebrew and she had the Digital Hazard symbol on her arm and had a fire sword.

Nico: (GASP!) Harlia Megiddo!?

Me: The gene-slammer of Megidramon!? Holy shit!

Nico: Thank goodness you're okay Harlia.

Harlia Megiddo: Yes I am. I'm glad to find you again.

I looked into her eyes and saw incredible pain.

Me: I see great pain in your eyes. What happened?

Nico: Well she's The gene-slammer of Megidramon and a bringer of Armageddon. She was made in a lab that I destroyed and saved her from. They did crazy experiments on her and found out that she has the powers of hell in its entirety times 100,000. She also has the power to destroy entire cities in a massive and deadly fiery explosion when she gets REALLY ANGRY. If she gets angry too much, she will destroy the entire planet and kill everyone. But she has a good side and I helped her control this power and I helped her big time and she is a master of fire and darkness and the powers of the fires of hell

WE GASPED IN SHOCK!

Me: WHOA MAN! Wait I remember seeing huge craters from where small cities once stood all over Russia. That was you?

Harlia Megiddo: Yes that's right.

Nico: I promised to be there for her.

Sakura Shinju: And she can destroy entire planets like I can? That's intense.

Nico: Yeah.

Eli: Brutal!

Nico: She's also a deadly fighter and learned a lot from me.

Qin: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Harlia Megiddo: No he didn't because he feared me.

Me: Let me guess because you could destroy the entire planet and take him with it if you weren't let go.

Harlia Megiddo: That's right.

Me: GEEZ! And Your name is based on Har Megiddo. That was said to be the very spot where the Battle of Armageddon is supposed to be at in the Book of Revelations in the Bible.

Harlia Megiddo: That's right.

Me: Wow.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

We did so.

We got the battle underway.

Nico: (Gets out Pintar's ridewatch) Lets bring the fight

May: (Gets out Evil Earth Minions Ridewatch) Time to rock and roll!

Maria: (Gets out Francis X. Bushlad's ridewatch) Time for this arrow to hit!

Roxas: (Gets out Yokubarido's Ridewatch) Lets do it!

They used the powers of Pintar, Yokubarido, Evil Earth Minions, Tristesse (Animaniacs), Francis X. Bushlad, and Castaways (Looney Tunes) and blasted the Another!

Then Malachite, Paint Roller (Kirby), Tick Tock Jr. (Kirby), Captain Barbossa (2001), Rocky (Looney Tunes) and Heat Phanphan came.

Nico: WHOA! Nice team Malachite!

Malachite: Thanks Nico.

Qin: Cool!

Me: Yeah!

Then Angewomon flew in!

Me: WHOA! Angewomon!

Kari Kamiya: Wow! Gatomon?

Gatomon: That's not me Kari.

Angewomon: Looks like the fun started.

Nico: Hikari Angel! Wow!

She reverted back and was a girl with pink hair, pink clothes, pink eyes and had pink angel wings and had the Crest of Light in the middle of her forehead and Angewomon on her shirt and shorts and a light bow in her hand and a quiver of light arrows on her back.

Hikari Angel: Awesome to see you again Nico. I got this. (ECHOING) CELESTIAL ARROW!

She formed a light arrow and fired and it hit the Another in his chest and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it!

Me: OH YEAH! BULLSEYE!

Nico: Nice shot!

Hikari Angel: Yeah!

Qin: That was cool!

Me: Yeah!

Roxas: Do you have a favorite memory of Nico?

Hikari Angel: When me and Nico went to the Renaissance Fair and we joined an archery contest and I won.

Me: Cool! You're a real marksman like Robin Hood.

Hikari Angel: I sure am and I think it's cool.

Xenia: It sure is.

Nico: Yeah.

Nico and Hikari hugged.

Nico: I've missed you.

Hikari Angel: Same here.

We later went back home.

CHINESE MUSIC PLAYS

We then saw a raven made of yellow flame fly through the skies.

Lincoln: The raven made of yellow flame, she's here.

Lincoln: (GASPS) Selena Huanghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Raven.

Selena Huanghuo: That's right, and I got the girls away from Hakkar, but now, he's super pissed I interrupted his feast and he's heading for us!

?: HOW DARE YOU INTERRUPT THE SACRIFICE! YOU WILL PAY FOR THIS SACRILLEGE!

Suddenly, Lincoln went at Hakkar the Soulflayer and pinned him to the ground by wrapping his eleven massive and long white wolf tails around the vampire deity and pinned him to the ground, and then, he, Cage Blunt, and Travis Tackett bit him hard on the neck and sucked out all his blood and assimilated his Godlike strength, Godlike Durability, Flight, Blood Magic, Manipulation, Infectious Blood, Disease spreading, and Immortality, and Lincoln absorbed him into his body through his skin. When Lincoln was done, he sent Hakkar's spirit to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's over, Hakkar, now begone from this world forever. (To Selena Huanghuo) And it's so good to see you again, Selena.

Selena Huanghuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Selena Huanghuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Selena Huanghuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Selena Huanghuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Selena Huanghuo and hugged her, and Selena Huanghuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selena Huanghuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Selena Huanghuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Raven, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of yellow fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Raven, along with having angel wings along with having intense blue fire powers. She's known as The Agile Warrior of The Sisterhood of The Fists of Fire, because she's as fast and agile as a raven. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of yellow fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Selena hates Lori with a blazing passion, because of what that control freak has done to Lincoln in the past, and in one incident, she and Lincoln beat that control freak up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Lincoln showed Lori with two black eyes, broken arms and legs, bloody broken nose, and with an irreversible super double mega wedgie, and it was horrific!

Nico: Jeez. That was just nasty.

Me: I know, and I thought the thrashings Lori had gotten were bad before, the one Selena gave her topped all of them, and now that you're here, Selena.

Lincoln leaned his head down the right side of Selena Huanghuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and healed, and Lincoln kissed the spot where he bit her.

Selena Huanghuo:: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Selena Huanghuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selena Huanghuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selena Huanghuo.

Selena Huanghuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Selena Huanghuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Selena Huanghuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Arzette from Arzette: The Jewel of Faramore, Chaney, Haemi, and Jeanie from Z-Squad, Kousaka Monono, Kozue Kadowaki, Miku Sudou, and Sakura Igashi from Custom Cute ~Ore to Kanojo no Ikusei Battle!~, and Simulator Chastity Knott from Tex Avery.

Lincoln: Oh wow, it's Arzette from Arzette: The Jewel of Faramore, Chaney, Haemi, and Jeanie from Z-Squad, Kousaka Monono, Kozue Kadowaki, Miku Sudou, and Sakura Igashi from Custom Cute ~Ore to Kanojo no Ikusei Battle!~, and Simulator Chastity Knott from Tex Avery.

Nicole: Oh man, thank goodness Selena got them away from Hakkar.

Lincoln: Or they would've been next. Are you girls okay?

Arzette: Yes, we're okay, thanks to you.

Arzette: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arzette: (Seductive Voice and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arzette, Chaney, Haemi, Jeanie, Kousaka Monono, Kozue Kadowaki, Miku Sudou, Sakura Igashi, and Simulator Chastity Knott with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out that the villain we went after was Hakkar the Soulflayer from World of Warcraft.

But, when Lincoln showed what we did in beating him down and Lincoln, Cage Blunt, and Travis Tackett draining him of blood and assimilating all of his powers and abilities and Lincoln absorbing him and sending him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Selena Huanghuo have a lot of catching up to do, now that she's back in town.

Maria: Oh man! I had no idea that Hakkar was in Bubblaine, and it's awesome you, Cage, and Travis drained him of blood and assimilated all his powers and abilities, Lincoln.

Lincoln: I wasn't going to allow him to live any longer.

Nico: Looks like you got some guests joining you in draining evil vampires dry of blood, Lincoln.

Me: We should also join in as well, Nico, we also have fangs just like Lincoln.

---

After Lincoln and all of us beat down Hakkar the Soulflayer and Lincoln, Cage Blunt, and Travis Tackett drained him of blood and assimilated his powers and abilities and Lincoln absorbed him and sent him to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selena Huanghuo saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selena Huanghuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Selena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Selena Huanghuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Selena Huanghuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: Say, Hunter, I've been wanting to ask, but what memories did you have with Caleb before he died?

Me: I've been wondering about that too, same with all of us.

Hunter: (German Accent) No one's asked me about that before. I've got lots of memories I've had with Caleb, the first one I'll show you all today is how Caleb found out about what his dad and brother have actually been doing and how it led to Caleb telling his mom to get a divorce for the sake of his younger sister, Allie.

Hunter put a video which played on the big screen, and it showed Caleb Maxwell and Hunter from the past, and they were at Caleb's house and they were planning on going into his dad's house.

Past Caleb Maxwell: Okay, now we need to move fast. Mom said Dad will be gone for the day on business, this'll give us enough time to find out what Dad and Drake are actually up to.

Past Hunter: (German Accent) Right.

Caleb Maxwell and Hunter went into the room and carefully searched the room. Suddenly, an object caught Hunter's eyes: it was a massive ledger.

Past Hunter: (German Accent) Mein Gott. Caleb, I found something.

Past Caleb Maxwell: A ledger?

Caleb Maxwell and Hunter opened the ledger, and inside the pages were transactions made, but these transactions were of the distribution of weapons and firearms along with drugs and the total was over millions of dollars, and it listed the customers, many of them were known gangs in New York. This horrified Caleb Maxwell along with his mother.

Past Caleb Maxwell: Oh my God. So, this is what Dad and Drake have been doing all this time and far from our eyes. This Syndicate

Dad formed and became the head of are the reason for the sudden surges of crime, and Drake was also in on this as well. I've got to go to the police and show them this.

Past Marlene Maxwell: I'll get you to the police, honey, and also, I intend to get a divorce from that man and disown your brother.

Caleb Maxwell and his mom along with Hunter ran out of the house and straight to The NYPD of Cage Blunt's world, and when he showed the ledger of his dad's crimes to the officers, this was a breakthrough they were looking for.

Past Don Whitten: This is the breakthrough we've been looking for in the case, how did you…?

Past Caleb Maxwell: I wanted to find out what my father and brother have been up to, so we found this ledger in my father's room, and I was horrified. But, I'm so mad at my father and brother for this and keeping us in the dark. I want to put an end to this and get those two sent to jail.

Past Don Whitten: We'll help out. What time are they expected to be home?

Past Marlene Maxwell: 5:00 PM.

Past Caleb Maxwell: Then, that's when we spring our trap.

They went home with the police on tow, and at precisely 5:00 PM, Marcus and Drake Maxwell came back home, only to be ambushed by the police who came out of hiding along with Caleb Maxwell, Marlene Maxwell, his younger sister, Allie Maxwell, and Hunter.

Past Marcus Maxwell: O-officers, w-what brings you all here?

Past Caleb Maxwell: Cut the bullcrap, Dad. I found your ledger and told Mom about it, I'm so pissed off at you and Drake, I can't believe you both sunk so low.

Past Drake Maxwell: What the Hell?! I can't believe you called the cops on us! You're such a bitch, Caleb, you're gonna die for this! If you hadn't blabbed to those pigs, we would've finally been rich!

That of course pissed Caleb Maxwell off to High Heaven and he lost it!

Past Caleb Maxwell: That doesn't matter in the slightest! You're just as guilty as Dad, Drake! You knew what Dad was doing, and instead of telling me and Mom, you decided to join in his enterprise?! You're just a blockhead slimebag and a parasitic lowlife!

Lincoln: Whoa! You really lost it!

Caleb Maxwell: Here's where it gets intense.

Past Caleb Maxwell: I can't take this anymore, all the times you've lied to Mom, Allie, and I of what you've both been doing?! This is nothing more than a criminal enterprise you two have formed. That's it, I've had it with you two. Mom's getting a divorce from you, Dad, and since I'm 18 and an adult, I'm cutting off all ties with you and Drake, I don't ever want to see you two again.

Past Marlene Maxwell: I agree completely. Marcus, we're through, and Drake, you are no longer my son. Sign the divorce papers right now.

Marcus Maxwell signed the divorce papers, but before the cops could cuff them, Drake attacked the officer with a pocket knife and he and Marcus Maxwell escaped with the other officers going after him and the injured officer getting sent to the hospital, and he came out alive.

Past Don Whitten: Looks like they're running loose again.

Past Caleb Maxwell: I knew Drake was stupid, but this is a whole new level of stupid. But, I'm not blind to ignore that threat he made to me, now they're going to try and get revenge on us for turning them in. But, I'm not letting them run free, I'm going to study to become a police officer and take those two lowlives down.

Caleb Maxwell made his vow as the video ended.

Nico: Wow, that was some serious determination you showed, Caleb. Plus, you had some guts in trying to find out the truth despite it concerned your family.

Caleb Maxwell: I was scared at first, but after that day, my determination was made clear and if I wanted to protect Mom and my little sister, I needed to cut Dad and Drake out for good, they are nothing more than criminals. But, being the bastard he was, Drake came out of his hiding place two years later and with his hitmen, he ended my life.

Hunter: (German Accent) When his mom heard the news, she fell into a depression and Allie was unable to figure out what to do. Allie was eight at the time of the truth coming out and she was ten when Caleb was killed. Which means she's now eighteen and in high school, I wonder if the news of her brother's return from the dead hit her ears.

Me: There is one way to find out: Caleb would have to see her face to face.

Lincoln: We'll give you time though, Caleb.

We got a shower, and then, Lincoln, Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn are heading to Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Queen Dragun Djinn: Whoa, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Queen Dragun Djinn, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn dived into the water and they had fun swimming in the ocean and they also saw the marine life there, then, they went back onto the sandy beach and they had a volleyball game, and Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Queen Dragun Djinn: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn are in your harem, Linky.

Universe 666 Do-S, Universe 666 Psykos, Universe 666 Gravitina, and Queen Dragun Djinn showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Queen Dragun Djinn: Nope, not at all. But, Lincoln did have us all swooning when he lifted thirteen massive 900,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Ooh, they're in trouble!

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than The Thesulac Demon, and he's come back from the dead to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figures we sensed is none other than The Thesulac Demon, and he's come back from the dead to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, I thought I'd never have to see those demons again. Thesulac Demons are emotion vampires that feed on their victims to sustain themselves, and they do this via whispering into a victim's mind and playing on insecurities until the victim was driven insane. Thesulac Demons often haunt areas prone to having many humans, so as to play different victims against one another, but while feeding, a Thesulac Demon was invisible and intangible, much like a ghost.

Buffy Summers: And victims would go insane, commit suicide or perform violent acts such as lynching while under the effects of a Thesulac Demon. When forced into manifesting into the physical plane, Thesulac Demons are invulnerable to most attacks, save for large amounts of electricity.

Alexa Oleson: Leave this to me and Lincoln, Buffy.

Lincoln: If large amounts of electricity can damage a Thesulac Demon, I've got just the tactic to use on that monster.

Nico: If it involves taking a trip to Tesslos, he's so done for. Alright, gang, let's go, we may not have a mission since today's New Year's Day, but we still need to get rid of The Thesulac Demon.

Lincoln: We can't let him run free any longer, this is where he dies

here and now.

Alexa Oleson: Never again are we going to let that demon live any longer, today, he dies here.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Gotham Royal York Park to destroy The Thesulac Demon by taking the battle to Tesslos.

We arrived at Gotham Royal York Park to destroy Buffy's old enemy, The Thesulac Demon.

Me: We made it to the park. There's no sign of the demon.

Lincoln: It hadn't attacked anyone yet, but now, it's time to use my trap. (SNAPS FINGERS)

Lincoln snapped his fingers and we were on Tesslos. Suddenly, lightning crashed down like crazy.

?: (DEMONIC ROAR) YOU DARE TO INTERFERE WITH MY FEAST! I'LL KILL YOU ALL!

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from dark energy blasts that came out of nowhere and the barrier really stood strong against them and the dark energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) AHA! There's no mistaking the scent of blood from anywhere, you better come out now, Thesulac Demon, or we're forcing you out.

A pale faced demon in black appeared, it was The Thesulac Demon.

Brittney: Should've known you'd show up once again, you lowlife.

Alexa Oleson: But, this is where it all ends for you.

Suddenly, Alexa Oleson's pink eyes turned neon pink and she was surrounded by a black and pink energy aura with stars, darkness, dark magic, black magic, Satanic Magic, shadows, panthers, phoenixes, and angels, she unholstered her massive darkness greatsword, and as she approached The Thesulac Demon, she left black and pink energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, panthers, phoenixes, and angels with every step.

Alexa Oleson: You really are nothing more than a monster, all you've done is try to drive people insane and make them commit acts of suicide or other violent acts, so that you can feed off of them. You're no better than the coven of vampires who destroyed Barrow, Alaska seventeen years ago, and just like what we did to them, I'm going to destroy you once and for all and end your miserable life.

Suddenly, Alexa Oleson was surrounded by a massive vortex of black and pink energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are panthers, phoenixes, angels, and Neo-Spacian Dark Panther flying around the vortex, and in the vortex is a pink phoenix with blood red eyes glaring at The Thesulac Demon: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Alexa's right, what The Thesulac Demon's done proved he's no better than the coven of vampires who destroyed Barrow seventeen years ago. Now, the demon's going to be destroyed forever.

Then, as the vortex faded, Alexa Oleson emerged, but she was changed forever.

Alexa Oleson grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large midnight black and pink planets orbiting around her legs and fifteen smaller midnight black and pink planets orbiting around her waist, she has the body of a goddess, she has pink highlights in the bangs of her long midnight black hair and pink hairband with pink phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a black and pink energy aura with stars, darkness, dark magic, black magic, Satanic Magic, shadows, panthers, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Neo-Spacian Dark Panther emblazoned on her forehead and Third Eye with pink iris, she has on panther earrings with pink gems for eyes and holding the Star, Dark, Magic, and Eternity Kanjis in their paws, she also has Neo-Spacian Dark Panther with pink gems for eyes and holding the Star, Dark, Magic, and Eternity Kanjis in its paws for the second pendant on the bottom of her black panther-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and pink gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Alexa Oleson has on a black sleeveless vest, black sleeveless crop top, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long long-sleeved white trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, shadows, panthers, phoenixes, and angels on the coattails, and on the back is Neo-Spacian Dark Panther and on top is the symbol of the Barrow Anti-Vampire Defense Coalition surrounded by darkness and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a pink gem with neon glowing pink lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and

Bakugan to rest in. Suddenly, Alexa Oleson felt a sharp pain on her back, and then, her massive midnight black angel wings with pink tips on the large midnight black feathers grew much larger for her new body with a wingspan of 20'0" and medium sized midnight black angel wings with pink tips grew and sprouted out underneath her massive midnight black angel wings with a wingspan of 15'0" and small sized midnight black angel wings with pink tips grew and sprouted out underneath her medium sized midnight angel wings with a wingspan of 10'0" and she now has eleven massive and long midnight black wolf tails with pink tips and pink markings, Alexa Oleson has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Alexa Oleson's massive dark greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, panthers, phoenixes, and angels, and when it emerged, it was transformed into Alexa Oleson's True Cosmic Eternal Harmony Eternal Darkness Master Neo-Spacian Dark Panther Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Eternal Darkness Master Neo-Spacian Dark Panther Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded pink gems and Neo-Spacian Dark Panther and etched on the 8'0" massive, wide, double-edged midnight black blade, large midnight black panther heads with pink gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large midnight black panther heads with pink gems for eyes and on the bottom of the large midnight black panther heads is a large midnight black panther head with pink gems for eyes and pink gem in its mouth for the pommel, Alexa Oleson has on her brand-new large gold Bracers of The Champions of The Universe with large pink gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Neo0Spacian Dark Panther's head with pink gems for eyes and pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Alexa Oleson's Super Angel-Neo-Spacian Dark Panther-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Thesulac Demon saw it, he went ballistic and fired a blast of darkness at her to kill her, but Alexa Oleson fired a massive barrage of black and purple energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, panther, phoenixes, and angels which hit The Thesulac Demon and sent him flying into a wall, he got back up, but he was really really angry now.

Me: No way, did Alexa just transform?!

Lincoln: She did, now, we can tear The Thesulac Demon apart and make him pay for everything and with the lightning of Tesslos running rampant, he can't turn invisible.

Alexa Oleson, Lincoln, Nico, and I went after The Thesulac Demon, and we fired extremely powerful blasts of rainbow energy, black and pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Thesulac Demon and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Alexa Oleson also did the same by firing black and pink energy slashes from her massive greatsword and gold-plated dragon claws, and he, Alexa Oleson, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making The Thesulac Demon even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit The Thesulac Demon with full force, and he exploded into nothing and he was sent to The Black Abyss forever. Everyone cheered wildly for what Alexa Oleson, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Alexa Oleson's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large midnight black and purple planets orbiting around her legs, fifteen smaller midnight black and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive midnight black angel wings and medium sized midnight black angel wings and small sized midnight black angel wings underneath her massive midnight black angel wings are permanent.

Alexa Oleson: May you never return to hurt innocent people again to slake your hunger. Thanks for helping me take down The Thesulac Demon, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Alexa.

Me and Nico: Our pleasure, Alexa.

Suddenly, Alexa Oleson wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alexa Oleson's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Dark Panther flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Alexa Oleson sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that demon down and Lincoln fired that beam of rainbow light.

Me: And sent him to The Black Abyss forever. So, Lincoln, who's the next girl we're meeting on your rescue?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a buffalo made of indigo fire pass through the sky.

Panda Faye Ling: Was that…?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue for the 20 Days of Darkness anniversary: Helena Dianlanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Buffalo.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Helena Dianlanhuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of Indigo fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Buffalo, along with having angel wings along with having intense indigo fire powers. She's known as The Strongest Warrior of The Sisterhood of The Fists of Fire, because she's as strong as a herd of buffalos. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of indigo fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built, and she knew of Lincoln's spirit animal being the buffalo. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Helena hates Lynn with a blazing passion, because of what that super mega aggressive, belching, farting, superstitious gorilla has done to Lincoln in the past, and in one incident, she and Lincoln beat that gorilla up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and mega strong warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again.

Nico: And we really liked hearing about the memories you had with Caleb, Hunter, we've definitely got to hear more.

Hunter: (German Accent) Trust me, you'll love hearing them.

---

Later it was time for Lynn, Minuette and Cammy's third mission.

Nico: Anyone else want to go with Minuette, Cammy Bolton, and Lynn? Besides Grinder, Shiv, Mr. Pig, Roxy, Rango, and Kermit?

Anakin: I'll come.

Raven Branwen: So will I.

Maria: I'll go too.

Pinkie Pie: Me too!

Me: Okay.

Nico: Lets go then.

We were off.

---

We arrived at VTL HQ.

Gai Kurenai: Hey guys!

Nico: Guys, you already met Rango. Now, meet Grinder, Shiv, Mr. Pig, Roxy, and Kermit.

Grinder: Pleasure to meet you guys. I'm Grinder.

Me: You may know him as Shuen from Gekirangers.

Shiv: Name's Shiv.

Mr. Pig: Mr. Pig. (LOUD FART)

Nico: Nice.

Roxy: I'm Roxy, Fairy of Earth and Animals

Kermit: And I'm Kermit!

Gai Kurenai: Awesome! And a great honor.

Anakin Skywalker: Anakin Skywalker, general of the Jedi Order.

Raven Branwen: Raven Branwen.

Maria: And I'm Maria Dunbar, Second in Command of the Redemption Squad.

Gai Kurenai: Wow! An honor.

Me: And you met Pinkie Pie.

Pinkie Pie: Yeah he sure did.

Gai: Kermit, you're one of the Muppets, right?

Kermit: That's right.

Me: We met the Muppets in honor of their creator the Great Jim Hansen.

Eli: Yeah he was awesome.

Me: He sure was.

Gai Kurenai: May he rest in peace.

Me: Amen.

Gai: Also, I heard about you guys killing Galactus.

Me: Yeah we sure did.

Naomi Yumeno: We saw a massive huge ball of energy and it was huge!

Me: That was my spirit bomb. It was as big as half the galaxy.

Eli: Yeah it was massive.

Gai Kurenai: Wow! You guys did a great job. Congratulations.

Me: Thanks. That was epic.

Gai: My advice? After today, you guys should take it easy until the anniversary of the 20 Days of Darkness.

Nico: Tempting. But you know we can't just sit on our asses and be lazy until then.

Gai: You could spend that time taking out the remainder of Flip's thugs as well as finally taking down the Stankco family.

Nico: Now THAT, we can do.

Me: Always good to get rid of him. Also later today we're having a party to celebrate the start of the new year. You're welcome to join us.

Eli: We're going to recap our major adventures of 2023.

Gai Kurenai: We would be honored guys.

Naomi Yumeno: Count us in.

Nico: So, what's been going on since last visit?

Gai Kurenai: Well…

The alarm went off and we went to the computer and saw BEZELB ATTACKING!

---

The children to Queen Bezelb, they were represented as darkness to the War Deity's light and was meant to be defensive systems of the Tree of Life should intelligences becomes nuisance to the universe, until they defected and contemplate to destroy said tree. Now led by Psychi, their mission is to spread to the entire universe and infect any being in their sight, doing so to empower Queen Bezelb's Kugutsu.

One single Bezelb was on Planet Rurin, who infect a pair of Rurin natives into fighting each others before the intervention of Gai and Juggler. After said Bezelb killed its victims, Gai transformed into Ultraman Orb where he first had the difficulty of fighting said monster until he managed to defeat it in his second fight, marking it as his first kill.

On Zain, a swarm of Bezelbs participated in fighting against the intruders, as well as Ultraman Orb and Dyna before they left with Psychi's ship. As the ship arrived on Kanon, the Bezelbs infected Vakishim and Verokron as part of their ranks to join them in the raid, provoking Amate to transform into the War Deity. Dawn Smaller platoon of Bezelbs are shown fighting against Kanon's defense army, with one successfully killed Micott and provoked Juggler's first transformation into a Majin, leading to the destruction of the Tree of Life.

The troop retreated to Psychi's ship and arrived on Earth, where one of them kidnapped Shohei before Orb rescued him. Sound Two other giant Bezelbs had also fought against the Earth Ultramen Gaia and Agul before an entire army gathered to protect the Tree of Life under Psychi's orders. Touch. After the Queen successfully infect and turned the War Deity into a Kugutsu bomb, the Bezelbs protected her by successfully incapacitating resistances of their campaign. They soon participated in the final battle, now lead by Psyqueen to fight the Ultra Warriors and destroy the Tree of Life. Heat Haze Following Queen Bezelb's death, the Bezelbs are nowhere to be seen afterwards, with the race presumed to be extinct.

Me: Bezelb! I remember him!

Eli: This will be good!

Nico: Yep. Lets get a move on!

We were off!

Eli: Guys wait!

Me: What is it?

Eli: Something's wrong with Gai. I sense a disturbance in the force.

Anakin: I sense it too.

Me: What is it?

We saw Gai in sort of a trance.

Me: Gai are you okay?

I snapped my fingers.

Me: He's mesmerized by something.

Anakin: Good thing I came after all!

Me: You sure did Anakin!

Gai ran.

Me: Where's he going?

Nico: We better follow him.

Me: Wait I'm getting a sense of deja-vu here.

We followed Gai and he was heading to the forests.

We went down into the tunnel and crawled and then we heard singing.

Me: Wait shh! Hear that?

We heard divine singing.

Varie: Yeah I hear it.

Me: Sounds like mermaid singing.

Nico: Uh oh.

Maria: This seems familiar.

Eli: It sure does.

Varie: I hope it's not mermaids from Whitecap Bay.

Me: No this is Japan. The mermaids of Whitecap Bay are all the way over in the Caribbean.

Minuette: We better see what it is.

We crawled on and saw a light and we got out of the tunnel and to our shock and amazement we saw AN AMAZING AND BEAUTIFUL HIDDEN NATURE OASIS IN THE MIDDLE OF THE FOREST! IT WAS COMPLETELY SECLUDED AND THERE WAS A GIANT TREE IN THE MIDDLE OF IT THAT KEPT IT HIDDEN! And there was a huge lake that surrounded the tree!

WE GASPED!

Nico: Wow!

Eli: Look at this!

Me: Incredible! A secluded hidden forest oasis! That giant tree reminds me entirely of the Hidden Waterfall village.

Eli: This is amazing!

Me: Except there's no hidden village here.

Lynn: Why would gai come here?

Me: Maybe that singing has to do with it.

We heard the singing and we saw something by the tree in the lake.

Me: Look.

We got closer and hid in the tall grass and saw Gai on a rock with a Mermaid that had black hair and gorgeous blue eyes and she had black mermaid tail.

Nico: She's beautiful.

Lynn: Yeah.

Me: Wait I know that mermaid.

Nico: You do?

Me: Yeah. Her name is Sialla and she is a Mermaid from the Dark Side of the legend that I saved from herself.

Nico: Wow.

Me: I helped her become a better girl. But she must've wandered in here by mistake and is looking for a way out.

Nico: Hmm.

Lynn: Let's get her attention.

Me: Good idea.

I took a rock and threw it into the water.

SPLASH.

She looked around.

Me: I'll face her.

I got up and went over and walked on the water to her.

Me: Sialla it's okay. It's me.

Sialla: (Echoing voice) J.D. its been a while.

Me: It has been a while. It's amazing that you found this hidden oasis here in Japan.

Sialla: It is amazing.

Me: (In my head) I sense a terrible darkness inside her. Someone has possessed her. (Out loud) Sialla I sense a dark force in you. Just like what happened when we helped Blu and Jewel in Matau's missions, we can help you get it out.

Sialla: You can?

Me: Yeah.

Nico and everyone came.

Nico: But first, let Gai go.

Sialla then clutched her head.

Sialla: (In a male voice) Well well well! Long time no see Monkey face!

Nico: (GASP) That voice! Brightburn!

Me: Brandon Breyer!

Nico: How the fuck did you possess her!

Me: You're a ghost now!

Brightburn: That's right and now I can get my revenge on you Saiyan!

Nico: Come on out and face us coward!

Brightburn: Fine this woman body doesn't suit me anyway.

He then left her body and materialized.

IT WAS BRANDON BREYER A.K.A. BRIGHTBURN!

Gai came over with a headache.

Gai Kurenai: What happened? (GASP) Who is that?

Me: That's Brandon Breyer A.K.A. Brightburn. He's an old enemy of Nico's. He's what's called a Thalionian. Nico's race the Saiyans of Planet Vegeta and the Thalionians of the planet Thalios were locked in a terrible battle that always ended in a stalemate. Nico's ancestors and Brightburns were drawn to battle and it always ended in a draw. But as fate would have it the planet Thalios was destroyed when their parent star went nova. Brandon landed in Brightburn, Kansas years ago. Nico battled him 10 years before he joined us and it was a draw like old times. Nico and all of us killed him back in 2021.

Gai Kurenai: Oh man! Wait! I've heard about the Decimation of Brightburn, Kansas! That was horrible! I had no idea this kid did all that!

Me: He's what we call Superman Gone Evil!

Eli: Yeah!

Brightburn: Lemme guess. You're gonna make some referenced line and kill me, right?

Nico: No. Don't get me wrong. I do hate you. But you probably wouldn't have turned out this way if you were raised right. So, you get to live to see prison.

Me: We killed you once so you're not worth it.

Eli: Besides we're not the same as we were when we fought the last time.

Nico: Now, why don't you come quietly so we can go after our real targets?

Brightburn: Yeah, funny you should say that.

Me: First lets not fight in here. This place is too beautiful for that.

Brightburn: I agree with you Knudson.

I went and brought Sialla over and Varie put her in a ball of water.

We went outside and then Bezelb came and he roared.

Eli: Time for some Kaiju power! DESTOROYAH!

DESTOROYAH CAME! HE ROARED!

Destoroyah: So Bezelb next. This will be good.

Me: I'll face Brightburn this time.

Nico: Okay. I had my shot at him last time. Now it's your turn J.D.

Me: Thanks.

I powered up!

I then transformed into my new SUPER ANGEL-EBONWU-VAMPIRE-WEREWOLF-DRAGON-DEMON-MERMAID-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL JUSTICE AND COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL HOPE form!

Gai Kurenai: WOW! Your transformation is incredible J.D.

Brightburn: Too bad it won't save you.

Me: **Keep on telling yourself that Brandon. You think Superman would have done the things you did Brandon? Absolutely NO FUCKING WAY NOT!**

He flew at me and I went at him and then we collided and then…

KRABLAM!

Our fists collided and a massive shockwave blasted out with lightning and fire blasting out.

Me: **Caitlyn is absolutely disgusted with you!**

Brightburn: DON'T YOU DARE SAY HER NAME!

I punched him in his face.

Rango: NOW I use my Vistamp!

MAN MAN!

He fired energy waves and blasted Bezelb all over!

Kermit got out his Vistamp!

ABNER AND EWALT!

Kermit: This is farm power!

He fired energy waves and blasted Bezelb!

Destoroyah fired a Microoxygen ray and blasted him all over in powerful fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOMMMMMMMM!

Nico: YEAH!

I teleported and kicked Brightburn in his stomach and bashed him in his face and kicked him in his neck, chest and head! I punched and bashed him and Blasted him all over and pulverized him. I then went at Brightburn with extreme force and punched him all over the place with extreme savagery! I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit Brightburn all over and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down.

Me: **I told you I wasn't the same as I was before. And in case you haven't heard about it we just killed Galactus!**

Maria: Time to call in backup. I know what team can handle your heat vision! (TURNS DIAL) FIRE KONG FORCE!

She summoned Fire Kong, Cockroach Man (Kamen Rider), ROTTEN PATTY! (FOGHORN!), Daikon Radish World, Dr. Negative.

Fire Kong: Awesome!

Dr. Negative: What the? Brightburn!? I thought you guys killed him back in 2021!

Nico: We did but his ghost never left.

I punched Brightburn!

Me: **Brandon how can you turn into this monster!? You would have turned into an amazing hero and yet you turned into this monster that's hellbent on destroying the world. What caused you to become like this?**

Brightburn: I'll tell you why! BECAUSE EVERYONE HATES ME! THEY WERE SCARED OF ME!

Me: **Because you made them that way! You made them scared of you because of your own selfish actions! And now look what happened!? You wiped that whole town off the map and made everyone scared of you!**

Brightburn: Good! Then I can finish what I started.

Me: **You'll have to get passed me first!**

Fire Kong: Bring on the heat!

Brightburn: Gladly! (fires heat vision at him)

The heat vision got absorbed into him and Fire Kong fired it back at him and blasted him down.

Me: **Nice one!**

Roxy got out her Vistamp!

ZEXION!

Roxy: Here's this illusion!

She showed Brandon an illusion of his planet BEING DESTROYED BY FRIEZA!

HE SCREAMED!

Nico: YEAH!

Me: **And I found your big weakness!**

Brightburn: What is it!?

I unsheathed my sword and the blade turned into a neon red crystal that glowed and it emitted a powerful hum and then BRIGHTBURN GOT WEAK AND WAS IMMOBILE!

Brightburn: NO! WHAT'S HAPPENING TO ME!?

Me: **Thalionite. It's a mineral that we recently discovered. It affects Thalionians and renders them weak and powerless. Like how Kryptonite works on Superman!**

Brightburn: NO! Bested by a human!

Nico: Destroyed the last of them when your planet blew up? Sure. But we've been visiting different Earths

Me: **That's right. Also This human has powers not even you can fathom. Also we're not going to kill you again. So you should consider yourself lucky that you're not going to die again like you did before. Instead we're going to give you prison to think about what you did and then if you behave we'll give you a position in the Masters of Evil.**

Nico: I like it.

Brightburn: (Groans)

We put Red Sun bracelets on him and neutralized all his powers.

Me: **How about that. Red Sun energy affects Thalionians too.**

Nico: Nice.

Gai: I hate to break up the moment but-

Me: **Yeah you're right.**

We got back to fighting BezelbEli: Take this!

He fired Force Lightning Blasts and electrocuted him!

Me: **Yeah!**

?: HIYAH!

A girl with blond hair and red eyes and black clothes and Angel wings and a tiara with Slamworm on it came.

Me: (GASP!) **Sienna Slamworm!**

She smashed into Bezelb and knocked him down!

Sienna Slamworm: (Grunts) Looks like the fun started!

Me: **Thanks Sienna!**

Sienna lost control and charged at Raven Branwen

She went at her and Raven kicked her and slashed at her with her sword. Sienna dodged it and I fired the antidote beam into her.

Me: **There.**

?: (ECHOING) HOWLING LASER!

A laser blast hit Sienna and blasted her down.

Lobomon then came!

Me: **WHOA! Lobomon!**

Nico: Cool!

Lobomon: (In a girls voice) Looks like I got here just in time.

Nico: Winona Wolf! Wow!

Lobomon: Awesome to see you again Nico. I'll handle Sienna.

Me: **Okay** .

We went at Bezelb and blasted him.

Gai turned into ULTRAMAN ORB!

Anakin charged at her and fired a Force blast and pushed her down.

Winona reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings, blue wolf ears and a blue tail and had Lobomon on her forehead and skirt and the Light Spirit Kanji on her arm and she had a Blue blade Lightsaber in her hands.

Winona Wolf: This will be good.

She fired light blasts and blasted her all over.

Anakin got out his Vistamp!

DR. DESTINY!

He fired lightning blasts and electrocuted her.

Me: **Time to finish this!**

Anakin used a Force Choke on her.

Anakin: (to me) I know it's harsh. But it's only until the antidote takes effect.

Me: **Understood Anakin.**

Then the antidote took effect.

Me: **That was fast.**

She was back to normal and her eyes were blue.

Me: **There.**

Sienna coughed.

Sienna Slamworm: What hit me?

Me: **Ugly story.**

Nico: Lets do it!

Destoroyah: Lets!

Ultraman Orb: Yeah!

They fired a massive blast of energy and it hit Bezelb and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: **YEAH!**

Nico: Bezelb you have failed this city.

Me: **Yep.**

We saw Brightburn getting up.

Then Eli, Anakin, Winona and me ignited our lightsabers and pointed the blades at him.

Me: **Don't even think about it.**

Eli: In the name of the Galactic Senate of the Republic, You're under arrest Brandon Breyer.

Brightburn: You'll have to kill me.

Nico: Tempting but no. There's been enough killing involving you.

Me: **That's right. Besides like I said, if you behave you get to have a spot in the M.O.E.**

Nico: Yeah.

Winona Wolf: I agree.

Me: **You can have Justice Lord Superman's old cell.**

I snapped my fingers and beamed him there.

Nico: Nice.

Winona Wolf: That was cool!

Me: **It sure was.**

We powered down.

Lynn: Yeah! Do you have a favorite memory of Nico?

Winona Wolf: I sure do. When me and Nico watched the Wolf Moon together on my family's wolf sanctuary and we loved hearing the wolves howl with it.

Nico: That was cool.

Eli: Awesome.

Me: Yeah.

Nico and Winona hugged.

Nico: I've missed you.

Winona Wolf: Same here.

Me: This was an awesome battle and adventure.

Gai Kurenai: It sure was.

---

We later went back home.

May: How did it go guys?

Me: Really amazing and we had an intense surprise.

We told everyone and they gasped in shock!

Lori: Are you literally serious!?

Laney: Brightburn was back!?

Caitlyn Connor: I thought we were rid of him!

Me: So were we. But we decided to let him live and we locked him up in Justice Lord Superman's old cell.

Camie: Good call.

Nico: Yep.

Nico: Next time, Ikki and Vice, Tsukasa, and Kita Birmingham should come

Me: Good idea.

Ikki: Yeah!

Tsukasa: Awesome.

Lola: Yep. And Lincoln and us can come with too.

Lynn: Awesome idea Lola.

Me: Yep.

---

Johnny Bravo was walking down the street when a bus pulled up.

Woman: Hey look girls! IT'S JOHNNY BRAVO! GET HIM!

Then the girls starting beating and kicking and pulverizing the living shit out of him!

Back with us we were walking down the street too.

Nico: What a nice day.

Laney: It sure is.

But then we saw the girls beating up Johnny!

Me: What the!?

Nico: Geez those girls are really bashing him apart!

Melpha: NO ONE BEATS UP MY BOYFRIEND! HEY YOU BIMBOS!

They saw Melpha!

Melpha: PICK ON SOMEONE YOUR OWN SIZE YOU BITCHES!

She went and punched and kicked and pulverized them all over!

We got Johnny and helped him.

Me: Boy some people just don't know how to let go of a grudge.

Johnny Bravo: (Groans)

Nico: We leave you alone for a few minutes and this happens.

Qin: Yeah.

Johnny Bravo: Those girls really have it out for me.

Melpha was beating the girls up and thrashing them bad like how the Vengeance Express was mangling up the Eds.

Nico: You okay?

Johnny Bravo: I'll be fine. I've handled beatings like this before.

Qin: Oh yeah you sure did.

Nico: Yeah.

Melpha REALLY THRASHED THE GIRLS BAD!

She stopped and came back dusting herself off.

Melpha: That will show them.

The girls were REALLY BASHED AND PULVERIZED BRUTALLY.

Me: Whew! No kidding.

?: Showed those bimbos what for!

We saw a girl with red hair, orange eyes, red clothes red angel wings and a tiara with the symbol of Burn Dinorex on it.

Alli Dinorex: Alli Dinorex, Embodiment of Burn Dinorex.

Maggie: Been a while Alli.

Haiku: Looking good.

Alli Dinorex: Been a while Haiku and Maggie.

Poromon: How did you meet Maggie and Haiku?

Alli Dinorex: I met Maggie when she was having her birthday party at school. Everyone wasn't looking at her so I gave her some attention and sat next to her and we shared some cake. She and I became good friends. I even taught her how to use fire magic.

Maggie: She is quite skilled in elemental magic.

Me: Cool!

Alli Dinorex: And I met Haiku with Lucy when they were at the graveyard doing a funeral for one of Royal Woods own. It was sad but they did a great job.

Lucy Loud: That was a good funeral.

Nico: Awesome. Would you like to join us?

Alli Dinorex: I would be honored.

Lincoln: Nico, can you explain to me why the Hell you spared Brightburn?!

Nico: Lincoln, Brightburn and I will probably never be the best of friends.

Lincoln: Then why spare him?

Nico: Because while he did kill people, some of the population of the part of Kansas where he grew up isn't exactly innocent either. They treated him like a monster instead of a person. The whole reason Superman became a hero was because he was raised by people who taught him right from wrong. That's something Brightburn never had. So, while Brightburn deserves to be punished, he doesn't deserve to die. At least not this time. (to Tori Breyor) I mean no offense to you, Tori.

Tori Breyor: None taken Nico but I do agree with you.

Naruto: I know how he feels myself. I didn't kill people like that though.

Fu: Yeah me neither. He was treated the way us Jinchuriki were treated. He wasn't looked at as a person but the monster he was. Just like we were looked at as the monsters we carried.

Camie: Ouch.

Me: Yeah. That was terrible. But Nico does have a good sense of judgement. Brightburn will be punished but no death. It's why I said he will be in the M.O.E. If he behaves.

Camie: Good call.

Nico: Also another reason is that he is also one of the last of his kind. I couldn't just let his race go extinct like that with me killing him.

Qin: That is true.

Me: Yeah.

Nico: Yep.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: MagnaAngemon next.

Me: Ooh! That will be an awesome one.

Qin: Yep.

Nico: Lets head to the party. And Caitlyn I'm sorry about all the pain that Brightburn caused you but you have to trust me on this judgement.

Caitlyn Connor: I know Nico and I trust you on your judgement 100%. It's your decision.

Nico: Thanks.

We went to the party.

At the party we were celebrating.

Poromon, Poliwag, Manaphy, and Horsea: HAPPY NEW YEAR'S, EVERYBODY!

Me: You too guys!

Gai Kurenai: Thanks for inviting me guys.

Lynn: No problem Gai.

Nico: So much has happened the past year.

Me: Boy no kidding.

Qin: Wow!

Gai Kurenai: Man you guys were really busy in 2023.

Me: Tell me about it.

Moondancer: Yeah no kidding. First there were my missions

Lynn: That monster.

Shiv: By the way, Lynn, you should take care of that Hitmontop.

Lynn: I will Shiv.

Shiv: Good.

Gai Kurenai: Man Dark Eddy gave you guys a lot of problems!

Qin: That is an understatement.

Me: Coincidentally the appearances he did were very similar to what happened in Donbrothers with Don Torabolt.

Nico: Yeah very similar!

Gai Kurenai: Wow!

Me: Yeah.

Gai Kurenai: What did he look like?

Me: Like this. I haven't shown this in a while.

I showed him a picture of him and he looked like Eddy but with Piercing Red Eyes.

Gai Kurenai: Geez! Talk about having an evil twin.

Me: Tell me about it.

QIn: Yeah.

Nico: I used my magic to put a curse on him so that he would only appear during 24 first missions and after the final mission he would be banished to the black gates

Gai Kurenai: Wow! That is amazing.

Fu: It sure was.

Nico: Yep.

Halinor: My missions were next.

Me: Yep. We went to the planet Xenoc and had awesome race battles there.

Ultrox: Yeah those were really fun.

Gai Kurenai: Wow!

Erica Haddock: My missions were next

Zixx: That was with me and those were fun.

Me: That put a lot of our technological expertise to good use.

Courtney: And it was awesome helping Zixx too.

Me: Courtney and Zixx were very good friends for a while.

Nico: Yep.

Gai Kurenai: That is amazing.

Matt Olsen: My missions were next.

Ty Rux: Yeah Matt and everyone helped us do all kinds of things.

Me: Yeah we used our Zoids for those missions and they were fun.

Nico: Yeah and we really put a lot of construction skills to good use.

Qin: We sure did. Those were fun.

Ty Rux: Yeah no kidding.

Garby: (LAUGHS) Yeah it sure was! (LAUGHS) (LOUD FART TOOT)

Me: (LAUGHS) Garby has a gas problem but we get a good laugh out of it.

Gai Kurenai: (LAUGHS) That is funny.

Ellie Singh: Next were my missions.

Me: That was with Gingka and that was awesome.

Xenia: Yeah!

Gingka: We battled many of our enemies and man were they tough.

Me: They sure were. But the Beyblades we used during those missions were so fun.

Camie: Yeah.

Ellie Singh: Yeah and it was cool.

Gai Kurenai: Wow! That is awesome.

Me: Yep.

Himiko: We even have our own Beyblades too.

Me: Yep. But some of the Beyblades we say made people go absolutely fucked up nuts.

Gai Kurenai: Geez! I'm glad you guys saved them.

Me: No kidding.

Evelyn: Next were my missions

Me: With the Blade Team and we found Kazuma on a planet made entirely out of sweet potatoes and that was a dark story behind it.

Nico: He and Hajime were not allowed to be in contact with one another or the results would have been devastating.

Gai Kurenai: Oh man! Yeah I heard about what happened with the Blade Team and how the Undeads wanted to turn the world into a War World and that is terrible!

Me: I know. But we saved them and stopped that from happening.

Camie: Thank goodness.

Nico: Yeah.

Apple Bloom: Our missions were next

Me: Yep and the Cutie Mark Crusaders did an amazing job during their missions.

Sweetie Belle: We learned so much about law enforcement and we had a lot of fun.

Scootaloo: Boy we sure did and we brought down Lila.

Gai Kurenai: Wow! Yeah I heard how you guys did that. Well done to all of you.

Apple Bloom: Thanks.

Applejack: (LAUGHS) Yeah my sister and her pals did great back then.

Me: And we're really proud of them.

Kita: My missions were next

Me: Yep.

Vice: The team found me on the planet Mustafar and it was hot.

Me: It sure was.

Gai Kurenai: Whoa! Mustafar is a hot place.

Me: No shit there. But it was awesome. And we helped the Revice Riders battle many of their enemies. That was so fun.

Ikki: It sure was.

Me: And the Revice Riders are were we got the Vistamps from.

Gai Kurenai: That is amazing!

Me: Yep.

Nico: Yeah.

Me: And we call Vice the Kamen Rider Revice version of Deadpool and he is just as funny.

Deadpool: (LAUGHS) You got that right! (To the viewers) He and I have so much in common.

Jamesdean5842: No doubt on that.

Me: Yep.

Vinyl Scratch: My missions were next.

Me: And those were scary and dark.

Jun: Yeah.

Gai Kurenai: I can't believe all that happened. Man I heard all about what went down in those times.

Brittney: Yeah it was terrible. Jun went through a nightmare with those monsters.

Me: Especially with that monster Satoru! That guy was a motherfucking asshole douchbag!

Gai Kurenai: Yeah I hate that guy! I would have come in to help you all but it would be risky.

Me: No worries Gai.

Irena: Next were my missions

Me: Irena's missions were in a world where Humans and Animals were locked in a TERRIBLE war because of a jerk named High Roller that played both sides for fucking patsies. They were locked in a terrible battle.

Gai Kurenai: That's terrible!

Me: Yeah it was.

Nico: If there's one thing we hate more than anything it's people being used as pawns to start wars.

Nicole: Yeah.

Me: But it was awesome helping the First Squad bring down Twin Masters too.

Xenia: And we threw High Roller in jail.

Nico: Yep.

Gai Kurenai: Good riddance. Shouldn't you guys have given him the Black Gates?

Me: Nah. High Roller was pretty much a lackey. Twin Masters was the bigger threat.

Cassidy: My missions were next.

Gai Kurenai: Whoa! That was with the 555 team right?

Me: That's right.

Gai Kurenai: I heard rumors flying around that you guys killed that jerk rider.

Me: That was Masato Kusaka A.K.A. Kamen Rider Kaixa and he was a total nasty douchebag.

Nico: Yeah we hated this guy! Especially for how he treated his fellow riders including Takumi.

Takumi: Yeah he wanted nothing more than to kill me.

Me: What REALLY INFURIATED US was the fact that he did not just murder but rape and torture! (GROWLS IN RAGE) I hate that son of a fucking bitch!

Gai Kurenai: I don't blame you guys.

Cassidy: Yeah. J.D. cut his head off and put it on a spear and sent it to Kazuma.

Kazuma: It's true. J.D. promised to send us his head.

Me: Yep.

Qin: Yeah what an unpleasant monster!

Me: Yep. But his universe 666 Version is much more tolerable and honorable too.

Lola: Yeah.

Gai Kurenai: Universe 666?

Me: It's a universe where WE were the bad guys and some of the villains were the good guys.

Nico: It's a really complicated story.

Gai Kurenai: Oh man.

Lynn Sr: Food's ready!

Me: Oh time for grub.

We went and got to eating.

Me: (Eating burgers) Mmm!

Gai Kurenai: (Eating burgers) Mmm! Delicious.

Poromon: Yummy!

Me: Yep.

Nico: How do you like the food?

Gai Kurenai: It's delicious!

Goku: (LAUGHS) It sure is.

Xenia: All the food at Lynn's Table is delicious.

Me: Because Mr. Lynn and everyone here makes it all with love and the comforts of home.

Cassidy: Yeah.

Me: Yep

Nico: Now, where were we?

Gai Kurenai: We were at Cassidy's missions.

Nico: Oh yeah.

Me: All in all that was awesome.

Cassidy: It sure was.

Yan Lin: My missions were next.

Me: Yep.

Jim Lake: Those were awesome.

Me: Yep. Jim and I go way back. I helped him and his friends beat some of his enemies years ago.

Nico: It's true.

Gai Kurenai: That is amazing.

Me: It sure was. And the shocking part of that whole adventure was when Morgan Le Fay made Claire do all that bad stuff.

Gai Kurenai: What did she do?

Me: Uch! Don't fucking ask.

Claire: You don't want to know.

Gai: Was it cocaine or beer?

Poromon: Actually, neither.

Me: She smoked Marijuana.

Gai Kurenai: Oh.

Claire: Blech!

Qin: Yeah. But it was because she did all that against her will. Morgan Le Fay made her do that.

Yan Lin: But we saved her from her.

Hay Lin: But I'm really proud of my grandma.

Qin: You should be Hay Lin.

Nico: Yeah.

Gai Kurenai: That is amazing. And wait Morgan Le Fay? You mean the ancient sorceress from the legend of Camelot?

Me: The very same.

Brittney: She was the most powerful evil sorceress ever known and believed to be the very mother of dark magic.

Nico: Yep.

Gai Kurenai: Where did you guys find Brainiac 5?

Me: We found him on the planet Odym, the homeworld of the Blue Lantern Corps. He went there to find his spiritual center.

Gai Kurenai: I see.

Me: Yeah.

Missy: My missions were next and they were cool.

Me: Yep. We met Jason and his friends and battled Stankfoot. It was a really ugly story that involved playing with Fire.

Nico: Yeah. One of their enemies fired a massive rocket that was going to destroy the entire planet.

Me: I rammed into that rocket and blew it up in space.

Gai Kurenai: Wait that massive flash of like was a massive explosion caused by the detonation of that rocket!?

Me: Yep.

Gai Kurenai: Wow! That is intense!

Xenia: It sure was.

Leeli: We were shocked hearing and seeing it.

Ellie: Yeah we were. But it was cool.

Me: Yep.

Gai Kurenai: Why was he called Stankfoot?

Me: Well for obvious reasons his feet smelled like shit.

Nico: Yeah.

Gai Kurenai: Yuck! Didn't he need to take a bath?

Me: No this is different. Jason, Ellie and Matt and many of their enemies became the way they were because of a strange mutagenic ooze.

Gai Kurenai: Oh that's why.

Me: Yeah.

Trixie: The great and powerful Trixie's missions were next!

Me: Yes they were!

Artha Penn: We had our missions riding dragons.

Me: Yeah those were fun. We had a lot of fun with our dragons there.

Gai Kurenai: That is cool!

Me: Yep. Also Trixie is called the Great and Powerful Trixie because she's a magician and she knows all about magic.

Trixie Lulamoon: It's true.

She did a trick and made a huge watermelon appear and she threw it and it hit Marv in the face.

Me: Nice shot!

Trixie: Thank you.

Me: We went to Artha's world to stop a Dragon War that was going to be sparked. We couldn't let that happen.

Gai Kurenai: Wow!

Me: Yeah I know. It was a war between humans and dragons and it would have been a nightmare.

Qin: Yeah.

Lewa: My missions were next. They were long overdue

Gai Kurenai: Why? Didn't you have them with the other Toa?

Lewa: No unfortunately we had other missions to worry about.

Me: Yeah.

Valient: Lewa helped us beat some Nazi falcons.

Me: Those missions were in Normandy, France. It was the sight where D-Day took place on June 6th, 1944. I told Valiant about everyone that my grandfather did back then. He fought in the North Africa Campaign back in 1943 and that was a harrowing battle for him against the forces of General Rommel.

Gai Kurenai: Oh wow! That is amazing.

Nico: Yeah. And during those missions we reunited J.D. with Sakura here.

Sakura Knudson: It's true. I was turned into Another Ultimate Humongousaur and I was reunited with J.D. after 10 years.

Gai Kurenai: That is amazing.

Sakura Knudson: Everyone says that I look like a carbon copy of Sakura Haruno.

Sakura Haruno: It's true. Everyone calls her Sakura Haruno II.

Gai Kurenai: That is amazing and cool.

Me: It sure is.

Lyra: Next were my missions.

Me: Now those we had a lot of fun. From the start of 2023 to April we battled each of the Donbrothers Monsters from episode 1 on up to the end and we battled them one by one and at the same time not only helping Lyra prepare for her missions but also LIVING each episode of Donbrothers.

Taro: It's true.

Qin: That was really fun.

Me: Yep.

Camie: And really epic.

Gai Kurenai: Wow! That is amazing.

Lyra Heartstrings: Boy it sure was. We had a lot of fun on those.

Camie: Yeah.

Me: Nico had me under a cloud of suspicion that lead him to think that I can turn anyone into Hitotsuki's by causing villainous breakdowns.

Gai Kurenai: WHAT!? That's preposterous! You don't even have that kind of power.

Me: I know and I told him we don't do that.

Qin: And it took an evil Sasuke battle to prove him wrong.

Leeli: It sure did.

Xenia: Yeah.

Kadma: My missions were next.

Me: Yeah and that was awesome. We met the Agito team.

Shouichi: That was fun too.

Me: Yep and we found Ryō Ashihara A.K.A. Kamen Rider Gills all the way over in Cambodia.

Ryō Ashihara: It's true.

Gai Kurenai: That is amazing.

Me: Yeah it was.

Cadance: My missions were next

Blossom Z: That was for meeting us.

Me: Yeah we were amazed with that one. The Powerpuff Girls Z unlike their prime universe counterparts were made with Z-Waves whereas the Powerpuff Girls here were made with Sugar, Spice and Everything Nice and an accidental dose of Chemical X. They had the same kind of villains but a different creation story.

Gai Kurenai: Oh! That is cool.

Me: Yep. And we battled HIM there.

Gai Kurenai: Man I heard about what he did to that version of Earth if you had stopped the 20 Days of Darkness. That was horrible! Thank goodness that didn't happen here.

Me: I know.

Blossom Z: And we were normal girl until we were hit with Chemical Z

Me: Yeah.

Gai Kurenai: Wow!

Me: Like I said, Same heroes and villains, different creation story.

Nico: Yep.

Qin: That was cool though.

Flurry Heart: My missions were next

Nico: And those were fun.

Flurry Heart: We faced Shadow Pokemon and captured them.

Lola: Yeah those were cool and we purified them.

Camie: Yeah that was fun.

Gai Kurenai: Wow! That must've been fun.

Me: It sure was.

Julie: Next were my missions.

Me: That was awesome. See that huge ring outside?

He looked and saw Ringworld.

Gai Kurenai: I wondered what that was.

Me: That's Ringworld. We helped Sarge and Carolina and their teams destroy some of their enemies.

Xenia: Yeah.

Julie Carolina: It was really cool and fun.

Me: Yeah we really fucked up some of their enemies.

Carolina: You sure did.

Amore: My missions were next.

Me: Yeah and those were cool.

Brittney: They sure were. We went to Ever After High and helped the students there battle some of the villains from Disney and many

others.

Lincoln: It was also where some of my future wives came from.

Me: Yep. And it was awesome.

Gai Kurenai: That is amazing.

Me: Believe it or not there were some very big similarities to the world of The Descendants with it.

Mal: Yeah the daughters of the villains there were very much like me and my friends.

Me: Yeah.

Qin: And it was an amazing battle.

Nico: Yep. Also during Natalia's missions we killed Dark Eddy.

Me: Eddy blasted him in the head and chest with his blaster and used the Terminator Line, Hasta La Vista baby.

Qin: Yep.

Gai Kurenai: Nice!

Qin: Yeah that was cool.

Lola: Yeah.

Nico: After the big missions, we had to deal with reassembling the Tablet of Order and Chaos, fighting several Goosebumps monsters, saving the Pokepark, fighting several Lego villains, fighting Zedd and his forces, and last but not least, killing Xehanort.

Me: This whole year was VERY EVENTFUL for all of us.

Xenia: And just recently we destroyed Galactus.

Gai Kurenai: Wow! What a year for all of you.

May: (sees Nico frown) Something wrong, honey?

Nico: Well, we defeated Xehanort, right? So why aren't the credits rolling?

Deadpool: Because our job ain't done yet, silly! We still got the big missions of 2024 to complete and that new upcoming enemy that we need to watch out for!

Jamesdean5842: He's right guys. Even though Xehanort may be dead there are still OTHER villains to watch out for. Evil never rests for anyone. No rest for the wicked as they say.

Nico: You're right.

Later we went back home and we were about to turn in for the night.

Nico went downstairs into the basement to see the Loud Kids there.

Nico: What are you guys doing?

Lincoln: Well, this whole thing started with us in the basement.

Lori: It's literally only fair that we end this year here as well.

Nico: I see.

Luna: Dudes, I'm honestly very proud of what we accomplished over the years.

Lola: Me too!

Lynn: But Gai's right. We cleared out most of the major scumbags in the Universe

Lisa: It's only logical that we take it easy until the anniversary.

Lily: I agree with you.

Lucy: For now, let's enjoy the peaceful atmosphere of the night.

Luan: And not have any NIGHTmares! (laughs)

HAHAHAHAHA! GOOD ONE LUAN!

Leni: Will I have nightmares?

Lana: (chuckles) Some things never change.

Nico: No, they don't. Laney, don't forget that your mission fast approaches.

Laney: Don't worry. I won't forget.

Nico: Good. But I'm glad you guys had an epic series of adventures. All of us did.

Lincoln: Yep. Night Nico.

Nico: Night Lincoln.

Nico was outside looking out into the horizon.

Nico: (voiceover) I'm proud of what everyone has accomplished over the last several years. Especially with Xehanort's final defeat.

Maria, May, William, me, Poliwag, and Poromon came to Nico's side as he smiled at them. We then heard sirens as a bank robbery was taking place

Nico: (voiceover) But like J.D. says, the battle between good and evil is eternal. That means a new bad guy's gonna take over as the new big bad sooner or later. But when that happens, we will be able to stop him. Because we… are… Team Loud Phoenix Storm!

We smirk at each other and fly down at the bank robbers.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive explosion blasted off as a phoenix cry was heard and then the fire formed into a phoenix!

Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Helena hates Lynn with a blazing passion, because of what that super mega aggressive, belching, farting, superstitious gorilla has done to Lincoln in the past, and in one incident, she and Lincoln beat that gorilla up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.
